TITLE IV—STUDENT ASSISTANCE

PART A—GRANTS TO STUDENTS IN ATTENDANCE AT INSTITUTIONS OF HIGHER EDUCATION

SEC. 400. [20 U.S.C. 1070] STATEMENT OF PURPOSE; PROGRAM AUTHORIZATION.

(a) PURPOSE.—It is the purpose of this part, to assist in making available the benefits of postsecondary education to eligible students (defined in accordance with section 484) in institutions of higher education by—

(1) providing Federal Pell Grants to all eligible students;
(2) providing supplemental educational opportunity grants to those students who demonstrate financial need;
(3) providing for payments to the States to assist them in making financial aid available to such students;
(4) providing for special programs and projects designed (A) to identify and encourage qualified youths with financial or cultural need with a potential for postsecondary education, (B) to prepare students from low-income families for postsecondary education, and (C) to provide remedial (including remedial language study) and other services to students; and
(5) providing assistance to institutions of higher education.

(b) SECRETARY REQUIRED TO CARRY OUT PURPOSES.—The Secretary shall, in accordance with subparts 1 through 8, carry out programs to achieve the purposes of this part.

Subpart 1—Federal Pell Grants

(a) PROGRAM AUTHORITY AND METHOD OF DISTRIBUTION.—(1) For each fiscal year through fiscal year 2004, the Secretary shall pay to each eligible institution such sums as may be necessary to pay to each eligible student (defined in accordance with section 484) for each academic year during which that student is in attendance at an institution of higher education, as an undergraduate, a Federal Pell Grant in the amount for which that student is eligible, as determined pursuant to subsection (b). Not less than 85 percent of such sums shall be advanced to eligible institutions prior to the start of each payment period and shall be based upon an amount requested by the institution as needed to pay eligible students until such time as the Secretary determines and publishes in the Federal Register with an opportunity for comment, an alternative payment system that provides payments to institutions in an accurate and
timely manner,\(^1\) except that this sentence shall not be construed
to limit the authority of the Secretary to place an institution on a
reimbursement system of payment.

(2) Nothing in this section shall be interpreted to prohibit the
Secretary from paying directly to students, in advance of the begin-
ning of the academic term, an amount for which they are eligible,
in cases where the eligible institution elects not to participate in
the disbursement system required by paragraph (1).

(3) Grants made under this subpart shall be known as “Federal
Pell Grants”.

(b) PURPOSE AND AMOUNT OF GRANTS.—(1) The purpose of this
subpart is to provide a Federal Pell Grant that in combination with
reasonable family and student contribution and supplemented by
the programs authorized under subparts 3 and 4 of this part, will
meet at least 75 percent of a student's cost of attendance (as de-
defined in section 472), unless the institution determines that a
greater amount of assistance would better serve the purposes of
section 401.

(2)(A) The amount of the Federal Pell Grant for a student eligi-
ble under this part shall be—

(i) $4,500 for academic year 1999–2000;
(ii) $4,800 for academic year 2000–2001;
(iii) $5,100 for academic year 2001–2002;
(iv) $5,400 for academic year 2002–2003; and
(v) $5,800 for academic year 2003–2004,

less an amount equal to the amount determined to be the expected
family contribution with respect to that student for that year.

(B) In any case where a student attends an institution of
higher education on less than a full-time basis (including a student
who attends an institution of higher education on less than a half-
time basis) during any academic year, the amount of the Federal
Pell Grant to which that student is entitled shall be reduced in pro-
portion to the degree to which that student is not so attending on
a full-time basis, in accordance with a schedule of reductions estab-
lished by the Secretary for the purposes of this division, computed
in accordance with this subpart. Such schedule of reductions shall
be established by regulation and published in the Federal Register
in accordance with section 482 of this Act.

(3)(A) For any academic year for which an appropriation Act
provides a maximum basic grant in an amount in excess of $2,700,
the amount of a student's basic grant shall equal $2,700 plus—

(i) one-half of the amount by which such maximum basic
grant exceeds $2,700; plus

(ii) the lesser of—

(I) the remaining one-half of such excess; or
(II) the sum of the student's tuition and, if the student
has dependent care expenses (as described in section
472(8)) or disability-related expenses (as described in section
472(9)), an allowance determined by the institution for
such expenses.

---

\(^1\)So in law. Section 401(a)(2) of P.L. 105–244 (112 Stat. 1650) added text in the second sen-
tence after “pay eligible students”. The inserted material should have been added after the
comma in “pay eligible students;”.
(B) An institution that charged only fees in lieu of tuition as of October 1, 1998, may include in the institution’s determination of tuition charged, fees that would normally constitute tuition.

(4) No Federal Pell Grant under this subpart shall exceed the difference between the expected family contribution for a student and the cost of attendance (as defined in section 472) at the institution at which that student is in attendance. If, with respect to any student, it is determined that the amount of a Federal Pell Grant plus the amount of the expected family contribution for that student exceeds the cost of attendance for that year, the amount of the Federal Pell Grant shall be reduced until the combination of expected family contribution and the amount of the Federal Pell Grant does not exceed the cost of attendance at such institution.

(5) No Federal Pell Grant shall be awarded to a student under this subpart if the amount of that grant for that student as determined under this subsection for any academic year is less than $400, except that a student who is eligible for a Federal Pell Grant that is equal to or greater than $200 but less than $400 shall be awarded a Federal Pell Grant of $400.

(6)(A) The Secretary may allow, on a case-by-case basis, a student to receive 2 Pell grants during a single award year, if—

(i) the student is enrolled full-time in an associate or baccalaureate degree program of study that is 2 years or longer at an eligible institution that is computed in credit hours; and

(ii) the student completes course work toward completion of an associate or baccalaureate degree that exceeds the requirements for a full academic year as defined by the institution.  

(B) The Secretary shall promulgate regulations implementing this paragraph.

(7) Notwithstanding any other provision of this subpart, the Secretary shall allow the amount of the Federal Pell Grant to be exceeded for students participating in a program of study abroad approved for credit by the institution at which the student is enrolled when the reasonable costs of such program are greater than the cost of attendance at the student’s home institution, except that the amount of such Federal Pell Grant in any fiscal year shall not exceed the grant level specified in the appropriate Appropriation Act for this subpart for such year. If the preceding sentence applies, the financial aid administrator at the home institution may use the cost of the study abroad program, rather than the home institution’s cost, to determine the cost of attendance of the student.

(8) No Federal Pell Grant shall be awarded under this subpart to any individual who is incarcerated in any Federal or State penal institution.

(c) Period of Eligibility for Grants.—(1) The period during which a student may receive Federal Pell Grants shall be the period required for the completion of the first undergraduate baccalaureate course of study being pursued by that student at the institution at which the student is in attendance except that any period during which the student is enrolled in a noncredit or remedial course of study as defined in paragraph (2) shall not be counted for the purpose of this paragraph.
(2) Nothing in this section shall exclude from eligibility courses of study which are noncredit or remedial in nature (including courses in English language instruction) which are determined by the institution to be necessary to help the student be prepared for the pursuit of a first undergraduate baccalaureate degree or certificate or, in the case of courses in English language instruction, to be necessary to enable the student to utilize already existing knowledge, training, or skills. Nothing in this section shall exclude from eligibility programs of study abroad that are approved for credit by the home institution at which the student is enrolled.

(3) No student is entitled to receive Pell Grant payments concurrently from more than one institution or from the Secretary and an institution.

(4) Notwithstanding paragraph (1), the Secretary may allow, on a case-by-case basis, a student to receive a basic grant if the student—

(A) is carrying at least one-half the normal full-time work load for the course of study the student is pursuing, as determined by the institution of higher education; and

(B) is enrolled or accepted for enrollment in a postbaccalaureate program that does not lead to a graduate degree, and in courses required by a State in order for the student to receive a professional certification or licensing credential that is required for employment as a teacher in an elementary school or secondary school in that State, except that this paragraph shall not apply to a student who is enrolled in an institution of higher education that offers a baccalaureate degree in education.

d) Applications for Grants.—(1) The Secretary shall from time to time set dates by which students shall file applications for Federal Pell Grants under this subpart.

(2) Each student desiring a Federal Pell Grant for any year shall file an application therefor containing such information and assurances as the Secretary may deem necessary to enable the Secretary to carry out the functions and responsibilities of this subpart.

e) Distribution of Grants to Students.—Payments under this section shall be made in accordance with regulations promulgated by the Secretary for such purpose, in such manner as will best accomplish the purpose of this section. Any disbursement allowed to be made by crediting the student's account shall be limited to tuition and fees and, in the case of institutionally owned housing, room and board. The student may elect to have the institution provide other such goods and services by crediting the student's account.

(f) Calculation of Eligibility.—(1) Each contractor processing applications for awards under this subpart (including a central processor, if any, designated by the Secretary) shall, in a timely manner, furnish to the student financial aid administrator (at each institution of higher education which a student awarded a Federal Pell Grant under this subpart is attending), as a part of its regular output document, the expected family contribution for each such student. Each such student financial aid administrator shall—
(A) examine and assess the data used to calculate the expected family contribution of the student furnished pursuant to this subsection;
(B) recalculate the expected family contribution of the student if there has been a change in circumstances of the student or in the data submitted;
(C) make the award to the student in the correct amount;
and
(D) after making such award report the corrected data to such contractor and to a central processor (if any) designated by the Secretary for a confirmation of the correct computation of amount of the expected family contribution for each such student.

(2) Whenever a student receives an award under this subpart that, due to recalculation errors by the institution of higher education, is in excess of the amount which the student is entitled to receive under this subpart, such institution of higher education shall pay to the Secretary the amount of such excess unless such excess can be resolved in a subsequent disbursement to the institution.

(3) Each contractor processing applications for awards under this subpart shall for each academic year after academic year 1986–1987 prepare and submit a report to the Secretary on the correctness of the computations of amount of the expected family contribution, and on the accuracy of the questions on the application form under this subpart for the previous academic year for which the contractor is responsible. The Secretary shall transmit the report, together with the comments and recommendations of the Secretary, to the Committee on Appropriations and the Committee on Labor and Human Resources of the Senate and the Committee on Appropriations and the Committee on Education and the Workforce of the House of Representatives.

(g) INSUFFICIENT APPROPRIATIONS.—If, for any fiscal year, the funds appropriated for payments under this subpart are insufficient to satisfy fully all entitlements, as calculated under subsection (b) (but at the maximum grant level specified in such appropriation), the Secretary shall promptly transmit a notice of such insufficiency to each House of the Congress, and identify in such notice the additional amount that would be required to be appropriated to satisfy fully all entitlements (as so calculated at such maximum grant level).

(h) USE OF EXCESS FUNDS.—(1) If, at the end of a fiscal year, the funds available for making payments under this subpart exceed the amount necessary to make the payments required under this subpart to eligible students by 15 percent or less, then all of the excess funds shall remain available for making payments under this subpart during the next succeeding fiscal year.

(2) If, at the end of a fiscal year, the funds available for making payments under this subpart exceed the amount necessary to make the payments required under this subpart to eligible students by more than 15 percent, then all of such funds shall remain available for making such payments but payments may be made under this paragraph only with respect to entitlements for that fiscal year.
(i) **TREATMENT OF INSTITUTIONS AND STUDENTS UNDER OTHER LAWS.**—Any institution of higher education which enters into an agreement with the Secretary to disburse to students attending that institution the amounts those students are eligible to receive under this subpart shall not be deemed, by virtue of such agreement, a contractor maintaining a system of records to accomplish a function of the Secretary. Recipients of Pell Grants shall not be considered to be individual grantees for purposes of subtitle D of title V of Public Law 100–690.

(j) **INSTITUTIONAL INELIGIBILITY BASED ON DEFAULT RATES.**—

(1) **IN GENERAL.**—No institution of higher education shall be an eligible institution for purposes of this subpart if such institution of higher education is ineligible to participate in a loan program under part B or D as a result of a final default rate determination made by the Secretary under part B or D after the final publication of cohort default rates for fiscal year 1996 or a succeeding fiscal year.

(2) **SANCTIONS SUBJECT TO APPEAL OPPORTUNITY.**—No institution may be subject to the terms of this subsection unless the institution has had the opportunity to appeal the institution's default rate determination under regulations issued by the Secretary for the loan program authorized under part B or D, as applicable. This subsection shall not apply to an institution that was not participating in the loan program authorized under part B or D on the date of enactment of the Higher Education Amendments of 1998, unless the institution subsequently participates in the loan programs.

Subpart 2—Federal Early Outreach and Student Services Programs

CHAPTER 1—FEDERAL TRIO PROGRAMS

(a) **GRANTS AND CONTRACTS AUTHORIZED.**—The Secretary shall, in accordance with the provisions of this chapter, carry out a program of making grants and contracts designed to identify qualified individuals from disadvantaged backgrounds, to prepare them for a program of postsecondary education, to provide support services for such students who are pursuing programs of postsecondary education, to motivate and prepare students for doctoral programs, and to train individuals serving or preparing for service in programs and projects so designed.

* (b) **RECIPIENTS, DURATION, AND SIZE.**—

(1) **RECIPIENTS.**—For the purposes described in subsection (a), the Secretary is authorized, without regard to section 3709 of the Revised Statutes (41 U.S.C. 5), to make grants to, and contracts with, institutions of higher education, public and private agencies and organizations, combinations of such institutions, agencies and organizations, and in exceptional circumstances, secondary schools, for planning, developing, or
carrying out one or more of the services assisted under this chapter.

(2) Duration.—Grants or contracts made under this chapter shall be awarded for a period of 4 years, except that—

(B) grants made under section 402G shall be awarded for a period of 2 years; and

(C) grants under section 402H shall be awarded for a period determined by the Secretary.

(2) Prior Experience.—In making grants under this chapter, the Secretary shall consider each applicant's prior experience of service delivery under the particular program for which funds are sought. The level of consideration given the factor of prior experience shall not vary from the level of consideration given such factor during fiscal years 1994 through 1997, except that grants made under section 402H shall not be given prior experience consideration.

(3) Order of Awards; Program Fraud.—(A) Except with respect to grants made under sections 402G and 402H and as provided in subparagraph (B), the Secretary shall award grants and contracts under this chapter in the order of the scores received by the application for such grant or contract in the peer review process required under paragraph (4) and adjusted for prior experience in accordance with paragraph (2) of this subsection.

(B) The Secretary is not required to provide assistance to a program otherwise eligible for assistance under this chapter, if the Secretary has determined that such program has involved the fraudulent use of funds under this chapter.

(4) Peer Review Process.—(A) The Secretary shall ensure that, to the extent practicable, members of groups underrepresented in higher education, including African Americans, Hispanics, Native Americans, Alaska Natives, Asian Americans, and Native American Pacific Islanders (including Native Hawaiians), are represented as readers of applications sub-
mitted under this chapter. The Secretary shall also ensure that persons from urban and rural backgrounds are represented as readers.

(B) The Secretary shall ensure that each application submitted under this chapter is read by at least three readers who are not employees of the Federal Government (other than as readers of applications).

(5) NUMBER OF APPLICATIONS FOR GRANTS AND CONTRACTS.—The Secretary shall not limit the number of applications submitted by an entity under any program authorized under this chapter if the additional applications describe programs serving different populations or campuses.

(6) COORDINATION WITH OTHER PROGRAMS FOR DISADVANTAGED STUDENTS.—The Secretary shall encourage coordination of programs assisted under this chapter with other programs for disadvantaged students operated by the sponsoring institution or agency, regardless of the funding source of such programs. The Secretary shall not limit an entity's eligibility to receive funds under this chapter because such entity sponsors a program similar to the program to be assisted under this chapter, regardless of the funding source of such program. The Secretary shall permit the Director of a program receiving funds under this chapter to administer one or more additional programs for disadvantaged students operated by the sponsoring institution or agency, regardless of the funding sources of such programs.

(7) APPLICATION STATUS.—The Secretary shall inform each entity operating programs under this chapter regarding the status of their application for continued funding at least 8 months prior to the expiration of the grant or contract. The Secretary, in the case of an entity that is continuing to operate a successful program under this chapter, shall ensure that the start-up date for a new grant or contract for such program immediately follows the termination of the preceding grant or contract so that no interruption of funding occurs for such successful reapplicants. The Secretary shall inform each entity requesting assistance under this chapter for a new program regarding the status of their application at least 8 months prior to the proposed startup date of such program.

(d) OUTREACH.—

(1) IN GENERAL.—The Secretary shall conduct outreach activities to ensure that entities eligible for assistance under this chapter submit applications proposing programs that serve geographic areas and eligible populations which have been underserved by the programs assisted under this chapter.

(2) NOTICE.—In carrying out the provisions of paragraph (1), the Secretary shall notify the entities described in subsection (b) of the availability of assistance under this subsection not less than 120 days prior to the deadline for submission of applications under this chapter and shall consult national, State, and regional organizations about candidates for notification.

(3) TECHNICAL ASSISTANCE.—The Secretary shall provide technical training to applicants for projects and programs
authorized under this chapter. The Secretary shall give priority to serving programs and projects that serve geographic areas and eligible populations which have been underserved by the programs assisted under this chapter. Technical training activities shall include the provision of information on authorizing legislation, goals and objectives of the program, required activities, eligibility requirements, the application process and application deadlines, and assistance in the development of program proposals and the completion of program applications. Such training shall be furnished at conferences, seminars, and workshops to be conducted at not less than 10 sites throughout the United States to ensure that all areas of the United States with large concentrations of eligible participants are served.

(4) SPECIAL RULE.—The Secretary may contract with eligible entities to conduct the outreach activities described in this subsection.

Of the amount appropriated under this chapter, the Secretary may use no more than ½ of 1 percent of such amount to obtain additional qualified readers and additional staff to review applications, to increase the level of oversight monitoring, to support impact studies, program assessments and reviews, and to provide technical assistance to potential applicants and current grantees. In expending these funds, the Secretary shall give priority to the additional administrative requirements provided in the Higher Education Amendments of 1992, to outreach activities, and to obtaining additional readers. The Secretary shall report to Congress by October 1, 1994, on the use of these funds.

A grant provided under this paragraph shall not exceed the maximum appropriated Pell Grant or, be less than the minimum appropriated Pell Grant, for the current academic year. In making grants to students under this subsection, an institution shall ensure that adequate consultation takes place between the student support service program office and the institution’s financial aid office.

(C) State scholarships; and

(D) foundation or other charitable organization funds.
(b) Eligibility for Selection.—Awards may be made under this subpart only to a student who—

(1) is an eligible student under section 484; and

(2) makes application at a time and in a manner consistent with the requirements of the Secretary and that institution.

(c) Selection of Individuals and Determination of Amount of Awards.—(1) From among individuals who are eligible for supplemental grants for each fiscal year, the institution shall, in accordance with the agreement under section 487, and within the amount allocated to the institution for that purpose for that year under section 413D, select individuals who are to be awarded such grants and determine, in accordance with section 413B, the amounts to be paid to them.

(2)(A) In carrying out paragraph (1) of this subsection, each institution of higher education shall, in the agreement made under section 487, assure that the selection procedures—

(i) will be designed to award supplemental grants under this subpart, first, to students with exceptional need, and

(ii) will give a priority for supplemental grants under this subpart to students who receive Pell Grants and meet the requirements of section 484.

(B) For the purpose of subparagraph (A), the term “students with exceptional need” means students with the lowest expected family contributions at the institution.

(d) Use of Funds for Less-Than-Full-Time Students.—If the institution’s allocation under this subpart is directly or indirectly based in part on the financial need demonstrated by students who are independent students or attending the institution on less than a full-time basis, then a reasonable proportion of the allocation shall be made available to such students.

(e) Use and Transfer of Funds for Administrative Expenses.—An agreement entered into pursuant to this section shall provide that funds granted to an institution of higher education may be used only to make payments to students participating in a grant program authorized under this subpart, except that an institution may use a portion of the sums allocated to it under this subpart to meet administrative expenses in accordance with section 489 of this title.

(a) Allocation Based on Previous Allocation 1.—(1) From the amount appropriated pursuant to section 413A(b) for each fiscal year, the Secretary shall first allocate to each eligible institution an amount equal to 100 percent of the amount such institution received under subsections (a) and (b) of this section for fiscal year

1The allocation provisions of section 413D of the Higher Education Act of 1965 were amended by section 408(c) of the Higher Education Amendments of 1998 (P.L. 105-244; 112 Stat. 1665). Paragraph (3) of that section contained the following effective date provision:

(3) Effective Date.—The amendments made by this subsection shall apply with respect to allocations of amounts appropriated pursuant to section 413A(b) of the Higher Education Act of 1965 for fiscal year 2000 or any succeeding fiscal year.
(2)(A) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this subpart after fiscal year 1999 but is not a first or second time participant, an amount equal to the greater of—

(i) $5,000; or

(ii) 90 percent of the amount received and used under this subpart for the first year it participated in the program.

(B) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this subpart after fiscal year 1999 and is a first or second time participant, an amount equal to the greatest of—

(i) $5,000;

(ii) an amount equal to (I) 90 percent of the amount received and used under this subpart in the second preceding fiscal year by eligible institutions offering comparable programs of instruction, divided by (II) the number of students enrolled at such comparable institutions in such fiscal year, multiplied by (III) the number of students enrolled at the applicant institution in such fiscal year; or

(iii) 90 percent of the institution’s allocation under this part for the preceding fiscal year.

(C) Notwithstanding subparagraphs (A) and (B) of this paragraph, the Secretary shall allocate to each eligible institution which

(i) was a first-time participant in the program in fiscal year 2000 or any subsequent fiscal year, and

(ii) received a larger amount under this subsection in the second year of participation,

an amount equal to 90 percent of the amount it received under this subsection in its second year of participation.

(3)(A) If the amount appropriated for any fiscal year is less than the amount required to be allocated to all institutions under paragraph (1) of this subsection, then the amount of the allocation to each such institution shall be ratably reduced.

(B) If the amount appropriated for any fiscal year is more than the amount required to be allocated to all institutions under paragraph (1) but less than the amount required to be allocated to all institutions under paragraph (2), then—

(i) the Secretary shall allot the amount required to be allocated to all institutions under paragraph (1), and

(ii) the amount of the allocation to each institution under paragraph (2) shall be ratably reduced.

(C) If additional amounts are appropriated for any such fiscal year, such reduced amounts shall be increased on the same basis as they were reduced (until the amount allocated equals the amount required to be allocated under paragraphs (1) and (2) of this subsection).

Section 406(c)(1)(A) of the Higher Education Amendments of 1998 (P.L. 105–244; 112 Stat. 1665) amended subsection (a)(1) by striking “received and used under this part for fiscal year 1995” and inserting “received under” through “such fiscal year?” The amendment, executed to reflect the probable intent of Congress, probably should have been to strike “subpart” not “part”.
(4)(A) Notwithstanding any other provision of this section, the Secretary may allocate an amount equal to not more than 10 percent of the amount by which the amount appropriated in any fiscal year to carry out this part exceeds $700,000,000 among eligible institutions described in subparagraph (B).

(B) In order to receive an allocation pursuant to subparagraph (A) an institution shall be an eligible institution from which 50 percent or more of the Pell Grant recipients attending such eligible institution graduate from or transfer to a 4-year institution of higher education.

(b) Allocation of Excess Based on Fair Share.—(1) From the remainder of the amount appropriated pursuant to section 413A(b) for each year (after making the allocations required by subsection (a)), the Secretary shall allocate to each eligible institution which has an excess eligible amount an amount which bears the same ratio to such remainder as such excess eligible amount bears to the sum of the excess eligible amounts of all such eligible institutions (having such excess eligible amounts).

(2) For any eligible institution, the excess eligible amount is the amount, if any, by which—
    (A)(i) the amount of that institution’s need (as determined under subsection (c)), divided by (ii) the sum of the need of all institutions (as so determined), multiplied by (iii) the amount appropriated pursuant to section 413A(b) of the fiscal year; exceeds
    (B) the amount required to be allocated to that institution under subsection (a).

(c) Determination of Institution’s Need.—(1) The amount of an institution’s need is equal to—
    (A) the sum of the need of the institution’s eligible undergraduate students; minus
    (B) the sum of grant aid received by students under subparts 1 and 3 of this part.

(2) To determine the need of an institution’s eligible undergraduate students, the Secretary shall—
    (A) establish various income categories for dependent and independent undergraduate students;
    (B) establish an expected family contribution for each income category of dependent and independent undergraduate students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;
    (C) compute 75 percent of the average cost of attendance for all undergraduate students;
    (D) multiply the number of eligible dependent students in each income category by 75 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C), minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction shall not be less than zero;
    (E) add the amounts determined under subparagraph (D) for each income category of dependent students;
multiply the number of eligible independent students in each income category by 75 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C), minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction shall not be less than zero;

(G) add the amounts determined under subparagraph (F) for each income category of independent students; and

(H) add the amounts determined under subparagraphs (E) and (G).

(3)(A) For purposes of paragraph (2), the term “average cost of attendance” means the average of the attendance costs for undergraduate students which shall include (i) tuition and fees determined in accordance with subparagraph (B), (ii) standard living expenses determined in accordance with subparagraph (C), and (iii) books and supplies determined in accordance with subparagraph (D).

(B) The average undergraduate tuition and fees described in subparagraph (A)(i) shall be computed on the basis of information reported by the institution to the Secretary, which shall include (i) total revenue received by the institution from undergraduate tuition and fees for the second year preceding the year for which it is applying for an allocation, and (ii) the institution’s enrollment for such second preceding year.

(C) The standard living expense described in subparagraph (A)(ii) is equal to 150 percent of the difference between the income protection allowance for a family of five with one in college and the income protection allowance for a family of six with one in college for a single independent student.

(D) The allowance for books and supplies described in subparagraph (A)(iii) is equal to $450.

(d) REallocation of excess allocations.—(1) If an institution returns to the Secretary any portion of the sums allocated to such institution under this section for any fiscal year the Secretary shall, in accordance with regulations, reallocate such excess to other institutions.

(2) If under paragraph (1) of this subsection an institution returns more than 10 percent of its allocation, the institution’s allocation for the next fiscal year shall be reduced by the amount returned. The Secretary may waive this paragraph for a specific institution if the Secretary finds that enforcing this paragraph would be contrary to the interest of the program.

(e) Filing deadlines.—The Secretary shall, from time to time, set dates before which institutions must file applications for allocations under this part.

(a) Carryover authority.—Of the sums made available to an eligible institution under this subpart for a fiscal year, not more than 10 percent may, at the discretion of the institution, remain available for expenditure during the succeeding fiscal year to carry out the program under this subpart.
(b) CARRYBACK AUTHORITY.—
   (1) IN GENERAL.—Of the sums made available to an eligible institution under this subpart for a fiscal year, not more than 10 percent may, at the discretion of the institution, be used by the institution for expenditure for the fiscal year preceding the fiscal year for which the sums were appropriated.
   (2) USE OF CARRIED-BACK FUNDS.—An eligible institution may make grants to students after the end of the academic year, but prior to the beginning of the succeeding fiscal year, from such succeeding fiscal year’s appropriations.

SEC. 415A. [20 U.S.C. 1070c] PURPOSE; APPROPRIATIONS AUTHORIZED.
(a) PURPOSE OF SUBPART.—It is the purpose of this subpart to make incentive grants available to States to assist States in—
   (1) providing grants to—
      (A) eligible students attending institutions of higher education or participating in programs of study abroad that are approved for credit by institutions of higher education at which such students are enrolled; and
      (B) eligible students for campus-based community service work-study; and
   (2) carrying out the activities described in section 415E.
(b) AUTHORIZATION OF APPROPRIATIONS; AVAILABILITY.—
   (1) IN GENERAL.—There are authorized to be appropriated $105,000,000 for fiscal year 1999, and such sums as may be necessary for each of the 4 succeeding fiscal years.
   (2) RESERVATION.—For any fiscal year for which the amount appropriated under paragraph (1) exceeds $30,000,000, the excess shall be available to carry out section 415E.
   (3) AVAILABILITY.—Sums appropriated pursuant to the authority of paragraph (1) for any fiscal year shall remain available for payments to States under this subpart until the end of the fiscal year succeeding the fiscal year for which such sums were appropriated.

(a) ALLOTMENT BASED ON NUMBER OF ELIGIBLE STUDENTS IN ATTENDANCE.—(1) From the sums appropriated pursuant to section 415A(b)(1) and not reserved under section 415A(b)(2) for any fiscal year, the Secretary shall allot to each State an amount which bears the same ratio to such sums as the number of students who are deemed eligible in such State for participation in the grant program authorized by this subpart bears to the total number of such students in all the States, except that no State shall receive less than the State received for fiscal year 1979.
   (2) For the purpose of this subsection, the number of students who are deemed eligible in a State for participation in the grant program authorized by this subpart, and the number of such students in all the States, shall be determined for the most recent year for which satisfactory data are available.
   (b) REALLOTMENT.—The amount of any State’s allotment under subsection (a) for any fiscal year which the Secretary determines
Sec. 415C  HIGHER EDUCATION ACT OF 1965

will not be required for such fiscal year for the leveraging educational assistance partnership program of that State shall be available for reallocation from time to time, on such dates during such year as the Secretary may fix, to other States in proportion to the original allotments to such States under such part for such year, but with such proportionate amount for any of such States being reduced to the extent it exceeds the sum the Secretary estimates such State needs and will be able to use for such year for carrying out the State plan. The total of such reductions shall be similarly reallocated among the States whose proportionate amounts were not so reduced. Any amount reallocated to a State under this part during a year from funds appropriated pursuant to section 415A(b)(1) shall be deemed part of its allotment under subsection (a) for such year.

(c) Allotments Subject to Continuing Compliance.—The Secretary shall make payments for continuing incentive grants only to States which continue to meet the requirements of section 415C(b).

(a) Submission and Contents of Applications.—A State which desires to obtain a payment under this subpart for any fiscal year shall submit annually an application therefor through the State agency administering its program under this subpart as of July 1, 1985, unless the Governor of that State so designates, in writing, a different agency to administer the program. The application shall contain such information as may be required by, or pursuant to, regulation for the purpose of enabling the Secretary to make the determinations required under this subpart.

(b) Payment of Federal Share of Grants Made by Qualified Program.—From a State’s allotment under this subpart for any fiscal year the Secretary is authorized to make payments to such State for paying up to 50 percent of the amount of student grants pursuant to a State program which—

1. is administered by a single State agency;
2. provides that such grants will be in amounts not in excess of $5,000 per academic year (A) for attendance on a full-time basis at an institution of higher education, and (B) for campus-based community service work learning study jobs;
3. provides that—
   A. not more than 20 percent of the allotment to the State for each fiscal year may be used for the purpose described in paragraph (2)(B);
   B. grants for the campus-based community work learning study jobs may be made only to students who are otherwise eligible for assistance under this subpart; and
   C. grants for such jobs be made in accordance with the provisions of section 443(b)(1);
4. provides for the selection of recipients of such grants or of such State work-study jobs on the basis of substantial financial need determined annually on the basis of criteria established by the State and approved by the Secretary, except that for the purpose of collecting data to make such determination
of financial need, no student or parent shall be charged a fee that is payable to an entity other than such State;

(5) provides that, effective with respect to any academic year beginning on or after October 1, 1978, all nonprofit institutions of higher education in the State are eligible to participate in the State program, except in any State in which participation of nonprofit institutions of higher education is in violation of the constitution of the State or in any State in which participation of nonprofit institutions of higher education is in violation of a statute of the State which was enacted prior to October 1, 1978;

(6) provides for the payment of the non-Federal portion of such grants or of such work-study jobs from funds supplied by such State which represent an additional expenditure for such year by such State for grants or work-study jobs for students attending institutions of higher education over the amount expended by such State for such grants or work-study jobs, if any, during the second fiscal year preceding the fiscal year in which such State initially received funds under this subpart;

(7) provides that if the State's allocation under this subpart is based in part on the financial need demonstrated by students who are independent students or attending the institution less than full time, a reasonable proportion of the State's allocation shall be made available to such students;

(8) provides for State expenditures under such program of an amount not less than the average annual aggregate expenditures for the preceding three fiscal years or the average annual expenditure per full-time equivalent student for such years;

(9) provides (A) for such fiscal control and fund accounting procedures as may be necessary to assure proper disbursement of and accounting for Federal funds paid to the State agency under this subpart, and (B) for the making of such reports, in such form and containing such information, as may be reasonably necessary to enable the Secretary to perform his functions under this subpart; and

(10) for any academic year beginning after June 30, 1987, provides the non-Federal share of the amount of student grants or work-study jobs under this subpart through a direct appropriation of State funds for the program under this subpart.

(c) RESERVATION AND DISBURSEMENT OF ALLOTMENTS AND REALLOTMENTS.—Upon his approval of any application for a payment under this subpart, the Secretary shall reserve from the applicable allotment (including any applicable reallocation) available therefor, the amount of such payment, which (subject to the limits of such allotment or reallocation) shall be equal to the Federal share of the cost of the students' incentive grants or work-study jobs covered by such application. The Secretary shall pay such reserved amount, in advance or by way of reimbursement, and in such installments as the Secretary may determine. The Secretary may amend the reservation of any amount under this section, either upon approval of an amendment of the application or upon revision of the estimated cost of the student grants or work-study jobs with respect to which
such reservation was made. If the Secretary approves an upward revision of such estimated cost, the Secretary may reserve the Federal share of the added cost only from the applicable allotment (or reallocation) available at the time of such approval.

(a) Disapproval of Applications; Suspension of Eligibility.—(1) The Secretary shall not finally disapprove any application for a State program submitted under section 415C, or any modification thereof, without first affording the State agency submitting the program reasonable notice and opportunity for a hearing.

(2) Whenever the Secretary, after reasonable notice and opportunity for hearing to the State agency administering a State program approved under this subpart, finds—
   (A) that the State program has been so changed that it no longer complies with the provisions of this subpart, or
   (B) that in the administration of the program there is a failure to comply substantially with any such provisions, the Secretary shall notify such State agency that the State will not be regarded as eligible to participate in the program under this subpart until he is satisfied that there is no longer any such failure to comply.

(b) Review of Decisions.—(1) If any State is dissatisfied with the Secretary’s final action with respect to the approval of its State program submitted under this subpart or with his final action under subsection (a), such State may appeal to the United States court of appeals for the circuit in which such State is located. The summons and notice of appeal may be served at any place in the United States. The Commissioner shall forthwith certify and file in the court the transcript of the proceedings and the record on which he based his action.

(2) The findings of fact by the Secretary, if supported by substantial evidence, shall be conclusive; but the court, for good cause shown, may remand the case to the Secretary to take further evidence, and the Secretary may thereupon make new or modified findings of fact and may modify his previous action, and shall certify to the court the transcript and record of further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

(3) The court shall have jurisdiction to affirm the action of the Secretary or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in title 28, United States Code, section 1254.

The Secretary shall enter into an agreement with each State desiring to participate in the scholarship program authorized by this subpart. Each such agreement shall include provisions designed to assure that—

(1) the State educational agency will administer the scholarship program authorized by this subpart in the State;
(2) the State educational agency will comply with the eligibility and selection provisions of this subpart;

Subpart 8—Learning Anytime Anywhere Partnerships

Congress makes the following findings:

(1) The nature of postsecondary education delivery is changing, and new technology and other related innovations can provide promising education opportunities for individuals who are currently not being served, particularly for individuals without easy access to traditional campus-based postsecondary education or for whom traditional courses are a poor match with education or training needs.

(2) Individuals, including individuals seeking basic or technical skills or their first postsecondary experience, individuals with disabilities, dislocated workers, individuals making the transition from welfare-to-work, and individuals who are limited by time and place constraints can benefit from nontraditional, noncampus-based postsecondary education opportunities and appropriate support services.

(3) The need for high-quality, nontraditional, technology-based education opportunities is great, as is the need for skill competency credentials and other measures of educational progress and attainment that are valid and widely accepted, but neither need is likely to be adequately addressed by the uncoordinated efforts of agencies and institutions acting independently and without assistance.

(4) Partnerships, consisting of institutions of higher education, community organizations, or other public or private agencies or organizations, can coordinate and combine institutional resources—

(A) to provide the needed variety of education options to students; and

(B) to develop new means of ensuring accountability and quality for innovative education methods.

(a) Purpose.—It is the purpose of this subpart to enhance the delivery, quality, and accountability of postsecondary education and career-oriented lifelong learning through technology and related innovations.

(b) Program Authorized.—

(1) Grants.—

(A) In general.—The Secretary may, from funds appropriated under section 420J make grants to, or enter into contracts or cooperative agreements with, eligible
partnerships to carry out the authorized activities described in section 420G.

(B) DURATION.—Grants under this subpart shall be awarded for periods that do not exceed 5 years.

(2) DEFINITION OF ELIGIBLE PARTNERSHIP.—For purposes of this subpart, the term “eligible partnership” means a partnership consisting of 2 or more independent agencies, organizations, or institutions. The agencies, organizations, or institutions may include institutions of higher education, community organizations, and other public and private institutions, agencies, and organizations.

(a) REQUIREMENT.—An eligible partnership desiring to receive a grant under this subpart shall submit an application to the Secretary, in such form and containing such information, as the Secretary may require.

(b) CONTENTS.—Each application shall include—

(1) the name of each partner and a description of the responsibilities of the partner, including the designation of a nonprofit organization as the fiscal agent for the partnership;

(2) a description of the need for the project, including a description of how the project will build on any existing services and activities;

(3) a listing of human, financial (other than funds provided under this subpart), and other resources that each member of the partnership will contribute to the partnership, and a description of the efforts each member of the partnership will make in seeking additional resources; and

(4) a description of how the project will operate, including how funds awarded under this subpart will be used to meet the purpose of this subpart.

Funds awarded to an eligible partnership under this subpart shall be used to—

(1) develop and assess model distance learning programs or innovative educational software;

(2) develop methodologies for the identification and measurement of skill competencies;

(3) develop and assess innovative student support services;

or

(4) support other activities that are consistent with the purpose of this subpart.

Federal funds shall provide not more than 50 percent of the cost of a project under this subpart. The non-Federal share of project costs may be in cash or in kind, fairly evaluated, including services, supplies, or equipment.

The Secretary shall use a peer review process to review applications under this subpart and to make recommendations for funding under this subpart to the Secretary.

(C) to pay a portion of the interest on loans to qualified students which are insured under this part, and

(D) to guarantee a portion of each loan insured under a program of a State or of a nonprofit private institution or organization which meets the requirements of section 428(a)(1)(B).

(2) DISCRIMINATION BY CREDITORS PROHIBITED.—No agency, organization, institution, bank, credit union, corporation, or other lender who regularly extends, renews, or continues credit or provides insurance under this part shall exclude from receipt or deny the benefits of, or discriminate against any borrower or applicant in obtaining, such credit or insurance on the basis of race, national origin, religion, sex, marital status, age, or handicapped status.

(c) Designation.—The program established under this part shall be referred to as the “Robert T. Stafford Federal Student Loan Program”. Loans made pursuant to sections 427 and 428 shall be known as “Federal Stafford Loans”.

SEC. 422. [20 U.S.C. 1072] ADVANCES FOR RESERVE FUNDS OF STATE AND NONPROFIT PRIVATE LOAN INSURANCE PROGRAMS.

(a) Purpose of and Authority for Advances to Reserve Funds.—

(1) Purpose; eligible recipients.—From sums appropriated pursuant to paragraphs (3) and (4)(A) of section 421(b), the Secretary is authorized to make advances to any State with which the Secretary has made an agreement pursuant to section 428(b) for the purpose of helping to establish or strengthen the reserve fund of the student loan insurance program covered by that agreement. If for any fiscal year a State does not have a student loan insurance program covered by an agreement made pursuant to section 428(b), and the Secretary determines after consultation with the chief executive officer of that State that there is no reasonable likelihood that the State will have such a student loan insurance program for such year, the Secretary may make advances for such year for the same purpose to one or more nonprofit private institutions or organizations with which the Secretary has made an agreement pursuant to section 428(b) in order to enable students in the State to participate in a program of student loan insurance covered by such an agreement. The Secretary may make advances under this subsection both to a State program (with which he has such an agreement) and to one or more nonprofit private institutions or organizations (with which he has such an agreement) in that State if he determines that such advances are necessary in order that students in each eligible institution have access through such institution to a student loan insurance program which meets the requirements of section 428(b)(1).

(2) Matching requirement.—No advance shall be made after June 30, 1968, unless matched by an equal amount from non-Federal sources. Such equal amount may include the unencumbered non-Federal portion of a reserve fund. As used in the preceding sentence, the term “unencumbered non-Federal portion” means the amount (determined as of the time immediately preceding the making of the advance) of the reserve fund less the greater of—

(A) the sum of—
(i) advances made under this section prior to July 1, 1968;
(ii) an amount equal to twice the amount of advances made under this section after June 30, 1968, and before the advance for purposes of which the determination is made; and
(iii) the proceeds of earnings on advances made under this section; or
(B) any amount which is required to be maintained in such fund pursuant to State law or regulation, or by agreement with lenders, as a reserve against the insurance of outstanding loans.

Except as provided in section 428(c)(9)(E) or (F), such unencumbered non-Federal portion shall not be subject to recall, repayment, or recovery by the Secretary.

(3) TERMS AND CONDITIONS; REPAYMENT.—Advances pursuant to this subsection shall be upon such terms and conditions (including conditions relating to the time or times of payment) consistent with the requirements of section 428(b) as the Secretary determines will best carry out the purpose of this section. Advances made by the Secretary under this subsection shall be repaid within such period as the Secretary may deem to be appropriate in each case in the light of the maturity and solvency of the reserve fund for which the advance was made.

(b) LIMITATIONS ON TOTAL ADVANCES.—

(1) IN GENERAL.—The total of the advances from the sums appropriated pursuant to paragraph (4)(A) of section 421(b) to nonprofit private institutions and organizations for the benefit of students in any State and to such State may not exceed an amount which bears the same ratio to such sums as the population of such State aged 18 to 22, inclusive, bears to the population of all the States aged 18 to 22 inclusive, but such advances may otherwise be in such amounts as the Secretary determines will best achieve the purposes for which they are made. The amount available for advances to any State shall not be less than $25,000 and any additional funds needed to meet this requirement shall be derived by proportionately reducing (but not below $25,000) the amount available for advances to each of the remaining States.

(2) CALCULATION OF POPULATION.—For the purpose of this subsection, the population aged 18 to 22, inclusive, of each State and of all the States shall be determined by the Secretary on the basis of the most recent satisfactory data available to him.

(c) ADVANCES FOR INSURANCE OBLIGATIONS.—

(1) USE FOR PAYMENT OF INSURANCE OBLIGATIONS.—From sums appropriated pursuant to section 421(b)(4)(B), the Secretary shall advance to each State which has an agreement with the Secretary under section 428(c) with respect to a student loan insurance program, an amount determined in accordance with paragraph (2) of this subsection to be used for the purpose of making payments under the State’s insurance obligations under such program.
(2) AMOUNT OF ADVANCES.—(A) Except as provided in subparagraph (B), the amount to be advanced to each such State shall be equal to 10 percent of the principal amount of loans made by lenders and insured by such agency on those loans on which the first payment of principal became due during the fiscal year immediately preceding the fiscal year in which the advance is made.

(B) The amount of any advance determined according to subparagraph (A) of this paragraph shall be reduced by—

(i) the amount of any advance or advances made to such State pursuant to this subsection at an earlier date; and

(ii) the amount of the unspent balance of the advances made to a State pursuant to subsection (a).

Notwithstanding subparagraph (A) and the preceding sentence of this subparagraph, the amount of any advance to a State described in paragraph (5)(A) for the first year of its eligibility under such paragraph, and the amount of any advance to any State described in paragraph (5)(B) for each year of its eligibility under such paragraph, shall not be less than $50,000.

(C) For the purpose of subparagraph (B), the unspent balance of the advances made to a State pursuant to subsection (a) shall be that portion of the balance of the State's reserve fund (remaining at the time of the State's first request for an advance pursuant to this subsection) which bears the same ratio to such balance as the Federal advances made and not returned by such State, pursuant to subsection (a), bears to the total of all past contributions to such reserve funds from all sources (other than interest on investment of any portion of the reserve fund) contributed since the date such State executed an agreement pursuant to section 428(b).

(D) If the sums appropriated for any fiscal year for paying the amounts determined under subparagraphs (A) and (B) are not sufficient to pay such amounts in full, then such amounts shall be reduced—

(i) by ratably reducing that portion of the amount allocated to each State which exceeds $50,000; and

(ii) if further reduction is required, by equally reducing the $50,000 minimum allocation of each State.

If additional sums become available for paying such amounts for any fiscal year during which the preceding sentence has been applied, such reduced amounts shall be increased on the same basis as they were reduced.

(3) USE OF EARNINGS FOR INSURANCE OBLIGATIONS.—The earnings, if any, on any investments of advances received pursuant to this subsection must be used for making payments under the State's insurance obligations.

(4) REPAYMENT OF ADVANCES.—Advances made by the Secretary under this subsection shall, subject to subsection (d), be repaid within such period as the Secretary may deem to be appropriate and shall be deposited in the fund established by section 431.
(5) LIMITATION ON NUMBER OF ADVANCES.—Except as provided in paragraph (7), advances pursuant to this subsection shall be made to a State—

(A) in the case of a State which is actively carrying on a program under an agreement pursuant to section 428(b) which was entered into before October 12, 1976, upon such date as such State may request, but not before October 1, 1977, and on the same day of each of the 2 succeeding calendar years after the date so requested; and

(B) in the case of a State which enters into an agreement pursuant to section 428(b) on or after October 12, 1976, or which is not actively carrying on a program under an agreement pursuant to such section on such date, upon such date as such State may request, but not before October 1, 1977, and on the same day of each of the 4 succeeding calendar years after the date so requested of the advance.

(6) PAYMENT OF ADVANCES WHERE NO STATE PROGRAM.—(A) If for any fiscal year a State does not have a student loan insurance program covered by an agreement made pursuant to section 428(b), and the Secretary determines after consultation with the chief executive officer of that State that there is no reasonable likelihood that the State will have such a student loan insurance program for such year, the Secretary may make advances pursuant to this subsection for such year for the same purpose to one or more nonprofit private institutions or organizations with which he has made an agreement pursuant to subsection (c), as well as subsection (b), of section 428 and subparagraph (B) of this paragraph in order to enable students in that State to participate in a program of student loan insurance covered by such agreements.

(B) The Secretary may enter into an agreement with a private nonprofit institution or organization for the purpose of this paragraph under which such institution or organization—

(i) agrees to establish within such State at least one office with sufficient staff to handle written, electronic, and telephone inquiries from students, eligible lenders, and other persons in the State, to encourage maximum commercial lender participation within the State, and to conduct periodic visits to at least the major eligible lenders within the State;

(ii) agrees that its insurance will not be denied any student because of his or her choice of eligible institutions; and

(iii) certifies that it is neither an eligible institution, nor has any substantial affiliation with an eligible institution.

(7) EMERGENCY ADVANCES.—The Secretary is authorized to make advances, on terms and conditions satisfactory to the Secretary, to a guaranty agency—

(A) in accordance with section 428(j), in order to ensure that the guaranty agency shall make loans as the lender-of-last-resort; or
(B) if the Secretary is seeking to terminate the guaranty agency's agreement, or assuming the guaranty agency's functions, in accordance with section 428(c)(9)(F)(v), in order to assist the agency in meeting its immediate cash needs, ensure the uninterrupted payment of claims, or ensure that the guaranty agency shall make loans as described in subparagraph (A).

(d) **Recovery of Advances During Fiscal Years 1988 and 1989.**

(1) **Amount and Use of Recovered Funds.**—Notwithstanding any other provision of this section, advances made by the Secretary under this section shall be repaid in accordance with this subsection and shall be deposited in the fund established by section 431. The Secretary shall, in accordance with the requirements of paragraph (2), recover (and so deposit) an amount equal to $75,000,000 during fiscal year 1988 and an amount equal to $35,000,000 for fiscal year 1989.

(2) **Determination of Guaranty Agency Obligations.**—In determining the amount of advances which shall be repaid by a guaranty agency under paragraph (1), the Secretary—

   (A) shall consider the solvency and maturity of the reserve and insurance funds of the guaranty agency assisted by such advances, as determined by the Comptroller General taking into account the requirements of State law as in effect on the date of enactment of the Higher Education Amendments of 1986;

   (B) shall not seek repayment of such advances from any State described in subsection (c)(5)(B) during any year of its eligibility under such subsection; and

   (C) shall not seek repayment of such advances from any State if such repayment encumbers the reserve fund requirement of State law as in effect on such date of enactment.

(e) **Correction for Errors Under Reduction of Excess Cash Reserves.**

(1) **In General.**—The Secretary shall pay any guaranty agency the amount of reimbursement of claims under section 428(c)(1), filed between September 1, 1988, and December 31, 1989, which were previously withheld or canceled in order to be applied to satisfy such agency's obligation to eliminate excess cash reserves held by such agency, based on the maximum cash reserve (as described in subsection (e) of this section as in effect on September 1, 1988) permitted at the end of 1986, if such maximum cash reserve was miscalculated because of erroneous financial information provided by such agency to the Secretary and if (A) such erroneous information is verified by an audited financial statement of the reserve fund, signed by a certified public accountant, and (B) such audited financial statement is provided to the Secretary prior to January 1, 1993.

(2) **Amount.**—The amount of reimbursement for claims shall be equal to the amount of reimbursement for claims withheld or canceled in order to be applied to such agency's obligation to eliminate excess cash reserves which exceeds the
amount of that which would have been withheld or canceled if
the maximum excess cash reserves had been accurately cal-
culated.

(f) REFUND OF CASH RESERVE PAYMENTS.—The Secretary shall,
within 30 days after the date of enactment of the Higher Education
Amendments of 1992, pay the full amount of payments withheld or
canceled under paragraph (3) of this subsection to any guaranty
agency which—

(1) was required to eliminate excess cash reserves, based
on the maximum cash reserve (as described in subsection (e)
of this section as in effect on September 1, 1988) permitted at
the end of 1986;

(2) appealed the Secretary’s demand that such agency
should eliminate such excess cash reserves and received a
waiver of a portion of the amount of such excess cash reserves
to be eliminated;

(3) had payments under section 428(c)(1) or section 428(f)
previously withheld or canceled in order to be applied to satisfy
such agency’s obligation to eliminate excess cash reserves held
by such agency, based on the maximum cash reserve (as de-
scribed in subsection (e) of this section as in effect on Sep-
tember 1, 1988) permitted at the end of 1986; and

(4) according to a Department of Education review that
was completed and forwarded to such guaranty agency prior to
January 1, 1992, is expected to become insolvent during or be-
fore 1996 and the payments withheld or canceled under para-
graph (3) of this subsection are a factor in such agency’s im-
pending insolvency.

(g) PRESERVATION AND RECOVERY OF GUARANTY AGENCY Re-

(1) AUTHORITY TO RECOVER FUNDS.—Notwithstanding any
other provision of law, the reserve funds of the guaranty agen-
cies, and any assets purchased with such reserve funds,
regardless of who holds or controls the reserves or assets, shall
be considered to be the property of the United States to be
used in the operation of the program authorized by this part.
However, the Secretary may not require the return of all re-
serve funds of a guaranty agency to the Secretary unless the
Secretary determines that such return is in the best interest
of the operation of the program authorized by this part, or to
ensure the proper maintenance of such agency’s funds or assets
or the orderly termination of the guaranty agency’s operations
and the liquidation of its assets. The reserves shall be main-
tained by each guaranty agency to pay program expenses and
contingent liabilities, as authorized by the Secretary, except
that—

(A) the Secretary may direct a guaranty agency to re-
turn to the Secretary a portion of its reserve fund which
the Secretary determines is unnecessary to pay the pro-
gram expenses and contingent liabilities of the guaranty
agency;

(B) the Secretary may direct the guaranty agency to
require the return, to the guaranty agency or to the Sec-
retary, of any reserve funds or assets held by, or under the
control of, any other entity, which the Secretary determines are necessary to pay the program expenses and contingent liabilities of the guaranty agency, or which are required for the orderly termination of the guaranty agency’s operations and the liquidation of its assets;

(C) the Secretary may direct a guaranty agency, or such agency’s officers or directors, to cease any activities involving expenditure, use or transfer of the guaranty agency’s reserve funds or assets which the Secretary determines is a misapplication, misuse, or improper expenditure of such funds or assets; and

(D) any such determination under subparagraph (A) or (B) shall be based on standards prescribed by regulations that are developed through negotiated rulemaking and that include procedures for administrative due process.

(2) TERMINATION PROVISIONS IN CONTRACTS.—(A) To ensure that the funds and assets of the guaranty agency are preserved, any contract with respect to the administration of a guaranty agency’s reserve funds, or the administration of any assets purchased or acquired with the reserve funds of the guaranty agency, that is entered into or extended by the guaranty agency, or any other party on behalf of or with the concurrence of the guaranty agency, after the date of enactment of this subsection shall provide that the contract is terminable by the Secretary upon 30 days notice to the contracting parties if the Secretary determines that such contract includes an impermissible transfer of the reserve funds or assets, or is otherwise inconsistent with the terms or purposes of this section.

(B) The Secretary may direct a guaranty agency to suspend or cease activities under any contract entered into by or on behalf of such agency after January 1, 1993, if the Secretary determines that the misuse or improper expenditure of such guaranty agency’s funds or assets or such contract provides unnecessary or improper benefits to such agency’s officers or directors.

(3) PENALTIES.—Violation of any direction issued by the Secretary under this subsection may be subject to the penalties described in section 490 of this Act.

(4) AVAILABILITY OF FUNDS.—Any funds that are returned or otherwise recovered by the Secretary pursuant to this subsection shall be available for expenditure for expenses pursuant to section 458 of this Act.

(h) RECALL OF RESERVES; LIMITATIONS ON USE OF RESERVE FUNDS AND ASSETS.—

(1) IN GENERAL.—Notwithstanding any other provision of law, the Secretary shall, except as otherwise provided in this subsection, recall $1,000,000,000 from the reserve funds held by guaranty agencies on September 1, 2002.

(2) DEPOSIT.—Funds recalled by the Secretary under this subsection shall be deposited in the Treasury.

(3) REQUIRED SHARE.—The Secretary shall require each guaranty agency to return reserve funds under paragraph (1) based on the agency’s required share of recalled reserve funds held by guaranty agencies as of September 30, 1996. For pur-
poses of this paragraph, a guaranty agency’s required share of recalled reserve funds shall be determined as follows:

(A) The Secretary shall compute each guaranty agency’s reserve ratio by dividing (i) the amount held in the agency’s reserve funds as of September 30, 1996 (but reflecting later accounting or auditing adjustments approved by the Secretary), by (ii) the original principal amount of all loans for which the agency has an outstanding insurance obligation as of such date, including amounts of outstanding loans transferred to the agency from another guaranty agency.

(B) If the reserve ratio of any guaranty agency as computed under subparagraph (A) exceeds 2.0 percent, the agency’s required share shall include so much of the amounts held in the agency’s reserve funds as exceed a reserve ratio of 2.0 percent.

(C) If any additional amount is required to be recalled under paragraph (1) (after deducting the total of the required shares calculated under subparagraph (B)), such additional amount shall be obtained by imposing on each guaranty agency an equal percentage reduction in the amount of the agency’s reserve funds remaining after deduction of the amount recalled under subparagraph (B), except that such percentage reduction under this subparagraph shall not result in the agency’s reserve ratio being reduced below 0.58 percent. The equal percentage reduction shall be the percentage obtained by dividing—

(i) the additional amount required to be recalled (after deducting the total of the required shares calculated under subparagraph (B)), by

(ii) the total amount of all such agencies’ reserve funds remaining (after deduction of the required shares calculated under such subparagraph).

(D) If any additional amount is required to be recalled under paragraph (1) (after deducting the total of the required shares calculated under subparagraphs (B) and (C)), such additional amount shall be obtained by imposing on each guaranty agency with a reserve ratio (after deducting the required shares calculated under such subparagraphs) in excess of 0.58 percent an equal percentage reduction in the amount of the agency’s reserve funds remaining (after such deduction) that exceed a reserve ratio of 0.58 percent. The equal percentage reduction shall be the percentage obtained by dividing—

(i) the additional amount to be recalled under paragraph (1) (after deducting the amount recalled under subparagraphs (B) and (C)), by

(ii) the total amount of all such agencies’ reserve funds remaining (after deduction of the required shares calculated under such subparagraphs) that exceed a reserve ratio of 0.58 percent.

(4) RESTRICTED ACCOUNTS REQUIRED.—

(A) IN GENERAL.—Within 90 days after the beginning of each of the fiscal years 1998 through 2002, each guar-
anty agency shall transfer a portion of the agency's required share determined under paragraph (3) to a restricted account established by the agency that is of a type selected by the agency with the approval of the Secretary. Funds transferred to such restricted accounts shall be invested in obligations issued or guaranteed by the United States or in other similarly low-risk securities.

(B) REQUIREMENT.—A guaranty agency shall not use the funds in such a restricted account for any purpose without the express written permission of the Secretary, except that a guaranty agency may use the earnings from such restricted account for default reduction activities.

(C) INSTALLMENTS.—In each of fiscal years 1998 through 2002, each guaranty agency shall transfer the agency's required share to such restricted account in 5 equal annual installments, except that—

(i) a guaranty agency that has a reserve ratio (as computed under subparagraph (3)(A)) equal to or less than 1.10 percent may transfer the agency's required share to such account in 4 equal installments beginning in fiscal year 1999; and

(ii) a guaranty agency may transfer such required share to such account in accordance with such other payment schedules as are approved by the Secretary.

(5) SHORTAGE.—If, on September 1, 2002, the total amount in the restricted accounts described in paragraph (4) is less than the amount the Secretary is required to recall under paragraph (1), the Secretary shall require the return of the amount of the shortage from other reserve funds held by guaranty agencies under procedures established by the Secretary. The Secretary shall first attempt to obtain the amount of such shortage from each guaranty agency that failed to transfer the agency's required share to the agency's restricted account in accordance with paragraph (4).

(6) ENFORCEMENT.—

(A) IN GENERAL.—The Secretary may take such reasonable measures, and require such information, as may be necessary to ensure that guaranty agencies comply with the requirements of this subsection.

(B) PROHIBITION.—If the Secretary determines that a guaranty agency has failed to transfer to a restricted account any portion of the agency's required share under this subsection, the agency may not receive any other funds under this part until the Secretary determines that the agency has so transferred the agency's required share.

(C) WAIVER.—The Secretary may waive the requirements of subparagraph (B) for a guaranty agency described in such subparagraph if the Secretary determines that there are extenuating circumstances beyond the control of the agency that justify such waiver.

(7) LIMITATION.—

(A) RESTRICTION ON OTHER AUTHORITY.—The Secretary shall not have any authority to direct a guaranty agency to return reserve funds under subsection (g)(1)(A) during
the period from the date of enactment of the Balanced Budget Act of 1997 through September 30, 2002.

(B) USE OF TERMINATION COLLECTIONS.—Any reserve funds directed by the Secretary to be returned to the Secretary under subsection (g)(1)(B) during such period that do not exceed a guaranty agency’s required share of recalled reserve funds under paragraph (3)—

(i) shall be used to satisfy the agency’s required share of recalled reserve funds; and

(ii) shall be deposited in the restricted account established by the agency under paragraph (4), without regard to whether such funds exceed the next installment required under such paragraph.

(C) USE OF SANCTIONS COLLECTIONS.—Any reserve funds directed by the Secretary to be returned to the Secretary under subsection (g)(1)(C) during such period that do not exceed a guaranty agency’s next installment under paragraph (4)—

(i) shall be used to satisfy the agency’s next installment; and

(ii) shall be deposited in the restricted account established by the agency under paragraph (4).

(D) BALANCE AVAILABLE TO SECRETARY.—Any reserve funds directed by the Secretary to be returned to the Secretary under subparagraph (B) or (C) of subsection (g)(1) that remain after satisfaction of the requirements of subparagraphs (B) and (C) of this paragraph shall be deposited in the Treasury.

(8) DEFINITIONS.—For the purposes of this subsection:

(A) DEFAULT REDUCTION ACTIVITIES.—The term “default reduction activities” means activities to reduce student loan defaults that improve, strengthen, and expand default prevention activities, such as—

(i) establishing a program of partial loan cancellation to reward disadvantaged borrowers for good repayment histories with their lenders;

(ii) establishing a financial and debt management counseling program for high-risk borrowers that provides long-term training (beginning prior to the first disbursement of the borrower’s first student loan and continuing through the completion of the borrower’s program of education or training) in budgeting and other aspects of financial management, including debt management;

(iii) establishing a program of placement counseling to assist high-risk borrowers in identifying employment or additional training opportunities; and

(iv) developing public service announcements that would detail consequences of student loan default and provide information regarding a toll-free telephone number established by the guaranty agency for use by borrowers seeking assistance in avoiding default.

(B) RESERVE FUNDS.—The term “reserve funds” when used with respect to a guaranty agency—
(i) includes any reserve funds in cash or liquid assets held by the guaranty agency, or held by, or under the control of, any other entity; and
(ii) does not include buildings, equipment, or other nonliquid assets.

(i) Additional Recall of Reserves.—

(1) In General.—Notwithstanding any other provision of law and subject to paragraph (4), the Secretary shall recall, from reserve funds held in the Federal Student Loan Reserve Funds established under section 422A by guaranty agencies—
   (A) $85,000,000 in fiscal year 2002;
   (B) $82,500,000 in fiscal year 2006; and
   (C) $82,500,000 in fiscal year 2007.

(2) Deposit.—Funds recalled by the Secretary under this subsection shall be deposited in the Treasury.

(3) Required Share.—The Secretary shall require each guaranty agency to return reserve funds under paragraph (1) on the basis of the agency’s required share. For purposes of this paragraph, a guaranty agency’s required share shall be determined as follows:
   (A) Equal Percentage.—The Secretary shall require each guaranty agency to return an amount representing an equal percentage reduction in the amount of reserve funds held by the agency on September 30, 1996.
   (B) Calculation.—The equal percentage reduction shall be the percentage obtained by dividing—
      (i) $250,000,000, by
      (ii) the total amount of all guaranty agencies’ reserve funds held on September 30, 1996, less any amounts subject to recall under subsection (h).

(C) Special Rule.—Notwithstanding subparagraphs (A) and (B), the percentage reduction under subparagraph (B) shall not result in the depletion of the reserve funds of any agency which charges the 1.0 percent insurance premium pursuant to section 428(b)(1)(H) below an amount equal to the amount of lender claim payments paid during the 90 days prior to the date of the return under this subsection. If any additional amount is required to be returned after deducting the total of the required shares under subparagraph (B) and as a result of the preceding sentence, such additional amount shall be obtained by imposing on each guaranty agency to which the preceding sentence does not apply, an equal percentage reduction in the amount of the agency's remaining reserve funds.

(4) Offset of Required Shares.—If any guaranty agency returns to the Secretary any reserve funds in excess of the amount required under this subsection or subsection (h), the total amount required to be returned under paragraph (1) shall be reduced by the amount of such excess reserve funds returned.

(5) Definition of Reserve Funds.—The term “reserve funds” when used with respect to a guaranty agency—

1Identical definition of reserve funds appears in section 422(h)(8)(B).

(a) Establishment.—Each guaranty agency shall, not later than 60 days after the date of enactment of this section, deposit all funds, securities, and other liquid assets contained in the reserve fund established pursuant to section 422 into a Federal Student Loan Reserve Fund (in this section and section 422B referred to as the “Federal Fund”), which shall be an account of a type selected by the agency, with the approval of the Secretary.

(b) Investment of Funds.—Funds transferred to the Federal Fund shall be invested in obligations issued or guaranteed by the United States or a State, or in other similarly low-risk securities selected by the guaranty agency, with the approval of the Secretary. Earnings from the Federal Fund shall be the sole property of the Federal Government.

(c) Additional Deposits.—After the establishment of the Federal Fund, a guaranty agency shall deposit into the Federal Fund—

(1) all amounts received from the Secretary as payment of reinsurance on loans pursuant to section 428(c)(1);

(2) from amounts collected on behalf of the obligation of a defaulted borrower, a percentage amount equal to the complement of the reinsurance percentage in effect when payment under the guaranty agreement was made—

(A) with respect to the defaulted loan pursuant to sections 428(c)(6)(A) and 428F(a)(1)(B); and

(B) with respect to a loan that the Secretary has repaid or discharged under section 437;

(3) insurance premiums collected from borrowers pursuant to sections 428(b)(1)(H) and 428H(h);

(4) all amounts received from the Secretary as payment for supplemental preclaims activity performed prior to the date of enactment of this section;

(5) 70 percent of amounts received after such date of enactment from the Secretary as payment for administrative cost allowances for loans upon which insurance was issued prior to such date of enactment; and

(6) other receipts as specified in regulations of the Secretary.

(d) Uses of Funds.—Subject to subsection (f), the Federal Fund may only be used by a guaranty agency—

(1) to pay lender claims pursuant to sections 428(b)(1)(G), 428(j), 437, and 439(q); and

(2) to pay into the Agency Operating Fund established pursuant to section 422B (in this section and section 422B referred to as the “Operating Fund”) a default aversion fee in accordance with section 428(l).

(e) Ownership of Federal Fund.—The Federal Fund, and any nonliquid asset (such as a building or equipment) developed or purchased by the guaranty agency in whole or in part with Federal
reserves funds, regardless of who holds or controls the Federal reserve funds or such asset, shall be considered to be the property of the United States, prorated based on the percentage of such asset developed or purchased with Federal reserve funds, which property shall be used in the operation of the program authorized by this part, as provided in subsection (d). The Secretary may restrict or regulate the use of such asset only to the extent necessary to reasonably protect the Secretary's prorated share of the value of such asset. The Secretary may direct a guaranty agency, or such agency's officers or directors, to cease any activity involving expenditures, use, or transfer of the Federal Fund administered by the guaranty agency that the Secretary determines is a misapplication, misuse, or improper expenditure of the Federal Fund or the Secretary's share of such asset.

(f) Transition.—

(1) In general.—In order to establish the Operating Fund, each guaranty agency may transfer not more than 180 days' cash expenses for normal operating expenses (not including claim payments) as a working capital reserve as defined in Office of Management and Budget Circular A–87 (Cost Accounting Standards) from the Federal Fund for deposit into the Operating Fund for use in the performance of the guaranty agency's duties under this part. Such transfers may occur during the first 3 years following the establishment of the Operating Fund. However, no agency may transfer in excess of 45 percent of the balance, as of September 30, 1998, of the agency's Federal Fund to the agency's Operating Fund during such 3-year period. In determining the amount that may be transferred, the agency shall ensure that sufficient funds remain in the Federal Fund to pay lender claims within the required time periods and to meet the reserve recall requirements of this section and subsections (h) and (i) of section 422.

(2) Special rule.—A limited number of guaranty agencies may transfer interest earned on the Federal Fund to the Operating Fund during the first 3 years after the date of enactment of this section if the guaranty agency demonstrates to the Secretary that—

(A) the cash flow in the Operating Fund will be negative without the transfer of such interest; and

(B) the transfer of such interest will substantially improve the financial circumstances of the guaranty agency.

(3) Repayment provisions.—Each guaranty agency shall begin repayment of sums transferred pursuant to this subsection not later than the start of the fourth year after the establishment of the Operating Fund, and shall repay all amounts transferred not later than 5 years from the date of the establishment of the Operating Fund. With respect to amounts transferred from the Federal Fund, the guaranty agency shall not be required to repay any interest on the funds transferred and subsequently repaid. The guaranty agency shall provide to the Secretary a reasonable schedule for repayment of the sums transferred and an annual financial analysis demonstrating the agency's ability to comply with the schedule and repay all outstanding sums transferred.
(4) **Prohibition.**—If a guaranty agency transfers funds from the Federal Fund in accordance with this section, and fails to make scheduled repayments to the Federal Fund, the agency may not receive any other funds under this part until the Secretary determines that the agency has made such repayments. The Secretary shall pay to the guaranty agency any funds withheld in accordance with this paragraph immediately upon making the determination that the guaranty agency has made all such repayments.

(5) **Waiver.**—The Secretary may—

(A) waive the requirements of paragraph (3), but only with respect to repayment of interest that was transferred in accordance with paragraph (2); and

(B) waive paragraph (4);

for a guaranty agency, if the Secretary determines that there are extenuating circumstances (such as State constitutional prohibitions) beyond the control of the agency that justify such a waiver.

(6) **Extension of repayment period for interest.**—

(A) **Extension permitted.**—The Secretary shall extend the period for repayment of interest that was transferred in accordance with paragraph (2) from 2 years to 5 years if the Secretary determines that—

(i) the cash flow of the Operating Fund will be negative as a result of repayment as required by paragraph (3);

(ii) the repayment of the interest transferred will substantially diminish the financial circumstances of the guaranty agency; and

(iii) the guaranty agency has demonstrated—

(I) that the agency is able to repay all transferred funds by the end of the 8th year following the date of establishment of the Operating Fund; and

(II) that the agency will be financially sound on the completion of repayment.

(B) **Repayment of income on transferred funds.**—All repayments made to the Federal Fund during the 6th, 7th, and 8th years following the establishment of the Operating Fund of interest that was transferred shall include the sums transferred plus any income earned from the investment of the sums transferred after the 5th year.

(7) **Investment of Federal funds.**—Funds transferred from the Federal Fund to the Operating Fund for operating expenses shall be invested in obligations issued or guaranteed by the United States or a State, or in other similarly low-risk securities selected by the guaranty agency, with the approval of the Secretary.

(8) **Special rule.**—In calculating the minimum reserve level required by section 428(c)(9)(A), the Secretary shall include all amounts owed to the Federal Fund by the guaranty agency in the calculation.

(a) E STABLISHMENT.—Each guaranty agency shall, not later than 60 days after the date of enactment of this section, establish a fund designated as the Operating Fund.

(b) I NVESTMENT OF FUNDS.—Funds deposited into the Operating Fund shall be invested at the discretion of the guaranty agency in accordance with prudent investor standards.

(c) A DDITIONAL DEPOSITS.—After the establishment of the Operating Fund, the guaranty agency shall deposit into the Operating Fund—

(1) the loan processing and issuance fee paid by the Secretary pursuant to section 428(f);

(2) 30 percent of amounts received after the date of enactment of this section from the Secretary as payment for administrative cost allowances for loans upon which insurance was issued prior to such date of enactment;

(3) the account maintenance fee paid by the Secretary in accordance with section 458;

(4) the default aversion fee paid in accordance with section 428(l);

(5) amounts remaining pursuant to section 428(c)(6)(B) from collection on defaulted loans held by the agency, after payment of the Secretary's equitable share, excluding amounts deposited in the Federal Fund pursuant to section 422A(c)(2); and

(6) other receipts as specified in regulations of the Secretary.

(d) USES OF FUNDS.—

(1) IN GENERAL.—Funds in the Operating Fund shall be used for application processing, loan disbursement, enrollment and repayment status management, default aversion activities (including those described in section 422(h)(8)), default collection activities, school and lender training, financial aid awareness and related outreach activities, compliance monitoring, and other student financial aid related activities, as selected by the guaranty agency.

(2) SPECIAL RULE.—The guaranty agency may, in the agency's discretion, transfer funds from the Operating Fund to the Federal Fund for use pursuant to section 422A. Such transfer shall be irrevocable, and any funds so transferred shall become the sole property of the United States.

(3) DEFINITIONS.—For purposes of this subsection:

(A) DEFAULT COLLECTION ACTIVITIES.—The term “default collection activities” means activities of a guaranty agency that are directly related to the collection of the loan on which a default claim has been paid to the participating lender, including the due diligence activities required pursuant to regulations of the Secretary.

(B) DEFAULT AVERSION ACTIVITIES.—The term “default aversion activities” means activities of a guaranty agency that are directly related to providing collection assistance to the lender on a delinquent loan, prior to the loan’s being legally in a default status, including due diligence activities required pursuant to regulations of the Secretary.
(C) Enrollment and repayment status management.—The term "enrollment and repayment status management" means activities of a guaranty agency that are directly related to ascertaining the student's enrollment status, including prompt notification to the lender of such status, an audit of the note or written agreement to determine if the provisions of that note or agreement are consistent with the records of the guaranty agency as to the principal amount of the loan guaranteed, and an examination of the note or agreement to assure that the repayment provisions are consistent with the provisions of this part.

(e) Ownership and regulation of operating fund.—
(1) Ownership.—The Operating Fund, with the exception of funds transferred from the Federal Fund in accordance with section 422A(f), shall be considered to be the property of the guaranty agency.

(2) Regulation.—Except as provided in paragraph (3), the Secretary may not regulate the uses or expenditure of moneys in the Operating Fund, but the Secretary may require such necessary reports and audits as provided in section 428(b)(2).

(3) Exception.—Notwithstanding paragraphs (1) and (2), during any period in which funds are owed to the Federal Fund as a result of transfer under section 422A(f)—

(A) moneys in the Operating Fund may only be used for expenses related to the student loan programs authorized under this part; and

(B) the Secretary may regulate the uses or expenditure of moneys in the Operating Fund.

(a) Federal insurance barred to lenders with access to state or private insurance.—Except as provided in subsection (b), the Secretary shall not issue certificates of insurance under section 429 to lenders in a State if the Secretary determines that every eligible institution has reasonable access in that State to a State or private nonprofit student loan insurance program which is covered by an agreement under section 428(b).

(b) Exceptions.—The Secretary may issue certificates of insurance under section 429 to a lender in a State—

(1) for insurance of a loan made to a student borrower who does not, by reason of the borrower's residence, have access to loan insurance under the loan insurance program of such State (or under any private nonprofit loan insurance program which has received an advance under section 422 for the benefit of students in such State);

(2) for insurance of all the loans made to student borrowers by a lender who satisfies the Secretary that, by reason of the residence of such borrowers, such lender will not have access to any single State or nonprofit private loan insurance program which will insure substantially all of the loans such lender intends to make to such student borrowers; or

(3) under such circumstances as may be approved by the guaranty agency in such State, for the insurance of a loan to a borrower for whom such lender previously was issued such
a certificate if the loan covered by such certificate is not yet re-
paid.

INSURANCE PROGRAM.

(a) LIMITATIONS ON AMOUNTS OF LOANS COVERED BY FEDERAL
INSURANCE.—The total principal amount of new loans made and
installments paid pursuant to lines of credit (as defined in section
435) to students covered by Federal loan insurance under this part
shall not exceed $2,000,000,000 for the period from July 1, 1976,
to September 30, 1976, and for each of the succeeding fiscal years
ending prior to October 1, 2004. Thereafter, Federal loan insurance
pursuant to this part may be granted only for loans made (or for
loan installments paid pursuant to lines of credit) to enable stu-
dents, who have obtained prior loans insured under this part, to
continue or complete their educational program; but no insurance
may be granted for any loan made or installment paid after Sep-
tember 30, 2008.

(b) APPORTIONMENT OF AMOUNTS.—The Secretary may, if he or
she finds it necessary to do so in order to assure an equitable dis-
tribution of the benefits of this part, assign, within the maximum
amounts specified in subsection (a), Federal loan insurance quotas
applicable to eligible lenders, or to States or areas, and may from
time to time reassign unused portions of these quotas.

SEC. 425. [20 U.S.C. 1075] LIMITATIONS ON INDIVIDUAL FEDERALLY IN-
SURED LOANS AND ON FEDERAL LOAN INSURANCE.

(a) ANNUAL AND AGGREGATE LIMITS.—

(1) ANNUAL LIMITS.—(A) The total of loans made to a stu-
dent in any academic year or its equivalent (as determined by
the Secretary) which may be covered by Federal loan insurance
under this part may not exceed—

(i) in the case of a student at an eligible institution
who has not successfully completed the first year of a pro-
gram of undergraduate education—

(I) $2,625, if such student is enrolled in a program
whose length is at least one academic year in length
(as determined under section 481); and

(II) if such student is enrolled in a program of
undergraduate education which is less than one aca-
demic year, the maximum annual loan amount that
such student may receive may not exceed the amount
that bears the same ratio to the amount specified in
subclause (I) as the length of such program measured
in semester, trimester, quarter, or clock hours bears to
one academic year;

(ii) in the case of a student at an eligible institution
who has successfully completed such first year but has not
successfully completed the remainder of a program of
undergraduate education—

(I) $3,500; or

(II) if such student is enrolled in a program of
undergraduate education, the remainder of which is
less than one academic year, the maximum annual
loan amount that such student may receive may not
Sec. 425 HIGHER EDUCATION ACT OF 1965

exceed the amount that bears the same ratio to the amount specified in subclause (I) as such remainder measured in semester, trimester, quarter, or clock hours bears to one academic year;

(iii) in the case of a student at an eligible institution who has successfully completed the first and second years of a program of undergraduate education but has not successfully completed the remainder of such program—

(I) $5,500; or
(II) if such student is enrolled in a program of undergraduate education, the remainder of which is less than one academic year, the maximum annual loan amount that such student may receive may not exceed the amount that bears the same ratio to the amount specified in subclause (I) as such remainder measured in semester, trimester, quarter, or clock hours bears to one academic year; and

(iv) in the case of a graduate or professional student (as defined in regulations of the Secretary) at an eligible institution, $8,500.

(B) The annual insurable limits contained in subparagraph (A) shall not apply in cases where the Secretary determines, pursuant to regulations, that a higher amount is warranted in order to carry out the purpose of this part with respect to students engaged in specialized training requiring exceptionally high costs of education. The annual insurable limit per student shall not be deemed to be exceeded by a line of credit under which actual payments by the lender to the borrower will not be made in any year in excess of the annual limit.

(C) For the purpose of subparagraph (A), the number of years that a student has completed in a program of undergraduate education shall include any prior enrollment in an eligible program of undergraduate education for which the student was awarded an associate or baccalaureate degree, if such degree is required by the institution for admission to the program in which the student is enrolled.

(2) AGGREGATE LIMITS.—(A) The aggregate insured unpaid principal amount for all such insured loans made to any student shall not at any time exceed—

(i) $23,000, in the case of any student who has not successfully completed a program of undergraduate education, excluding loans made under section 428A or 428B; and

(ii) $65,500, in the case of any graduate or professional student (as defined by regulations of the Secretary) and (I) including any loans which are insured by the Secretary under this section, or by a guaranty agency, made to such student before the student became a graduate or professional student, but (II) excluding loans made under section 428A or 428B, except that the Secretary may increase the limit applicable to students who are pursuing programs which the Secretary determines are exceptionally expensive.

(B) The Secretary may increase the aggregate insurable limit applicable to students who are pursuing programs which the Secretary determines are exceptionally expensive.
(b) LEVEL OF INSURANCE COVERAGE BASED ON DEFAULT RATE.—

(1) REDUCTION FOR DEFAULTS IN EXCESS OF 5 OR 9 PERCENT.—(A) Except as provided in subparagraph (B), the insurance liability on any loan insured by the Secretary under this part shall be 100 percent of the unpaid balance of the principal amount of the loan plus interest, except that—

(i) if, for any fiscal year, the total amount of payments under section 430 by the Secretary to any eligible lender as described in section 435(d)(1)(D) exceeds 5 percent of the sum of the loans made by such lender which are insured by the Secretary and which were in repayment at the end of the preceding fiscal year, the insurance liability under this subsection for that portion of such excess which represents loans insured after the applicable date with respect to such loans, as determined under subparagraph (C), shall be equal to 90 percent of the amount of such portion; or

(ii) if, for any fiscal year, the total amount of such payments to such a lender exceeds 9 percent of such sum, the insurance liability under this subsection for that portion of such excess which represents loans insured after the applicable date with respect to such loans, as determined under subparagraph (C), shall be equal to 80 percent of the amount of such portion.

(B) Notwithstanding subparagraph (A), the provisions of clauses (i) and (ii) of such subparagraph shall not apply to an eligible lender as described in section 435(d)(1)(D) for the fiscal year in which such lender begins to carry on a loan program insured by the Secretary, or for any of the 4 succeeding fiscal years.

(C) The applicable date with respect to a loan made by an eligible lender as described in section 435(d)(1)(D) shall be—

(i) the 90th day after the adjournment of the next regular session of the appropriate State legislature which convenes after the date of enactment of the Education Amendments of 1976, or

(ii) if the primary source of lending capital for such lender is derived from the sale of bonds, and the constitution of the appropriate State prohibits a pledge of such State's credit as security against such bonds, the day which is one year after such 90th day.

(2) COMPUTATION OF AMOUNTS IN REPAYMENT.—For the purpose of this subsection, the sum of the loans made by a lender which are insured by the Secretary and which are in repayment shall be the original principal amount of loans made by such lender which are insured by the Secretary reduced by—

(A) the amount the Secretary has been required to pay to discharge his or her insurance obligations under this part;

(B) the original principal amount of loans insured by the Secretary which have been fully repaid;
(C) the original principal amount insured on those loans for which payment of first installment of principal has not become due pursuant to section 427(a)(2)(B) or such first installment need not be paid pursuant to section 427(a)(2)(C); and

(A) by substituting “2.1 percent” for “1.0 percent” in subparagraph (B); and

(B) by substituting “9.0 percent” for “8.25 percent” in the matter following such subparagraph.

(3) Consultation.—The Secretary shall determine the applicable rate of interest under this subsection after consultation with the Secretary of the Treasury and shall publish such rate in the Federal Register as soon as practicable after the date of determination.

(i) Treatment of excess interest payments on new borrower accounts resulting from decline in Treasury bill rates.—

(1) Excess interest on 10 percent loans.—If, with respect to a loan for which the applicable interest rate is 10 percent under subsection (d) of this section at the close of any calendar quarter, the sum of the average of the bond equivalent rates of 91-day Treasury bills auctioned for that quarter and 3.25 percent is less than 10 percent, then an adjustment shall be made to a borrower’s account—

(A) by calculating excess interest in the amount computed under paragraph (2) of this subsection; and

(B) during any period in which a student is eligible to have interest payments paid on his or her behalf by the Government pursuant to section 428(a), by crediting the excess interest to the Government; or

(ii) during any other period, by crediting such excess interest to the reduction of principal to the extent provided in paragraph (5) of this subsection.

(2) Amount of adjustment for 10 percent loans.—The amount of any adjustment of interest on a loan to be made under this subsection for any quarter shall be equal to—

(A) 10 percent minus the sum of (i) the average of the bond equivalent rates of 91-day Treasury bills auctioned for such calendar quarter, and (ii) 3.25 percent; multiplied by

(B) the average daily principal balance of the loan (not including unearned interest added to principal) during such calendar quarter; divided by

(C) four.

(3) Excess interest on loans after 1992 amendments, to borrowers with outstanding balances.—If, with respect to a loan made on or after the date of enactment of the Higher Education Amendments of 1992 to a borrower, who on the date of entering into the note or other written evidence of the loan, has an outstanding balance of principal or interest on any other loan made, insured, or guaranteed under this part, the sum of the average of the bond equivalent rates of 91-day Treasury bills auctioned for that quarter and 3.1 percent is
less than the applicable interest rate, then an adjustment shall be made—

(A) by calculating excess interest in the amount computed under paragraph (4) of this subsection; and

(B)(i) during any period in which a student is eligible to have interest payments paid on his or her behalf by the Government pursuant to section 428(a), by crediting the excess interest to the Government; or

(ii) during any other period, by crediting such excess interest to the reduction of principal to the extent provided in paragraph (5) of this subsection.

(4) AMOUNT OF ADJUSTMENT.—The amount of any adjustment of interest on a loan to be made under this subsection for any quarter shall be equal to—

(A) the applicable interest rate minus the sum of (i) the average of the bond equivalent rates of 91-day Treasury bills auctioned for such calendar quarter, and (ii) 3.1 percent; multiplied by

(B) the average daily principal balance of the loan (not including unearned interest added to principal) during such calendar quarter; divided by

(C) four.

(5) ANNUAL ADJUSTMENT OF INTEREST AND BORROWER ELIGIBILITY FOR CREDIT.—Any adjustment amount computed pursuant to paragraphs (2) and (4) of this subsection for any quarter shall be credited, by the holder of the loan on the last day of the calendar year in which such quarter falls, to the loan account of the borrower so as to reduce the principal balance of such account. No such credit shall be made to the loan account of a borrower who on the last day of the calendar year is delinquent for more than 30 days in making a required payment on the loan, but the excess interest shall be calculated and credited to the Secretary. Any credit which is to be made to a borrower’s account pursuant to this subsection shall be made effective commencing no later than 30 days following the last day of the calendar year in which the quarter falls for which the credit is being made. Nothing in this subsection shall be construed to require refunding any repayment of a loan. At the option of the lender, the amount of such adjustment may be distributed to the borrower either by reduction in the amount of the periodic payment on the loan, by reducing the number of payments that shall be made with respect to the loan, or by reducing the amount of the final payment of the loan. Nothing in this paragraph shall be construed to require the lender to make additional disclosures pursuant to section 433(b).

(6) PUBLICATION OF TREASURY BILL RATE.—For the purpose of enabling holders of loans to make the determinations and adjustments provided for in this subsection, the Secretary shall for each calendar quarter commencing with the quarter beginning on July 1, 1987, publish a notice of the average of the bond equivalent rates of 91-day Treasury bills auctioned for such quarter. Such notice shall be published not later than 7 days after the end of the quarter to which the notice relates.
(7) **CONVERSION TO VARIABLE RATE.**—(A) Subject to subparagraphs (C) and (D), a lender or holder shall convert the interest rate on a loan that is made pursuant to this part and is subject to the provisions of this subsection to a variable rate. Such conversion shall occur not later than January 1, 1995, and, commencing on the date of conversion, the applicable interest rate for each 12-month period beginning on July 1 and ending on June 30 shall be determined by the Secretary on the June 1 preceding each such 12-month period and be equal to the sum of (i) the bond equivalent rate of the 91-day Treasury bills auctioned at the final auction prior to such June 1; and (ii) 3.25 percent in the case of loans described in paragraph (1), or 3.10 percent in the case of loans described in paragraph (3).

(B) In connection with the conversion specified in subparagraph (A) for any period prior to such conversion, and subject to paragraphs (C) and (D), a lender or holder shall convert the interest rate to a variable rate on a loan that is made pursuant to this part and is subject to the provisions of this subsection to a variable rate. The interest rates for such period shall be reset on a quarterly basis and the applicable interest rate for any quarter or portion thereof shall equal the sum of (i) the average of the bond equivalent rates of 91-Treasury bills auctioned for the preceding 3-month period, and (ii) 3.25 percent in the case of loans described in paragraph (1) or 3.10 percent in the case of loans described in paragraph (3). The rebate of excess interest derived through this conversion shall be provided to the borrower as specified in paragraph (5) for loans described in paragraph (1) or to the Government and borrower as specified in paragraph (3).

(C) A lender or holder of a loan being converted pursuant to this paragraph shall complete such conversion on or before January 1, 1995. The lender or holder shall notify the borrower that the loan shall be converted to a variable interest rate and provide a description of the rate to the borrower not later than 30 days prior to the conversion. The notice shall advise the borrower that such rate shall be calculated in accordance with the procedures set forth in this paragraph and shall provide the borrower with a substantially equivalent benefit as the adjustment otherwise provided for under this subsection. Such notice may be incorporated into the disclosure required under section 433(b) if such disclosure has not been previously made.

(D) The interest rate on a loan converted to a variable rate pursuant to this paragraph shall not exceed the maximum interest rate applicable to the loan prior to such conversion.

(E) Loans on which the interest rate is converted in accordance with subparagraph (A) or (B) shall not be subject to any other provisions of this subsection.

(3) AMOUNT OF INTEREST SUBSIDY.—(A)(i) Subject to section 438(c), the portion of the interest on a loan which a student is entitled to have paid, on behalf of and for the account of the student, to the holder of the loan pursuant to paragraph (1) of this subsection shall be equal to the total amount of the interest on the unpaid principal amount of the loan—

(I) which accrues prior to the beginning of the repayment period of the loan, or

(II) which accrues during a period in which principal need not be paid (whether or not such principal is in fact paid) by reason of a provision described in subsection (b)(1)(M) of this section or in section 427(a)(2)(C).

(ii) Such portion of the interest on a loan shall not exceed, for any period, the amount of the interest on that loan which is payable by the student after taking into consideration the amount of any interest on that loan which the student is entitled to have paid on his or her behalf for that period under any State or private loan insurance program.

(iii) The holder of a loan with respect to which payments are required to be made under this section shall be deemed to have a contractual right, as against the United States, to receive from the Secretary the portion of interest which has been so determined without administrative delay after the receipt by the Secretary of an accurate and complete request for payment pursuant to paragraph (4).

(iv) The Secretary shall pay this portion of the interest to the holder of the loan on behalf of and for the account of the borrower at such times as may be specified in regulations in force when the applicable agreement entered into pursuant to subsection (b) was made, or, if the loan was made by a State or is insured under a program which is not covered by such an agreement, at such times as may be specified in regulations in force at the time the loan was paid to the student.

(v) A lender may not receive interest on a loan for any period that precedes the date that is—

(I) in the case of a loan disbursed by check, 10 days before the first disbursement of the loan; or

(II) in the case of a loan disbursed by electronic funds transfer, 3 days before the first disbursement of the loan.

(B) If—

(i) a State student loan insurance program is covered by an agreement under subsection (b),

(ii) a statute of such State limits the interest rate on loans insured by such program to a rate which is less than the applicable interest rate under this part, and

(iii) the Secretary determines that subsection (d) does not make such statutory limitation inapplicable and that such statutory limitation threatens to impede the carrying out of the purpose of this part, then the Secretary may pay an administrative cost allowance to the holder of each loan which is insured under such program.

(6) Assessment of Borrower’s Financial Condition Not Prohibited or Required.—Nothing in this or any other Act shall be construed to prohibit or require, unless otherwise specifically provided by law, a lender to evaluate the total financial situation of a student making application for a loan under this part, or to counsel a student with respect to any such loan, or to make a decision based on such evaluation and counseling with respect to the dollar amount of any such loan.

(7) Loans That Have Not Been Consummated.—Lenders may not charge interest or receive interest subsidies or special allowance payments for loans for which the disbursement checks have not been cashed or for which electronic funds transfers have not been completed.

(b) Insurance Program Agreements To Qualify Loans for Interest Subsidies.—

No plan may require a borrower to repay a loan in less than 5 years unless the borrower, during the 6 months immediately preceding the start of the repayment period, specifically requests that repayment be made over of a shorter period. The borrower may choose from—

(i) a standard repayment plan, with a fixed annual repayment amount paid over a fixed period of time, not to exceed 10 years;
(ii) a graduated repayment plan paid over a fixed period of time, not to exceed 10 years;

(iii) an income-sensitive repayment plan, with income-sensitive repayment amounts paid over a fixed period of time, not to exceed 10 years, except that the borrower’s scheduled payments shall not be less than the amount of interest due; and

(B) LENDER SELECTION OF OPTION IF BORROWER DOES NOT SELECT.—If a borrower of a loan made under this part does not select a repayment plan described in subparagraph (A), the lender shall provide the borrower with a repayment plan described in subparagraph (A)(i).

(c) GUARANTY AGREEMENTS FOR REIMBURSING LOSSES.—

(1) AUTHORITY TO ENTER INTO AGREEMENTS.—(A) The Secretary may enter into a guaranty agreement with any guaranty agency, whereby the Secretary shall undertake to reimburse it, under such terms and conditions as the Secretary may establish, with respect to losses (resulting from the default of the student borrower) on the unpaid balance of the principal and accrued interest of any insured loan. The guaranty agency shall be deemed to have a contractual right against the United States, during the life of such loan, to receive reimbursement according to the provisions of this subsection. Upon receipt of an accurate and complete request by a guaranty agency for reimbursement with respect to such losses, the Secretary shall pay promptly and without administrative delay. A guaranty agency shall file a claim for reimbursement with respect to losses under this subsection within 45 days after the guaranty agency discharges its insurance obligation on the loan.

(B) Notwithstanding subparagraph (A)—

(i) if, for any fiscal year, the amount of such reimbursement payments by the Secretary under this subsection exceeds 5 percent of the loans which are insured by such guaranty agency under such program and which were in repayment at the end of the preceding fiscal year, the amount to be paid as reimbursement under this subsection

(ii) if, for any fiscal year, the amount of such reimbursement payments exceeds 9 percent of such loans, the amount to be paid as reimbursement under this subsection for such excess shall be equal to 75\(^1\) percent of the amount of such excess.

(C) For the purpose of this subsection, the amount of loans of a guaranty agency which are in repayment shall be the original principal amount of loans made by a lender which are insured by such a guaranty agency reduced by—

(i) the amount the insurer has been required to pay to discharge its insurance obligations under this part;

(ii) the original principal amount of loans insured by it which have been fully repaid; and

(iii) the original principal amount insured on those loans for which payment of the first installment of principal has not become due pursuant to subsection (b)(1)(E) of this section or such first installment need not be paid pursuant to subsection (b)(1)(M) of this section.

(D) Reimbursements of losses made by the Secretary on loans submitted for claim by an eligible lender, servicer, or guaranty agency designated for exceptional performance under section 428\(\text{i}\) shall not be subject to additional review by the Secretary or repurchase by the guaranty agency for any reason other than a determination by the Secretary that the eligible lender, servicer, or guaranty agency engaged in fraud or other purposeful misconduct in obtaining designation for exceptional performance.

(E) Notwithstanding any other provisions of this section, in the case of a loan made pursuant to a lender-of-last-resort program, the Secretary shall apply the provisions of—

(i) the fourth sentence of subparagraph (A) by substituting “100 percent” for “95 percent”;

(ii) subparagraph (B)(i) by substituting “100 percent” for “85 percent”; and

(iii) subparagraph (B)(ii) by substituting “100 percent” for “75 percent”.

(F)\(^1\) Notwithstanding any other provisions of this section, in the case of an outstanding loan transferred to a guaranty agency from another guaranty agency pursuant to a plan approved by the Secretary in response to the insolvency of the latter such guarantee agency, the Secretary shall apply the provision of—

(ii) subparagraph (B)(i) by substituting “90 percent” for “85 percent”; and

(iii) subparagraph (B)(ii) by substituting “80 percent” for “75 percent”.

\(^1\)The amendments made by section 417(c)(1) of P.L. 105–244, changing the reimbursement percentages, apply to loans for which the first disbursement is made on or after October 1, 1998.

\(^1\)See footnote on previous page.
(G) Notwithstanding any other provision of this section, the Secretary shall exclude a loan made pursuant to a lender-of-last-resort program when making reimbursement payment calculations under subparagraphs (B) and (C).

(2) CONTENTS OF GUARANTY AGREEMENTS.—The guaranty agreement—
(A) shall set forth such administrative and fiscal procedures as may be necessary to protect the United States from the risk of unreasonable loss thereunder, to ensure proper and efficient administration of the loan insurance program, and to assure that due diligence will be exercised in the collection of loans insured under the program, including a requirement that each beneficiary of insurance on the loan submit proof that the institution was contacted and other reasonable attempts were made to locate the borrower (when the location of the borrower is unknown) and proof that contact was made with the borrower (when the location is known);
(B) shall provide for making such reports, in such form and containing such information, as the Secretary may reasonably require to carry out the Secretary's functions under this subsection, and for keeping such records and for affording such access thereto as the Secretary may find necessary to assure the correctness and verification of such reports;
(C) shall set forth adequate assurances that, with respect to so much of any loan insured under the loan insurance program as may be guaranteed by the Secretary pursuant to this subsection, the undertaking of the Secretary under the guaranty agreement is acceptable in full satisfaction of State law or regulation requiring the maintenance of a reserve;
(D) shall provide that if, after the Secretary has made payment under the guaranty agreement pursuant to paragraph (1) of this subsection with respect to any loan, any payments are made in discharge of the obligation incurred by the borrower with respect to such loan (including any payments of interest accruing on such loan after such payment by the Secretary), there shall be paid over to the Secretary (for deposit in the fund established by section 431) such proportion of the amounts of such payments as is determined (in accordance with paragraph (6)) to represent his equitable share thereof, but (i) shall provide for subrogation of the United States to the rights of any insurance beneficiary only to the extent required for the purpose of paragraph (8); and (ii) except as the Secretary may otherwise by or pursuant to regulation provide, amounts so paid by a borrower on such a loan shall be first applied in reduction of principal owing on such loan;
(E) shall set forth adequate assurance that an amount equal to each payment made under paragraph (1) will be

promptly deposited in or credited to the accounts maintained for the purpose of section 422(c); 

(F) set forth adequate assurances that the guaranty agency will not engage in any pattern or practice which results in a denial of a borrower's access to loans under this part because of the borrower's race, sex, color, religion, national origin, age, handicapped status, income, attendance at a particular eligible institution within the area served by the guaranty agency, length of the borrower's educational program, or the borrower's academic year in school; 

(G) shall prohibit the Secretary from making any reimbursement under this subsection to a guaranty agency when a default claim is based on an inability to locate the borrower, unless the guaranty agency, at the time of filing for reimbursement, certifies to the Secretary that diligent attempts, including contact with the institution, have been made to locate the borrower through the use of reasonable skip-tracing techniques in accordance with regulations prescribed by the Secretary; and 

(H) set forth assurances that— 

(i) upon the request of an eligible institution, the guaranty agency shall, subject to clauses (ii) and (iii), furnish to the institution information with respect to students (including the names and addresses of such students) who received loans made, insured, or guaranteed under this part for attendance at the eligible institution and for whom preclaims assistance activities have been requested under subsection (l); 

(ii) the guaranty agency shall not require the payment from the institution of any fee for such information; and 

(iii) the guaranty agency will require the institution to use such information only to assist the institution in reminding students of their obligation to repay student loans and shall prohibit the institution from disseminating the information for any other purpose. 

(I) may include such other provisions as may be necessary to promote the purpose of this part.

(3) FORBEARANCE.—A guaranty agreement under this subsection— 

(A) shall contain provisions providing that— 

(i) upon request, a lender shall grant a borrower forbearance, renewable at 12-month intervals, on terms agreed to in writing by the parties to the loan with the approval of the insurer, and otherwise consistent with the regulations of the Secretary, if the borrower— 

(I) is serving in a medical or dental internship or residency program, the successful completion of which is required to begin professional practice or service, or is serving in a medical or dental internship or residency program leading to a degree or certificate awarded by an institution of higher
education, a hospital, or a health care facility that offers postgraduate training, provided that if the borrower qualifies for a deferment under section 427(a)(2)(C)(vii) or subsection (b)(1)(M)(vii) of this section as in effect prior to the enactment of the Higher Education Amendments of 1992, or section 427(a)(2)(C) or subsection (b)(1)(M) of this section as amended by such amendments, the borrower has exhausted his or her eligibility for such deferment;

(II) has a debt burden under this title that equals or exceeds 20 percent of income; or

(III) is serving in a national service position for which the borrower receives a national service educational award under the National and Community Service Trust Act of 1993;

(ii) the length of the forbearance granted by the lender—

(I) under clause (i)(I) shall equal the length of time remaining in the borrower's medical or dental internship or residency program, if the borrower is not eligible to receive a deferment described in such clause, or such length of time remaining in the program after the borrower has exhausted the borrower's eligibility for such deferment;

(II) under clause (i)(II) shall not exceed 3 years; or

(III) under clause (i)(III) shall not exceed the period for which the borrower is serving in a position described in such clause; and

(iii) no administrative or other fee may be charged in connection with the granting of a forbearance under clause (i), and no adverse information regarding a borrower may be reported to a credit bureau organization solely because of the granting of such forbearance;

(B) may, to the extent provided in regulations of the Secretary, contain provisions that permit such forbearance for the benefit of the student borrower as may be agreed upon by the parties to an insured loan and approved by the insurer;

(C) shall contain provisions that specify that the form of forbearance granted by the lender for purposes of this paragraph shall be the temporary cessation of payments, unless the borrower selects forbearance in the form of an extension of time for making payments, or smaller payments than were previously scheduled; and

(D) shall contain provisions that specify that—

(i) forbearance for a period not to exceed 60 days may be granted if the lender reasonably determines that such a suspension of collection activity is warranted following a borrower's request for deferment, forbearance, a change in repayment plan, or a request to consolidate loans, in order to collect or process
appropriate supporting documentation related to the request, and
(ii) during such period interest shall accrue but not be capitalized.

Guaranty agencies shall not be precluded from permitting the parties to such a loan from entering into a forbearance agreement solely because the loan is in default. The Secretary shall permit lenders to exercise administrative forbearances that do not require the agreement of the borrower, under conditions authorized by the Secretary. Such forbearances shall include (i) forbearances for borrowers who are delinquent at the time of the granting of an authorized period of deferment under section 428(b)(1)(M) or 427(a)(2)(C), and (ii) if the borrower is less than 60 days delinquent on such loans at the time of sale or transfer, forbearances for borrowers on loans which are sold or transferred.

(4) DEFINITIONS.—For the purpose of this subsection, the terms “insurance beneficiary” and “default” have the meanings assigned to them by section 435.

(5) APPLICABILITY TO EXISTING LOANS.—In the case of any guaranty agreement with a guaranty agency, the Secretary may, in accordance with the terms of this subsection, undertake to guarantee loans described in paragraph (1) which are insured by such guaranty agency and are outstanding on the date of execution of the guaranty agreement, but only with respect to defaults occurring after the execution of such guaranty agreement or, if later, after its effective date.

(6) SECRETARY'S EQUITABLE SHARE.—For the purpose of paragraph (2)(D), the Secretary's equitable share of payments made by the borrower shall be that portion of the payments remaining after the guaranty agency with which the Secretary has an agreement under this subsection has deducted from such payments—

(A) a percentage amount equal to the complement of the reinsurance percentage in effect when payment under the guaranty agreement was made with respect to the loan; and

(B) an amount equal to 24 percent of such payments for use in accordance with section 422B, except that, beginning on October 1, 2003, this subparagraph shall be applied by substituting “23 percent” for “24 percent”.

(7) NEW PROGRAMS ELIGIBLE FOR 100 PERCENT REINSURANCE.—(A) Notwithstanding paragraph (1)(C), the amount to be paid a guaranty agency for any fiscal year—

(i) which begins on or after October 1, 1977 and ends before October 1, 1991; and

(ii) which is either the fiscal year in which such guaranty agency begins to actively carry on a student loan insurance program which is subject to a guaranty agreement under subsection (b) of this section, or is one of the 4 succeeding fiscal years,

shall be 100 percent of the amount expended by such guaranty agency in discharge of its insurance obligation insured under such program.
(B) Notwithstanding the provisions of paragraph (1)(C), the Secretary may pay a guaranty agency 100 percent of the amount expended by such agency in discharge of such agency’s insurance obligation for any fiscal year which—

(i) begins on or after October 1, 1991; and

(ii) is the fiscal year in which such guaranty agency begins to actively carry on a student loan insurance program which is subject to a guaranty agreement under subsection (b) or is one of the 4 succeeding fiscal years.

(C) The Secretary shall continuously monitor the operations of those guaranty agencies to which the provisions of subparagraph (A) or (B) are applicable and revoke the application of such subparagraph to any such guaranty agency which the Secretary determines has not exercised reasonable prudence in the administration of such program.

(8) ASSIGNMENT TO PROTECT FEDERAL FISCAL INTEREST.—If the Secretary determines that the protection of the Federal fiscal interest so requires, a guaranty agency shall assign to the Secretary any loan of which it is the holder and for which the Secretary has made a payment pursuant to paragraph (1) of this subsection.

(9) GUARANTY AGENCY RESERVE LEVEL.—(A) Each guaranty agency which has entered into an agreement with the Secretary pursuant to this subsection shall maintain in the agency’s Federal Student Loan Reserve Fund established under section 422A a current minimum reserve level of at least 0.25 percent of the total attributable amount of all outstanding loans guaranteed by such agency. For purposes of this paragraph, such total attributable amount does not include amounts of outstanding loans transferred to the guaranty agency from another guaranty agency pursuant to a plan of the Secretary in response to the insolvency of the latter such guaranty agency.

(B) The Secretary shall collect, on an annual basis, information from each guaranty agency having an agreement under this subsection to enable the Secretary to evaluate the financial solvency of each such agency. The information collected shall include the level of such agency’s current reserves, cash disbursements and accounts receivable.

(C) If (i) any guaranty agency falls below the required minimum reserve level in any 2 consecutive years, (ii) any guaranty agency’s Federal reimbursement payments are reduced to 85 percent pursuant to paragraph (1)(B)(i), or (iii) the Secretary determines that the administrative or financial condition of a guaranty agency jeopardizes such agency’s continued ability to perform its responsibilities under its guaranty agreement, then the Secretary shall require the guaranty agency to submit and implement a management plan acceptable to the Secretary within 45 working days of any such event.

(D)(i) If the Secretary is not seeking to terminate the guaranty agency’s agreement under subparagraph (E), or assuming the guaranty agency’s functions under subparagraph (F), a management plan described in subparagraph (C) shall include the means by which the guaranty agency will improve its
financial and administrative condition to the required level within 18 months.

(ii) If the Secretary is seeking to terminate the guaranty agency's agreement under subparagraph (E), or assuming the guaranty agency's functions under subparagraph (F), a management plan described in subparagraph (C) shall include the means by which the Secretary and the guaranty agency shall work together to ensure the orderly termination of the operations, and liquidation of the assets, of the guaranty agency.

(E) The Secretary may terminate a guaranty agency's agreement in accordance with subparagraph (F) if—

(i) a guaranty agency required to submit a management plan under this paragraph fails to submit a plan that is acceptable to the Secretary;

(ii) the Secretary determines that a guaranty agency has failed to improve substantially its administrative and financial condition;

(iii) the Secretary determines that the guaranty agency is in danger of financial collapse;

(iv) the Secretary determines that such action is necessary to protect the Federal fiscal interest; or

(v) the Secretary determines that such action is necessary to ensure the continued availability of loans to student or parent borrowers.

(F) If a guaranty agency's agreement under this subsection is terminated pursuant to subparagraph (E), then the Secretary shall assume responsibility for all functions of the guaranty agency under the loan insurance program of such agency. In performing such functions the Secretary is authorized to—

(i) permit the transfer of guarantees to another guaranty agency;

(ii) revoke the reinsurance agreement of the guaranty agency at a specified date, so as to require the merger, consolidation, or termination of the guaranty agency;

(iii) transfer guarantees to the Department of Education for the purpose of payment of such claims and process such claims using the claims standards of the guaranty agency, if such standards are determined by the Secretary to be in compliance with this Act;

(iv) design and implement a plan to restore the guaranty agency's viability;

(v) provide the guaranty agency with additional advance funds in accordance with section 422(c)(7), with such restrictions on the use of such funds as is determined appropriate by the Secretary, in order to—

(I) meet the immediate cash needs of the guaranty agency;

(II) ensure the uninterrupted payment of claims; or

(III) ensure that the guaranty agency will make loans as the lender-of-last-resort, in accordance with subsection (j);

(vi) use all funds and assets of the guaranty agency to assist in the activities undertaken in accordance with this
subsection and take appropriate action to require the return, to the guaranty agency or the Secretary, of any funds or assets provided by the guaranty agency, under contract or otherwise, to any person or organization; or

(vii) take any other action the Secretary determines necessary to ensure the continued availability of loans made under this part to residents of the State or States in which the guaranty agency did business, the full honoring of all guarantees issued by the guaranty agency prior to the Secretary's assumption of the functions of such agency, and the proper servicing of loans guaranteed by the guaranty agency prior to the Secretary's assumption of the functions of such agency, and to avoid disruption of the student loan program.

(G) Notwithstanding any other provision of Federal or State law, if the Secretary has terminated or is seeking to terminate a guaranty agency's agreement under subparagraph (E), or has assumed a guaranty agency's functions under subparagraph (F)—

(i) no State court may issue any order affecting the Secretary's actions with respect to such guaranty agency;

(ii) any contract with respect to the administration of a guaranty agency's reserve funds, or the administration of any assets purchased or acquired with the reserve funds of the guaranty agency, that is entered into or extended by the guaranty agency, or any other party on behalf of or with the concurrence of the guaranty agency, after the date of enactment of this subparagraph shall provide that the contract is terminable by the Secretary upon 30 days notice to the contracting parties if the Secretary determines that such contract includes an impermissible transfer of the reserve funds or assets, or is otherwise inconsistent with the terms or purposes of this section; and

(iii) no provision of State law shall apply to the actions of the Secretary in terminating the operations of a guaranty agency.

(H) Notwithstanding any other provision of law, the Secretary's liability for any outstanding liabilities of a guaranty agency (other than outstanding student loan guarantees under this part), the functions of which the Secretary has assumed, shall not exceed the fair market value of the reserves of the guaranty agency, minus any necessary liquidation or other administrative costs.

(I) The Secretary shall not take any action under subparagraph (E) or (F) without giving the guaranty agency notice and the opportunity for a hearing that, if commenced after September 24, 1998, shall be on the record.

(J) Notwithstanding any other provision of law, the information transmitted to the Secretary pursuant to this paragraph shall be confidential and exempt from disclosure under section 552 of title 5, United States Code, relating to freedom of information, or any other Federal law.

(K) The Secretary, within 3 months after the end of each fiscal year, shall submit to the House Committee on Education
and the Workforce and the Senate Committee on Labor and Human Resources a report specifying the Secretary's assessment of the fiscal soundness of the guaranty agency system.

(d) USURY LAWS INAPPLICABLE.—No provision of any law of the United States (other than this Act) or of any State (other than a statute applicable principally to such State's student loan insurance program) which limits the rate or amount of interest payable on loans shall apply to a loan—

1. which bears interest (exclusive of any premium for insurance) on the unpaid principal balance at a rate not in excess of the rate specified in this part; and
2. which is insured (i) by the United States under this part, or (ii) by a guaranty agency under a program covered by an agreement made pursuant to subsection (b) of this section.

(e) NOTICE OF AVAILABILITY OF INCOME-SENSITIVE REPAYMENT OPTION.—At the time of offering a borrower a loan under this part, and at the time of offering the borrower the option of repaying a loan in accordance with this section, the lender shall provide the borrower with a notice that informs the borrower, in a form prescribed by the Secretary by regulation—

1. that all borrowers are eligible for income-sensitive repayment, including through loan consolidation under section 428C;
2. the procedures by which the borrower may elect income-sensitive repayment; and
3. where and how the borrower may obtain additional information concerning income-sensitive repayment.

(f) PAYMENTS OF CERTAIN COSTS.—

1. PAYMENT FOR CERTAIN ACTIVITIES.—
   (A) IN GENERAL.—The Secretary—
   (i) for loans originated during fiscal years beginning on or after October 1, 1998, and before October 1, 2003, and in accordance with the provisions of this paragraph, shall, except as provided in subparagraph (C), pay to each guaranty agency, a loan processing and issuance fee equal to 0.65 percent of the total principal amount of the loans on which insurance was issued under this part during such fiscal year by such agency; and
   (ii) for loans originated during fiscal years beginning on or after October 1, 2003, and in accordance with the provisions of this paragraph, shall, except as provided in subparagraph (C), pay to each guaranty agency, a loan processing and issuance fee equal to 0.40 percent of the total principal amount of the loans on which insurance was issued under this part during such fiscal year by such agency.
   (B) PAYMENT.—The payment required by subparagraph (A) shall be paid on a quarterly basis. The guaranty agency shall be deemed to have a contractual right against the United States to receive payments according to the provisions of this paragraph. Payments shall be made promptly and without administrative delay to any guar-
any agency submitting an accurate and complete application under this subparagraph.

(C) REQUIREMENT FOR PAYMENT.—No payment may be made under this paragraph for loans for which the disbursement checks have not been cashed or for which electronic funds transfers have not been completed.

(g) ACTION ON INSURANCE PROGRAM AND GUARANTY AGREEMENTS.—If a nonprofit private institution or organization—

(1) applies to enter into an agreement with the Secretary under subsections (b) and (c) with respect to a student loan insurance program to be carried on in a State with which the Secretary does not have an agreement under subsection (b), and

(2) as provided in the application, undertakes to meet the requirements of section 422(c)(6)(B) (i), (ii), and (iii),

the Secretary shall consider and act upon such application within 180 days, and shall forthwith notify the Committee on Labor and Human Resources of the Senate and the Committee on Education and the Workforce of the House of Representatives of his actions.

(h) LENDING BY GUARANTY AGENCIES.—

(1) LENDING FROM SALLIE MAE ADVANCES.—From sums advanced by the Association pursuant to section 439(p), each guaranty agency or an eligible lender in a State described in section 435(d)(1) (D) or (F) of the Act is authorized to make loans directly to students otherwise unable to obtain loans under this part.

(2) AMOUNT OF ADVANCES.—(A) Each guaranty agency or an eligible lender in a State described in section 435(d)(1) (D) or (F) which has an application approved under section 439(p)(2) may receive advances under section 439(p) for each fiscal year in an amount necessary to meet the demand for loans under this section. The amount such agency or lender is eligible to receive may not exceed 25 percent of the average of the loans guaranteed by that agency or lender for the 3 years preceding the fiscal year for which the determination is made. Whenever the determination required by the preceding sentence cannot be made because the agency or lender does not have 3 years previous experience, the amount such agency or lender is eligible to receive may not exceed 25 percent of the loans guaranteed under a program of a State of comparable size.

(B) Each guaranty agency and each eligible lender in a State described in section 435(d)(1) (D) or (F) shall repay advances made under section 439(p) in accordance with agreements entered into between the Association and such agency or lender.

(3) LOAN TERM, CONDITIONS, AND BENEFITS.—Loans made pursuant to this subsection shall have the same terms, conditions, and benefits as all other loans made under this part.

(i) MULTIPLE DISBURSEMENT OF LOANS.—

(1) ESCROW ACCOUNTS ADMINISTERED BY ESCROW AGENT.—Any guaranty agency or eligible lender (hereafter in this subsection referred to as the "escrow agent") may enter into an agreement with any other eligible lender that is not an eligible
institution or an agency or instrumentality of the State (hereafter in this subsection referred to as the “lender”) for the purpose of authorizing disbursements of the proceeds of a loan to a student. Such agreement shall provide that the lender will pay the proceeds of such loans into an escrow account to be administered by the escrow agent in accordance with the provisions of paragraph (2) of this subsection. Such agreement may allow the lender to make payments into the escrow account in amounts that do not exceed the sum of the amounts required for disbursement of initial or subsequent installments to borrowers and to make such payments not more than 21 days prior to the date of the disbursement of such installment to such borrowers. Such agreement shall require the lender to notify promptly the eligible institution when funds are escrowed under this subsection for a student at such institution.

(2) AUTHORITY OF ESCROW AGENT.—Each escrow agent entering into an agreement under paragraph (1) of this subsection is authorized to—
(A) make the disbursements in accordance with the note evidencing the loan;
(B) commingle the proceeds of all loans paid to the escrow agent pursuant to the escrow agreement entered into under such paragraph (1);
(C) invest the proceeds of such loans in obligations of the Federal Government or obligations which are insured or guaranteed by the Federal Government;
(D) retain interest or other earnings on such investment; and
(E) return to the lender undisbursed funds when the student ceases to carry at an eligible institution at least one-half of the normal full-time academic workload as determined by the institution.

(j) LENDERS-OF-LAST-RESORT.—
(1) GENERAL REQUIREMENT.—In each State, the guaranty agency or an eligible lender in the State described in section 435(d)(1)(D) of this Act shall make loans directly, or through an agreement with an eligible lender or lenders, to students eligible to receive interest benefits paid on their behalf under subsection (a) of this section who are otherwise unable to obtain loans under this part. Loans made under this subsection shall not exceed the amount of the need of the borrower, as determined under subsection (a)(2)(B), nor be less than $200. The guaranty agency shall consider the request of any eligible lender, as defined under section 435(d)(1)(A) of this Act, to serve as the lender-of-last-resort pursuant to this subsection.

(2) RULES AND OPERATING PROCEDURES.—The guaranty agency shall develop rules and operating procedures for the lender-of-last-resort program designed to ensure that—
(A) the program establishes operating hours and methods of application designed to facilitate application by students and ensure a response within 60 days after the student's original complete application is filed under this subsection;
(B) consistent with standards established by the Secretary, students applying for loans under this subsection shall not be subject to additional eligibility requirements or requests for additional information beyond what is required under this title in order to receive a loan under this part from an eligible lender, nor be required to receive more than two rejections from eligible lenders in order to obtain a loan under this subsection;

(C) information about the availability of loans under the program is made available to institutions of higher education in the State;

(D) appropriate steps are taken to ensure that borrowers receiving loans under the program are appropriately counseled on their loan obligation; and

(E) the guaranty agency notifies the Secretary when the guaranty agency believes or has reason to believe that the Secretary may need to exercise the Secretary's authority under section 439(q).

(3) ADVANCES TO GUARANTY AGENCIES FOR LENDER-OF-LAST-RESORT SERVICES.—(A) In order to ensure the availability of loan capital, the Secretary is authorized to provide a guaranty agency designated for a State with additional advance funds in accordance with subparagraph (C) and section 422(c)(7), with such restrictions on the use of such funds as are determined appropriate by the Secretary, in order to ensure that the guaranty agency will make loans as the lender-of-last-resort. Such agency shall make such loans in accordance with this subsection and the requirements of the Secretary.

(B) Notwithstanding any other provision in this part, a guaranty agency serving as a lender-of-last-resort under this paragraph shall be paid a fee, established by the Secretary, for making such loans in lieu of interest and special allowance subsidies, and shall be required to assign such loans to the Secretary on demand. Upon such assignment, the portion of the advance represented by the loans assigned shall be considered repaid by such guaranty agency.

(C) The Secretary shall exercise the authority described in subparagraph (A) only if the Secretary determines that eligible borrowers are seeking and are unable to obtain loans under this part, and that the guaranty agency designated for that State has the capability to provide lender-of-last-resort loans in a timely manner, in accordance with the guaranty agency's obligations under paragraph (1), but cannot do so without advances provided by the Secretary under this paragraph. If the Secretary makes the determinations described in the preceding sentence and determines that it would be cost-effective to do so, the Secretary may provide advances under this paragraph to such guaranty agency. If the Secretary determines that such guaranty agency does not have such capability, or will not provide such loans in a timely fashion, the Secretary may provide such advances to enable another guaranty agency, that the Secretary determines to have such capability, to make lender-of-last-resort loans to eligible borrowers in that State who are experiencing loan access problems.
(k) Information on Defaults.—

(1) Provision of Information to Eligible Institutions.—Notwithstanding any other provision of law, in order to notify eligible institutions of former students who are in default of their continuing obligation to repay student loans, each guaranty agency shall, upon the request of an eligible institution, furnish information with respect to students who were enrolled at the eligible institution and who are in default on the repayment of any loan made, insured, or guaranteed under this part. The information authorized to be furnished under this subsection shall include the names and addresses of such students.

(2) Public Dissemination Not Authorized.—Nothing in paragraph (1) of this subsection shall be construed to authorize public dissemination of the information described in paragraph (1).

(3) Borrower Location Information.—Any information provided by the institution relating to borrower location shall be used by the guaranty agency in conducting required skip-tracing activities.

(l) Default Aversion Assistance.—

(1) Assistance Required.—Upon receipt of a complete request from a lender received not earlier than the 60th day of delinquency, a guaranty agency having an agreement with the Secretary under subsection (c) shall engage in default aversion activities designed to prevent the default by a borrower on a loan covered by such agreement.

(2) Reimbursement.—

(A) In General.—A guaranty agency, in accordance with the provisions of this paragraph, may transfer from the Federal Student Loan Reserve Fund under section 422A to the Agency Operating Fund under section 422B a default aversion fee. Such fee shall be paid for any loan on which a claim for default has not been paid as a result of the loan being brought into current repayment status by the guaranty agency on or before the 300th day after the loan becomes 60 days delinquent.

(B) Amount.—The default aversion fee shall be equal to 1 percent of the total unpaid principal and accrued interest on the loan at the time the request is submitted by the lender. A guaranty agency may transfer such fees earned under this subsection not more frequently than monthly. Such a fee shall not be paid more than once on any loan for which the guaranty agency averts the default unless—

(i) at least 18 months has elapsed between the date the borrower entered current repayment status and the date the lender filed a subsequent default aversion assistance request; and

(ii) during the period between such dates, the borrower was not more than 30 days past due on any payment of principal and interest on the loan.

(C) Definition.—For the purpose of earning the default aversion fee, the term “current repayment status”
means that the borrower is not delinquent in the payment of any principal or interest on the loan.

(m) INCOME CONTINGENT REPAYMENT.—
(1) AUTHORITY OF SECRETARY TO REQUIRE.—The Secretary may require borrowers who have defaulted on loans made under this part that are assigned to the Secretary under subsection (c)(8) to repay those loans under an income contingent repayment plan, the terms and conditions of which shall be established by the Secretary and the same as, or similar to, an income contingent repayment plan established for purposes of part D of this title.

(2) LOANS FOR WHICH INCOME CONTINGENT REPAYMENT MAY BE REQUIRED.—A loan made under this part may be required to be repaid under this subsection if the note or other evidence of the loan has been assigned to the Secretary pursuant to subsection (c)(8).

(n) BLANKET CERTIFICATE OF LOAN GUARANTY.—
(1) IN GENERAL.—Subject to paragraph (3), any guaranty agency that has entered into or enters into any insurance program agreement with the Secretary under this part may—
(A) offer eligible lenders participating in the agency’s guaranty program a blanket certificate of loan guaranty that permits the lender to make loans without receiving prior approval from the guaranty agency of individual loans for eligible borrowers enrolled in eligible programs at eligible institutions; and
(B) provide eligible lenders with the ability to transmit electronically data to the agency concerning loans the lender has elected to make under the agency’s insurance program via standard reporting formats, with such reporting to occur at reasonable and standard intervals.

(2) LIMITATIONS ON BLANKET CERTIFICATE OF GUARANTY.—
(A) An eligible lender may not make a loan to a borrower under this section after such lender receives a notification from the guaranty agency that the borrower is not an eligible borrower.

(B) A guaranty agency may establish limitations or restrictions on the number or volume of loans issued by a lender under the blanket certificate of guaranty.

(3) PARTICIPATION LEVEL.—During fiscal years 1999 and 2000, the Secretary may permit, on a pilot basis, a limited number of guaranty agencies to offer blanket certificates of guaranty under this subsection. Beginning in fiscal year 2001, any guaranty agency that has an insurance program agreement with the Secretary may offer blanket certificates of guaranty under this subsection.

(4) REPORT REQUIRED.—The Secretary shall, at the conclusion of the pilot program under paragraph (3), provide a report to the Committee on Education and the Workforce of the House of Representatives and the Committee on Labor and Human Resources of the Senate on the impact of the blanket certificates of guaranty on program efficiency and integrity.

(a) VOLUNTARY AGREEMENTS.—

(1) AUTHORITY.—Subject to paragraph (2), the Secretary may enter into a voluntary, flexible agreement with a guaranty agency under this section, in lieu of agreements with a guaranty agency under subsections (b) and (c) of section 428. The Secretary may waive or modify any requirement under such subsections, except that the Secretary may not waive—

(A) any statutory requirement pertaining to the terms and conditions attached to student loans or default claim payments made to lenders; or

(B) the prohibitions on inducements contained in section 428(b)(3) unless the Secretary determines that such a waiver is consistent with the purposes of this section and is limited to activities of the guaranty agency within the State or States for which the guaranty agency serves as the designated guarantor.

(2) SPECIAL RULE.—If the Secretary grants a waiver pursuant to paragraph (1)(B), any guaranty agency doing business within the affected State or States may request, and the Secretary shall grant, an identical waiver to such guaranty agency under the same terms and conditions (including service area limitations) as govern the original waiver.

(3) ELIGIBILITY.—During fiscal years 1999, 2000, and 2001, the Secretary may enter into a voluntary, flexible agreement with not more than 6 guaranty agencies that had 1 or more agreements with the Secretary under subsections (b) and (c) of section 428 as of the day before the date of enactment of the Higher Education Amendments of 1998. Beginning in fiscal year 2002, any guaranty agency or consortium thereof may enter into a voluntary flexible agreement with the Secretary.

(4) REPORT REQUIRED.—Not later than September 30, 2001, the Secretary shall report to the Committee on Labor and Human Resources of the Senate and the Committee on Education and the Workforce of the House of Representatives regarding the impact that the voluntary flexible agreements have had upon program integrity, program and cost efficiencies, and the availability and delivery of student financial aid. Such report shall include—

(A) a description of each voluntary flexible agreement and the performance goals established by the Secretary for each agreement;

(B) a list of participating guaranty agencies and the specific statutory or regulatory waivers provided to each guaranty agency and any waivers provided to other guaranty agencies under paragraph (2);

(C) a description of the standards by which each agency's performance under the agency's voluntary flexible agreement was assessed and the degree to which each agency achieved the performance standards; and

(D) an analysis of the fees paid by the Secretary, and the costs and efficiencies achieved under each voluntary agreement.
(b) Terms of Agreement.—An agreement between the Secretary and a guaranty agency under this section—

(1) shall be developed by the Secretary, in consultation with the guaranty agency, on a case-by-case basis;

(2) may only include provisions—

(A) specifying the responsibilities of the guaranty agency under the agreement, with respect to—

(i) administering the issuance of insurance on loans made under this part on behalf of the Secretary;

(ii) monitoring insurance commitments made under this part;

(iii) default aversion activities;

(iv) review of default claims made by lenders;

(v) payment of default claims;

(vi) collection of defaulted loans;

(vii) adoption of internal systems of accounting and auditing that are acceptable to the Secretary, and reporting the result thereof to the Secretary in a timely manner, and on an accurate, and auditable basis;

(viii) timely and accurate collection and reporting of such other data as the Secretary may require to carry out the purposes of the programs under this title;

(ix) monitoring of institutions and lenders participating in the program under this part; and

(x) informational outreach to schools and students in support of access to higher education;

(B) regarding the fees the Secretary shall pay, in lieu of revenues that the guaranty agency may otherwise receive under this part, to the guaranty agency under the agreement, and other funds that the guaranty agency may receive or retain under the agreement, except that in no case may the cost to the Secretary of the agreement, as reasonably projected by the Secretary, exceed the cost to the Secretary, as similarly projected, in the absence of the agreement;

(C) regarding the use of net revenues, as described in the agreement under this section, for such other activities in support of postsecondary education as may be agreed to by the Secretary and the guaranty agency;

(D) regarding the standards by which the guaranty agency’s performance of the agency’s responsibilities under the agreement will be assessed, and the consequences for a guaranty agency’s failure to achieve a specified level of performance on 1 or more performance standards;

(E) regarding the circumstances in which a guaranty agency’s agreement under this section may be ended in advance of the agreement’s expiration date;

(F) regarding such other businesses, previously purchased or developed with reserve funds, that relate to the program under this part and in which the Secretary permits the guaranty agency to engage; and
(G) such other provisions as the Secretary may determine to be necessary to protect the United States from the risk of unreasonable loss and to promote the purposes of this part;

(3) shall provide for uniform lender participation with the guaranty agency under the terms of the agreement; and

(4) shall not prohibit or restrict borrowers from selecting a lender of the borrower’s choosing, subject to the prohibitions and restrictions applicable to the selection under this Act.

(c) PUBLIC NOTICE.—

(1) IN GENERAL.—The Secretary shall publish in the Federal Register a notice to all guaranty agencies that sets forth—

(A) an invitation for the guaranty agencies to enter into agreements under this section; and

(B) the criteria that the Secretary will use for selecting the guaranty agencies with which the Secretary will enter into agreements under this section.

(2) AGREEMENT NOTICE.—The Secretary shall notify the Chairperson and the Ranking Minority Member of the Committee on Labor and Human Resources of the Senate and the Committee on Education and the Workforce of the House of Representatives not later than 30 days prior to concluding an agreement under this section. (D) a description of the fees that will be paid to each participating guaranty agency.

(3) WAIVER NOTICE.—The Secretary shall notify the Chairperson and the Ranking Minority Member of the Committee on Labor and Human Resources of the Senate and the Committee on Education and the Workforce of the House of Representatives not later than 30 days prior to the granting of a waiver pursuant to subsection (a)(2) to a guaranty agency that is not a party to a voluntary flexible agreement.

(4) PUBLIC AVAILABILITY.—The text of any voluntary flexible agreement, and any subsequent revisions, and any waivers related to section 428(b)(3) that are not part of such an agreement, shall be readily available to the public.

(5) MODIFICATION NOTICE.—The Secretary shall notify the Chairperson and the Ranking Minority Members of the Committee on Labor and Human Resources of the Senate and the Committee on Education and the Workforce of the House of Representatives 30 days prior to any modifications to an agreement under this section.

(d) TERMINATION.—At the expiration or early termination of an agreement under this section, the Secretary shall reinstate the
guaranty agency’s prior agreements under subsections (b) and (c) of section 428, subject only to such additional requirements as the Secretary determines to be necessary in order to ensure the efficient transfer of responsibilities between the agreement under this section and the agreements under subsections (b) and (c) of section 428, and including the guaranty agency’s compliance with reserve requirements under sections 422 and 428.

(a) Authority To Borrow.—

(1) Authority and Eligibility.—Parents of a dependent student shall be eligible to borrow funds under this section in amounts specified in subsection (b), if—

(A) the parents do not have an adverse credit history as determined pursuant to regulations promulgated by the Secretary; and

(B) the parents meet such other eligibility criteria as the Secretary may establish by regulation, after consultation with guaranty agencies, eligible lenders, and other organizations involved in student financial assistance.

(2) Terms, Conditions, and Benefits.—Except as provided in subsections (c), (d), and (e), loans made under this section shall have the same terms, conditions, and benefits as all other loans made under this part.

(3) Special Rule.—Whenever necessary to carry out the provisions of this section, the terms ‘student’ and ‘borrower’ as used in this part shall include a parent borrower under this section.

(b) Limitation Based on Need.—Any loan under this section may be counted as part of the expected family contribution in the determination of need under this title, but no loan may be made to any parent under this section for any academic year in excess of (A) the student’s estimated cost of attendance, minus (B) other financial aid as certified by the eligible institution under section 428(a)(2)(A). The annual insurable limit on account of any student shall not be deemed to be exceeded by a line of credit under which actual payments to the borrower will not be made in any year in excess of the annual limit.

(c) Plus Loan Disbursement.—All loans made under this section shall be disbursed in accordance with the requirements of section 428G and shall be disbursed by—

(1) an electronic transfer of funds from the lender to the eligible institution; or

(2) a check copayable to the eligible institution and the parent borrower.

(d) Payment of Principal and Interest.—

(1) Commencement of Repayment.—Repayment of principal on loans made under this section shall commence not later than 60 days after the date such loan is disbursed by the lender, subject to deferral during any period during which the parent meets the conditions required for a deferral under section 427(a)(2)(C) or 428(b)(1)(M).

(2) Capitalization of Interest.—Interest on loans made under this section for which payments of principal are deferred
pursuant to paragraph (1) of this subsection shall, if agreed upon by the borrower and the lender (A) be paid monthly or quarterly, or (B) be added to the principal amount of the loan not more frequently than quarterly by the lender. Such capitalization of interest shall not be deemed to exceed the annual insurable limit on account of the borrower.

(3) **SUBSIDIES PROHIBITED.**—No payments to reduce interest costs shall be paid pursuant to section 428(a) of this part on loans made pursuant to this section.

(4) **APPLICABLE RATES OF INTEREST.**—Interest on loans made pursuant to this section shall be at the applicable rate of interest provided in section 427A for loans made under this section.¹

(5) **AMORTIZATION.**—The amount of the periodic payment and the repayment schedule for any loan made pursuant to this section shall be established by assuming an interest rate equal to the applicable rate of interest at the time the repayment of the principal amount of the loan commences. At the option of the lender, the note or other written evidence of the loan may require that—

(A) the amount of the periodic payment will be adjusted annually, or

(B) the period of repayment of principal will be lengthened or shortened,

in order to reflect adjustments in interest rates occurring as a consequence of section 427A(c)(4).

(e) **REFINANCING.**—

(1) **REFINANCING TO SECURE COMBINED PAYMENT.**—An eligible lender may at any time consolidate loans held by it which are made under this section to a borrower, including loans which were made under section 428B as in effect prior to the enactment of the Higher Education Amendments of 1986, under a single repayment schedule which provides for a single principal payment and a single payment of interest, and shall calculate the repayment period for each included loan from the date of the commencement of repayment of the most recent included loan. Unless the consolidated loan is obtained by a borrower who is electing to obtain variable interest under paragraph (2) or (3), such consolidated loan shall bear interest at the weighted average of the rates of all included loans. The extension of any repayment period of an included loan pursuant to this paragraph shall be reported (if required by them) to the Secretary or guaranty agency insuring the loan, as the case may be, but no additional insurance premiums shall be payable with respect to any such extension. The extension of the repayment period of any included loan shall not require the formal extension of the promissory note evidencing the included loan or the execution of a new promissory note, but shall be treated as an administrative forbearance of the repayment terms of the included loan.

¹Section 416(a)(2) of the Higher Education Amendments of 1998 (P.L. 105–244; 112 Stat. 1680) contained an amendment that could not be executed and was redundant because of an earlier amendment in section 8301(a)(2) of the Transportation Equity Act for the 21st Century (P.L. 105–178; 112 Stat. 497).
(2) **Refinancing to secure variable interest rate.**—An eligible lender may reissue a loan which was made under this section before July 1, 1987, or under section 428B as in effect prior to the enactment of the Higher Education Amendments of 1986 in order to permit the borrower to obtain the interest rate provided under section 427A(c)(4). A lender offering to reissue a loan or loans for such purpose may charge a borrower an amount not to exceed $100 to cover the administrative costs of reissuing such loan or loans, not more than one-half of which shall be paid to the guarantor of the loan being reissued to cover costs of reissuance. Reissuance of a loan under this paragraph shall not affect any insurance applicable with respect to the loan, and no additional insurance fee may be charged to the borrower with respect to the loan.

(3) **Refinancing by discharge of previous loan.**—A borrower who has applied to an original lender for reissuance of a loan under paragraph (2) and who is denied such reissuance may obtain a loan from another lender for the purpose of discharging the loan from such original lender. A loan made for such purpose—

(A) shall bear interest at the applicable rate of interest provided under section 427A(c)(4);

(B) shall not result in the extension of the duration of the note (other than as permitted under subsection (c)(5)(B));

(C) may be subject to an additional insurance fee but shall not be subject to the administrative cost charge permitted by paragraph (2) of this subsection; and

(D) shall be applied to discharge the borrower from any remaining obligation to the original lender with respect to the original loan.

(4) **Certification in lieu of promissory note presentation.**—Each new lender may accept certification from the original lender of the borrower’s original loan in lieu of presentation of the original promissory note.

(5) **Notification to borrowers of availability of refinancing options.**—Each holder of a loan made under this section or under section 428B as in effect prior to the date of enactment of this Act shall, not later than October 1, 1987, in the case of loans made before the date of enactment of this Act, notify the borrower of such loan—

(A) of the refinancing options for which the borrower is eligible under this subsection;

(B) of those options which will be made available by the holder and of the practical consequences of such options in terms of interest rates and monthly and total payments for a set of loan examples; and

(C) that, with respect to any option that the holder will not make available, the holder will, to the extent practicable, refer the borrower to an eligible lender offering such option.
(f) **Verification of Immigration Status and Social Security Number.**—A parent who wishes to borrow funds under this section shall be subject to verification of the parent’s—

(1) immigration status in the same manner as immigration status is verified for students under section 484(g); and

(2) social security number in the same manner as social security numbers are verified for students under section 484(p).

(a) **Agreements with Eligible Lenders.**—

(1) **Agreement Required for Insurance Coverage.**—For the purpose of providing loans to eligible borrowers for consolidation of their obligations with respect to eligible student loans, the Secretary or a guaranty agency shall enter into agreements in accordance with subsection (b) with the following eligible lenders:

(A) the Student Loan Marketing Association or the Holding Company of the Student Loan Marketing Association, including any subsidiary of the Holding Company, created pursuant to section 440;

(B) State agencies described in subparagraphs (D) and (F) of section 435(d)(1); and

(C) other eligible lenders described in subparagraphs (A), (B), (C), (E), and (J) of such section.

(2) **Insurance Coverage of Consolidation Loans.**—Except as provided in section 429(e), no contract of insurance under this part shall apply to a consolidation loan unless such loan is made under an agreement pursuant to this section and is covered by a certificate issued in accordance with subsection (b)(2). Loans covered by such a certificate that is issued by a guaranty agency shall be considered to be insured loans for the purposes of reimbursements under section 428(c), but no payment shall be made with respect to such loans under section 428(f) to any such agency.

(3) **Definition of Eligible Borrower.**—(A) For the purpose of this section, the term “eligible borrower” means a borrower who—

(i) is not subject to a judgment secured through litigation with respect to a loan under this title or to an order for wage garnishment under section 488A; and

(ii) at the time of application for a consolidation loan—

(I) is in repayment status;

(III) is a defaulted borrower who has made arrangements to repay the obligation on the defaulted loans satisfactory to the holders of the defaulted loans.

(III) loans received following the making of the consolidation loan may be added during the 180-day period following the making of the consolidation loan; and

(IV) loans received prior to the date of the first consolidation loan may be added to a subsequent consolidation loan.

(C)(i) A married couple, each of whom has eligible student loans, may be treated as if such couple were an individual borrowing under subparagraphs (A) and (B) if such couple agrees to be held jointly and severally liable for the repayment of a consolidation loan, without regard to the amounts of the respective loan obligations that are to be consolidated, and without regard to any subsequent change that may occur in such couple’s marital status.

(ii) Only one spouse in a married couple applying for a consolidation loan under this subparagraph need meet any of the requirements of subsection (b) of this section, except that each spouse shall—

(I) individually make the initial certification that no other application is pending in accordance with subsection (b)(1)(A); and

(II) agree to notify the holder concerning any change of address in accordance with subsection (b)(4).

(4) DEFINITION OF ELIGIBLE STUDENT LOANS.—For the purpose of paragraph (1), the term “eligible student loans” means loans—

(1) AGREEMENTS WITH LENDERS.—Any lender described in subparagraph (A), (B), or (C) of subsection (a)(1) who wishes to make consolidation loans under this section shall enter into an agreement with the Secretary or a guaranty agency which provides—

(A) that, in the case of all lenders described in subsection (a)(1), the lender will make a consolidation loan to an eligible borrower (on request of that borrower) only if the borrower certifies that the borrower has no other application pending for a loan under this section and (i) the lender holds an outstanding loan of that borrower which is selected by the borrower for consolidation under this sec-
tion, except that this clause shall not apply in the case of a borrower with multiple holders of loans under this part, or (ii) the borrower certifies that the borrower has sought and has been unable to obtain a consolidation loan with income-sensitive repayment terms from the holders of the outstanding loans of that borrower (which are so selected for consolidation);

(B) that each consolidation loan made by the lender will bear interest, and be subject to repayment, in accordance with subsection (c);

(C) that each consolidation loan will be made, notwithstanding any other provision of this part limiting the annual or aggregate principal amount for all insured loans made to a borrower, in an amount (i) which is not less than the minimum amount required for eligibility of the borrower under subsection (a)(3), and (ii) which is equal to the sum of the unpaid principal and accrued unpaid interest and late charges of all eligible student loans received by the eligible borrower which are selected by the borrower for consolidation;

(D) that the proceeds of each consolidation loan will be paid by the lender to the holder or holders of the loans so selected to discharge the liability on such loans;

The guaranty agency may issue a certificate of comprehensive insurance coverage to a lender with which it has an agreement under such paragraph. The Secretary shall not issue a certificate to a lender described in subparagraph (B) or (C) of subsection (a)(1) unless the Secretary determines that such lender has first applied to, and has been denied a certificate of insurance by, the guaranty agency which insures the preponderance of its loans (by value).

(3) CONTENTS OF CERTIFICATE.—A certificate issued under paragraph (2) shall, at a minimum, provide—

(A) that all consolidation loans made by such lender in conformity with the requirements of this section will be insured by the Secretary or the guaranty agency (whichever is applicable) against loss of principal and interest;

(B) that a consolidation loan will not be insured unless the lender has determined to its satisfaction, in accordance with reasonable and prudent business practices, for each loan being consolidated—
(i) that the loan is a legal, valid, and binding obligation of the borrower;
(ii) that each such loan was made and serviced in compliance with applicable laws and regulations; and

(H) the terms upon which the issuer of the certificate may limit, suspend, or terminate the lender’s authority to make consolidation loans under the certificate (without affecting the insurance on any consolidation loan made prior to such limitation, suspension, or termination).

(4) TERMS AND CONDITIONS OF LOANS.—A consolidation loan made pursuant to this section shall be insurable by the Secretary or a guaranty agency pursuant to paragraph (2) only if the loan is made to an eligible borrower who has agreed to notify the holder of the loan promptly concerning any change of address and the loan is evidenced by a note or other written agreement which—

(A) is made without security and without endorsement, except that if the borrower is a minor and such note or other written agreement executed by him or her would not, under applicable law, create a binding obligation, endorsement may be required;
(B) provides for the payment of interest and the repayment of principal in accordance with subsection (c) of this section;
(C)(i) provides that periodic installments of principal need not be paid, but interest shall accrue and be paid in accordance with clause (ii), during any period for which the borrower would be eligible for a deferral under section 428(b)(1)(M), and that any such period shall not be included in determining the repayment schedule pursuant to subsection (c)(2) of this section; and
(ii) provides that interest shall accrue and be paid during any such period—
(I) by the Secretary, in the case of a consolidation loan for which the application is received by an eligible lender before the date of enactment of the Emer-
gency Student Loan Consolidation Act of 1997 that consolidated only Federal Stafford Loans for which the student borrower received an interest subsidy under section 428;

(II) by the Secretary, in the case of a consolidation loan for which the application is received by an eligible lender on or after the date of enactment of the Emergency Student Loan Consolidation Act of 1997 except that the Secretary shall pay such interest only on that portion of the loan that repays Federal Stafford Loans for which the student borrower received an interest subsidy under section 428 or Federal Direct Stafford Loans for which the borrower received an interest subsidy under section 455; or

(III) by the borrower, or capitalized, in the case of a consolidation loan other than a loan described in subclause (I) or (II);

(D) entitles the borrower to accelerate without penalty repayment of the whole or any part of the loan; and

(E)(i) contains a notice of the system of disclosure concerning such loan to credit bureau organizations under section 430A, and (ii) provides that the lender on request of the borrower will provide information on the repayment status of the note to such organizations.

(5) DIRECT LOANS.—In the event that a borrower is unable to obtain a consolidation loan from a lender with an agreement under subsection (a)(1), or is unable to obtain a consolidation loan with income-sensitive repayment terms acceptable to the borrower from such a lender, the Secretary shall offer any such borrower who applies for it, a direct consolidation loan. Such direct consolidation loan shall, as requested by the borrower, be repaid either pursuant to income contingent repayment under part D of this title or pursuant to any other repayment provision under this section. The Secretary shall not offer such loans if, in the Secretary’s judgment, the Department of Education does not have the necessary origination and servicing arrangements in place for such loans.

(6) NONDISCRIMINATION IN LOAN CONSOLIDATION.—An eligible lender that makes consolidation loans under this section shall not discriminate against any borrower seeking such a loan—

(A) based on the number or type of eligible student loans the borrower seeks to consolidate, except that a lender is not required to consolidate loans described in subparagraph (D) or (E) of subsection (a)(4) or subsection (d)(1)(C)(ii);

(B) based on the type or category of institution of higher education that the borrower attended;

(C) based on the interest rate to be charged to the borrower with respect to the consolidation loan; or

(D) with respect to the types of repayment schedules offered to such borrower.

(c) PAYMENT OF PRINCIPAL AND INTEREST.—
(1) Interests Rate.—(A) Notwithstanding subparagraphs (B) and (C), with respect to any loan made under this section for which the application is received by an eligible lender—

(i) on or after October 1, 1998, and before July 1, 2006, the applicable interest rate shall be determined under section 427A(k)(4); or

(ii) on or after July 1, 2006, the applicable interest rate shall be determined under section 427A(l)(3).

(B) A consolidation loan made before July 1, 1994, shall bear interest at an annual rate on the unpaid principal balance of the loan that is equal to the greater of—

(i) the weighted average of the interest rates on the loans consolidated, rounded to the nearest whole percent; or

(ii) 9 percent.

(C) A consolidation loan made on or after July 1, 1994, shall bear interest at an annual rate on the unpaid principal balance of the loan that is equal to the weighted average of the interest rates on the loans consolidated, rounded upward to the nearest whole percent.

(D) A consolidation loan for which the application is received by an eligible lender on or after the date of enactment of the Emergency Student Loan Consolidation Act of 1997 and before October 1, 1998, shall bear interest at an annual rate on the unpaid principal balance of the loan that is equal to the rate specified in section 427A(f), except that the eligible lender may continue to calculate interest on such a loan at the rate previously in effect and defer, until not later than April 1, 1998, the recalculation of the interest on such a loan at the rate required by this subparagraph if the recalculation is applied retroactively to the date on which the loan is made.

(2) Repayment Schedules.—(A) Notwithstanding any other provision of this part, to the extent authorized by its certificate of insurance under subsection (b)(2)(F) and approved by the issuer of such certificate, the lender of a consolidation loan shall establish repayment terms as will promote the objectives of this section, which shall include the establishment of graduated or income-sensitive repayment schedules, established by the lender in accordance with the regulations of the Secretary. Except as required by such income-sensitive repayment schedules, or by the terms of repayment pursuant to income contingent repayment offered by the Secretary under subsection (b)(5), such repayment terms shall require that if the sum of the consolidation loan and the amount outstanding on other student loans to the individual—

(i) is less than $7,500, then such consolidation loan shall be repaid in not more than 10 years;

(ii) is equal to or greater than $7,500 but less than $10,000, then such consolidation loan shall be repaid in not more than 12 years;

(iii) is equal to or greater than $10,000 but less than $20,000, then such consolidation loan shall be repaid in not more than 15 years;
(iv) is equal to or greater than $20,000 but less than $40,000, then such consolidation loan shall be repaid in not more than 20 years;

(B) except as required by the terms of repayment pursuant to income contingent repayment offered by the Secretary under subsection (b)(5), the lender of a consolidation loan may, with respect to repayment on the loan, when the amount of a monthly or other similar payment on the loan is not a multiple of $5, round the payment to the next highest whole dollar amount that is a multiple of $5.

(C) PUBLICATION OF MAXIMUM INTEREST RATE.—The Secretary shall determine the applicable rate of interest under subparagraph (B) after consultation with the Secretary of the Treasury and shall publish such rate in the Federal Register as soon as practicable after the date of such determination.

(e) TERMINATION OF AUTHORITY.—The authority to make loans under this section expires at the close of September 30, 2004. Nothing in this section shall be construed to authorize the Secretary to promulgate rules or regulations governing the terms or conditions of the agreements and certificates under subsection (b). Loans made under this section which are insured by the Secretary shall be considered to be new loans made to students for the purpose of section 424(a).
(f) Interest Payment Rebate Fee.—
   (1) In general.—For any month beginning on or after Oc-
   tober 1, 1993, each holder of a consolidation loan under this
   section for which the first disbursement was made on or after
   October 1, 1993, shall pay to the Secretary, on a monthly basis

   (1) the total amount expended for the purposes of such
   other provision shall not exceed the amount the guaranty
   agency would otherwise be authorized to expend; and
   (2) the authority to commingle such funds shall not relieve
   such agency of any accounting or auditing obligations under
   this part.

(a) Other Repayment Incentives.—
   (1) Sale of loan.—
      (A) Each guaranty agency shall enter into an agree-
      ment with the Secretary which shall provide that upon se-
      curing consecutive payments for 12 months of amounts
      owed on a loan for which the Secretary has made a pay-
      ment under paragraph (1) of section 428(c), the guaranty
      agency (pursuant to an agreement with the Secretary) or
      the Secretary shall, if practicable, sell the loan to an eligi-
      ble lender. Such loan shall not be sold to an eligible lender
      who has been found by the guaranty agency or the Sec-
      retary to have substantially failed to exercise the due dili-
      gence required of lenders under this part. Neither the
      guaranty agency nor the Secretary shall demand from a
      borrower as monthly payment amounts referred to in this
      paragraph more than is reasonable and affordable based
      upon the borrower's total financial circumstances.
      (B) An agreement between the guaranty agency and
      the Secretary for purposes of this paragraph shall provide—
Sec. 428F  HIGHER EDUCATION ACT OF 1965

(i) for the repayment by the agency to the Secretary of 81.5 percent of the amount of the principal balance outstanding at the time of such sale, multiplied by the reinsurance percentage in effect when payment under the guaranty agreement was made with respect to the loan; and

(ii) for the reinstatement by the Secretary (I) of the obligation to reimburse such agency for the amount expended by it in discharge of its insurance obligation under its loan insurance program, and (II) of the obligation to pay to the holder of such loan a special allowance pursuant to section 438.

(C) A loan which does not meet the requirements of subparagraph (A) may also be eligible for sale under this paragraph upon a determination that the loan was in default due to clerical or data processing error and would not, in the absence of such error, be in a delinquent status.

(2) USE OF PROCEEDS OF SALES.—Amounts received by the Secretary pursuant to the sale of such loans by a guaranty agency under paragraph (1) of this subsection shall be deducted from the calculations of the amount of reimbursement for which the agency is eligible under paragraph (1)(B)(ii) of this subsection for the fiscal year in which the amount was received, notwithstanding the fact that the default occurred in a prior fiscal year.

(3) BORROWER ELIGIBILITY.—Any borrower whose loan is sold under paragraph (2) shall not be precluded by section 484 from receiving additional loans or grants under this title (for which he or she is otherwise eligible) on the basis of defaulting on the loan prior to such loan sale.

(4) APPLICABILITY OF GENERAL LOAN CONDITIONS.—A loan which is sold under paragraph (1) of this subsection shall, so long as the borrower continues to make scheduled repayments thereon, be subject to the same terms and conditions and qualify for the same benefits and privileges as other loans made under this part.

(b) SATISFACTORY REPAYMENT ARRANGEMENTS TO RENEW ELIGIBILITY.—Each guaranty agency shall establish a program which allows a borrower with a defaulted loan or loans to renew eligibility for all title IV student financial assistance (regardless of whether the defaulted loan has been sold to an eligible lender) upon the borrower's payment of 6 consecutive monthly payments. The guaranty agency shall not demand from a borrower as a monthly payment amount under this subsection more than is reasonable and affordable based upon the borrower's total financial circumstances. A borrower may only obtain the benefit of this subsection with respect to renewed eligibility once.

(a) MULTIPLE DISBURSEMENT REQUIRED.—

(1) TWO DISBURSEMENTS REQUIRED.—The proceeds of any loan made, insured, or guaranteed under this part that is
made for any period of enrollment shall be disbursed in 2 or more installments, none of which exceeds one-half of the loan.

(2) MINIMUM INTERVAL REQUIRED.—The interval between the first and second such installments shall be not less than one-half of such period of enrollment, except as necessary to permit the second installment to be disbursed at the beginning of the second semester, quarter, or similar division of such period of enrollment.

(3) SPECIAL RULE.—An institution whose cohort default rate (as determined under section 435(m)) for each of the 3 most recent fiscal years for which data are available is less than 10 percent may disburse any loan made, insured, or guaranteed under this part in a single installment for any period of enrollment that is not more than 1 semester, 1 trimester, 1 quarter, or 4 months.

(b) DISBURSEMENT AND ENDORSEMENT REQUIREMENTS.—

(1) FIRST YEAR STUDENTS.—The first installment of the proceeds of any loan made, insured, or guaranteed under this part that is made to a student borrower who is entering the first year of a program of undergraduate education, and who has not previously obtained a loan under this part, shall not (regardless of the amount of such loan or the duration of the period of enrollment) be presented by the institution to the student for endorsement until 30 days after the borrower begins a course of study, but may be delivered to the eligible institution prior to the end of that 30-day period. An institution whose cohort default rate (as determined under section 435(m)) for each of the three most recent fiscal years for which data are available is less than 10 percent shall be exempt from the requirements of this paragraph. 1

(2) OTHER STUDENTS.—The proceeds of any loan made, insured, or guaranteed under this part that is made to any student other than a student described in paragraph (1) shall not be disbursed more than 30 days prior to the beginning of the period of enrollment for which the loan is made.

(c) METHOD OF MULTIPLE DISBURSEMENT.—Disbursements under subsection (a)—

(1) shall be made in accordance with a schedule provided by the institution (under section 428(a)(2)(A)(i)(III)) that complies with the requirements of this section;

(2) may be made directly by the lender or, in the case of a loan under sections 428 and 428A, may be disbursed pursuant to the escrow provisions of section 428(i); and

(3) notwithstanding subsection (a)(2), may, with the permission of the borrower, be disbursed by the lender 2 on a

2 Section 422(b) of Public Law 105–244 added a new sentence at the end. Section 422(d) of such Act states the amendments made by subsections (a) and (b) shall be effective during the period beginning on October 1, 1998, and ending on September 30, 2002.

weekly or monthly basis, provided that the proceeds of the loan are disbursed in substantially equal weekly or monthly installments, as the case may be, over the period of enrollment for which the loan is made.

(d) WITHHOLDING OF SECOND DISBURSEMENT.—

(1) WITHDRAWING STUDENTS.—A lender or escrow agent that is informed by the borrower or the institution that the borrower has ceased to be enrolled before the disbursement of the second or any succeeding installment shall withhold such disbursement. Any disbursement which is so withheld shall be credited to the borrower's loan and treated as a prepayment thereon.

(2) STUDENTS RECEIVING OVER-AWARDS.—If the sum of a disbursement for any student and the other financial aid obtained by such student exceeds the amount of assistance for which the student is eligible under this title, the institution such student is attending shall withhold and return to the lender or escrow agent the portion (or all) of such installment that exceeds such eligible amount, except that overawards permitted pursuant to section 443(b)(4) of the Act shall not be construed to be overawards for purposes of this paragraph. Any portion (or all) of a disbursement installment which is so returned shall be credited to the borrower's loan and treated as a prepayment thereon.

(e) EXCLUSION OF CONSOLIDATION AND FOREIGN STUDY LOANS.—The provisions of this section shall not apply in the case of a loan made under section 428C, made to a student to cover the cost of attendance at an eligible institution outside the United States, or made to a student to cover the cost of attendance in a program of study abroad approved by the home eligible institution if the home eligible institution has a cohort default rate (as calculated under section 435(m)) of less than 5 percent.

(f) BEGINNING OF PERIOD OF ENROLLMENT.—For purposes of this section, a period of enrollment begins on the first day that classes begin for the applicable period of enrollment.

(g) SALES PRIOR TO DISBURSEMENT PROHIBITED.—An eligible lender shall not sell or transfer a promissory note for any loan made, insured, or guaranteed under this part until the final disbursement of such loan has been made, except that the prohibition of this subsection shall not apply if—

(1) the sale of the loan does not result in a change in the identity of the party to whom payments will be made for the loan; and

(2) the first disbursement of such loan has been made.

(a) IN GENERAL.—It is the purpose of this section to authorize insured loans under this part for borrowers who do not qualify for Federal interest subsidy payments under section 428 of this Act. Except as provided in this section, all terms and conditions for Federal Stafford loans established under section 428 shall apply to loans made pursuant to this section.
(b) ELIGIBLE BORROWERS.—Any student meeting the requirements for student eligibility under section 484 (including graduate and professional students as defined in regulations promulgated by the Secretary) shall be entitled to borrow an unsubsidized Federal Stafford Loan if the eligible institution at which the student has been accepted for enrollment, or at which the student is in attendance, has—

(1) determined and documented the student's need for the loan based on the student's estimated cost of attendance (as determined under section 472) and the student's estimated financial assistance, including a loan which qualifies for interest subsidy payments under section 428; and

(2) provided the lender a statement—

(A) certifying the eligibility of the student to receive a loan under this section and the amount of the loan for which such student is eligible, in accordance with subsection (c); and

(B) setting forth a schedule for disbursement of the proceeds of the loan in installments, consistent with the requirements of section 428G.

(c) DETERMINATION OF AMOUNT OF LOAN.—The determination of the amount of a loan by an eligible institution under subsection (b) shall be calculated by subtracting from the estimated cost of attendance at the eligible institution any estimated financial assistance reasonably available to such student. An eligible institution may not, in carrying out the provisions of subsection (b) of this section, provide a statement which certifies the eligibility of any student to receive any loan under this section in excess of the amount calculated under the preceding sentence.

(d) LOAN LIMITS.—

(1) IN GENERAL.—Except as provided in paragraphs (2) and (3), the annual and aggregate limits for loans under this section shall be the same as those established under section 428(b)(1), less any amount received by such student pursuant to the subsidized loan program established under section 428.

(2) ANNUAL LIMITS FOR INDEPENDENT, GRADUATE, AND PROFESSIONAL STUDENTS.—The maximum annual amount of loans under this section an independent student (or a student whose parents are unable to borrow under section 428B or the Federal Direct PLUS Loan Program) may borrow in any academic year (as defined in section 481(a)(2)) or its equivalent shall be the amount determined under paragraph (1), plus—

(A) in the case of such a student attending an eligible institution who has not completed such student's first 2 years of undergraduate study—

(i) $4,000, if such student is enrolled in a program whose length is at least one academic year in length; and

(ii) if such student is enrolled in a program of undergraduate education which is less than one academic year, the maximum annual loan amount that such student may receive may not exceed the amount that bears the same ratio to the amount specified in clause (i) as the length of such program measured in
semester, trimester, quarter, or clock hours bears to
one academic year;
(B) in the case of a student at an eligible institution
who has successfully completed such first and second years
but has not successfully completed the remainder of a pro-
gram of undergraduate education—
     (i) $5,000; or
     (ii) if such student is enrolled in a program of
         undergraduate education, the remainder of which is
         less than one academic year, the maximum annual
         loan amount that such student may receive may not
         exceed the amount that bears the same ratio to the
         amount specified in subclause (I) as such remainder
         measured in semester, trimester, quarter, or clock
         hours bears to one academic year;
(C) in the case of such a student who is a graduate or
professional student attending an eligible institution,
$10,000; and
(D) in the case of a student enrolled in coursework
specified in sections 484(b)(3)(B) and 484(b)(4)(B)—
     (i) $4,000 for coursework necessary for enrollment
         in an undergraduate degree or certificate program,
         and, in the case of a student who has obtained a bac-
calaureate degree, $5,000 for coursework necessary for
         enrollment in a graduate or professional program; and
     (ii) in the case of a student who has obtained a
         baccalaureate degree, $5,000 for coursework necessary
         for a professional credential or certification from a
         State required for employment as a teacher in an ele-
         mentary or secondary school;
1except in cases where the Secretary determines, that a higher
amount is warranted in order to carry out the purpose of this part
with respect to students engaged in specialized training requiring
exceptionally high costs of education, but the annual insurable
limit per student shall not be deemed to be exceeded by a line of
credit under which actual payments by the lender to the borrower
will not be made in any years in excess of the annual limit.
(3) AGGREGATE LIMITS FOR INDEPENDENT, GRADUATE, AND
PROFESSIONAL STUDENTS.—The maximum aggregate amount of
loans under this section a student described in paragraph (2)
can borrow shall be the amount described in paragraph (1),
adjusted to reflect the increased annual limits described in
paragraph (2), as prescribed by the Secretary by regulation. In-
terest capitalized shall not be deemed to exceed such maximum
aggregate amount.
(e) PAYMENT OF PRINCIPAL AND INTEREST.—
(1) COMMENCEMENT OF REPAYMENT.—Repayment of prin-
cipal on loans made under this section shall begin at the begin-
ing of the repayment period described in section 428(b)(7).
Not less than 30 days prior to the anticipated commencement
of such repayment period, the holder of such loan shall provide
notice to the borrower that interest will accrue before repay-

ment begins and of the borrower’s option to begin loan repayment at an earlier date.

(2) Capitalization of Interest.—(A) Interest on loans made under this section for which payments of principal are not required during the in-school and grace periods or for which payments are deferred under sections 427(a)(2)(C) and 428(b)(1)(M) shall, if agreed upon by the borrower and the lender—

(i) be paid monthly or quarterly; or
(ii) be added to the principal amount of the loan by the lender only—
   (I) when the loan enters repayment;
   (II) at the expiration of a grace period, in the case of a loan that qualifies for a grace period;
   (III) at the expiration of a period of deferment or forbearance; or
   (IV) when the borrower defaults.

(B) The capitalization of interest described in subparagraph (A) shall not be deemed to exceed the annual insurable limit on account of the student.

(3) Subsidies Prohibited.—No payments to reduce interest costs shall be paid pursuant to section 428(a) of this part on loans made pursuant to this section.

(4) Applicable Rates of Interest.—Interest on loans made pursuant to this section shall be at the applicable rate of interest provided in section 427A.

(5) Amortization.—The amount of the periodic payment and the repayment schedule for any loan made pursuant to this section shall be established by assuming an interest rate equal to the applicable rate of interest at the time the repayment of the principal amount of the loan commences. At the option of the lender, the note or other written evidence of the loan may require that—

(A) the amount of the periodic payment will be adjusted annually; or

(B) the period of repayment of principal will be lengthened or shortened,

in order to reflect adjustments in interest rates occurring as a consequence of section 427A(c)(4).

(6) Repayment Period.—For purposes of calculating the repayment period under section 428(b)(9), such period shall commence at the time the first payment of principal is due from the borrower.

(7) Qualification for Forbearance.—A lender may grant the borrower of a loan under this section a forbearance for a period not to exceed 60 days if the lender reasonably determines that such a forbearance from collection activity is warranted following a borrower's request for forbearance, deferment, or a change in repayment plan, or a request to consolidate loans in order to collect or process appropriate supporting documentation related to the request. During any such period, interest on the loan shall accrue but not be capitalized.

[(f) Repealed]
(g) Single Application Form and Loan Repayment Schedule.—A guaranty agency shall use a single application form and a single repayment schedule for subsidized Federal Stafford loans made pursuant to section 428 and for unsubsidized Federal Stafford loans made pursuant to this section.

(h) Insurance Premium.—Each State or nonprofit private institution or organization having an agreement with the Secretary under section 428(b)(1) may charge a borrower under this section an insurance premium equal to not more than 1.0 percent of the principal amount of the loan, if such premium will not be used for incentive payments to lenders.

(a) Designation of Lenders, Servicers, and Guaranty Agencies.—

(1) Authority.—Whenever the Secretary determines that an eligible lender, servicer, or guaranty agency has a compliance performance rating that equals or exceeds 97 percent, the Secretary shall designate the eligible lender, servicer, or guaranty agency, as the case may be, for exceptional performance. The Secretary shall notify each appropriate guaranty agency of the eligible lenders and servicers designated under this section.

(2) Compliance Performance Rating.—For purposes of paragraph (1), a compliance performance rating is determined with respect to compliance with due diligence in the collection of loans under this part for each year for which the determination is made. Such rating is equal to the percent of all due diligence requirements applicable to each loan, on average, as established by the Secretary by regulation, with respect to—

(A) loans serviced during the period by the eligible lender or servicer; or

(B) loans on which loan collection was attempted by the guaranty agency.

(b) Payment to Lenders and Servicers.—

(1) 100 Percent Payment Rule.—Each guaranty agency shall pay each eligible lender or servicer (as agent for an eligible lender) designated under subsection (a) 100 percent of the unpaid principal and interest of all loans for which claims are submitted for payment by that eligible lender or servicer for the one-year period following the receipt by the guaranty agency of the notification of designation under this section or until the guaranty agency receives notice from the Secretary that the designation of the lender or servicer under subsection (a) has been revoked.

(2) Revocation Authority.—The Secretary shall revoke the designation of a lender or servicer under subsection (a) if any quarterly audit required under subsection (c)(5) is not received by the Secretary by the date established by the Secretary or if the audit indicates the lender or servicer failed to maintain 97 percent or higher compliance with program regulations, as reflected in the performance of not less than 97 percent of all due diligence requirements applicable to each loan, on average, as established by the Secretary for the purpose of
this section, for 2 consecutive months or 90 percent for 1 month.

(3) DOCUMENTATION.—Nothing in this section shall restrict or limit the authority of guaranty agencies to require the submission of claims documentation evidencing servicing performed on loans, except that the guaranty agency may not require greater documentation than that required for lenders and servicers not designated under subsection (a).

(4) PAYMENTS TO GUARANTY AGENCIES.—The Secretary shall pay to each guaranty agency designated under subsection (a) the appropriate percentage under this subsection for the 1-year period following the receipt by the guaranty agency of the notification of designation under subsection (a).

(c) SUPERVISION OF DESIGNATED LENDERS AND SERVICERS.—

(1) AUDITS FOR LENDERS AND SERVICERS.—Each eligible lender or servicer desiring a designation under subsection (a) shall have a financial and compliance audit of the loan portfolio of such eligible lender or servicer conducted annually by a qualified independent organization from a list of qualified organizations promulgated by the Secretary in accordance with standards established by the Comptroller General and the Secretary. The standards shall measure the lender's or servicer's compliance with the due diligence standards and shall include a defined statistical sampling technique designed to measure the performance rating of the eligible lender or servicer for the purpose of this section. Each eligible lender or servicer shall submit the audit required by this section to the Secretary and to each appropriate guaranty agency.

(2) ADDITIONAL INFORMATION ON LENDERS AND SERVICERS.—Each appropriate guaranty agency shall provide the Secretary with such other information in its possession regarding an eligible lender or servicer desiring designation as may relate to the Secretary's determination under subsection (a), including but not limited to any information suggesting that the application of a lender or servicer for designation under subsection (a) should not be approved.

(3) SECRETARY'S DETERMINATIONS.—The Secretary shall make the determination under subsection (a) based upon the audits submitted under this section, such other information as provided by any guaranty agency under paragraph (2), and any information in the possession of the Secretary or submitted by any other agency or office of the Federal Government. If the results of the audit are not persuasively rebutted by such other information, the Secretary shall inform the eligible lender or servicer and the appropriate guaranty agency that its application for designation as an exceptional lender or servicer has been approved.

(4) COST OF AUDIT.—Each eligible lender or servicer shall pay for all the costs of the audits required under this section.

(5) COMPLIANCE AUDIT.—In order to maintain its status as an exceptional eligible lender or servicer, the lender or servicer shall undergo a quarterly compliance audit at the end of each quarter other than the quarter in which status as an exceptional lender or servicer is established through a financial and
compliance audit, as described in subsection (c)(1)), and submit the results of such audit to the Secretary and such appropriate guaranty agency. The compliance audit will review compliance with due diligence requirements for the period since the last audit.

(6) **Loss of Designation.**—If the audit performed pursuant to paragraph (5) fails to meet the standards for designation as an exceptional lender or servicer under subsection (a)(1), the lender or servicer shall lose its designation as an exceptional lender or servicer. A lender or servicer receiving a compliance audit not meeting the standard for designation as an exceptional lender or servicer may reapply for designation under subsection (a) at any time.

(7) **Due Diligence Standards.**—Due diligence standards used for determining compliance under paragraph (5) shall be promulgated by the Secretary after consultation with lenders, guaranty agencies and servicers and shall consist of a list of specific elements for the Federal regulations selected to provide an indication of systems degradation.

(8) **Additional Revocation Authority.**—Notwithstanding any other provision of this section, designation under subsection (a) may be revoked at any time by the Secretary if the Secretary determines that the eligible lender or servicer has failed to maintain an overall level of regulatory compliance consistent with the audit submitted by the eligible lender or servicer under this section or if the Secretary believes the lender or servicer may have engaged in fraud in securing designation under subsection (a) or is failing to service loans in accordance with program regulations.

(d) **Supervision of Designated Guaranty Agencies.**—

(1) **Audit of Guaranty Agencies.**—Each guaranty agency desiring a designation under subsection (a) shall have a financial and compliance audit of the defaulted loan portfolio of such guaranty agency conducted annually by a qualified independent organization or person from a list of qualified organizations or persons promulgated by the Secretary in accordance with standards established by the Comptroller General and the Secretary. The standards shall include defined statistical sampling techniques designed to measure the performance rating of the guaranty agency for the purpose of this section. Each guaranty agency shall submit the audit required by this paragraph to the Secretary.

(2) **Quarterly Sample Audits.**—The Secretary may require quarterly sample audits as a means of determining continued qualification of the guaranty agency for designation as an exceptional guaranty agency.

(3) **Secretary’s Determinations.**—The Secretary shall make the determination under subsection (a) based upon the audits submitted under this section and other information in his possession. If the results of the audit are not persuasively rebutted by such other information, the Secretary shall inform the guaranty agency that its application for designation as an exceptional guaranty agency has been approved.
(4) **COSTS OF AUDITS.**—Each guaranty agency shall pay for all of the costs of the audits regulated by this section.

(5) **REVOCATION FOR FRAUD.**—The Secretary may revoke the designation of a guaranty agency under subsection (a) at any time if the Secretary has reason to believe the guaranty agency secured its designation under subsection (a) through fraud or fails to comply with applicable regulations.

(6) **REVOCATION BASED ON PERFORMANCE.**—Designation as an exceptional guaranty agency may be revoked at any time by the Secretary upon 30 days notice and an opportunity for a hearing before the Secretary upon a finding by the Secretary that the guaranty agency has failed to maintain an acceptable overall level of regulatory compliance.

(e) **SPECIAL RULE.**—Reimbursements made by the Secretary on loans submitted for claim by an eligible lender or loan servicer designated for exceptional performance under this section shall not be subject to additional review by the Secretary or repurchase by the guaranty agency for any reason other than a determination by the Secretary that the eligible lender, loan servicer, or guaranty agency engaged in fraud or other purposeful misconduct in obtaining designation for exceptional performance.

(1) IN GENERAL.—The Secretary shall conduct, by grant or contract, an independent national evaluation of the impact of
the demonstration program assisted under this section on the field of early childhood education.

(2) COMPETITIVE BASIS.—The grant or contract described in subsection (b) shall be awarded on a competitive basis.

(D) assess the cost-effectiveness of the program in improving the quality of—
   (i) early childhood education; and
   (ii) child care services;

(E) identify the reasons why participants in the program have chosen to take part in the program;

(F) identify the number of individuals participating in the program who received an associate's degree and the number of such individuals who received a bachelor's degree; and

(G) identify the number of years each individual participates in the program.

(4) INTERIM AND FINAL EVALUATION REPORTS.—The Secretary shall prepare and submit to the President and the Congress such interim reports regarding the evaluation described in this subsection as the Secretary deems appropriate, and shall prepare and so submit a final report regarding the evaluation by January 1, 2002.

(h) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this section $10,000,000 for fiscal year 1999, and such sums as may be necessary for each of the 4 succeeding fiscal years.

(a) LOAN-BY-LOAN INSURANCE.—

(1) AUTHORITY TO ISSUE CERTIFICATES ON APPLICATION.—If, upon application by an eligible lender, made upon such form, containing such information, and supported by such evidence as the Secretary may require, and otherwise in conformity with this section, the Secretary finds that the applicant has made a loan to an eligible student which is insurable under the provisions of this part, he may issue to the applicant a certificate of insurance covering the loan and setting forth the amount and terms of the insurance.

(2) EFFECTIVENESS OF CERTIFICATE.—Insurance evidenced by a certificate of insurance pursuant to subsection (a)(1) shall become effective upon the date of issuance of the certificate, except that the Secretary is authorized, in accordance with regulations, to issue commitments with respect to proposed loans, or with respect to lines (or proposed lines) of credit, submitted
by eligible lenders, and in that event, upon compliance with subsection (a)(1) by the lender, the certificate of insurance may be issued effective as of the date when any loan, or any payment by the lender pursuant to a line of credit, to be covered by such insurance was made. Such insurance shall cease to be effective upon 60 days’ default by the lender in the payment of any installment of the premiums payable pursuant to subsection (c).

(3) CONTENTS OF APPLICATIONS.—An application submitted pursuant to subsection (a)(1) shall contain (A) an agreement by the applicant to pay, in accordance with regulations, the premiums fixed by the Secretary pursuant to subsection (c), and (B) an agreement by the applicant that if the loan is covered by insurance the applicant will submit such supplementary reports and statement during the effective period of the loan agreement, upon such forms, at such times, and containing such information as the Secretary may prescribe by or pursuant to regulation.

(b) COMPREHENSIVE INSURANCE COVERAGE CERTIFICATE.—

(1) ESTABLISHMENT OF SYSTEM BY REGULATION.—In lieu of requiring a separate insurance application and issuing a separate certificate of insurance for each student loan made by an eligible lender as provided in subsection (a), the Secretary may, in accordance with regulations consistent with section 424, issue to any eligible lender applying therefor a certificate of comprehensive insurance coverage which shall, without further action by the Secretary, insure all insurable loans made by that lender, on or after the date of the certificate and before a specified cutoff date, within the limits of an aggregate maximum amount stated in the certificate. Such regulations may provide for conditioning such insurance, with respect to any loan, upon compliance by the lender with such requirements (to be stated or incorporated by reference in the certificate) as in the Secretary’s judgment will best achieve the purpose of this subsection while protecting the United States from the risk of unreasonable loss and promoting the objectives of this part, including (but not limited to) provisions as to the reporting of such loans and information relevant thereto to the Secretary and as to the payment of initial and other premiums and the effect of default therein, and including provision for confirmation by the Secretary from time to time (through endorsement of the certificate) of the coverage of specific new loans by such certificate, which confirmation shall be incontestable by the Secretary in the absence of fraud or misrepresentation of fact or patent error.

(2) UNCOVERED LOANS.—If the holder of a certificate of comprehensive insurance coverage issued under this subsection grants to a student a line of credit extending beyond the cutoff date specified in that certificate, loans or payments thereon made by the holder after that date pursuant to the line of credit shall not be deemed to be included in the coverage of that certificate except as may be specifically provided therein; but, subject to the limitations of section 424, the Secretary may, in accordance with regulations, make commitments to in-
sure such future loans or payments, and such commitments may be honored either as provided in subsection (a) or by inclusion of such insurance on comprehensive coverage under the subsection for the period or periods in which such future loans or payments are made.

(c) CHARGES FOR FEDERAL INSURANCE.—The Secretary shall, pursuant to regulations, charge for insurance on each loan under this part a premium in an amount not to exceed one-fourth of 1 percent per year of the unpaid principal amount of such loan (excluding interest added to principal), payable in advance, at such times and in such manner as may be prescribed by the Secretary. Such regulations may provide that such premium shall not be payable, or if paid shall be refundable, with respect to any period after default in the payment of principal or interest or after the borrower has died or becomes totally and permanently disabled, if (1) notice of such default or other event has been duly given, and (2) requests for payment of the loss insured against has been made or the Secretary has made such payment on his own motion pursuant to section 430(a).

(d) ASSIGNABILITY OF INSURANCE.—The rights of an eligible lender arising under insurance evidenced by a certificate of insurance issued to it under this section may be assigned as security by such lender only to another eligible lender, and subject to regulation by the Secretary.

(e) CONSOLIDATION NOT TO AFFECT INSURANCE.—The consolidation of the obligations of two or more federally insured loans obtained by a student borrower in any fiscal year into a single obligation evidenced by a single instrument of indebtedness shall not affect the insurance by the United States. If the loans thus consolidated are covered by separate certificates of insurance issued under subsection (a), the Secretary may upon surrender of the original certificates issue a new certificate of insurance in accordance with that subsection upon the consolidated obligation; if they are covered by a single comprehensive certificate issued under subsection (b), the Secretary may amend that certificate accordingly.

(a) NOTICE TO SECRETARY AND PAYMENT OF LOSS.—Upon default by the student borrower on any loan covered by Federal loan insurance pursuant to this part, and prior to the commencement of suit or other enforcement proceedings upon security for that loan, the insurance beneficiary shall promptly notify the Secretary, and the Secretary shall if requested (at that time or after further collection efforts) by the beneficiary, or may on the Secretary’s own motion, if the insurance is still in effect, pay to the beneficiary the amount of the loss sustained by the insured upon that loan as soon as that amount has been determined. The “amount of the loss” on any loan shall, for the purposes of this subsection and subsection (b), be deemed to be an amount equal to the unpaid balance of the principal amount and accrued interest, including interest accruing from the date of submission of a valid default claim (as determined by the Secretary) to the date on which payment is authorized by the Secretary, reduced to the extent required by section 425(b).
Such beneficiary shall be required to meet the standards of due
diligence in the collection of the loan and shall be required to sub-
mit proof that the institution was contacted and other reasonable
attempts were made to locate the borrower (when the location of
the borrower is unknown) and proof that contact was made with
the borrower (when the location is known). The Secretary shall
make the determination required to carry out the provisions of this
section not later than 90 days after the notification by the insur-
ance beneficiary and shall make payment in full on the amount of
the beneficiary’s loss pending completion of the due diligence inves-
tigation.

(b) Effect of Payment of Loss.—Upon payment of the
amount of the loss pursuant to subsection (a), the United States
shall be subrogated for all of the rights of the holder of the obliga-
tion upon the insured loan and shall be entitled to an assignment
of the note or other evidence of the insured loan by the insurance
beneficiary. If the net recovery made by the Secretary on a loan
after deduction of the cost of that recovery (including reasonable
administrative costs and collection costs, to the extent set forth in
regulations issued by the Secretary) exceeds the amount of the loss,
the excess shall be paid over to the insured. The Secretary may,
in attempting to make recovery on such loans, contract with pri-
ivate business concerns, State student loan insurance agencies, or
State guaranty agencies, for payment for services rendered by such
concerns or agencies in assisting the Secretary in making such re-
covery. Any contract under this subsection entered into by the Sec-
retary shall provide that attempts to make recovery on such loans
shall be fair and reasonable, and do not involve harassment,
intimidation, false or misleading representations, or unnecessary
communications concerning the existence of any such loan to per-
sons other than the student borrower.

(c) Forbearance Not Precluded.—Nothing in this section or
in this part shall be construed to preclude any forbearance for the
benefit of the student borrower which may be agreed upon by the
parties to the insured loan and approved by the Secretary, or to
preclude forbearance by the Secretary in the enforcement of the in-
sured obligation after payment on that insurance. Any forbearance
which is approved by the Secretary under this subsection with re-
spect to the repayment of a loan, including a forbearance during
default, shall not be considered as indicating that a holder of a fed-
erally insured loan has failed to exercise reasonable care and due
diligence in the collection of the loan.

(d) Care and Diligence Required of Holders.—Nothing in
this section or in this part shall be construed to excuse the holder
of a federally insured loan from exercising reasonable care and dili-
gence in the making and collection of loans under the provisions of
this part. If the Secretary, after a reasonable notice and oppor-
tunity for hearing to an eligible lender, finds that it has substan-
tially failed to exercise such care and diligence or to make the re-
ports and statements required under section 428(a)(4) and section
429(a)(3), or to pay the required Federal loan insurance premiums,
the Secretary shall disqualify that lender for further Federal insur-
ance on loans granted pursuant to this part until the Secretary is
satisfied that its failure has ceased and finds that there is reason-
able assurance that the lender will in the future exercise necessary
care and diligence or comply with such requirements, as the case
may be.

(e) Default Rate of Lenders, Holders, and Guaranty
Agencies.—

(1) In general.—The Secretary shall annually publish a
list indicating the cohort default rate (determined in accord-
ance with section 435(m)) for each originating lender, subse-
quent holder, and guaranty agency participating in the pro-
gram assisted under this part and an average cohort default
rate for all institutions of higher education within each State.

(2) Regulations.—The Secretary shall prescribe regula-
tions designed to prevent an institution from evading the appli-
cation to that institution of a cohort default rate through the
use of such measures as branching, consolidation, change of
ownership or control, or any similar device.

(3) Rate establishment and correction.—The Secretary
shall establish a cohort default rate for lenders, holders, and
guaranty agencies (determined consistent with section 435(m)),
except that the rate for lenders, holders, and guaranty agencies
shall not reflect any loans issued in accordance with section
428(j). The Secretary shall allow institutions, lenders, holders,
and guaranty agencies the opportunity to correct such cohort
default rate information.

SEC. 430A. [20 U.S.C. 1080a] REPORTS TO CREDIT BUREAS AND INSTI-
TUTIONS OF HIGHER EDUCATION.

(a) Agreements to Exchange Information.—For the pur-
pose of promoting responsible repayment of loans covered by Fed-
eral loan insurance pursuant to this part or covered by a guaranty
agreement pursuant to section 428, the Secretary, each guaranty
agency, eligible lender, and subsequent holder shall enter into
agreements with credit bureau organizations to exchange informa-
tion concerning student borrowers, in accordance with the require-
ments of this section. For the purpose of assisting such organiza-
tions in complying with the Fair Credit Reporting Act, such agree-
ments may provide for timely response by the Secretary (con-
cerning loans covered by Federal loan insurance), by a guaranty
agency, eligible lender, or subsequent holder (concerning loans cov-
ered by a guaranty agreement), or to requests from such organiza-
tions for responses to objections raised by borrowers. Subject to the
requirements of subsection (c), such agreements shall require the
Secretary, the guaranty agency, eligible lender, or subsequent
holder, as appropriate, to disclose to such organizations, with re-
spect to any loan under this part that has not been repaid by the
borrower—

(1) the total amount of loans made to any borrower under
this part and the remaining balance of the loans;

(2) information concerning the date of any default on the
loan and the collection of the loan, including information con-
cerning the repayment status of any defaulted loan on which
the Secretary has made a payment pursuant to section 430(a)
or the guaranty agency has made a payment to the previous
holder of the loan; and
(3) the date of cancellation of the note upon completion of repayment by the borrower of the loan or payment by the Secretary pursuant to section 437.

(b) ADDITIONAL INFORMATION.—Such agreements may also provide for the disclosure by such organizations to the Secretary or a guaranty agency, whichever insures or guarantees a loan, upon receipt of a notice under subsection (a)(2) that such a loan is in default, of information concerning the borrower's location or other information which may assist the Secretary, the guaranty agency, the eligible lender, or the subsequent holder in collecting the loan.

(c) CONTENTS OF AGREEMENTS.—Agreements entered into pursuant to this section shall contain such provisions as may be necessary to ensure that—

(1) no information is disclosed by the Secretary or the guaranty agency, eligible lender, or subsequent holder unless its accuracy and completeness have been verified and the Secretary or the guaranty agency has determined that disclosure would accomplish the purpose of this section;

(2) as to any information so disclosed, such organizations will be promptly notified of, and will promptly record, any change submitted by the Secretary, the guaranty agency, eligible lender, or subsequent holder with respect to such information, or any objections by the borrower with respect to any such information, as required by section 611 of the Fair Credit Reporting Act (15 U.S.C. 1681i);

(3) no use will be made of any such information which would result in the use of collection practices with respect to such a borrower that are not fair and reasonable or that involve harassment, intimidation, false or misleading representations, or unnecessary communication concerning the existence of such loan or concerning any such information; and

(4) with regard to notices of default under subsection (a)(2) of this section, except for disclosures made to obtain the borrower's location, the Secretary, or the guaranty agency, eligible lender, or subsequent holder whichever is applicable (A) shall not disclose any such information until the borrower has been notified that such information will be disclosed to credit bureau organizations unless the borrower enters into repayment of his or her loan, but (B) shall, if the borrower has not entered into repayment within a reasonable period of time, but not less than 30 days, from the date such notice has been sent to the borrower, disclose the information required by this subsection.

(d) CONTRACTOR STATUS OF PARTICIPANTS.—A guaranty agency, eligible lender, or subsequent holder or credit bureau organization which discloses or receives information under this section shall not be considered a Government contractor within the meaning of section 552a of title 5, United States Code.

(e) DISCLOSURE TO INSTITUTIONS.—The Secretary and each guaranty agency, eligible lender, and subsequent holder of a loan are authorized to disclose information described in subsections (a) and (b) concerning student borrowers to the eligible institutions such borrowers attend or previously attended. To further the purpose of this section, an eligible institution may enter into an arrangement with any or all of the holders of delinquent loans
made to borrowers who attend or previously attended such institution for the purpose of providing current information regarding the borrower's location or employment or for the purpose of assisting the holder in contacting and influencing borrowers to avoid default.

(f) Duration of Authority.—Notwithstanding paragraphs (4) and (6) of subsection (a) of section 605 of the Fair Credit Reporting Act (15 U.S.C. 1681c (a)(4), (a)(6)), a consumer reporting agency may make a report containing information received from the Secretary or a guaranty agency, eligible lender, or subsequent holder regarding the status of a borrower's defaulted account on a loan guaranteed under this part until—

(1) 7 years from the date on which the Secretary or the agency paid a claim to the holder on the guaranty;
(2) 7 years from the date the Secretary, guaranty agency, eligible lender, or subsequent holder first reported the account to the consumer reporting agency; or
(3) in the case of a borrower who reenters repayment after defaulting on a loan and subsequently goes into default on such loan, 7 years from the date the loan entered default such subsequent time.

SEC. 431. [20 U.S.C. 1081] INSURANCE FUND.

(a) Establishment.—There is hereby established a student loan insurance fund (hereinafter in this section called the “fund”) which shall be available without fiscal year limitation to the Secretary for making payments in connection with the default of loans insured by the Secretary under this part, or in connection with payments under a guaranty agreement under section 428(c). All amounts received by the Secretary as premium charges for insurance and as receipts, earnings, or proceeds derived from any claim or other assets acquired by the Secretary in connection with operations under this part, any excess advances under section 422, and any other moneys, property, or assets derived by the Secretary from operations in connection with this section, shall be deposited in the fund. All payments in connection with the default of loans insured by the Secretary under this part, or in connection with such guaranty agreements shall be paid from the fund. Moneys in the fund not needed for current operations under this section may be invested in bonds or other obligations guaranteed as to principal and interest by the United States.

(b) Borrowing Authority.—If at any time the moneys in the fund are insufficient to make payments in connection with the default of any loan insured by the Secretary under this part, or in connection with any guaranty agreement made under section 428(c), the Secretary is authorized, to the extent provided in advance by appropriations Acts, to issue to the Secretary of the Treasury notes or other obligations in such forms and denominations, bearing such maturities, and subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the month preceding the issuance of the
notes or other obligations. The Secretary of the Treasury is authorized and directed to purchase any notes and other obligations issued hereunder and for that purpose is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which securities may be issued under that Act, as amended, are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States. Sums borrowed under the subsection shall be deposited in the fund and redemption of such notes and obligations shall be made by the Secretary from such fund.

(a) GENERAL POWERS.—In the performance of, and with respect to, the functions, powers, and duties, vested in him by this part, the Secretary may—

(1) prescribe such regulations as may be necessary to carry out the purposes of this part, including regulations applicable to third party servicers (including regulations concerning financial responsibility standards for, and the assessment of liabilities for program violations against, such servicers) to establish minimum standards with respect to sound management and accountability of programs under this part, except that in no case shall damages be assessed against the United States for the actions or inactions of such servicers;

(2) sue and be sued in any court of record of a State having general jurisdiction or in any district court of the United States, and such district courts shall have jurisdiction of civil actions arising under this part without regard to the amount in controversy, and action instituted under this subsection by or against the Secretary shall survive notwithstanding any change in the person occupying the office of Secretary or any vacancy in that office; but no attachment, injunction, garnishment, or other similar process, mesne or final, shall be issued against the Secretary or property under the Secretary’s control and nothing herein shall be construed to except litigation arising out of activities under this part from the application of sections 509, 517, 547, and 2679 of title 28 of the United States Code;

(3) include in any contract for Federal loan insurance such terms, conditions, and covenants relating to repayment of principal and payment of interest, relating to the Secretary’s obligations and rights to those of eligible lenders, and borrowers in case of default, and relating to such other matters as the Secretary determines to be necessary to assure that the purposes of this part will be achieved; and any term, condition, and covenant made pursuant to this paragraph or pursuant to any other provision of this part may be modified by the Secretary, after notice and opportunity for a hearing, if the Secretary finds that the modification is necessary to protect the United States from the risk of unreasonable loss;

(3) INSTITUTIONAL, PUBLIC, OR NONPROFIT LENDERS.—For purposes of clarity in communications, the Secretary shall separately identify loans made by the lenders referred to in clause (i) and loans made by the lenders referred to in clause (ii) of paragraph (1)(B) of this subsection.

(d) DELEGATION.—

(1) REGIONAL OFFICES.—The functions of the Secretary under this part listed in paragraph (2) of this subsection may be delegated to employees in the regional office of the Department.

(f) AUDIT OF FINANCIAL TRANSACTIONS.—

(1) COMPTROLLER GENERAL AND INSPECTOR GENERAL AUTHORITY.—The Comptroller General and the Inspector General of the Department of Education shall each have the authority to conduct an audit of the financial transactions of—

(A) any guaranty agency operating under an agreement with the Secretary pursuant to section 428(b); and

(B) any eligible lender as defined in section 435(d)(1); and

(C) a representative sample of eligible lenders under this part, upon the request of the Committee on Education and the Workforce of the House of Representatives or the Committee on Labor and Human Resources of the Senate, with respect to the payment of the special allowance under
section 438 in order to evaluate the program authorized by this part.

(2) ACCESS TO RECORDS.—For the purpose of carrying out this subsection, the records of any entity described in subparagraph (A), (B), (C), or (D) of paragraph (1) shall be available to the Comptroller General and the Inspector General of the Department of Education. For the purpose of section 716(c) of title 31, United States Code, such records shall be considered to be records to which the Comptroller General has access by law, and for the purpose of section 6(a)(4) of the Inspector General Act of 1978, such records shall be considered to be records necessary in the performance of functions assigned by that Act to the Inspector General.

(3) DEFINITION OF RECORDS.—For the purpose of this subsection, the term “record” includes any information, document, report, answer, account, paper, or other data or documentary evidence.

(4) AUDIT PROCEDURES.—In conducting audits pursuant to this subsection, the Comptroller General and the Inspector General of the Department of Education shall audit the records to determine the extent to which they, at a minimum, comply with Federal statutes, and rules and regulations prescribed by the Secretary, in effect at the time that the record was made, and in no case shall the Comptroller General or the Inspector General apply subsequently determined standards, procedures, or regulations to the records of such agency, lender, or Authority.

(g) CIVIL PENALTIES.—

(1) AUTHORITY TO IMPOSE PENALTIES.—Upon determination, after reasonable notice and opportunity for a hearing, that a lender or a guaranty agency—

(A) has violated or failed to carry out any provision of this part or any regulation prescribed under this part, or

(B) has engaged in substantial misrepresentation of the nature of its financial charges,

the Secretary may impose a civil penalty upon such lender or agency of not to exceed $25,000 for each violation, failure, or misrepresentation.

(2) LIMITATIONS.—No civil penalty may be imposed under paragraph (1) of this subsection unless the Secretary determines that—

(A) the violation, failure, or substantial misrepresentation referred to in that paragraph resulted from a violation, failure, or misrepresentation that is material; and

(B) the lender or guaranty agency knew or should have known that its actions violated or failed to carry out the provisions of this part or the regulations thereunder.

(3) CORRECTION OF FAILURE.—A lender or guaranty agency has no liability under paragraph (1) of this subsection if, prior to the notification by the Secretary under that paragraph, the lender or guaranty agency cures or corrects the violation or failure or notifies the person who received the substantial misrepresentation of the actual nature of the financial charges involved.
(4) CONSIDERATION AS SINGLE VIOLATION.—For the purpose of paragraph (1) of this subsection, violations, failures, or substantial misrepresentations arising from a specific practice of a lender or guaranty agency, and occurring prior to notification by the Secretary under that paragraph, shall be deemed to be a single violation, failure, or substantial misrepresentation even if the violation, failure, or substantial misrepresentation affects more than one loan or more than one borrower, or both. The Secretary may only impose a single civil penalty for each such violation, failure, or substantial misrepresentation.

(5) ASSIGNEES NOT LIABLE FOR VIOLATIONS BY OTHERS.—If a loan affected by a violation, failure, or substantial misrepresentation is assigned to another holder, the lender or guaranty agency responsible for the violation, failure, or substantial misrepresentation shall remain liable for any civil money penalty provided for under paragraph (1) of this subsection, but the assignee shall not be liable for any such civil money penalty.

(6) COMPROMISE.—Until a matter is referred to the Attorney General, any civil penalty under paragraph (1) of this subsection may be compromised by the Secretary. In determining the amount of such penalty, or the amount agreed upon in compromise, the Secretary shall consider the appropriateness of the penalty to the resources of the lender or guaranty agency subject to the determination; the gravity of the violation, failure, or substantial misrepresentation; the frequency and persistence of the violation, failure, or substantial misrepresentation; and the amount of any losses resulting from the violation, failure, or substantial misrepresentation. The amount of such penalty, when finally determined, or the amount agreed upon in compromise, may be deducted from any sums owing by the United States to the lender or agency charged, unless the lender or agency has, in the case of a final agency determination, commenced proceedings for judicial review within 90 days of the determination, in which case the deduction may not be made during the pendency of the proceeding.

(h) AUTHORITY OF THE SECRETARY TO IMPOSE AND ENFORCE LIMITATIONS, SUSPENSIONS, AND TERMINATIONS.—

(1) IMPOSITION OF SANCTIONS.—(A) If the Secretary, after a reasonable notice and opportunity for hearing to an eligible lender, finds that the eligible lender—

(i) has substantially failed—

(I) to exercise reasonable care and diligence in the making and collecting of loans under the provisions of this part,

(II) to make the reports or statements under section 428(a)(4), or

(III) to pay the required loan insurance premiums to any guaranty agency, or

(ii) has engaged in—

(I) fraudulent or misleading advertising or in solicitations that have resulted in the making of loans insured or guaranteed under this part to borrowers who are ineligible; or
(II) the practice of making loans that violate the certification for eligibility provided in section 428, the Secretary shall limit, suspend, or terminate that lender from participation in the insurance programs operated by guaranty agencies under this part.

(B) The Secretary shall not lift any such limitation, suspension, or termination until the Secretary is satisfied that the lender's failure under subparagraph (A)(i) of this paragraph or practice under subparagraph (A)(ii) of this paragraph has ceased and finds that there are reasonable assurances that the lender will—

(i) exercise the necessary care and diligence,

(ii) comply with the requirements described in subparagraph (A)(i), or

(iii) cease to engage in the practices described in subparagraph (A)(ii), as the case may be.

(2) REVIEW OF SANCTIONS ON LENDERS.—(A) The Secretary shall review each limitation, suspension, or termination imposed by any guaranty agency pursuant to section 428(b)(1)(U) within 60 days after receipt by the Secretary of a notice from the guaranty agency of the imposition of such limitation, suspension, or termination, unless the right to such review is waived in writing by the lender. The Secretary shall uphold the imposition of such limitation, suspension, or termination in the student loan insurance program of each of the guaranty agencies under this part, and shall notify such guaranty agencies of such sanction—

(i) if such review is waived; or

(ii) if such review is not waived, unless the Secretary determines that the limitation, suspension, or termination was not imposed in accordance with requirements of such section.

(B) The Secretary's review under this paragraph of the limitation, suspension, or termination imposed by a guaranty agency pursuant to section 428(b)(1)(U) shall be limited to—

(i) a review of the written record of the proceedings in which the guaranty agency imposed such sanctions; and

(ii) a determination as to whether the guaranty agency complied with section 428(b)(1)(U) and any notice and hearing requirements prescribed in regulations of the Secretary under this part.

(C) The Secretary shall not lift any such sanction until the Secretary is satisfied that the lender has corrected the failures which led to the limitation, suspension, or termination, and finds that there are reasonable assurances that the lender will, in the future, comply with the requirements of this part. The Secretary shall notify each guaranty agency of the lifting of any such sanction.

(3) REVIEW OF SANCTIONS ON ELIGIBLE INSTITUTIONS.—(A) The Secretary shall review each limitation, suspension, or termination imposed by any guaranty agency pursuant to section 428(b)(1)(T) within 60 days after receipt by the Secretary of a notice from the guaranty of the imposition of such limitation,
suspension, or termination, unless the right to such review is waived in writing by the institution. The Secretary shall uphold the imposition of such limitation, suspension, or termination in the student loan insurance program of each of the guaranty agencies under this part, and shall notify such guaranty agencies of such sanctions—

(i) if such review is waived; or

(ii) if such review is not waived, unless the Secretary determines that the limitation, suspension, or termination was not imposed in accordance with requirements of such section.

(B) The Secretary’s review under this paragraph of the limitation, suspension, or termination imposed by a guaranty agency pursuant to section 428(b)(1)(T) shall be limited to—

(i) a review of the written record of the proceedings in which the guaranty agency imposed such sanctions; and

(ii) a determination as to whether the guaranty agency complied with section 428(b)(1)(T) and any notice and hearing requirements prescribed in regulations of the Secretary under this part.

(C) The Secretary shall not lift any such sanction until the Secretary is satisfied that the institution has corrected the failures which led to the limitation, suspension, or termination, and finds that there are reasonable assurances that the institution will, in the future, comply with the requirements of this part. The Secretary shall notify each guaranty agency of the lifting of any such sanction.

(i) AUTHORITY TO SELL DEFAULTED LOANS.—In the event that all other collection efforts have failed, the Secretary is authorized to sell defaulted student loans assigned to the United States under this part to collection agencies, eligible lenders, guaranty agencies, or other qualified purchaser on such terms as the Secretary determines are in the best financial interests of the United States. A loan may not be sold pursuant to this subsection if such loan is in repayment status.

(j) AUTHORITY OF THE SECRETARY TO TAKE EMERGENCY ACTIONS AGAINST LENDERS.—

(1) IMPOSITION OF SANCTIONS.—If the Secretary—

(A) receives information, determined by the Secretary to be reliable, that a lender is violating any provision of this title, any regulation prescribed under this title, or any applicable special arrangement, agreement, or limitation;

(B) determines that immediate action is necessary to prevent misuse of Federal funds; and

(C) determines that the likelihood of loss outweighs the importance of following the limitation, suspension, or termination procedures authorized in subsection (h); the Secretary shall, effective on the date on which a notice and statement of the basis of the action is mailed to the lender (by registered mail, return receipt requested), take emergency action to stop the issuance of guarantee commitments and the payment of interest benefits and special allowance to the lender.
(2) Length of Emergency Action.—An emergency action under this subsection may not exceed 30 days unless a limitation, suspension, or termination proceeding is initiated against the lender under subsection (h) before the expiration of that period.

(3) Opportunity to Show Cause.—The Secretary shall provide the lender, if it so requests, an opportunity to show cause that the emergency action is unwarranted.

(k) Program of Assistance for Borrowers.—

(1) In General.—The Secretary shall undertake a program to encourage corporations and other private and public employers, including the Federal Government, to assist borrowers in repaying loans received under this title, including providing employers with options for payroll deduction of loan payments and offering loan repayment matching provisions as part of employee benefit packages.

(2) Publication.—The Secretary shall publicize models for providing the repayment assistance described in paragraph (1) and each year select entities that deserve recognition, through means devised by the Secretary, for the development of innovative plans for providing such assistance to employees.

(3) Recommendation.—The Secretary shall recommend to the appropriate committees in the Senate and House of Representatives changes to statutes that could be made in order to further encourage such efforts.

(l) Uniform Administrative and Claims Procedures.—

(1) In General.—The Secretary shall, by regulation developed in consultation with guaranty agencies, lenders, institutions of higher education, secondary markets, students, third party servicers and other organizations involved in providing loans under this part, prescribe standardized forms and procedures regarding—

(F) servicing;
(G) claims filing;
(H) borrower status change; and
(I) cures.

(2) Special Rules.—(A) The forms and procedures described in paragraph (1) shall include all aspects of the loan process as such process involves eligible lenders and guaranty agencies and shall be designed to minimize administrative costs and burdens (other than the costs and burdens involved in the transition to new forms and procedures) involved in exchanges of data to and from borrowers, schools, lenders, secondary markets, and the Department.

(B) Nothing in this paragraph shall be construed to limit the development of electronic forms and procedures.

(3) Simplification Requirements.—Such regulations shall include—
(A) standardization of computer formats, forms design, and guaranty agency procedures relating to the origination, servicing, and collection of loans made under this part;

(B) authorization of alternate means of document retention, including the use of microfilm, microfiche, laser disc, compact disc, and other methods allowing the production of a facsimile of the original documents;

(C) authorization of the use of computer or similar electronic methods of maintaining records relating to the performance of servicing, collection, and other regulatory requirements under this Act; and

(D) authorization and implementation of electronic data linkages for the exchange of information to and from lenders, guarantors, institutions of higher education, third party servicers, and the Department of Education for student status confirmation reports, claim filing, interest and special allowance billing, deferment processing, and all other administrative steps relating to loans made pursuant to this part where using electronic data linkage is feasible.

(4) ADDITIONAL RECOMMENDATIONS.—The Secretary shall review regulations prescribed pursuant to paragraph (1) and seek additional recommendations from guaranty agencies, lenders, institutions of higher education, students, secondary markets, third party servicers and other organizations involved in providing loans under this part, not less frequently than annually, for additional methods of simplifying and standardizing the administration of the programs authorized by this part.

(m) COMMON FORMS AND FORMATS.—

(1) COMMON GUARANTEED STUDENT LOAN APPLICATION FORM AND PROMISSORY NOTE.—

(A) IN GENERAL.—The Secretary, in cooperation with representatives of guaranty agencies, eligible lenders, and organizations involved in student financial assistance, shall prescribe common application forms and promissory notes, or master promissory notes, to be used for applying for loans under part B of this title.

(B) REQUIREMENTS.—The forms prescribed by the Secretary shall—

(i) use clear, concise, and simple language to facilitate understanding of loan terms and conditions by applicants;¹

(ii) be formatted to require the applicant to clearly indicate a choice of lender; and¹

(C) FREE APPLICATION FORM.—For academic year 1999–2000 and succeeding academic years, the Secretary shall prescribe the form developed under section 483 as the application form under this part, other than for loans under sections 428B and 428C.

(D) MASTER PROMISSORY NOTE.—

¹So in law. (112 Stat. 1703) There probably should be an “and” at the end of clause (i). In addition, a period at the end of clause (ii) probably should replace “; and”.
(i) In general.—The Secretary shall develop and require the use of master promissory note forms for loans made under this part and part D. Such forms shall be available for periods of enrollment beginning not later than July 1, 2000. Each form shall allow eligible borrowers to receive, in addition to initial loans, additional loans for the same or subsequent periods of enrollment through a student confirmation process approved by the Secretary. Such forms shall be used for loans made under this part or part D as directed by the Secretary.

(ii) Consultation.—In developing the master promissory note under this subsection, the Secretary shall consult with representatives of guaranty agencies, eligible lenders, institutions of higher education, students, and organizations involved in student financial assistance.

(iii) Sale; assignment; enforceability.—Notwithstanding any other provision of law, each loan made under a master promissory note under this subsection may be sold or assigned independently of any other loan made under the same promissory note and each such loan shall be separately enforceable in all Federal and State courts on the basis of an original or copy of the master promissory note in accordance with the terms of the master promissory note.

(E) Perfection of security interests in student loans.—

(i) In general.—Notwithstanding the provisions of any State law to the contrary, including the Uniform Commercial Code as in effect in any State, a security interest in loans made under this part, on behalf of any eligible lender (as defined in section 435(d)) shall attach, be perfected, and be assigned priority in the manner provided by the applicable State’s law for perfection of security interests in accounts, as such law may be amended from time to time (including applicable transition provisions). If any such State’s law provides for a statutory lien to be created in such loans, such statutory lien may be created by the entity or entities governed by such State law in accordance with the applicable statutory provisions that created such a statutory lien.

(ii) Collateral description.—In addition to any other method for describing collateral in a legally sufficient manner permitted under the laws of the State, the description of collateral in any financing statement filed pursuant to this subparagraph shall be deemed legally sufficient if it lists such loans, or refers to records (identifying such loans) retained by the secured party or any designee of the secured party identified in such financing statement, including the debtor or any loan servicer.
(iii) Sales.—Notwithstanding clauses (i) and (ii) and any provisions of any State law to the contrary, other than any such State's law providing for creation of a statutory lien, an outright sale of loans made under this part shall be effective and perfected automatically upon attachment as defined in the Uniform Commercial Code of such State.

(2) Common Deferment Form.—The Secretary, in cooperation with representatives of guaranty agencies, institutions of higher education, and lenders involved in loans made under part B of this title, shall prescribe a common deferment reporting form to be used for the processing of deferments of loans made under this title.

(3) Common Reporting Formats.—The Secretary shall promulgate standards including necessary rules, regulations (including the definitions of all relevant terms), and procedures so as to require all lenders and guaranty agencies to report information on all aspects of loans made under this part in uniform formats, so as to permit the direct comparison of data submitted by individual lenders, servicers, or guaranty agencies.

(4) Electronic Forms.—Nothing in this section shall be construed to limit the development and use of electronic forms and procedures.

(n) Default Reduction Management.—

(1) Authorization.—There are authorized to be appropriated $25,000,000 for fiscal year 1999 and each of the four succeeding fiscal years, for the Secretary to expend for default reduction management activities for the purposes of establishing a performance measure that will reduce defaults by 5 percent relative to the prior fiscal year. Such funds shall be in addition to, and not in lieu of, other appropriations made for such purposes.

(2) Allowable Activities.—Allowable activities for which such funds shall be expended by the Secretary shall include the following: (A) program reviews; (B) audits; (C) debt management programs; (D) training activities; and (E) such other management improvement activities approved by the Secretary.

At the conclusion of the fiscal year, the Secretary shall report the Secretary's findings and activities concerning the expenditure of funds and whether the performance measure was met. If the performance measure was not met, the Secretary shall report the following:

(A) why the goal was not met, including an indication of any managerial deficiencies or of any legal obstacles;

(B) plans and a schedule for achieving the established performance goal;

(C) recommended legislative or regulatory changes necessary to achieve the goal; and
(D) if the performance standard or goal is impractical or infeasible, why that is the case and what action is recommended, including whether the goal should be changed or the program altered or eliminated.

This report shall be submitted to the Appropriations Committees of the House of Representatives and the Senate and to the Committee on Education and the Workforce of the House of Representatives and the Committee on Labor and Human Resources of the Senate.

(o) **CONSEQUENCES OF GUARANTY AGENCY INSOLVENCY.**—In the event that the Secretary has determined that a guaranty agency is unable to meet its insurance obligations under this part, the holder of loans insured by the guaranty agency may submit insurance claims directly to the Secretary and the Secretary shall pay to the holder the full insurance obligation of the guaranty agency, in accordance with insurance requirements no more stringent than those of the guaranty agency. Such arrangements shall continue until the Secretary is satisfied that the insurance obligations have been transferred to another guarantor who can meet those obligations or a successor will assume the outstanding insurance obligations.

(p) **REPORTING REQUIREMENT.**—All officers and directors, and those employees and paid consultants of eligible institutions, eligible lenders, guaranty agencies, loan servicing agencies, accrediting agencies or associations, State licensing agencies or boards, and entities acting as secondary markets (including the Student Loan Marketing Association), who are engaged in making decisions as to the administration of any program or funds under this title or as to the eligibility of any entity or individual to participate under this title, shall report to the Secretary, in such manner and at such time as the Secretary shall require, on any financial interest which such individual may hold in any other entity participating in any program assisted under this title.

**SEC. 433. [20 U.S.C. 1083] STUDENT LOAN INFORMATION BY ELIGIBLE LENDERS.**

Each lender shall provide to each borrower a telephone number, and may provide an electronic address, through which additional loan information can be obtained. The disclosure shall include—

1. a statement prominently and clearly displayed and in bold print that the borrower is receiving a loan that must be repaid;
2. the name of the eligible lender, and the address to which communications and payments should be sent;
(3) the principal amount of the loan;
(4) the amount of any charges, such as the origination fee and insurance premium, collected by the lender at or prior to the disbursal of the loan and whether such charges are deducted from the proceeds of the loan or paid separately by the borrower;
(5) the stated interest rate on the loan;
(6) the yearly and cumulative maximum amounts that may be borrowed;
(7) an explanation of when repayment of the loan will be required and when the borrower will be obligated to pay interest that accrues on the loan;
(8) a statement as to the minimum and maximum repayment term which the lender may impose, and the minimum annual payment required by law;
(9) a statement of the total cumulative balance, including the loan applied for, owed by the student to that lender, and an estimate of the projected monthly payment, given such cumulative balance;
(10) an explanation of any special options the borrower may have for loan consolidation or other refinancing of the loan;
(11) a statement that the borrower has the right to prepay all or part of the loan, at any time, without penalty, a statement summarizing circumstances in which repayment of the loan or interest that accrues on the loan may be deferred, and a brief notice of the program for repayment of loans, on the basis of military service, pursuant to section 902 of the Department of Defense Authorization Act, 1981 (10 U.S.C. 2141, note);
(12) a definition of default and the consequences to the borrower if the borrower defaults, including a statement that the default will be reported to a credit bureau or credit reporting agency;
(13) to the extent practicable, the effect of accepting the loan on the eligibility of the borrower for other forms of student assistance; and
(14) an explanation of any cost the borrower may incur in the making or collection of the loan.

(b) REQUIRED DISCLOSURE BEFORE REPAYMENT.—Each eligible lender shall, at or prior to the start of the repayment period of the student borrower on loans made, insured, or guaranteed under this part, disclose to the borrower by written or electronic means the information required under this subsection in simple and understandable terms. Each eligible lender shall provide to each borrower a telephone number, and may provide an electronic address, through which additional loan information can be obtained. For any loan made, insured, or guaranteed under this part, other than a loan made under section 428B or 428C, such disclosure required by this subsection shall be made not less than 30 days nor more than 240 days before the first payment on the loan is due from the borrower. The disclosure shall include—
(1) the name of the eligible lender, and the address to which communications and payments should be sent;
(2) the scheduled date upon which the repayment period is to begin;

(8) except as provided in subsection (e), the projected total of interest charges which the borrower will pay on the loan or loans, assuming that the borrower makes payments exactly in accordance with the repayment schedule; and
(9) a statement that the borrower has the right to prepay all or part of the loan or loans covered by the disclosure at any time without penalty.

(c) COST OF DISCLOSURE AND CONSEQUENCES OF NONDISCLOSURE.—Such information shall be available without cost to the borrower. The failure of an eligible lender to provide information as required by this section shall not (1) relieve a borrower of the obligation to repay a loan in accordance with its terms, (2) provide a basis for a claim for civil damages, or (3) be deemed to abrogate the obligation of the Secretary under a contract of insurance or reinsurance, or the obligation of a guaranty agency under a contract of guaranty. Nothing in this section shall be construed as subjecting the lender to the Truth in Lending Act with regard to loans made under this part. The Secretary may limit, suspend, or terminate the continued participation of an eligible lender in making loans under this part for failure by that lender to comply with this section.

(d) SEPARATE STATEMENT.—Each eligible lender shall, at the time such lender notifies a borrower of approval of a loan which is insured or guaranteed under this part, provide the borrower with a separate paper which summarizes (in plain English) the rights and responsibilities of the borrower with respect to the loan, including a statement of the consequences of defaulting on the loan and a statement that each borrower who defaults will be reported to a credit bureau. The requirement of this subsection shall be in addition to the information required by subsection (a) of this section.

(e) SPECIAL DISCLOSURE RULES ON SLS LOANS AND PLUS LOANS AND UNSUBSIDIZED LOANS.—Loans made under sections 428A, 428B, and 428H shall not be subject to the disclosure of projected monthly payment amounts required under subsection (b)(8)
if the lender, in lieu of such disclosure, provides the borrower with sample projections of monthly repayment amounts assuming different levels of borrowing and interest accruals resulting from capitalization of interest while the borrower is in school. Such sample projections shall disclose the cost to the student of capitalizing—  
(1) principal and interest; and  
(2) interest only.

As used in this part:
(a) ELIGIBLE INSTITUTION.—  
(1) IN GENERAL.—Except as provided in paragraph (2), the term "eligible institution" means an institution of higher education, as defined in section 102, except that, for the purposes of sections 427(a)(2)(C)(i) and 428(b)(1)(M)(i), an eligible institution includes any institution that is within this definition without regard to whether such institution is participating in any program under this title and includes any institution ineligible for participation in any program under this part pursuant to paragraph (2) of this subsection.

(2) INELIGIBILITY BASED ON HIGH DEFAULT RATES.—(A) An institution whose cohort default rate is equal to or greater than the threshold percentage specified in subparagraph (B) for each of the three most recent fiscal years for which data are available shall not be eligible to participate in a program under this part for the fiscal year for which the determination is made and for the two succeeding fiscal years, unless, within 30 days of receiving notification from the Secretary of the loss of eligibility under this paragraph, the institution appeals the loss of its eligibility to the Secretary. The Secretary shall issue a decision on any such appeal within 45 days after its submission. Such decision may permit the institution to continue to participate in a program under this part if—

(i) the institution demonstrates to the satisfaction of the Secretary that the Secretary's calculation of its cohort default rate is not accurate, and that recalculation would reduce its cohort default rate for any of the three fiscal years below the threshold percentage specified in subparagraph (B);  
(ii) there are exceptional mitigating circumstances within the meaning of paragraph (4); or
(iii) there are, in the judgment of the Secretary, other exceptional mitigating circumstances that would make the application of this paragraph inequitable.

If an institution continues to participate in a program under this part, and the institution's appeal of the loss of eligibility is unsuccessful, the institution shall be required to pay to the Secretary an amount equal to the amount of interest, special allowance, reinsurance, and any related payments made by the Secretary (or which the Secretary is obligated to make) with respect to loans made under this part to students attending, or planning to attend, that institution during the pendency of such appeal. During such appeal, the Secretary may permit the institution to continue to participate in a program under this part.

(B) For purposes of determinations under subparagraph (A), the threshold percentage is—
(i) 35 percent for fiscal year 1991 and 1992;
(ii) 30 percent for fiscal year 1993; and
(iii) 25 percent for any succeeding fiscal year.

(C) Until July 1, 1999, this paragraph shall not apply to any institution that is—
(i) a part B institution within the meaning of section 322(2) of this Act;
(ii) a tribally controlled community college within the meaning of section 2(a)(4) of the Tribally Controlled Community College Assistance Act of 1978; or
(iii) a Navajo Community College under the Navajo Community College Act.

(D) 1 Notwithstanding the first sentence of subparagraph (A), the Secretary shall restore the eligibility to participate in a program under subpart 1 of part A, part B, or part D of an institution that did not appeal its loss of eligibility within 30 days of receiving notification if the Secretary determines, on a case-by-case basis, that the institution's failure to appeal was substantially justified under the circumstances, and that—
(i) the institution made a timely request that the appropriate guaranty agency correct errors in the draft data used to calculate the institution's cohort default rate;
(ii) the guaranty agency did not correct the erroneous data in a timely fashion; and
(iii) the institution would have been eligible if the erroneous data had been corrected by the guaranty agency.

(3) APPEALS BASED UPON ALLEGATIONS OF IMPROPER LOAN SERVICING.—An institution that—
(A) is subject to loss of eligibility for the Federal Family Education Loan Program pursuant to paragraph (2)(A) of this subsection;
(B) is subject to loss of eligibility for the Federal Supplemental Loans for Students pursuant to section 428A(a)(2); or

---
1 Margin so in law.
(C) is an institution whose cohort default rate equals or exceeds 20 percent for the most recent year for which data are available; may include in its appeal of such loss or rate a defense based on improper loan servicing (in addition to other defenses). In any such appeal, the Secretary shall take whatever steps are necessary to ensure that such institution has access for a reasonable period of time, not to exceed 30 days, to a representative sample (as determined by the Secretary) of the relevant loan servicing and collection records used by a guaranty agency in determining whether to pay a claim on a defaulted loan or by the Department in determining an institution’s default rate in the loan program under part D of this title. The Secretary shall reduce the institution’s cohort default rate to reflect the percentage of defaulted loans in the representative sample that are required to be excluded pursuant to subsection (m)(1)(B).

(4) DEFINITION OF MITIGATING CIRCUMSTANCES.—(A) For purposes of paragraph (2)(A)(ii), an institution of higher education shall be treated as having exceptional mitigating circumstances that make application of that paragraph inequitable if such institution, in the opinion of an independent auditor, meets the following criteria:

(i) For a 12-month period that ended during the 6 months immediately preceding the fiscal year for which the cohort of borrowers used to calculate the institution’s cohort default rate is determined, at least two-thirds of the students enrolled on at least a half-time basis at the institution—

(I) are eligible to receive a Federal Pell Grant award that is at least equal to one-half the maximum Federal Pell Grant award for which a student would be eligible based on the student’s enrollment status; or

(II) have an adjusted gross income that when added with the adjusted gross income of the student’s parents (unless the student is an independent student), of less than the poverty level, as determined by the Department of Health and Human Services.

(ii) In the case of an institution of higher education that offers an associate, baccalaureate, graduate or professional degree, 70 percent or more of the institution’s regular students who were initially enrolled on a full-time basis and were scheduled to complete their programs during the same 12-month period described in clause (i)—

(I) completed the educational programs in which the students were enrolled;

(II) transferred from the institution to a higher level educational program;

(III) at the end of the 12-month period, remained enrolled and making satisfactory progress toward completion of the student’s educational programs; or

(IV) entered active duty in the Armed Forces of the United States.

(iii)(I) In the case of an institution of higher education that does not award a degree described in clause (ii), had
a placement rate of 44 percent or more with respect to the institution's former regular students who—

(aa) remained in the program beyond the point the students would have received a 100 percent tuition refund from the institution;

(bb) were initially enrolled on at least a half-time basis; and

(cc) were originally scheduled, at the time of enrollment, to complete their educational programs during the same 12-month period described in clause (i).

(II) The placement rate shall not include students who are still enrolled and making satisfactory progress in the educational programs in which the students were originally enrolled on the date following 12 months after the date of the student’s last date of attendance at the institution.

(III) The placement rate is calculated by determining the percentage of all those former regular students who—

(aa) are employed, in an occupation for which the institution provided training, on the date following 12 months after the date of their last day of attendance at the institution;

(bb) were employed, in an occupation for which the institution provided training, for at least 13 weeks before the date following 12 months after the date of their last day of attendance at the institution; or

(cc) entered active duty in the Armed Forces of the United States.

(IV) The placement rate shall not include as placements a student or former student for whom the institution is the employer.

(B) For purposes of determining a rate of completion and a placement rate under this paragraph, a student is originally scheduled, at the time of enrollment, to complete the educational program on the date when the student will have been enrolled in the program for the amount of time normally required to complete the program. The amount of time normally required to complete the program for a student who is initially enrolled full-time is the period of time specified in the institution's enrollment contract, catalog, or other materials, for completion of the program by a full-time student. For a student who is initially enrolled less than full-time, the period is the amount of time it would take the student to complete the program if the student remained enrolled at that level of enrollment throughout the program.

(5) REDUCTION OF DEFAULT RATES AT CERTAIN MINORITY INSTITUTIONS.—

(A) BENEFICIARIES OF EXCEPTION REQUIRED TO ESTABLISH MANAGEMENT PLAN.—After July 1, 1999, any institution that has a cohort default rate that equals or exceeds 25 percent for each of the three most recent fiscal years for which data are available and that relies on the exception
in subparagraph (B) to continue to be an eligible institution shall—

(i) submit to the Secretary a default management plan which the Secretary, in the Secretary’s discretion, after consideration of the institution’s history, resources, dollars in default, and targets for default reduction, determines is acceptable and provides reasonable assurance that the institution will, by July 1, 2004, have a cohort default rate that is less than 25 percent;

(ii) engage an independent third party (which may be paid with funds received under section 317 or part B of title III) to provide technical assistance in implementing such default management plan; and

(iii) provide to the Secretary, on an annual basis or at such other intervals as the Secretary may require, evidence of cohort default rate improvement and successful implementation of such default management plan.

(B) DISCRETIONARY ELIGIBILITY CONDITIONED ON IMPROVEMENT.—Notwithstanding the expiration of the exception in paragraph (2)(C), the Secretary may, in the Secretary’s discretion, continue to treat an institution described in subparagraph (A) of this paragraph as an eligible institution for each of the 1-year periods beginning on July 1 of 1999 through 2003, only if the institution submits by the beginning of such period evidence satisfactory to the Secretary that—

(i) such institution has complied and is continuing to comply with the requirements of subparagraph (A); and

(ii) such institution has made substantial improvement, during each of the preceding 1-year periods, in the institution’s cohort default rate.

(6) PARTICIPATION RATE INDEX.—

(A) IN GENERAL.—An institution that demonstrates to the Secretary that the institution’s participation rate index is equal to or less than 0.0375 for any of the 3 most recent fiscal years for which data is available shall not be subject to paragraph (2). The participation rate index shall be determined by multiplying the institution’s cohort default rate for loans under part B or D, or weighted average cohort default rate for loans under parts B and D, by the percentage of the institution’s regular students, enrolled on at least a half-time basis, who received a loan made under part B or D for a 12-month period ending during the 6 months immediately preceding the fiscal year for which the cohort of borrowers used to calculate the institution’s cohort default rate is determined.

(B) DATA.—An institution shall provide the Secretary with sufficient data to determine the institution’s participation rate index within 30 days after receiving an initial notification of the institution’s draft cohort default rate.
(C) Notification.—Prior to publication of a final cohort default rate for an institution that provides the data described in subparagraph (B), the Secretary shall notify the institution of the institution’s compliance or non-compliance with subparagraph (A).

(d) Eligible Lender.—

(1) In general.—Except as provided in paragraphs (2) through (6), the term “eligible lender” means—

(A) a National or State chartered bank, a mutual savings bank, a savings and loan association, a stock savings bank, or a credit union which—

(i) is subject to examination and supervision by an agency of the United States or of the State in which its principal place of operation is established, and

(ii) does not have as its primary consumer credit function the making or holding of loans made to students under this part unless (I) it is a bank which is wholly owned by a State, or a bank which is subject to examination and supervision by an agency of the United States, makes student loans as a trustee pursuant to an express trust, operated as a lender under this part prior to January 1, 1975, and which meets the requirements of this provision prior to the enactment of the Higher Education Amendments of 1992, (II) it is a single wholly owned subsidiary of a bank holding company which does not have as its primary consumer credit function the making or holding of loans made to students under this part, or (III) it is a bank (as defined in section 3(a)(1) of the Federal Deposit Insurance Act (12 U.S.C. 1813(a)(1))) that is a wholly owned subsidiary of a nonprofit foundation, the foundation is described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from taxation under section 501(1) of such Code, and the bank makes loans under this part only to undergraduate students who are age 22 or younger and has a portfolio of such loans that is not more than $5,000,000;

(B) a pension fund as defined in the Employee Retirement Income Security Act;

(C) an insurance company which is subject to examination and supervision by an agency of the United States or a State;

(D) in any State, a single agency of the State or a single nonprofit private agency designated by the State;

(E) an eligible institution which meets the requirements of paragraphs (2) through (5) of this subsection;

(F) for purposes only of purchasing and holding loans made by other lenders under this part, the Student Loan Marketing Association or the Holding Company of the Student Loan Marketing Association, including any subsidiary of the Holding Company, created pursuant to section 440,
or an agency of any State functioning as a secondary market;

(G) for purposes of making loans under sections 428A(d), 428B(d), 428C, and 439(q), the Student Loan Marketing Association or the Holding Company of the Student Loan Marketing Association, including any subsidiary of the Holding Company, created pursuant to section 440;

(H) for purposes of making loans under sections 428(h) and 428(j), a guaranty agency;

(I) a Rural Rehabilitation Corporation, or its successor agency, which has received Federal funds under Public Law 499, Eighty-first Congress (64 Stat. 98 (1950));

(J) for purpose of making loans under section 428C, any nonprofit private agency functioning in any State as a secondary market; and

(K) a consumer finance company subsidiary of a national bank which, as of the date of enactment of this subparagraph, through one or more subsidiaries: (i) acts as a small business lending company, as determined under regulations of the Small Business Administration under section 120.470 of title 13, Code of Federal Regulations (as such section is in effect on the date of enactment of this subparagraph); and (ii) participates in the program authorized by this part pursuant to subparagraph (C), provided the national bank and all of the bank’s direct and indirect subsidiaries taken together as a whole, do not have, as their primary consumer credit function, the making or holding of loans made to students under this part.

(2) ADDITIONAL REQUIREMENTS OF ELIGIBLE INSTITUTIONS.—To be an eligible lender under this part, an eligible institution—

(A) shall employ at least one person whose full-time responsibilities are limited to the administration of programs of financial aid for students attending such institution;

(B) shall not be a home study school;

(C) shall make loans to not more than 50 percent of the undergraduate students at the institution;

(D) shall not make a loan, other than a loan to a graduate or professional student, unless the borrower has previously received a loan from the school or has been denied a loan by an eligible lender;

(E) shall not have a cohort default rate (as defined in section 435(m)) greater than 15 percent; and

(F) shall use the proceeds from special allowance payments and interest payments from borrowers for need-based grant programs, except for reasonable reimbursement for direct administrative expenses;

except that the requirements of subparagraphs (C) and (D) shall not apply with respect to loans made, and loan commitments made, after the date of enactment of the Higher Education Amendments of 1986 and prior to July 1, 1987.

(3) DISQUALIFICATION FOR HIGH DEFAULT RATES.—The term “eligible lender” does not include any eligible institution in any
fiscal year immediately after the fiscal year in which the Secretary determines, after notice and opportunity for a hearing, that for each of 2 consecutive years, 15 percent or more of the total amount of such loans as are described in section 428(a)(1) made by the institution with respect to students at that institution and repayable in each such year, are in default, as defined in section 435(m).

(4) WAIVER OF DISQUALIFICATION.—Whenever the Secretary determines that—

(A) there is reasonable possibility that an eligible institution may, within 1 year after a determination is made under paragraph (3), improve the collection of loans described in section 428(a)(1), so that the application of paragraph (3) would be a hardship to that institution, or

(B) the termination of the lender's status under paragraph (3) would be a hardship to the present or for prospective students of the eligible institution, after considering the management of that institution, the ability of that institution to improve the collection of loans, the opportunities that institution offers to economically disadvantaged students, and other related factors,

the Secretary shall waive the provisions of paragraph (3) with respect to that institution. Any determination required under this paragraph shall be made by the Secretary prior to the termination of an eligible institution as a lender under the exception of paragraph (3). Whenever the Secretary grants a waiver pursuant to this paragraph, the Secretary shall provide technical assistance to the institution concerned in order to improve the collection rate of such loans.

(5) DISQUALIFICATION FOR USE OF CERTAIN INCENTIVES.—The term “eligible lender” does not include any lender that the Secretary determines, after notice and opportunity for a hearing, has after the date of enactment of this paragraph—

(A) offered, directly or indirectly, points, premiums, payments, or other inducements, to any educational institution or individual in order to secure applicants for loans under this part;

(B) conducted unsolicited mailings to students of student loan application forms, except to students who have previously received loans under this part from such lender;

(C) offered, directly or indirectly, loans under this part as an inducement to a prospective borrower to purchase a policy of insurance or other product; or

(D) engaged in fraudulent or misleading advertising.

It shall not be a violation of this paragraph for a lender to provide assistance to institutions of higher education comparable to the kinds of assistance provided to institutions of higher education by the Department of Education.

(6) REBATE FEE REQUIREMENT.—To be an eligible lender under this part, an eligible lender shall pay rebate fees in accordance with section 428C(f).

(e) LINE OF CREDIT.—The term “line of credit” means an arrangement or agreement between the lender and the borrower whereby a loan is paid out by the lender to the borrower in annual
installments, or whereby the lender agrees to make, in addition to the initial loan, additional loans in subsequent years.

(f) DUE DILIGENCE.—The term “due diligence” requires the utilization by a lender, in the servicing and collection of loans insured under this part, of servicing and collection practices at least as extensive and forceful as those generally practiced by financial institutions for the collection of consumer loans.

(i) **HOLDER.**—The term “holder” means an eligible lender who owns a loan.

(j) **GUARANTY AGENCY.**—The term “guaranty agency” means any State or nonprofit private institution or organization with which the Secretary has an agreement under section 428(b).

(k) **INSURANCE BENEFICIARY.**—The term “insurance beneficiary” means the insured or its authorized representative assigned in accordance with section 429(d).

(l) **DEFAULT.**—Except as provided in subsection (m), the term “default” includes only such defaults as have existed for (1) 270 days in the case of a loan which is repayable in monthly installments, or (2) 330 days in the case of a loan which is repayable in less frequent installments.

(m) **COHORT DEFAULT RATE.**—

**(1) IN GENERAL.**—(A) Except as provided in paragraph (2), the term “cohort default rate” means, for any fiscal year in which 30 or more current and former students at the institution enter repayment on loans under section 428, 428A, or 428H, received for attendance at the institution, the percentage of those current and former students who enter repayment at that institution in that fiscal year who default before the end of the following fiscal year. The Secretary shall require that each guaranty agency that has insured loans for current or former students of the institution afford such institution a reasonable opportunity (as specified by the Secretary) to review and correct errors in the information required to be provided to the Secretary by the guaranty agency for the purposes of calculating a cohort default rate for such institution, prior to the calculation of such rate.

(B) In determining the number of students who default before the end of such fiscal year, the Secretary shall include only loans for which the Secretary or a guaranty agency has paid claims for insurance. In considering appeals with respect to cohort default rates pursuant to subsection (a)(3), the Secretary shall exclude, from the calculation of the number of students who entered repayment and from the calculation of the number of students who default, any loans which, due to improper servicing or collection, would, as demonstrated by the evidence submitted in support of the institution’s timely appeal

1 Section 427(f) of the Higher Education Amendments of 1992 (P.L. 102–325; 106 Stat. 550) amended section 435 of the Higher Education Act of 1965 by striking subsections (g), (h), and (n), but did not redesignate remaining subsections.

2 Section 429(c)(2) of the Higher Education Amendments of 1998 (P.L. 105–244; 112 Stat. 1708) amended subsection (l) of the Higher Education Act of 1965 by striking “180 days” and “240 days” and inserting “270 days” and “330 days”, respectively, with respect to loans for which the first day of delinquency occurred on or after the date of enactment of that Act.
to the Secretary, result in an inaccurate or incomplete calculation of such cohort default rate.

(C) For any fiscal year in which fewer than 30 of the institution’s current and former students enter repayment, the term “cohort default rate” means the percentage of such current and former students who entered repayment on such loans (or on the portion of a loan made under section 428C that is used to repay any such loans) in any of the three most recent fiscal years, who default before the end of the fiscal year immediately following the year in which they entered repayment.

(2) SPECIAL RULES.—(A) In the case of a student who has attended and borrowed at more than one school, the student (and such student’s subsequent repayment or default) is attributed to each school for attendance at which the student received a loan that entered repayment in the fiscal year.

(B) A loan on which a payment is made by the school, such school’s owner, agent, contractor, employee, or any other entity or individual affiliated with such school, in order to avoid default by the borrower, is considered as in default for purposes of this subsection.

(C) Any loan which has been rehabilitated before the end of such following fiscal year is not considered as in default for the purposes of this subsection. The Secretary may require guaranty agencies to collect data with respect to defaulted loans in a manner that will permit the identification of any defaulted loan for which (i) the borrower is currently making payments and has made not less than 6 consecutive on-time payments by the end of such following fiscal year, and (ii) a guaranty agency has renewed the borrower’s title IV eligibility as provided in section 428F(b).

(D) For the purposes of this subsection, a loan made in accordance with section 428A (or the portion of a loan made under section 428C that is used to repay a loan made under section 428A) shall not be considered to enter repayment until after the borrower has ceased to be enrolled in a course of study leading to a degree or certificate at an eligible institution on at least a half-time basis (as determined by the institution) and ceased to be in a period of forbearance based on such enrollment. Each eligible lender of a loan made under section 428A (or a loan made under section 428C a portion of which is used to repay a loan made under section 428A) shall provide the guaranty agency with the information necessary to determine when the loan entered repayment for purposes of this subsection, and the guaranty agency shall provide such information to the Secretary.

(3) REGULATIONS TO PREVENT EVASIONS.—The Secretary shall prescribe regulations designed to prevent an institution from evading the application to that institution of a default rate determination under this subsection through the use of such measures as branching, consolidation, change of ownership or control, or any similar device.

(4) COLLECTION AND REPORTING OF COHORT DEFAULT RATES.—(A) The Secretary shall collect data from all insurers
under this part and shall publish not less often than once every fiscal year a report showing default data for each category of institution, including (i) 4-year public institutions, (ii) 4-year private institutions, (iii) 2-year public institutions, (iv) 2-year private institutions, (v) 4-year proprietary institutions, (vi) 2-year proprietary institutions, and (vii) less than 2-year proprietary institutions.

(B) The Secretary may designate such additional subcategories within the categories specified in subparagraph (A) as the Secretary deems appropriate.

(C) The Secretary shall publish not less often than once every fiscal year a report showing default data for each institution for which a cohort default rate is calculated under this subsection.

(D) The Secretary shall publish the report described in subparagraph (C) by September 30 of each year.

(o)1 Economic Hardship.—

(1) In General.—For purposes of this part and part E, a borrower shall be considered to have an economic hardship if—

(A) such borrower is working full-time and is earning an amount which does not exceed the greater of—

(i) the minimum wage rate described in section 6 of the Fair Labor Standards Act of 1938; or

(ii) an amount equal to 100 percent of the poverty line for a family of 2 as determined in accordance with section 673(2) of the Community Service Block Grant Act;

(B) such borrower is working full-time and has a Federal educational debt burden that equals or exceeds 20 percent of such borrower’s adjusted gross income, and the difference between such borrower’s adjusted gross income minus such burden is less than 220 percent of the greater of—

(i) the annual earnings of an individual earning the minimum wage under section 6 of the Fair Labor Standards Act of 1938; or

(ii) the income official poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 673(2) of the Community Services Block Grant Act) applicable to a family of two; or

(C) such borrower meets such other criteria as are established by the Secretary by regulation in accordance with paragraph (2).

(2) Considerations.—In establishing criteria for purposes of paragraph (1)(C), the Secretary shall consider the borrower’s income and debt-to-income ratio as primary factors.

(a) In General.—An eligible lender or guaranty agency that contracts with another entity to perform any of the lender’s or agency’s functions under this title, or otherwise delegates the performance of such functions to such other entity—

1 Subsection (n) repealed by sec. 427(f) of P.L. 102–325. See footnote 1 on page 250.
(1) shall not be relieved of the lender's or agency's duty to comply with the requirements of this title; and
(2) shall monitor the activities of such other entity for compliance with such requirements.

(b) Special Rule.—A lender that holds a loan made under part B in the lender's capacity as a trustee is responsible for complying with all statutory and regulatory requirements imposed on any other holder of a loan made under this part.

SEC. 437. [20 U.S.C. 1087] REPAYMENT BY THE SECRETARY OF LOANS OF BANKRUPT, DECEASED, OR DISABLED BORROWERS; TREATMENT OF BORROWERS ATTENDING CLOSED SCHOOLS OR FALSELY CERTIFIED AS ELIGIBLE TO BORROW.

(a) Repayment In Full for Death and Disability.—If a student borrower who has received a loan described in subparagraph (A) or (B) of section 428(a)(1) dies or becomes permanently and totally disabled (as determined in accordance with regulations of the Secretary), then the Secretary shall discharge the borrower's liability on the loan by repaying the amount owed on the loan.

(b) Payment of Claims on Loans in Bankruptcy.—The Secretary shall pay to the holder of a loan described in section 428(a)(1) (A) or (B), 428A, 428B, 428C, or 428H, the amount of the unpaid balance of principal and interest owed on such loan—
(1) when the borrower files for relief under chapter 12 or 13 of title 11, United States Code;
(2) when the borrower who has filed for relief under chapter 7 or 11 of such title commences an action for a determination of dischargeability under section 523(a)(8)(B) of such title; or
(3) for loans described in section 523(a)(8)(A) of such title, when the borrower files for relief under chapter 7 or 11 of such title.

(c) Discharge.—
(1) In General.—If a borrower who received, on or after January 1, 1986, a loan made, insured, or guaranteed under this part and the student borrower, or the student on whose behalf a parent borrowed, is unable to complete the program in which such student is enrolled due to the closure of the institution or if such student's eligibility to borrow under this part was falsely certified by the eligible institution, or if the institution failed to make a refund of loan proceeds which the institution owed to such student's lender, then the Secretary shall discharge the borrower's liability on the loan (including interest and collection fees) by repaying the amount owed on the loan and shall subsequently pursue any claim available to such borrower against the institution and its affiliates and principals or settle the loan obligation pursuant to the financial responsibility authority under subpart 3 of part H. In the case of a discharge based upon a failure to refund, the amount of the discharge shall not exceed that portion of the loan which should have been refunded. The Secretary shall report to the Committee on Education and the Workforce of the House of Representatives and the Committee on Labor and Human Re-
sources of the Senate annually as to the dollar amount of loan discharges attributable to failures to make refunds.

(2) ASSIGNMENT.—A borrower whose loan has been discharged pursuant to this subsection shall be deemed to have assigned to the United States the right to a loan refund up to the amount discharged against the institution and its affiliates and principals.

(3) ELIGIBILITY FOR ADDITIONAL ASSISTANCE.—The period of a student’s attendance at an institution at which the student was unable to complete a course of study due to the closing of the institution shall not be considered for purposes of calculating the student’s period of eligibility for additional assistance under this title.

(4) SPECIAL RULE.—A borrower whose loan has been discharged pursuant to this subsection shall not be precluded from receiving additional grants, loans, or work assistance under this title for which the borrower would be otherwise eligible (but for the default on such discharged loan). The amount discharged under this subsection shall be treated the same as loans under section 465(a)(5) of this title.

(5) REPORTING.—The Secretary shall report to credit bureaus with respect to loans which have been discharged pursuant to this subsection.

(d) REPAYMENT OF LOANS TO PARENTS.—If a student on whose behalf a parent has received a loan described in section 428B dies, then the Secretary shall discharge the borrower’s liability on the loan by repaying the amount owed on the loan.

[Section 437A repealed by P.L. 105–244, sec. 432, 112 Stat. 1710.]

(a) FINDINGS.—In order to assure (1) that the limitation on interest payments or other conditions (or both) on loans made or insured under this part, do not impede or threaten to impede the carrying out of the purposes of this part or do not cause the return to holders of loans to be less than equitable, (2) that incentive payments on such loans are paid promptly to eligible lenders, and (3) that appropriate consideration of relative administrative costs and money market conditions is made in setting the quarterly rate of such payments, the Congress finds it necessary to establish an improved method for the determination of the quarterly rate of the special allowances on such loans, and to provide for a thorough, expeditious, and objective examination of alternative methods for the determination of the quarterly rate of such allowances.

(b) COMPUTATION AND PAYMENT.—

(1) QUARTERLY PAYMENT BASED ON UNPAID BALANCE.—A special allowance shall be paid for each of the 3-month periods ending March 31, June 30, September 30, and December 31 of every year and the amount of such allowance paid to any holder with respect to any 3-month period shall be a percentage of the average unpaid balance of principal (not including unearned interest added to principal) of all eligible loans held by such holder during such period.
(2) Rate of Special Allowance.—(A) Subject to subparagraphs (B), (C), (D), (E), (F), (G), (H), and (I) and paragraph (4), the special allowance paid pursuant to this subsection on loans shall be computed (i) by determining the average of the bond equivalent rates of 91-day Treasury bills auctioned for such 3-month period, (ii) by subtracting the applicable interest rate on such loans from such average, (iii) by adding 3.10 percent to the resultant percent, and (iv) by dividing the resultant percent by 4. If such computation produces a number less than zero, such loans shall be subject to section 427A(f). ¹

(B)(i) The quarterly rate of the special allowance for holders of loans which were made or purchased with funds obtained by the holder from the issuance of obligations, the income from which is exempt from taxation under the Internal Revenue Code of 1954 shall be one-half the quarterly rate of the special allowance established under subparagraph (A), except that, in determining the rate for the purpose of this division, subparagraph (A)(iii) shall be applied by substituting “3.5 percent” for “3.10 percent”. Such rate shall also apply to holders of loans which were made or purchased with funds obtained by the holder from collections or default reimbursements on, or interests or other income pertaining to, eligible loans made or purchased with funds described in the preceding sentence of this subparagraph or from income on the investment of such funds. Such rate shall also apply to holders of loans which were made or purchased with funds obtained by the holder from collections or default reimbursements on, or interest or other income pertaining to, eligible loans made or purchased with funds described in the preceding sentence of this subparagraph or from income on the investment of such funds.

(i) by reducing the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b) of this section, respectively, to any holder; or

(ii) directly from the holder of the loan, if the lender fails or is not required to bill the Secretary for interest and special allowance or withdraws from the program with unpaid loan origination fees.

(B) If the Secretary collects the origination fee under this subsection through the reduction of interest and special allowance, and the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b) of this section, respectively, is less than the amount the lender was authorized to charge borrowers for origination fees in that quarter, the Secretary shall deduct the excess amount from the subsequent quarters’ payments until the total amount has been deducted.

(2) AMOUNT OF ORIGINATION FEES.—Subject to paragraph (6) of this subsection, with respect to any loan (including loans made under section 428H, but excluding loans made under sections 428C and 439(o)) for which a completed note or other written evidence of the loan was sent or delivered to the borrower for signing on or after 10 days after the date of enactment of the Postsecondary Student Assistance Amendments of 1981, each eligible lender under this part is authorized to charge the borrower an origination fee in an amount not to exceed 3.0 percent of the principal amount of the loan, to be deducted proportionately from each installment payment of the proceeds of the loan prior to payment to the borrower. Except as provided in paragraph (8), a lender that charges an origination fee under this paragraph shall assess the same fee to all student borrowers.

(3) RELATION TO APPLICABLE INTEREST.—Such origination fee shall not be taken into account for purposes of determining compliance with section 427A.

(4) DISCLOSURE REQUIRED.—The lender shall disclose to the borrower the amount and method of calculating the origination fee.

(5) PROHIBITION ON DEPARTMENT COMPELLING ORIGINATION FEE COLLECTIONS BY LENDERS.—Nothing in this subsection shall be construed to permit the Secretary to require any lender that is making loans that are insured or guaranteed under this part, but for which no amount will be payable for interest under section 428(a)(3)(A) or for special allowances under subsection (b) of this section, to collect any origination fee or to submit the sums collected as origination fees to the United States. The Secretary shall, not later than January 1, 1987, return to any such lender any such sums collected before the enactment of this paragraph, together with interest thereon.

(6) SLS AND PLUS LOANS.—With respect to any loans made under section 428A or 428B on or after October 1, 1992, each eligible lender under this part shall charge the borrower an origination fee of 3.0 percent of the principal amount of the loan, to be deducted proportionately from each installment pay-

(8) Exception.—Notwithstanding paragraph (2), a lender may assess a lesser origination fee for a borrower demonstrating greater financial need as determined by such borrower's adjusted gross family income.

(d) Loan fees from lenders.—

(1) Deduction from interest and special allowance subsidies.—

(A) In general.—Notwithstanding subsection (b), the Secretary shall collect a loan fee in an amount determined in accordance with paragraph (2)—

(i) by reducing the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b), respectively, to any holder of a loan; or

(ii) directly from the holder of the loan, if the lender—

(I) fails or is not required to bill the Secretary for interest and special allowance payments; or

(II) withdraws from the program with unpaid loan fees.

(B) Special rule.—If the Secretary collects loan fees under this subsection through the reduction of interest and special allowance payments, and the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b), respectively, is less than the amount of such loan fees, then the Secretary shall deduct the amount of the loan fee balance from the amount of interest and special allowance payments that would otherwise be payable, in subsequent quarterly increments until the balance has been deducted.

(2) Amount of loan fees.—With respect to any loan under this part for which the first disbursement was made on or after October 1, 1993, the amount of the loan fee which shall be deducted under paragraph (1) shall be equal to 0.50 percent of the principal amount of the loan.

(3) Distribution of loan fees.—The Secretary shall deposit all fees collected pursuant to paragraph (3) into the insurance fund established in section 431.

(e) Nondiscrimination.—In order for the holders of loans which were made or purchased with funds obtained by the holder from an Authority issuing obligations, the income from which is exempt from taxation under the Internal Revenue Code of 1986, to be eligible to receive a special allowance under subsection (b)(2) on any such loans, the Authority shall not engage in any pattern or practice which results in a denial of a borrower’s access to loans under this part because of the borrower’s race, sex, color, religion, national origin, age, disability status, income, attendance at a par-
ticular eligible institution within the area served by the Authority, the length of the borrower’s educational program, or the borrower’s academic year in school.

(f) **Regulations to Prevent Denial of Loans to Eligible Students.**—The Secretary shall adopt or amend appropriate regulations pertaining to programs carried out under this part to prevent, where practicable, any practices which the Secretary finds have denied loans to a substantial number of eligible students.

(E) to undertake any other activity which the Board of Directors of the Association determines to be in furtherance of the programs of insured student loans authorized under this part or will otherwise support the credit needs of students, except that—

(i) in carrying out all such activities the purpose shall always be to provide secondary market and other support for lending programs offered by other organizations and not to replace or compete with such other programs;

(ii) nothing in this subparagraph (E) shall be deemed to authorize the Association to acquire, own, operate, or control any bank, savings and loan association, savings bank or credit union; and

(iii) not later than 30 days prior to the initial implementation of a program undertaken pursuant to this subparagraph (E), the Association shall advise the Chairman and the Ranking Member on the Committee on Labor and Human Resources of the Senate and the Chairman and the Ranking Member of the Committee on Education and Labor of the House of Representatives in writing of its plans to offer such program and shall provide information relating to the general terms and conditions of such program.

The Association is further authorized to undertake any activity with regard to student loans which are not insured or guaranteed as provided for in this subsection as it may undertake with regard to insured or guaranteed student loans. Any warehousing advance made on the security of such loans shall be subject to the provisions of paragraph (3) of this subsection to the same extent as a warehousing advance made on the security of insured loans.

(2) Warehousing Advances.—Any warehousing advance made under paragraph (1)(A) of this subsection shall be made on the security of (A) insured loans, (B) marketable obligations and securities issued, guaranteed, or insured by, the United States, or for which the full faith and credit of the United States is pledged for the repayment of principal and interest thereof, or (C) marketable obligations issued, guaranteed, or insured by any agency, instrumentality, or corporation of the United States for which the credit of such agency, instrumentality, or corporation is pledged for the repayment of principal and interest thereof, in an amount equal to the amount of such advance. The proceeds of any such advance secured by insured loans shall either be invested in additional insured loans or the lender shall provide assurances to the Association that during the period of the borrowing it will maintain a level of insured loans in its portfolio not less than the aggregate outstanding balance of such loans held at the time of the borrowing. The proceeds from any such advance secured by collateral described in clauses (B) and (C) shall be invested in additional insured student loans.

(3) Perfection of Security Interests in Student Loans.—Notwithstanding the provisions of any State law to
the contrary, including the Uniform Commercial Code as in effect in any State, a security interest in insured student loans created on behalf of the Association or any eligible lender as defined in section 435(a) may be perfected either through the taking of possession of such loans or by the filing of notice of such security interest in such loans in the manner provided by such State law for perfection of security interests in accounts.

(4) FORM OF SECURITIES.—Securities issued pursuant to the offering of participations or pooled interests under paragraph (1) of this subsection may be in the form of debt obligations, or trust certificates of beneficial ownership, or both. Student loans set aside pursuant to the offering of participations or pooled interests shall at all times be adequate to ensure the timely principal and interest payments on such securities.

(5) RESTRICTIONS ON FACILITIES AND HOUSING ACTIVITIES.—
Not less than 75 percent of the aggregate dollar amount of obligations bought, sold, held, insured, underwritten, and otherwise supported in accordance with the authority contained in paragraph (1)(C) shall be obligations which are listed by a nationally recognized statistical rating organization at a rating below the second highest rating of such organization.

(e) ADVANCES TO LENDERS THAT DO NOT DISCRIMINATE.—The Association, pursuant to such criteria as the Board of Directors may prescribe, shall make advances on security or purchase student loans pursuant to subsection (d) only after the Association is assured that the lender (1) does not discriminate by pattern or practice against any particular class or category of students by requiring that, as a condition to the receipt of a loan, the student or his family maintain a business relationship with the lender, except that this clause shall not apply in the case of a loan made by a credit union, savings and loan association, mutual savings bank, institution of higher education, or any other lender with less than $75,000,000 in deposits, and (2) does not discriminate on the basis of race, sex, color, creed, or national origin.

(f) STOCK OF THE ASSOCIATION.—

(1) VOTING COMMON STOCK.—The Association shall have voting common stock having such par value as may be fixed by its Board of Directors from time to time. Each share of voting common stock shall be entitled to one vote with rights of cumulative voting at all elections of directors.

(2) NUMBER OF SHARES; TRANSFERABILITY.—The maximum number of shares of voting common stock that the Association may issue and have outstanding at any one time shall be fixed by the Board of Directors from time to time. Any voting common stock issued shall be fully transferable, except that, as to the Association, it shall be transferred only on the books of the Association.

(3) DIVIDENDS.—To the extent that net income is earned and realized, subject to subsection (g)(2), dividends may be declared on voting common stock by the Board of Directors. Such dividends as may be declared by the Board of Directors shall be paid to the holders of outstanding shares of voting common stock, except that no such dividends shall be payable with re-
spect to any share which has been called for redemption past the effective date of such call.

(4) SINGLE CLASS OF VOTING COMMON STOCK.—As of the effective date of the Higher Education Amendments of 1992, all of the previously authorized shares of voting common stock and nonvoting common stock of the Association shall be converted to shares of a single class of voting common stock on a share-for-share basis, without any further action on the part of the Association or any holder. Each outstanding certificate for voting or nonvoting common stock shall evidence ownership of the same number of shares of voting stock into which it is converted. All preexisting rights and obligations with respect to any class of common stock of the Association shall be deemed to be rights and obligations with respect to such converted shares.

(g) PREFERRED STOCK.—

(1) AUTHORITY OF BOARD.—The Association is authorized to issue nonvoting preferred stock having such par value as may be fixed by its Board of Directors from time to time. Any preferred share issued shall be freely transferable, except that, as to the Association, it shall be transferred only on the books of the Association.

(2) RIGHTS OF PREFERRED STOCK.—The holders of the preferred shares shall be entitled to such rate of cumulative dividends and such shares shall be subject to such redemption or other conversion provisions as may be provided for at the time of issuance. No dividends shall be payable on any share of common stock at any time when any dividend is due on any share of preferred stock and has not been paid.

(3) PREFERENCE ON TERMINATION OF BUSINESS.—In the event of any liquidation, dissolution, or winding up of the Association’s business, the holders of the preferred shares shall be paid in full at par value thereof, plus all accrued dividends, before the holders of the common shares receive any payment.

(h) DEBT OBLIGATIONS.—

(1) APPROVAL BY SECRETARIES OF EDUCATION AND THE TREASURY.—The Association is authorized with the approval of the Secretary of Education and the Secretary of the Treasury to issue and have outstanding obligations having such maturities and bearing such rate or rates of interest as may be determined by the Association. The authority of the Secretary of Education to approve the issuance of such obligations is limited to obligations issued by the Association and guaranteed by the Secretary pursuant to paragraph (2) of this subsection. Such obligations may be redeemable at the option of the Association before maturity in such manner as may be stipulated therein. The Secretary of the Treasury may not direct as a condition of his approval that any such issuance of obligations by the Association be made or sold to the Federal Financing Bank. To the extent that the average outstanding amount of the obligations owned by the Association pursuant to the authority contained in subsection (d)(1) (B) and (C) of this section and as to which the income is exempt from taxation under the Internal Revenue Code of 1986 does not exceed the average
stockholders’ equity of the Association, the interest on obligations issued under this paragraph shall not be deemed to be interest on indebtedness incurred or continued to purchase or carry obligations for the purpose of section 265 of the Internal Revenue Code of 1986.

(2) GUARANTEE OF DEBT.—The Secretary is authorized, prior to October 1, 1984, to guarantee payment when due of principal and interest on obligations issued by the Association in an aggregate amount determined by the Secretary in consultation with the Secretary of the Treasury. Nothing in this section shall be construed so as to authorize the Secretary of Education or the Secretary of the Treasury to limit, control, or constrain programs of the Association or support of the Guaranteed Student Loan Program by the Association.

(3) BORROWING AUTHORITY TO MEET GUARANTEE OBLIGATIONS.—To enable the Secretary to discharge his responsibilities under guarantees issued by him, he is authorized to issue to the Secretary of the Treasury notes or other obligations in such forms and denominations, bearing such maturities, and subject to such terms and conditions, as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the months preceding the issuance of the notes or other obligations. The Secretary of the Treasury is authorized and directed to purchase any notes and other obligations issued hereunder and for that purpose he is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which securities may be issued under that Act, as amended, are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States. There is authorized to be appropriated to the Secretary such sums as may be necessary to pay the principal and interest on the notes or obligations issued by him to the Secretary of the Treasury.

(4) ACTION ON REQUEST FOR GUARANTEES.—Upon receipt of a request from the Association under this subsection requiring approvals by the Secretary of Education or the Secretary of the Treasury, the Secretary of Education or the Secretary of the Treasury shall act promptly either to grant approval or to advise the Association of the reasons for withholding approval. In no case shall such an approval be withheld for a period longer than 60 days unless, prior to the end of such period, the Secretary of Education and the Secretary of the Treasury submit to the Congress a detailed explanation of reasons for doing so.

(5) AUTHORITY OF TREASURY TO PURCHASE DEBT.—The Secretary of the Treasury is authorized to purchase any obliga-
tions issued by the Association pursuant to this subsection as
now or hereafter in force, and for such purpose the Secretary
of the Treasury is authorized to use as a public debt trans-
action the proceeds of the sale of any securities hereafter
issued under the Second Liberty Bond Act, as now or hereafter
in force, and the purposes for which securities may be issued
under the Second Liberty Bond Act, as now or hereafter in
force are extended to include such purchases. The Secretary
of the Treasury shall not at any time purchase any obligations
under this subsection if such purchase would increase the
aggregate principal amount of his then outstanding holdings of
such obligations under this subsection to an amount greater
than $1,000,000,000. Each purchase of obligations by the Sec-
retary of the Treasury under this subsection shall be upon
such terms and conditions as to yield a return at a rate deter-
bined by the Secretary of the Treasury, taking into consider-
ation the current average rate on outstanding marketable obli-
gations of the United States of comparable maturities as of the
last day of the month preceding the making of such purchase.
The Secretary of the Treasury may, at any time, sell, upon
such terms and conditions and at such price or prices as he
shall determine, any of the obligations acquired by him under
this subsection. All redemptions, purchases, and sales by the
Secretary of the Treasury of such obligations under this sub-
section shall be treated as public debt transactions of the
United States.

(6) SALE OF DEBT TO FEDERAL FINANCING BANK.—Notwith-
standing any other provision of law the Association is author-
ized to sell or issue obligations on the security of student loans,
the payment of interest or principal of which has at any time
been guaranteed under section 428 or 429 of this part, to the
Federal Financing Bank.

(7) OFFSET FEE.—(A) The Association shall pay to the Sec-
retary, on a monthly basis, an offset fee calculated on an an-
nual basis in an amount equal to 0.30 percent of the principal
amount of each loan made, insured or guaranteed under this
part that the Association holds (except for loans made pursu-
ant to sections 428C, 439(o), or 439(q)) and that was acquired
on or after the date of enactment of this paragraph.

(B) If the Secretary determines that the Association has
substantially failed to comply with subsection (q), subpara-
graph (A) shall be applied by substituting “1.0 percent” for “0.3
percent”.

(C) The Secretary shall deposit all fees collected pursuant
to this paragraph into the insurance fund established in sec-
tion 431.

(i) GENERAL CORPORATE POWERS.—The Association shall have
power—

(1) to sue and be sued, complain and defend, in its cor-
porate name and through its own counsel;

(2) to adopt, alter, and use the corporate seal, which shall
be judicially noticed;
(3) to adopt, amend, and repeal by its Board of Directors, bylaws, rules, and regulations as may be necessary for the conduct of its business;

(4) to conduct its business, carry on its operations, and have officers and exercise the power granted by this section in any State without regard to any qualification or similar statute in any State;

(5) to lease, purchase, or otherwise acquire, own, hold, improve, use, or otherwise deal in and with any property, real, personal, or mixed, or any interest therein, wherever situated;

(6) to accept gifts or donations of services, or of property, real, personal, or mixed, tangible or intangible, in aid of any of the purposes of the Association;

(7) to sell, convey, mortgage, pledge, lease, exchange, and otherwise dispose of its property and assets;

(8) to appoint such officers, attorneys, employees, and agents as may be required, to determine their qualifications, to define their duties, to fix their salaries, require bonds for them, and fix the penalty thereof; and

(9) to enter into contracts, to execute instruments, to incur liabilities, and to do all things as are necessary or incidental to the proper management of its affairs and the proper conduct of its business.

(j) ACCOUNTING, AUDITING, AND REPORTING.—The accounts of the Association shall be audited annually. Such audits shall be conducted in accordance with generally accepted auditing standards by independent certified public accountants or by independent licensed public accountants, licensed on or before December 31, 1970, who are certified or licensed by a regulatory authority of a State or other political subdivision of the United States, except that independent public accountants licensed to practice by such regulatory authority after December 31, 1970, and persons who, although not so certified or licensed, meet, in the opinion of the Secretary, standards of education and experience representative of the highest standards prescribed by the licensing authorities of the several States which provide for the continuing licensing of public accountants and which are prescribed by the Secretary in appropriate regulations may perform such audits until December 31, 1975. A report of each such audit shall be furnished to the Secretary of the Treasury. The audit shall be conducted at the place or places where the accounts are normally kept. The representatives of the Secretary shall have access to all books, accounts, financial records, reports, files, and all other papers, things, or property belonging to or in use by the Association and necessary to facilitate the audit, and they shall be afforded full facilities for verifying transactions with the balances or securities held by depositaries, fiscal agents, and custodians.

(k) REPORT ON AUDITS BY TREASURY.—A report of each such audit for a fiscal year shall be made by the Secretary of the Treasury to the President and to the Congress not later than 6 months following the close of such fiscal year. The report shall set forth the scope of the audit and shall include a statement (showing intercorporate relations) of assets and liabilities, capital and surplus or deficit; a statement of surplus or deficit analysis; a statement of in-
come and expense; a statement of sources and application of funds; and such comments and information as may be deemed necessary to keep the President and the Congress informed of the operations and financial condition of the Association, together with such recommendations with respect thereto as the Secretary may deem advisable, including a report of any impairment of capital or lack of sufficient capital noted in the audit. A copy of each report shall be furnished to the Secretary, and to the Association.

(1) LAWFUL INVESTMENT INSTRUMENTS; EFFECT OF AND EXEMPTIONS FROM OTHER LAWS.—All obligations issued by the Association including those made under subsection (d)(4) shall be lawful investments, and may be accepted as security for all fiduciary, trust, and public funds, the investment or deposit of which shall be under authority or control of the United States or of any officer or officers thereof. All stock and obligations issued by the Association pursuant to this section shall be deemed to be exempt securities within the meaning of laws administered by the Securities and Exchange Commission, to the same extent as securities which are direct obligations of, or obligations guaranteed as to principal or interest by, the United States. The Association shall, for the purposes of section 14(b)(2) of the Federal Reserve Act, be deemed to be an agency of the United States. The obligations of the Association shall be deemed to be obligations of the United States for the purpose of section 3124 of title 31, United States Code. For the purpose of the distribution of its property pursuant to section 726 of title 11, United States Code, the Association shall be deemed a person within the meaning of such title. The priority established in favor of the United States by section 3713 of title 31, United States Code, shall not establish a priority over the indebtedness of the Association issued or incurred on or before September 30, 1992. The Federal Reserve Banks are authorized to act as depositaries, custodians, or fiscal agents, or a combination thereof, for the Association in the general performance of its powers under this section.

(m) PREPARATION OF OBLIGATIONS.—In order to furnish obligations for delivery by the Association, the Secretary of the Treasury is authorized to prepare such obligations in such form as the Board of Directors may approve, such obligations when prepared to be held in the Treasury subject to delivery upon order by the Association. The engraved plates, dies, bed pieces, and so forth, executed in connection therewith shall remain in the custody of the Secretary of the Treasury. The Association shall reimburse the Secretary of the Treasury for any expenditures made in the preparation, custody, and delivery of such obligations. The Secretary of the Treasury is authorized to promulgate regulations on behalf of the Association so that the Association may utilize the book-entry system of the Federal Reserve Banks.

(n) REPORT ON OPERATIONS AND ACTIVITIES.—The Association shall, as soon as practicable after the end of each fiscal year, transmit to the President and the Congress a report of the Association’s operations and activities, including a report with respect to all facilities transactions, during each year.

(o) LOAN CONSOLIDATIONS.—
(1) IN GENERAL.—The Association or its designated agent may, upon request of a borrower, consolidate loans received under this title in accordance with section 428C.

(2) USE OF EXISTING AGENCIES AS AGENT.—The Association in making loans pursuant to this subsection in any State served by a guaranty agency or an eligible lender in a State described in section 435(d)(1) (D) or (F) may designate as its agent such agency or lender to perform such functions as the Association determines appropriate. Any agreements made pursuant to this subparagraph shall be on such terms and conditions as agreed upon by the Association and such agency or lender.

(p) ADVANCES FOR DIRECT LOANS BY GUARANTY AGENCIES.—

(1) IN GENERAL.—The Association shall make advances in each fiscal year from amounts available to it to each guaranty agency and eligible lender described in subsection 428(h)(1) which has an agreement with the Association which sets forth that advances are necessary to enable such agency or lender to make student loans in accordance with section 428(h) and that such advances will be repaid to the Association in accordance with such terms and conditions as may be set forth in the agreement and agreed to by the Association and such agency or lender. Advances made under this subsection shall not be subject to subsection (d)(2) of this section.

(2) LIMITATION.—No advance may be made under this subsection unless the guaranty agency or lender makes an application to the Association, which shall be accompanied by such information as the Association determines to be reasonably necessary.

(q) LENDER-OF-LAST-RESORT.—

(1) ACTION AT REQUEST OF SECRETARY.—(A) Whenever the Secretary determines that eligible borrowers are seeking and are unable to obtain loans under this part, the Association or its designated agent shall, not later than 90 days after the date of enactment of the Student Loan Reform Act of 1993, begin making loans to such eligible borrowers in accordance with this subsection at the request of the Secretary. The Secretary may request that the Association make loans to borrowers within a geographic area or for the benefit of students attending institutions of higher education that certify, in accordance with standards established by the Secretary, that their students are seeking and unable to obtain loans.

(B) Loans made pursuant to this subsection shall be insurable by the Secretary under section 429 with a certificate of comprehensive insurance coverage provided for under section 429(b)(1) or by a guaranty agency under paragraph (2)(A) of this subsection.

(2) ISSUANCE AND COVERAGE OF LOANS.—(A) Whenever the Secretary, after consultation with, and with the agreement of, representatives of the guaranty agency in a State, or an eligible lender in a State described in section 435(d)(1)(D), determines that a substantial portion of eligible borrowers in such State or within an area of such State are seeking and are unable to obtain loans under this part, the Association or its des-
ignated agent shall begin making such loans to borrowers in such State or within an area of such State in accordance with this subsection at the request of the Secretary.

(B) Loans made pursuant to this subsection shall be insurable by the agency identified in subparagraph (A) having an agreement pursuant to section 428(b). For loans insured by such agency, the agency shall provide the Association with a certificate of comprehensive insurance coverage, if the Association and the agency have mutually agreed upon a means to determine that the agency has not already guaranteed a loan under this part to a student which would cause a subsequent loan made by the Association to be in violation of any provision under this part.

(3) TERMINATION OF LENDING.—The Association or its designated agent shall cease making loans under this subsection at such time as the Secretary determines that the conditions which caused the implementation of this subsection have ceased to exist.

(r) SAFETY AND SOUNDNESS OF ASSOCIATION.—

(1) REPORTS BY THE ASSOCIATION.—The Association shall promptly furnish to the Secretary of Education and Secretary of the Treasury copies of all—

(A) periodic financial reports publicly distributed by the Association;

(B) reports concerning the Association that are received by the Association and prepared by nationally recognized statistical rating organizations; and

(C)(i) financial statements of the Association within 45 days of the end of each fiscal quarter; and

(ii) reports setting forth the calculation of the capital ratio of the Association within 45 days of the end of each fiscal quarter.

(2) AUDIT BY SECRETARY OF THE TREASURY.—(A) The Secretary of the Treasury may—

(i) appoint and fix the compensation of such auditors and examiners as may be necessary to conduct audits of the Association from time to time to determine the condition of the Association for the purpose of assessing the Association’s financial safety and soundness and to determine whether the requirements of this section and section 440 are being met; and

(ii) obtain the services of such experts as the Secretary of the Treasury determines necessary and appropriate, as authorized by section 3109 of title 5, United States Code, to assist in determining the condition of the Association for the purpose of assessing the Association’s financial safety and soundness, and to determine whether the requirements of this section and section 440 are being met.

\(^1\) Section 308(1) of the Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2001 (114 Stat. 2783A–45), as enacted into law by section 1(a)(1) of Public Law 106–554, amended this clause by striking “auditors and examiners” and inserting “and fix the compensation of such auditors and examiners as may be necessary”. The amendment probably should have been to strike “auditors or examiners”, but was executed to reflect the probable intent of Congress.
(B) Each auditor appointed under this paragraph shall conduct an audit of the Association to the extent requested by the Secretary of the Treasury and shall prepare and submit a report to the Secretary of the Treasury concerning the results of such audit. A copy of such report shall be furnished to the Association and the Secretary of Education on the date on which it is delivered to the Secretary of the Treasury.

(C) The Association shall provide full and prompt access to the Secretary of the Treasury to its books and records and other information requested by the Secretary of the Treasury.

(D) ANNUAL ASSESSMENT.—

(i) IN GENERAL.—For each fiscal year beginning on or after October 1, 1996, the Secretary of the Treasury may establish and collect from the Association an assessment (or assessments) in amounts sufficient to provide for reasonable costs and expenses of carrying out the duties of the Secretary of the Treasury under this section and section 440 during such fiscal year. In no event may the total amount so assessed exceed, for any fiscal year, $800,000, adjusted for each fiscal year ending after September 30, 1997, by the ratio of the Consumer Price Index for All Urban Consumers (issued by the Bureau of Labor Statistics) for the final month of the fiscal year preceding the fiscal year for which the assessment is made to the Consumer Price Index for All Urban Consumers for September 1997.

(ii) DEPOSIT.—Amounts collected from assessments under this subparagraph shall be deposited in an account within the Treasury of the United States as designated by the Secretary of the Treasury for that purpose. The Secretary of the Treasury is authorized and directed to pay out of any funds available in such account the reasonable costs and expenses of carrying out the duties of the Secretary of the Treasury under this section and section 440. None of the funds deposited into such account shall be available for any purpose other than making payments for such costs and expenses.

(E) OBLIGATION TO OBTAIN, MAINTAIN, AND REPORT INFORMATION.—

(i) IN GENERAL.—The Association shall obtain such information and make and keep such records as the Secretary of the Treasury may from time to time prescribe concerning—

(1) the financial risk to the Association resulting from the activities of any associated person, to the extent such activities are reasonably likely to have a material impact on the financial condition of the Association, including the Association's capital ratio, the Association's liquidity, or the Association's ability to conduct and finance the Association's operations; and

(2) the Association's policies, procedures, and systems for monitoring and controlling any such financial risk.
(ii) **SUMMARY REPORTS.**—The Secretary of the Treasury may require summary reports of such information to be filed no more frequently than quarterly. If, as a result of adverse market conditions or based on reports provided pursuant to this subparagraph or other available information, the Secretary of the Treasury has concerns regarding the financial or operational condition of the Association, the Secretary of the Treasury may, notwithstanding the preceding sentence and clause (i), require the Association to make reports concerning the activities of any associated person, whose business activities are reasonably likely to have a material impact on the financial or operational condition of the Association.

(iii) **DEFINITION.**—For purposes of this subparagraph, the term "associated person" means any person, other than a natural person, directly or indirectly controlling, controlled by, or under common control with the Association.

(F) **COMPENSATION OF AUDITORS AND EXAMINERS.**—

(i) **RATES OF PAY.**—Rates of basic pay for all auditors and examiners appointed pursuant to subparagraph (A) may be set and adjusted by the Secretary of the Treasury without regard to the provisions of chapter 51 or subchapter III of chapter 53 of title 5, United States Code.

(ii) **COMPARABILITY.**—

(I) **IN GENERAL.**—Subject to section 5373 of title 5, United States Code, the Secretary of the Treasury may provide additional compensation and benefits to auditors and examiners appointed pursuant to subparagraph (A) if the same type of compensation or benefits are then being provided by any agency referred to in section 1206 of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (12 U.S.C. 1833b) or, if not then being provided, could be provided by such an agency under applicable provisions of law, rule, or regulation.

(II) **CONSULTATION.**—In setting and adjusting the total amount of compensation and benefits for auditors and examiners appointed pursuant to subparagraph (A), the Secretary of the Treasury shall consult with, and seek to maintain comparability with, the agencies referred to in section 1206 of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (12 U.S.C. 1833b).

(3) **MONITORING OF SAFETY AND SOUNDNESS.**—The Secretary of the Treasury shall conduct such studies as may be necessary to monitor the financial safety and soundness of the Association. In the event that the Secretary of the Treasury determines that the financial safety and soundness of the Association is at risk, the Secretary of the Treasury shall inform

the Chairman and ranking minority member of the Committee on Labor and Human Resources of the Senate, the Chairman and ranking minority member of the Committee on Education and Labor of the House of Representatives, and the Secretary of Education of such determination and identify any corrective actions that should be taken to ensure the safety and soundness of the Association.

(4) CAPITAL STANDARD.—If the capital ratio is less than 2 percent and is greater than or equal to 1.75 percent at the end of the Association’s most recent calendar quarter the Association shall, within 60 days of such occurrence, submit to the Secretary of the Treasury a capital restoration plan, in reasonable detail, that the Association believes is adequate to cause the capital ratio to equal or exceed 2 percent within 36 months.

(5) CAPITAL RESTORATION PLAN.—

(A) SUBMISSION, APPROVAL, AND IMPLEMENTATION.—The Secretary of the Treasury and the Association shall consult with respect to any capital restoration plan submitted pursuant to paragraph (4) and the Secretary of the Treasury shall approve such plan (or a modification thereof accepted by the Association) or disapprove such plan within 30 days after such plan is first submitted to the Secretary of the Treasury by the Association, unless the Association and Secretary of the Treasury mutually agree to a longer consideration period. If the Secretary of the Treasury approves a capital restoration plan (including a modification of a plan accepted by the Association), the Association shall forthwith proceed with diligence to implement such plan to the best of its ability.

(B) DISAPPROVAL.—If the Secretary of the Treasury does not approve a capital restoration plan as provided in subparagraph (A), then not later than the earlier of the date the Secretary of the Treasury disapproves of such plan by written notice to the Association or the expiration of the 30-day consideration period referred to in subparagraph (A) (as such period may have been extended by mutual agreement), the Secretary of the Treasury shall submit the Association’s capital restoration plan, in the form most recently proposed to the Secretary of the Treasury by the Association, together with a report on the Secretary of the Treasury’s reasons for disapproval of such plan and an alternative capital restoration plan, to the Chairman and ranking minority member of the Senate Committee on Labor and Human Resources and to the Chairman and ranking minority member of the House Committee on Education and Labor. A copy of such submission simultaneously shall be sent to the Association and the Secretary of Education by the Secretary of the Treasury.

(C) ASSOCIATION IMPLEMENTATION AND RESPONSE.—Upon receipt of the submission by the Association, the Association shall forthwith proceed with diligence to implement the most recently proposed capital restoration plan of the Association. The Association, within 30 days after receipt from the Secretary of the Treasury of such submis-
tion, shall submit to such Chairmen and ranking minority members a written response to such submission, setting out fully the nature and extent of the Association’s agreement or the disagreement with the Secretary of the Treasury with respect to the capital restoration plan submitted to the Secretary of the Treasury and any findings of the Secretary of the Treasury.

(6) SUBSTANTIAL CAPITAL RATIO REDUCTION.—

(A) ADDITIONAL PLAN REQUIRED.—If the capital ratio is less than 1.75 percent and is greater than or equal to 1 percent at the end of the Association’s most recent calendar quarter, the Association shall submit to the Secretary of the Treasury within 60 days after such occurrence a capital restoration plan (or an appropriate modification of any plan previously submitted or approved under paragraph (4)) to increase promptly its capital ratio to equal or exceed 1.75 percent. The Secretary of the Treasury and the Association shall consult with respect to any plan or modified plan submitted pursuant to this paragraph. The Secretary of the Treasury shall approve such plan or modified plan (or a modification thereof accepted by the Association) or disapprove such plan or modified plan within 30 days after such plan or modified plan is first submitted to the Secretary of the Treasury by the Association, unless the Association and Secretary of the Treasury mutually agree to a longer consideration period. If the Secretary of the Treasury approves a plan or modified plan (including a modification of a plan accepted by the Association), the Association shall forthwith proceed with diligence to implement such plan or modified plan to the best of the Association’s ability.

(B) DISAPPROVAL.—If the Secretary of the Treasury disapproves a capital restoration plan or modified plan submitted pursuant to subparagraph (A), then, not later than the earlier of the date the Secretary of the Treasury disapproves of such plan or modified plan (by written notice to the Association) or the expiration of the 30-day consideration period described in subparagraph (A) (as such period may have been extended by mutual agreement), the Secretary of the Treasury shall prepare and submit an alternative capital restoration plan, together with a report on his reasons for disapproval of the Association’s plan or modified plan, to the Chairman and ranking minority member of the Committee on Labor and Human Resources of the Senate and to the Chairman and ranking minority member of the Committee on Education and Labor of the House of Representatives. A copy of such submission simultaneously shall be sent to the Association and the Secretary of Education by the Secretary of the Treasury. The Association, within 5 days after receipt from the Secretary of the Treasury of such submission, shall submit to the Chairmen and ranking minority members of such Committees, and the Secretary of the Treasury, a written response to such submission, setting out fully the nature and extent
of the Association’s agreement or disagreement with the Secretary of the Treasury with respect to the disapproved plan and the alternative plan of the Secretary of the Treasury and any findings of the Secretary of the Treasury.

(C) Review by Congress; Association Implementation.—Congress shall have 60 legislative days after the date on which Congress receives the alternative plan under subparagraph (B) from the Secretary of the Treasury to review such plan. If Congress does not take statutory action with respect to any such plan within such 60-day period, the Association shall immediately proceed with diligence to implement the alternative capital restoration plan of the Secretary of the Treasury under subparagraph (B). If Congress is out of session when any such alternative plan is received, such 60-day period shall begin on the first day of the next session of Congress.

(7) Actions by Secretary of the Treasury.—If the capital ratio of the Association does not equal or exceed 1.75 percent at the end of the Association’s most recent calendar quarter, the Secretary of the Treasury may, until the capital ratio equals or exceeds 1.75 percent, take any one or more of the following actions:

(B) If the capital ratio is less than 1 percent at the end of the Association’s most recent calendar quarter and the Association has not submitted a capital restoration plan to the Sec-
Secretary of the Treasury pursuant to paragraph (4) or (6)(A), the Association shall—

(i) within 14 days of such occurrence submit a capital restoration plan to the Secretary of the Treasury which the Association believes is adequate to cause the capital ratio to equal or exceed 2 percent within 60 months; and

(ii) forthwith proceed with diligence to implement such plan with such modifications as the Secretary of the Treasury determines are necessary to cause the capital ratio to equal or exceed 2 percent within 60 months.

(C) Immediately upon a determination under subparagraph (A) or (B) to implement a capital restoration plan, the Secretary of the Treasury shall submit the capital restoration plan to be implemented to the Chairman and ranking minority member of the Committee on Labor and Human Resources of the Senate, the Chairman and ranking minority member of the Committee on Education and Labor of the House of Representatives, and the Secretary of Education.

Notwithstanding any other provision of law, the Congressional Budget Office and General Accounting Office shall maintain the confidentiality of information received pursuant to the previous sentence. In the event that the Secretary of the Treasury does not approve a capital restoration plan as provided in paragraph (5)(A) or (6)(A), or in the event that a capital restoration plan is modified by the Secretary of the Treasury pursuant to paragraph (6)(B) or (8), the Congressional Budget Office and General Accounting Office shall each submit a report within 30 days of the Secretary of the Treasury’s submission to the Chairmen and ranking minority members as required in paragraphs (5)(B), (6)(B), and (8)(C) to such Chairmen and ranking members—

(A) analyzing the financial condition of the Association;

(B) analyzing the capital restoration plan and reasons for disapproval of the plan contained in the Secretary of the Treasury’s submission made pursuant to paragraph (5)(B), or the capital restoration plan proposed by the Association and the modifications made by the Secretary of the Treasury pursuant to paragraph (6)(B) or (8);

(C) analyzing the impact of the capital restoration plan and reasons for disapproval of the plan contained in the Secretary of the Treasury’s submission made pursuant to paragraph (5)(B), or the impact of the capital restoration plan proposed by the Association and the modifications made by the Secretary of the Treasury pursuant to paragraph (6)(B) or (8), and analyzing the impact of the rec-

(11) SAFE HARBOR.—The Association shall be deemed in compliance with the capital ratios described in paragraphs (4) and (6)(A) if the Association is rated in 1 of the 2 highest full rating categories (such categories to be determined without regard to designations within categories) by 2 nationally recognized statistical rating organizations, determined without regard to the Association’s status as a federally chartered corporation.

(12) TREATMENT OF CONFIDENTIAL INFORMATION.—Notwithstanding any other provision of law, the Secretary of the Treasury, the Secretary of Education, the Congressional Budget Office, and the General Accounting Office shall not disclose any information treated as confidential by the Association or the Association’s associated persons and obtained pursuant to this subsection. Nothing in this paragraph shall authorize the Secretary of the Treasury, the Secretary of Education, the Congressional Budget Office, and the General Accounting Office to withhold information from Congress, or prevent the Secretary of Education, the Congressional Budget Office, and the General Accounting Office from complying with a request for information from any other Federal department or agency requesting the information for purposes within the scope of its jurisdiction, or complying with an order of a court of the United States in an action brought by the United States. For purposes of section 552 of title 5, United States Code, this paragraph shall be considered a statute described in subsection (b)(3) of such section 552.

Such court shall have jurisdiction and power to order and require compliance with this section.

(14) Actions by Secretary.—
(A) In General.—For any fiscal quarter ending after January 1, 2000, the Association shall have a capital ratio of at least 2.25 percent. The Secretary of the Treasury may, whenever such capital ratio is not met, take any one or more of the actions described in paragraph (7), except that—

(i) the capital ratio to be restored pursuant to paragraph (7)(D) shall be 2.25 percent; and

(ii) if the relevant capital ratio is in excess of or equal to 2 percent for such quarter, the Secretary of the Treasury shall defer taking any of the actions set forth in paragraph (7) until the next succeeding quarter and may then proceed with any such action only if the capital ratio of the Association remains below 2.25 percent.

(B) Applicability.—The provisions of paragraphs (4), (5), (6), (8), (9), (10), and (11) shall be of no further application to the Association for any period after January 1, 2000.

(15) Definitions.—As used in this subsection:
(A) The term “nationally recognized statistical rating organization” means any entity recognized as such by the Securities and Exchange Commission.

(C) The term “legislative days” means only days on which either House of Congress is in session.

(16) DIVIDENDS.—The Association may pay dividends in the form of cash or noncash distributions so long as at the time of the declaration of such dividends, after giving effect to the payment of such dividends as of the date of such declaration by the Board of Directors of the Association, the Association’s capital would be in compliance with the capital standards set forth in this section.

(17) CERTIFICATION PRIOR TO PAYMENT OF DIVIDEND.—Prior to the payment of any dividend under paragraph (16), the Association shall certify to the Secretary of the Treasury that the payment of the dividend will be made in compliance with paragraph (16) and shall provide copies of all calculations needed to make such certification.

(ii) provide that all assets not used to pay liabilities shall be distributed to shareholders as provided in this subsection; and

(iii) provide that the operations of the Association shall remain separate and distinct from that of any entity to which the assets of the Association are transferred.

(B) AMENDMENT OF THE PLAN BY THE ASSOCIATION.—The Association shall from time to time amend such plan to reflect changed circumstances, and submit such amendments to the Secretary of the Treasury and to the Chairman and Ranking Minority Member of the Committee on
Labor and Human Resources of the Senate and Chairman and Ranking Minority Member of the Committee on Economic and Educational Opportunities of the House of Representatives. In no case may any amendment extend the date for full implementation of the plan beyond the dissolution date provided in paragraph (3).

(C) PLAN MONITORING.—The Secretary of the Treasury shall monitor the Association’s compliance with the plan and shall continue to review the plan (including any amendments thereto).

(D) AMENDMENT OF THE PLAN BY THE SECRETARY OF THE TREASURY.—The Secretary of the Treasury may require the Association to amend the plan (including any amendments to the plan), if the Secretary of the Treasury deems such amendments necessary to ensure full payment of all obligations of the Association.

(E) IMPLEMENTATION BY THE ASSOCIATION.—The Association shall promptly implement the plan (including any amendments to the plan, whether such amendments are made by the Association or are required to be made by the Secretary of the Treasury).

(3) DISSOLUTION OF THE ASSOCIATION.—The Association shall dissolve and the Association’s separate existence shall terminate on July 1, 2013, after discharge of all outstanding debt obligations and liquidation pursuant to this subsection. The Association may dissolve pursuant to this subsection prior to such date by notifying the Secretary of Education and the Secretary of the Treasury of the Association’s intention to dissolve, unless within 60 days of receipt of such notice the Secretary of Education notifies the Association that the Association continues to be needed to serve as a lender of last resort pursuant to subsection (q) or continues to be needed to purchase loans under an agreement with the Secretary described in paragraph (4)(A). On the dissolution date, the Association shall take the following actions:

(B) USE OF TRUST ASSETS.—All money, obligations, or financial assets deposited into the trust pursuant to this
subsection shall be applied by the trustee to the payment of the remaining obligations assumed by the trust. Upon the fulfillment of the trustee’s duties under the trust, any remaining assets of the trust shall be transferred to the persons who, at the time of the dissolution, were the shareholders of the Association, or to the legal successors or assigns of such persons.

(C) Obligations Not Transferred to the Trust.—The Association shall make proper provision for all other obligations of the Association, including the repurchase or redemption, or the making of proper provision for the repurchase or redemption, of any preferred stock of the Association outstanding.

(D) Transfer of Remaining Assets.—After compliance with subparagraphs (A) and (C), the Association shall transfer to the shareholders of the Association any remaining assets of the Association.

(4) Restrictions Relating to Winding Up.—

(A) Restrictions on New Business Activity or Acquisition of Assets by the Association.—

(i) In General.—Beginning on July 1, 2009, the Association shall not engage in any new business activities or acquire any additional program assets (including acquiring assets pursuant to contractual commitments) described in subsection (d) other than in connection with the Association—

(I) serving as a lender of last resort pursuant to subsection (q); and

(II) purchasing loans insured under this part, if the Secretary, with the approval of the Secretary of the Treasury, enters into an agreement with the Association for the continuation or resumption of the Association’s secondary market purchase program because the Secretary determines there is inadequate liquidity for loans made under this part.

(ii) Agreement.—The Secretary is authorized to enter into an agreement described in subclause (II) of clause (i) with the Association covering such secondary market activities. Any agreement entered into under such subclause shall cover a period of 12 months, but may be renewed if the Secretary determines that liquidity remains inadequate. Such actions may include, in the Board of Director's discretion, a merger of a wholly owned subsidiary of the Holding Company with and into the Association, which would have the effect provided in the plan of reorganization and the law of the jurisdiction in which such subsidiary is incorporated. As part of the restructuring, the Board of Directors may cause—

(1) the common shares of the Association to be converted, on the reorganization effective date, to common shares of the Holding Company on a one for one basis, consistent with applicable State or District of Columbia law; and

(2) Holding Company common shares to be registered with the Securities and Exchange Commission.

(b) SHAREHOLDER APPROVAL.—The plan of reorganization adopted by the Board of Directors pursuant to subsection (a) shall be submitted to common shareholders of the Association for their approval. The reorganization shall occur on the reorganization effective date, provided that the plan of reorganization has been approved by the affirmative votes, cast in person or by proxy, of the holders of a majority of the issued and outstanding shares of the Association common stock.

(c) TRANSITION.—In the event the shareholders of the Association approve the plan of reorganization under subsection (b), the following provisions shall apply beginning on the reorganization effective date:

(1) IN GENERAL.—Except as specifically provided in this section, until the dissolution date the Association shall continue to have all of the rights, privileges and obligations set forth in, and shall be subject to all of the limitations and restrictions of, section 439, and the Association shall continue to carry out the purposes of such section. tions and restrictions, applicable to the Association under section 439, except as specifically provided in this section. The Holding Company and any subsidiary of the Holding Company (other than the Association or a subsidiary of the Association) shall not purchase loans insured under this Act until such time as the Association ceases acquiring such loans, except that the Holding Company may purchase such loans if the Association is merely continuing to acquire loans as a lender of last resort pursuant to section 439(q) or under an agreement with the Secretary described in paragraph (6).

(2) TRANSFER OF CERTAIN PROPERTY.—

(A) IN GENERAL.—Except as provided in this section, on the reorganization effective date or as soon as practicable thereafter, the Association shall use the Association's best efforts to transfer to the Holding Company or any subsidiary of the Holding Company (or both), as directed by the Holding Company, all real and personal property of the Association (both tangible and intangible) other than the remaining property. Subject to the preceding sentence, such transferred property shall include all right, title, and interest in—

(ii) contracts, leases, and other agreements of the Association;
(iii) licenses and other intellectual property of the Association;
(iv) any other property of the Association.

(B) CONSTRUCTION.—Nothing in this paragraph shall be construed to prohibit the Association from transferring remaining property from time to time to the Holding Company or any subsidiary of the Holding Company, subject to the provisions of paragraph (4).

(3) TRANSFER OF PERSONNEL.—On the reorganization effective date, employees of the Association shall become employees of the Holding Company (or any subsidiary of the Holding Company), and the Holding Company (or any subsidiary of the Holding Company) shall provide all necessary and appropriate management and operational support (including loan servicing) to the Association, as requested by the Association. The Association, however, may obtain such management and operational support from persons or entities not associated with the Holding Company.

(4) DIVIDENDS.—The Association may pay dividends in the form of cash or noncash distributions so long as at the time of the declaration of such dividends, after giving effect to the payment of such dividends as of the date of such declaration by the Board of Directors of the Association, the Association's capital would be in compliance with the capital standards and requirements set forth in section 439(r). If, at any time after the reorganization effective date, the Association fails to comply with such capital standards, the Holding Company shall trans-
fer with due diligence to the Association additional capital in such amounts as are necessary to ensure that the Association again complies with the capital standards.

(5) Certification Prior to Dividend.—Prior to the payment of any dividend under paragraph (4), the Association shall certify to the Secretary of the Treasury that the payment of the dividend will be made in compliance with paragraph (4) and shall provide copies of all calculations needed to make such certification.

(B) Agreement.—The Secretary is authorized to enter into an agreement described in clause (iv) of subparagraph (A) with the Association covering such secondary market activities. Any agreement entered into under such clause shall cover a period of 12 months, but may be renewed if the Secretary determines that liquidity remains inadequate. The fee provided under section 439(h)(7) shall not apply to loans acquired under any such agreement with the Secretary.

(7) Issuance of Debt Obligations During the Transition Period; Attributes of Debt Obligations.—After the reorganization effective date, the Association shall not issue debt obligations which mature later than September 30, 2008, except in connection with serving as a lender-of-last-resort pursuant to section 439(q) or with purchasing loans under an agreement with the Secretary as described in paragraph (6). Nothing in this section shall modify the attributes accorded the debt obligations of the Association by section 439, regardless of whether such debt obligations are incurred prior to, or at any time following, the reorganization effective date or are transferred to a trust in accordance with subsection (d).

(8) Monitoring of Safety and Soundness.—

(A) Obligation to Obtain, Maintain, and Report Information.—The Association shall obtain such informa-
tion and make and keep such records as the Secretary of the Treasury may from time to time prescribe concerning—

(ii) the Association's policies, procedures, and systems for monitoring and controlling any such financial risk.

(B) SUMMARY REPORTS.—The Secretary of the Treasury may require summary reports of the information described in subparagraph (A) to be filed no more frequently than quarterly. If, as a result of adverse market conditions or based on reports provided pursuant to this subparagraph or other available information, the Secretary of the Treasury has concerns regarding the financial or operational condition of the Association, the Secretary of the Treasury may, notwithstanding the preceding sentence and subparagraph (A), require the Association to make reports concerning the activities of any associated person whose business activities are reasonably likely to have a material impact on the financial or operational condition of the Association.

(C) SEPARATE OPERATION OF CORPORATIONS.—

(i) IN GENERAL.—The funds and assets of the Association shall at all times be maintained separately from the funds and assets of the Holding Company or any subsidiary of the Holding Company and may be used by the Association solely to carry out the Association's purposes and to fulfill the Association's obligations.

(ii) BOOKS AND RECORDS.—The Association shall maintain books and records that clearly reflect the assets and liabilities of the Association, separate from the assets and liabilities of the Holding Company or any subsidiary of the Holding Company.

(iii) CORPORATE OFFICE.—The Association shall maintain a corporate office that is physically separate from any office of the Holding Company or any subsidiary of the Holding Company.

(D) ENCUMBRANCE OF ASSETS.—Notwithstanding any Federal or State law, rule, or regulation, or legal or equitable principle, doctrine, or theory to the contrary, under no circumstances shall the assets of the Association be available or used to pay claims or debts of or incurred by the Holding Company. Nothing in this subparagraph shall be construed to limit the right of the Association to pay dividends not otherwise prohibited under this subparagraph or to limit any liability of the Holding Company explicitly provided for in this section.

(E) HOLDING COMPANY ACTIVITIES.—After the reorganization effective date and prior to the dissolution date, all business activities of the Holding Company shall be conducted through subsidiaries of the Holding Company.

successors or assigns, at any time on or before September 30, 2008. The exercise price for such warrants shall be an amount equal to the average closing price of the common stock of the Association for the 20 business days prior to the date of enactment of this section on the exchange or market which is then the primary exchange or market for the common stock of the Association. (10) RESTRICTIONS ON TRANSFER OF ASSOCIATION SHARES AND BANKRUPTCY OF ASSOCIATION.—After the reorganization effective date, the Holding Company shall not sell, pledge, or otherwise transfer the outstanding shares of the Association, or agree to or cause the liquidation of the Association or cause the Association to file a petition for bankruptcy under title 11, United States Code, without prior approval of the Secretary of the Treasury and the Secretary of Education.

(d) TERMINATION OF THE ASSOCIATION.—In the event the shareholders of the Association approve a plan of reorganization under subsection (b), the Association shall dissolve, and the Association’s separate existence shall terminate on September 30, 2008, after discharge of all outstanding debt obligations and liquidation pursuant to this subsection. The Association may dissolve pursuant to this subsection prior to such date by notifying the Secretary of Education and the Secretary of the Treasury of the Association’s intention to dissolve, unless within 60 days after receipt of such notice the Secretary of Education notifies the Association that the Association continues to be needed to serve as a lender of last resort pursuant to section 439(q) or continues to be needed to purchase loans under an agreement with the Secretary described in subsection (c)(6). (2)(A) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this part after fiscal year 1999 but is not a first or second time participant, an amount equal to the greater of—

(i) $5,000; or

(ii) 90 percent of the amount received and used under this part for the first year it participated in the program.

(B) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this part after fiscal year 1999 and is a first or second time participant, an amount equal to the greater of—

(4)(A) Notwithstanding any other provision of this section, the Secretary may allocate an amount equal to not more than 10 percent of the amount by which the amount appropriated in any fiscal year to carry out this part exceeds $700,000,000 among eligible institutions described in subparagraph (B).

(2) For any eligible institution, the excess eligible amount is the amount, if any, by which—

(A)(i) the amount of that institution’s need (as determined under subsection (c)), divided by (ii) the sum of the need of all institutions (as so determined), multiplied by (iii) the amount appropriated pursuant to section 441(b) for the fiscal year; exceeds

(2) To determine the self-help need of an institution’s eligible undergraduate students, the Secretary shall—

(A) establish various income categories for dependent and independent undergraduate students;

(B) establish an expected family contribution for each income category of dependent and independent undergraduate students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;

(C) compute 25 percent of the average cost of attendance for all undergraduate students;

(D) multiply the number of eligible dependent students in each income category by the lesser of—
(i) 25 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or
(ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction shall not be less than zero;
(E) add the amounts determined under subparagraph (D) for each income category of dependent students; and
(F) multiply the number of eligible independent students in each income category by the lesser of—
(i) 25 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or
(ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction for any income category shall not be less than zero;
(G) add the amounts determined under subparagraph (F) for each income category of independent students; and
(H) add the amounts determined under subparagraphs (E) and (G).
(3) To determine the self-help need of an institution’s eligible graduate and professional students, the Secretary shall—
(A) establish various income categories of graduate and professional students;
(B) establish an expected family contribution for each income category of graduate and professional students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;
(C) determine the average cost of attendance for all graduate and professional students;
(D) subtract from the average cost of attendance for all graduate and professional students (determined under subparagraph (C)), the expected family contribution (determined under subparagraph (B)) for each income category, except that the amount computed by such subtraction for any income category shall not be less than zero;
(E) multiply the amounts determined under subparagraph (D) by the number of eligible students in each category; and
(F) add the amounts determined under subparagraph (E) of this paragraph for each income category.

(C) The standard living expense described in subparagraph (A)(ii) is equal to 150 percent of the difference between the income protection allowance for a family of five with one in college and the income protection allowance for a family of six with one in college for a single independent student.

(D) The allowance for books and supplies described in subparagraph (A)(iii) is equal to $450.

(d) REALLOCATION OF EXCESS ALLOCATIONS.—(1) If institutions return to the Secretary any portion of the sums allocated to such institutions under this section for any fiscal year, the Secretary shall reallocate such excess to eligible institutions which used at least 5 percent of the total amount of funds granted to such institution under this section to compensate students employed in tutoring in reading and family literacy activities in the preceding fiscal year. Such excess funds shall be reallocated to institutions which qualify under this subsection on the same basis as excess eligible amounts are allocated to institutions pursuant to subsection (b). Funds received by institutions pursuant to this subsection shall be used to compensate students employed in community service.

(2) If, under paragraph (1) of this subsection, an institution returns more than 10 percent of its allocation, the institution’s allocation for the next fiscal year shall be reduced by the amount returned. The Secretary may waive this paragraph for a specific institution if the Secretary finds that enforcing this paragraph would be contrary to the interest of the program.

(e) FILING DEADLINES.—The Secretary shall, from time to time, set dates before which institutions must file applications for allocations under this part.

(8) REPAYMENT INCENTIVES.—

(A) IN GENERAL.—Notwithstanding any other provision
of this part, the Secretary is authorized to prescribe by
regulation such reductions in the interest rate paid by a borrower of a loan made under this part as the Secretary determines appropriate to encourage on-time repayment of the loan. Such reductions may be offered only if the Secretary determines the reductions are cost neutral and in the best financial interest of the Federal Government. Any increase in subsidy costs resulting from such reductions shall be completely offset by corresponding savings in funds available for the William D. Ford Federal Direct Loan Program in that fiscal year from section 458 and other administrative accounts.

(B) ACCOUNTABILITY.—Prior to publishing regulations proposing repayment incentives, the Secretary shall ensure the cost neutrality of such reductions. The Secretary shall not prescribe such regulations in final form unless an official report from the Director of the Office of Management and Budget to the Secretary and a comparable report from the Director of the Congressional Budget Office to the Congress each certify that any such reductions will be completely cost neutral. Such reports shall be transmitted to the Committee on Labor and Human Resources of the Senate and the Committee on Education and the Workforce of the House of Representatives not less than 60 days prior to the publication of regulations proposing such reductions.

(9) PUBLICATION.—The Secretary shall determine the applicable rates of interest under this subsection after consultation with the Secretary of the Treasury and shall publish such rate in the Federal Register as soon as practicable after the date of determination.

(c) LOAN FEE.—The Secretary shall charge the borrower of a loan made under this part an origination fee of 4.0 percent of the principal amount of loan.

The borrower shall be entitled to accelerate, without penalty, repayment on the borrower’s loans under this part. The borrower may choose—

(A) a standard repayment plan, with a fixed annual repayment amount paid over a fixed period of time, consistent with subsection (a)(1) of this section;

(B) an extended repayment plan, with a fixed annual repayment amount paid over an extended period of time, except that the borrower shall annually repay a minimum amount determined by the Secretary in accordance with section 428(b)(1)(L);

(C) a graduated repayment plan, with annual repayment amounts established at 2 or more graduated levels and paid over a fixed or extended period of time, except that the borrower’s scheduled payments shall not be less than 50 percent, nor more than 150 percent, of what the
amortized payment on the amount owed would be if the loan were repaid under the standard repayment plan; and
(D) an income contingent repayment plan, with varying annual repayment amounts based on the income of the borrower, paid over an extended period of time prescribed by the Secretary, not to exceed 25 years, except that the plan described in this subparagraph shall not be available to the borrower of a Federal Direct PLUS loan.

(2) SELECTION BY SECRETARY.—If a borrower of a loan made under this part does not select a repayment plan described in paragraph (1), the Secretary may provide the borrower with a repayment plan described in subparagraph (A), (B), or (C) of paragraph (1).

(3) CHANGES IN SELECTIONS.—The borrower of a loan made under this part may change the borrower's selection of a repayment plan under paragraph (1), or the Secretary's selection of a plan for the borrower under paragraph (2), as the case may be, under such terms and conditions as may be established by the Secretary.

(4) ALTERNATIVE REPAYMENT PLANS.—The Secretary may provide, on a case by case basis, an alternative repayment plan to a borrower of a loan made under this part who demonstrates to the satisfaction of the Secretary that the terms and conditions of the repayment plans available under paragraph (1) are not adequate to accommodate the borrower's exceptional circumstances. In designing such alternative repayment plans, the Secretary shall ensure that such plans do not exceed the cost to the Federal Government, as determined on the basis of the present value of future payments by such borrowers, of loans made using the plans available under paragraph (1).

(5) REPAYMENT AFTER DEFAULT.—The Secretary may require any borrower who has defaulted on a loan made under this part to—
(A) pay all reasonable collection costs associated with such loan; and
(B) repay the loan pursuant to an income contingent repayment plan.

(e) INCOME CONTINGENT REPAYMENT.—
(1) INFORMATION AND PROCEDURES.—The Secretary may obtain such information as is reasonably necessary regarding the income of a borrower (and the borrower's spouse, if applicable) of a loan made under this part that is, or may be, repaid pursuant to income contingent repayment, for the purpose of determining the annual repayment obligation of the borrower. Returns and return information (as defined in section 6103 of the Internal Revenue Code of 1986) may be obtained under the preceding sentence only to the extent authorized by section 6103(l)(13) of such Code. The Secretary shall establish procedures for determining the borrower's repayment obligation on that loan for such year, and such other procedures as are necessary to implement effectively income contingent repayment.

(2) REPAYMENT BASED ON ADJUSTED GROSS INCOME.—A repayment schedule for a loan made under this part and repaid pursuant to income contingent repayment shall be based
on the adjusted gross income (as defined in section 62 of the Internal Revenue Code of 1986) of the borrower or, if the borrower is married and files a Federal income tax return jointly with the borrower's spouse, on the adjusted gross income of the borrower and the borrower's spouse.

(3) ADDITIONAL DOCUMENTS.—A borrower who chooses, or is required, to repay a loan made under this part pursuant to income contingent repayment, and for whom adjusted gross income is unavailable or does not reasonably reflect the borrower's current income, shall provide to the Secretary other documentation of income satisfactory to the Secretary, which documentation the Secretary may use to determine an appropriate repayment schedule.

(4) REPAYMENT SCHEDULES.—Income contingent repayment schedules shall be established by regulations promulgated by the Secretary and shall require payments that vary in relation to the appropriate portion of the annual income of the borrower (and the borrower's spouse, if applicable) as determined by the Secretary.

(5) CALCULATION OF BALANCE DUE.—The balance due on a loan made under this part that is repaid pursuant to income contingent repayment shall equal the unpaid principal amount of the loan, any accrued interest, and any fees, such as late charges, assessed on such loan. The Secretary may promulgate regulations limiting the amount of interest that may be capitalized on such loan, and the timing of any such capitalization.

(6) NOTIFICATION TO BORROWERS.—The Secretary shall establish procedures under which a borrower of a loan made under this part who chooses or is required to repay such loan pursuant to income contingent repayment is notified of the terms and conditions of such plan, including notification of such borrower—

(A) that the Internal Revenue Service will disclose to the Secretary tax return information as authorized under section 6103(l)(13) of the Internal Revenue Code of 1986; and

(B) that if a borrower considers that special circumstances, such as a loss of employment by the borrower or the borrower's spouse, warrant an adjustment in the borrower's loan repayment as determined using the information described in subparagraph (A), or the alternative documentation described in paragraph (3), the borrower may contact the Secretary, who shall determine whether such adjustment is appropriate, in accordance with criteria established by the Secretary.

(f) DEFERMENT.—

(1) EFFECT ON PRINCIPAL AND INTEREST.—A borrower of a loan made under this part who meets the requirements described in paragraph (2) shall be eligible for a deferment, during which periodic installments of principal need not be paid, and interest—

(A) shall not accrue, in the case of a—

(i) Federal Direct Stafford Loan; or
(ii) a Federal Direct Consolidation Loan that consolidated only Federal Direct Stafford Loans, or a combination of such loans and Federal Stafford Loans for which the student borrower received an interest subsidy under section 428; or

(B) shall accrue and be capitalized or paid by the borrower, in the case of a Federal Direct PLUS Loan, a Federal Direct Unsubsidized Stafford Loan, or a Federal Direct Consolidation Loan not described in subparagraph (A)(ii).

(2) ELIGIBILITY.—A borrower of a loan made under this part shall be eligible for a deferment during any period—

(A) during which the borrower—

(i) is carrying at least one-half the normal full-time work load for the course of study that the borrower is pursuing, as determined by the eligible institution (as such term is defined in section 435(a)) the borrower is attending; or

(ii) is pursuing a course of study pursuant to a graduate fellowship program approved by the Secretary, or pursuant to a rehabilitation training program for individuals with disabilities approved by the Secretary,

except that no borrower shall be eligible for a deferment under this subparagraph, or a loan made under this part (other than a Federal Direct PLUS Loan or a Federal Direct Consolidation Loan), while serving in a medical internship or residency program;

(B) not in excess of 3 years during which the borrower is seeking and unable to find full-time employment;

(C) not in excess of 3 years during which the Secretary determines, in accordance with regulations prescribed under section 435(o), that the borrower has experienced or will experience an economic hardship.

(3) DEFINITION OF BORROWER.—For the purpose of this subsection, the term "borrower" means an individual who is a new borrower on the date such individual applies for a loan under this part for which the first disbursement is made on or after July 1, 1993.

(4) DEFERMENTS FOR PREVIOUS PART B LOAN BORROWERS.—A borrower of a loan made under this part, who at the time such individual applies for such loan, has an outstanding balance of principal or interest owing on any loan made, insured, or guaranteed under part B of title IV prior to July 1, 1993, shall be eligible for a deferment under section 427(a)(2)(C) or section 428(b)(1)(M) as such sections were in effect on July 22, 1992.

(g) FEDERAL DIRECT CONSOLIDATION LOANS.—A borrower of a loan made under this part may consolidate such loan with the loans described in section 428C(a)(4). Loans made under this subsection shall be known as “Federal Direct Consolidation Loans”.

(h) BORROWER DEFENSES.—Notwithstanding any other provision of State or Federal law, the Secretary shall specify in regulations (except as authorized under section 457(a)(1)) which acts or
omissions of an institution of higher education a borrower may as-
sert as a defense to repayment of a loan made under this part, ex-
cept that in no event may a borrower recover from the Secretary,
in any action arising from or relating to a loan made under this
part, an amount in excess of the amount such borrower has repaid
on such loan.

(i) Loan Application and Promissory Note.—The common
financial reporting form required in section 483(a)(1) shall con-
stitute the application for loans made under this part (other than
a Federal Direct PLUS loan). The Secretary shall develop, print,
and distribute to participating institutions a standard promissory
note and loan disclosure form.

(j) Loan Disbursement.—
(1) In general.—Proceeds of loans to students under this
part shall be applied to the student’s account for tuition and
fees, and, in the case of institutionally owned housing, to room
and board. Loan proceeds that remain after the application of
the previous sentence shall be delivered to the borrower by
check or other means that is payable to and requires the
endorsement or other certification by such borrower.

(2) Payment Periods.—The Secretary shall establish peri-

consistent with payment of Federal Pell Grants under subpart

may maintain loan funds under this part in the same account
as other Federal student financial assistance.

(2) Payments and Refunds.—Payments and refunds shall
be reconciled in a manner consistent with the manner set forth
for the submission of a payment summary report required of
institutions participating in the program under subpart 1 of
part A, except that nothing in this paragraph shall prevent
such reconciliations on a monthly basis.

designated by the Secretary for the provision of Federal Pell
Grants under subpart 1 of part A of this title.

(a) Contracts for Supplies and Services.—

award of such contracts. In the case of awarding contracts for
the origination, servicing, and collection of loans under this
part, the Secretary shall enter into contracts only with entities
that have extensive and relevant experience and demonstrated
effectiveness. The entities with which the Secretary may enter
into such contracts shall include, where practicable, agencies
with agreements with the Secretary under sections 428(b) and
(c), if such agencies meet the qualifications as determined by
the Secretary under this subsection and if those agencies have
such experience and demonstrated effectiveness. In awarding
contracts to such State agencies, the Secretary shall, to the ex-

give special consideration to State agencies with a history of
high quality performance to perform services for institutions of

agency to enter into an agreement for the purposes of this sec-
tion as a member of a consortium of State agencies.

(b) CONTRACTS FOR ORIGINATION, SERVICING, AND DATA SYS-
TEMS.—The Secretary may enter into contracts for—

institutions do not have agreements with the Secretary under
section 454(b);

(2) the servicing and collection of loans made under this
part;

(3) the establishment and operation of 1 or more data sys-

SEC. 459. [20 U.S.C. 1087i] AUTHORITY TO SELL LOANS.

The Secretary, in consultation with the Secretary of the Treasury, is authorized to sell loans made under this part on such terms as the Secretary determines are in the best interest of the United States, except that any such sale shall not result in any cost to the Federal Government. Notwithstanding any other provision of law, the proceeds of any such sale may be used by the Secretary to offer reductions in the interest rate paid by a borrower of a loan made under this part as the Secretary determines appropriate to encourage on-time repayment in accordance with section 455(b)(7). Such reductions may be offered only if the Secretary determines the reductions are in the best financial interests of the Federal Government.

(1) IN GENERAL.—The Secretary shall cancel not more than $5,000 in the aggregate of the loan obligation on a Federal Direct Stafford Loan or a Federal Direct Unsubsidized Stafford Loan that is outstanding after the completion of the fifth complete school year of teaching described in subsection (b)(1)(A).

(2) TREATMENT OF CONSOLIDATION LOANS.—A loan amount for a Federal Direct Consolidation Loan may be a qualified loan amount for the purposes of this subsection only to the extent that such loan amount was used to repay a Federal Direct Stafford Loan, a Federal Direct Unsubsidized Stafford Loan, or a loan made under section 428 or 428H, for a borrower who meets the requirements of subsection (b), as determined in accordance with regulations prescribed by the Secretary.

(d) REGULATIONS.—The Secretary is authorized to issue such regulations as may be necessary to carry out the provisions of this section.

(e) CONSTRUCTION.—Nothing in this section shall be construed to authorize any refunding of any canceled loan.

(f) LIST.—If the list of schools in which a teacher may perform service pursuant to subsection (b) is not available before May 1 of any year, the Secretary may use the list for the year preceding the year for which the determination is made to make such service determination.

(1) CONTINUED ELIGIBILITY.—Any teacher who performs service in a school that—

(2) PREVENTION OF DOUBLE BENEFITS.—No borrower may, for the same volunteer service, receive a benefit under both this section and subtitle D of title I of the National and Community Service Act of 1990 (42 U.S.C. 12571 et seq.).

(b) DEFINITION.—For the purpose of this section, the term "year" where applied to service as a teacher means an academic year as defined by the Secretary.
PART E—FEDERAL PERKINS LOANS

(a) PROGRAM AUTHORITY.—The Secretary shall carry out a program of stimulating and assisting in the establishment and maintenance of funds at institutions of higher education for the making of low-interest loans to students in need thereof to pursue their courses of study in such institutions or while engaged in programs of study abroad approved for credit by such institutions. Loans made under this part shall be known as “Federal Perkins Loans”.

(b) AUTHORIZATION OF APPROPRIATIONS.—(1) For the purpose of enabling the Secretary to make contributions to student loan funds established under this part, there are authorized to be appropriated $250,000,000 for fiscal year 1999 and such sums as may be necessary for each of the 4 succeeding fiscal years.

(2) In addition to the funds authorized under paragraph (1), there are hereby authorized to be appropriated such sums for fiscal year 2003 and each of the 5 succeeding fiscal years as may be necessary to enable students who have received loans for academic years ending prior to October 1, 2003, to continue or complete courses of study.

(c) USE OF APPROPRIATIONS.—Any sums appropriated pursuant to subsection (b) for any fiscal year shall be available for apportionment pursuant to section 462 and for payments of Federal capital contributions therefrom to institutions of higher education which have agreements with the Secretary under section 463. Such Federal capital contributions and all contributions from such institutions shall be used for the establishment, expansion, and maintenance of student loan funds.

(a) ALLOCATION BASED ON PREVIOUS ALLOCATION.—(1) From the amount appropriated pursuant to section 461(b) for each fiscal year, the Secretary shall first allocate to each eligible institution an amount equal to—

(A) 100 percent of the amount received under subsections (a) and (b) of this section for fiscal year 1999 (as such subsections were in effect with respect to allocations for such fiscal year), multiplied by

(B) the institution’s default penalty, as determined under subsection (e),

except that if the institution has a cohort default rate in excess of the applicable maximum cohort default rate under subsection (f), the institution may not receive an allocation under this paragraph.

(2)(A) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this part after fiscal year 1999 but is not a first or second time participant, an amount equal to the greater of—

(i) $5,000; or

1Section 462(a)(1)(A) of P.L. 105-244 (112 Stat. 1720) amended this subparagraph by striking “the amount of the Federal capital contribution allocated to such institution under this part for fiscal year 1985” and inserting “the amount received under” through “fiscal year”). The amendment was executed to reflect the probable intent of Congress even though the italicized “the” was not in law.
(ii) 100 percent of the amount received and expended under this part for the first year it participated in the program.

(B) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this part after fiscal year 1999 and is a first or second time participant, an amount equal to the greatest of—

(i) $5,000;

(ii) an amount equal to (I) 90 percent of the amount received and used under this part in the second preceding fiscal year by eligible institutions offering comparable programs of instruction, divided by (II) the number of students enrolled at such comparable institutions in such fiscal year, multiplied by (III) the number of students enrolled at the applicant institution in such fiscal year; or

(iii) 90 percent of the institution’s allocation under this part for the preceding fiscal year.

(C) Notwithstanding subparagraphs (A) and (B) of this paragraph, the Secretary shall allocate to each eligible institution which—

(i) was a first-time participant in the program in fiscal year 2000 or any subsequent fiscal year, and

(ii) received a larger amount under this subsection in the second year of participation,

an amount equal to 90 percent of the amount it received under this subsection in its second year of participation.

(D) For any fiscal year after a fiscal year in which an institution receives an allocation under subparagraph (A), (B), or (C), the Secretary shall allocate to such institution an amount equal to the product of—

(i) the amount determined under subparagraph (A), (B), or (C), multiplied by

(ii) the institution’s default penalty, as determined under subsection (e),

except that if the institution has a cohort default rate in excess of the applicable maximum cohort default rate under subsection (f), the institution may not receive an allocation under this paragraph.

(3)(A) If the amount appropriated for any fiscal year is less than the amount required to be allocated to all institutions under paragraph (1) of this subsection, then the amount of the allocation to each such institution shall be ratably reduced.

(B) If the amount appropriated for any fiscal year is more than the amount required to be allocated to all institutions under paragraph (1) but less than the amount required to be allocated to all institutions under paragraph (2), then—

(i) the Secretary shall allot the amount required to be allocated to all institutions under paragraph (1), and

(ii) the amount of the allocation to each institution under paragraph (2) shall be ratably reduced.

(C) If additional amounts are appropriated for any such fiscal year, such reduced amounts shall be increased on the same basis as they were reduced (until the amount allocated equals the amount required to be allocated under paragraphs (1) and (2) of this subsection).
(b) ALLOCATION OF EXCESS BASED ON SHARE OF EXCESS ELIGIBLE AMOUNTS.—(1) From the remainder of the amount appropriated pursuant to section 461(b) after making the allocations required by subsection (a) of this section, the Secretary shall allocate to each eligible institution which has an excess eligible amount an amount which bears the same ratio to such remainder as such excess eligible amount bears to the sum of the excess eligible amounts of all such eligible institutions (having such excess eligible amounts).

(2) For any eligible institution, the excess eligible amount is the amount, if any, by which—

(A)(i) that institution’s eligible amount (as determined under paragraph (3)), divided by (ii) the sum of the eligible amounts of all institutions (as so determined), multiplied by (iii) the amount appropriated pursuant to section 461(b) for the fiscal year; exceeds

(B) the amount required to be allocated to that institution under subsection (a),

except that an eligible institution which has a cohort default rate in excess of the applicable maximum cohort default rate under subsection (f) may not receive an allocation under this paragraph.

(3) For any eligible institution, the eligible amount of that institution is equal to—

(A) the amount of the institution’s self-help need, as determined under subsection (c); minus

(B) the institution’s anticipated collections; multiplied by

(C) the institution’s default penalty, as determined under subsection (e);

except that, if the institution has a cohort default rate in excess of the applicable maximum cohort default rate under subsection (f), the eligible amount of that institution is zero.

(c) DETERMINATION OF INSTITUTION’S SELF-HELP NEED.—(1) The amount of an institution’s self-help need is equal to the sum of the self-help need of the institution’s eligible undergraduate students and the self-help need of the institution’s eligible graduate and professional students.

(2) To determine the self-help need of an institution’s eligible undergraduate students, the Secretary shall—

(A) establish various income categories for dependent and independent undergraduate students;

(B) establish an expected family contribution for each income category of dependent and independent undergraduate students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;

(C) compute 25 percent of the average cost of attendance for all undergraduate students;

(D) multiply the number of eligible dependent students in each income category by the lesser of—

(i) 25 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or
(ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction shall not be less than zero;

(E) add the amounts determined under subparagraph (D) for each income category of dependent students;

(F) multiply the number of eligible independent students in each income category by the lesser of—

(i) 25 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C); or

(ii) the average cost of attendance for all undergraduate students minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction for any income category shall not be less than zero;

(G) add the amounts determined under subparagraph (F) for each income category of independent students; and

(H) add the amounts determined under subparagraphs (E) and (G).

(3) To determine the self-help need of an institution’s eligible graduate and professional students, the Secretary shall—

(A) establish various income categories for graduate and professional students;

(B) establish an expected family contribution for each income category of graduate and professional students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;

(C) determine the average cost of attendance for all graduate and professional students;

(D) subtract from the average cost of attendance for all graduate and professional students (determined under subparagraph (C)), the expected family contribution (determined under subparagraph (B)) for each income category, except that the amount computed by such subtraction for any income category shall not be less than zero;

(E) multiply the amounts determined under subparagraph (D) by the number of eligible students in each category;

(F) add the amounts determined under subparagraph (E) for each income category.

(4)(A) For purposes of paragraphs (2) and (3), the term “average cost of attendance” means the average of the attendance costs for undergraduate students and for graduate and professional students, which shall include (i) tuition and fees determined in accordance with subparagraph (B), (ii) standard living expenses determined in accordance with subparagraph (C), and (iii) books and supplies determined in accordance with subparagraph (D).

(B) The average undergraduate and graduate and professional tuition and fees described in subparagraph (A)(i) shall be computed on the basis of information reported by the institution to the Secretary, which shall include (i) total revenue received by the institu-
tion from undergraduate and graduate tuition and fees for the sec-
ond year preceding the year for which it is applying for an alloca-
tion, and (ii) the institution’s enrollment for such second preceding
year.

(C) The standard living expense described in subparagraph
(A)(ii) is equal to 150 percent of the difference between the income
protection allowance for a family of five with one in college and the
income protection allowance for a family of six with one in college
for a single independent student.

(D) The allowance for books and supplies described in subpara-
graph (A)(iii) is equal to $450.

(d) ANTICIPATED COLLECTIONS.—(1) An institution’s anticipated
collections are equal to the amount which was collected during the
second year preceding the beginning of the award period, multi-
plied by 1.21.

(2) The Secretary shall establish an appeals process by which
the anticipated collections required in paragraph (1) may be waived
for institutions with low cohort default rates in the program as-
sisted under this part.

(e) DEFAULT PENALTIES.—

(1) YEARS PRECEDING FISCAL YEAR 2000.—For any fiscal
year preceding fiscal year 2000, any institution with a cohort
default rate that—

(A) equals or exceeds 15 percent, shall establish a de-
fault reduction plan pursuant to regulations prescribed by
the Secretary, except that such plan shall not be required
with respect to an institution that has a default rate of
less than 20 percent and that has less than 100 students
who have loans under this part in such academic year;

(B) equals or exceeds 20 percent, but is less than 25
percent, shall have a default penalty of 0.9;

(C) equals or exceeds 25 percent, but is less than 30
percent, shall have a default penalty of 0.7; and

(D) equals or exceeds 30 percent shall have a default
penalty of zero.

(2) YEARS FOLLOWING FISCAL YEAR 2000.—For fiscal year
2000 and any succeeding fiscal year, any institution with a co-
hort default rate (as defined under subsection (g)) that equals
or exceeds 25 percent shall have a default penalty of zero.

(3) INELIGIBILITY.—

(A) IN GENERAL.—For fiscal year 2000 and any suc-
cceeding fiscal year, any institution with a cohort default
rate (as defined in subsection (g)) that equals or exceeds
50 percent for each of the 3 most recent years for which
data are available shall not be eligible to participate in a
program under this part for the fiscal year for which the
determination is made and the 2 succeeding fiscal years,
unless, within 30 days of receiving notification from the
Secretary of the loss of eligibility under this paragraph,
the institution appeals the loss of eligibility to the Sec-
retary. The Secretary shall issue a decision on any such
appeal within 45 days after the submission of the appeal.
Such decision may permit the institution to continue to
participate in a program under this part if—
(i) the institution demonstrates to the satisfaction of the Secretary that the calculation of the institution's cohort default rate is not accurate, and that recalculation would reduce the institution's cohort default rate for any of the 3 fiscal years below 50 percent; or
(ii) there are, in the judgment of the Secretary, such a small number of borrowers entering repayment that the application of this subparagraph would be inequitable.

(B) CONTINUED PARTICIPATION.—During an appeal under subparagraph (A), the Secretary may permit the institution to continue to participate in a program under this part.

(C) RETURN OF FUNDS.—Within 90 days after the date of any termination pursuant to subparagraph (A), or the conclusion of any appeal pursuant to subparagraph (B), whichever is later, the balance of the student loan fund established under this part by the institution that is the subject of the termination shall be distributed as follows:

(i) The Secretary shall first be paid an amount which bears the same ratio to such balance (as of the date of such distribution) as the total amount of Federal capital contributions to such fund by the Secretary under this part bears to the sum of such Federal capital contributions and the capital contributions to such fund made by the institution.

(ii) The remainder of such student loan fund shall be paid to the institution.

(D) USE OF RETURNED FUNDS.—Any funds returned to the Secretary under this paragraph shall be reallocated to institutions of higher education pursuant to subsection (i).

(E) DEFINITION.—For the purposes of subparagraph (A), the term “loss of eligibility” shall be defined as the mandatory liquidation of an institution's student loan fund, and assignment of the institution's outstanding loan portfolio to the Secretary.

(f) APPLICABLE MAXIMUM COHORT DEFAULT RATE.—
(1) AWARD YEARS PRIOR TO 2000.—For award years prior to award year 2000, the applicable maximum cohort default rate is 30 percent.

(2) AWARD YEAR 2000 AND SUCCEEDING AWARD YEARS.—For award year 2000 and subsequent years, the applicable maximum cohort default rate is 25 percent.

(g) DEFINITION OF COHORT DEFAULT RATE.—
(1)(A) The term “cohort default rate” means, for any award year in which 30 or more current and former students at the institution enter repayment on loans under this part (received for attendance at the institution), the percentage of those current and former students who enter repayment on such loans (received for attendance at that institution) in that award year who default before the end of the following award year.

(B) For any award year in which less than 30 of the institution's current and former students enter repayment, the
term “cohort default rate” means the percentage of such current and former students who entered repayment on such loans in any of the three most recent award years and who default before the end of the award year immediately following the year in which they entered repayment.

(C) A loan on which a payment is made by the institution of higher education, its owner, agency, contractor, employee, or any other entity or individual affiliated with such institution, in order to avoid default by the borrower, is considered as in default for the purposes of this subsection.

(D) In the case of a student who has attended and borrowed at more than one school, the student (and his or her subsequent repayment or default) is attributed to the school for attendance at which the student received the loan that entered repayment in the award year.

(E) In determining the number of students who default before the end of such award year, the institution, in calculating the cohort default rate, shall exclude—

(i) any loan on which the borrower has, after the time periods specified in paragraph (2)—

(I) voluntarily made 6 consecutive payments;

(II) voluntarily made all payments currently due;

(III) repaid in full the amount due on the loan; or

(IV) received a deferment or forbearance, based on a condition that began prior to such time periods;

(ii) any loan which has, after the time periods specified in paragraph (2), been rehabilitated or canceled; and

(iii) any other loan that the Secretary determines should be excluded from such determination.

(F) The Secretary shall prescribe regulations designed to prevent an institution from evading the application to that institution of a cohort default rate determination under this subsection through the use of such measures as branching, consolidation, change of ownership or control or other means as determined by the Secretary.

(2) For purposes of calculating the cohort default rate under this subsection, a loan shall be considered to be in default—

(A) 240 days (in the case of a loan repayable monthly), or

(B) 270 days (in the case of a loan repayable quarterly),

after the borrower fails to make an installment payment when due or to comply with other terms of the promissory note.

(h) FILING DEADLINES.—The Secretary shall, from time to time, set dates before which institutions must file applications for allocations under this part.

(i) REALLOCATION OF EXCESS ALLOCATIONS.—

(1) IN GENERAL.—(A) If an institution of higher education returns to the Secretary any portion of the sums allocated to such institution under this section for any fiscal year, the Secretary shall reallocate 80 percent of such returned portions to participating institutions in an amount not to exceed such par-
ticipating institution’s excess eligible amounts as determined under paragraph (2).

(B) For the purpose of this subsection, the term “participating institution” means an institution of higher education that—

(i) was a participant in the program assisted under this part in fiscal year 1999; and

(ii) did not receive an allocation under subsection (a) in the fiscal year for which the reallocation determination is made.

(2) EXCESS ELIGIBLE AMOUNT.—For any participating institution, the excess eligible amount is the amount, if any, by which—

(A)(i) that institution’s eligible amount (as determined under subsection (b)(3)), divided by (ii) the sum of the eligible amounts of all participating institutions (as determined under paragraph (3)), multiplied by (iii) the amount of funds available for reallocation under this subsection; exceeds

(B) the amount required to be allocated to that institution under subsection (b).

(3) REMAINDER.—The Secretary shall reallocate the remainder of such returned portions in accordance with regulations of the Secretary.

(4) ALLOCATION REDUCTIONS.—If under paragraph (1) of this subsection an institution returns more than 10 percent of its allocation, the institution’s allocation for the next fiscal year shall be reduced by the amount returned. The Secretary may waive this paragraph for a specific institution if the Secretary finds that enforcing it is contrary to the interest of the program.

(4) provide that where a note or written agreement evidencing a loan has been in default despite due diligence on the part of the institution in attempting collection thereon—
(A) if the institution has knowingly failed to maintain an acceptable collection record with respect to such loan, as determined by the Secretary in accordance with criteria established by regulation, the Secretary may—
(i) require the institution to assign such note or agreement to the Secretary, without recompense; and
(ii) apportion any sums collected on such a loan, less an amount not to exceed 30 percent of any sums collected to cover the Secretary's collection costs, among other institutions in accordance with section 462; or
(B) if the institution is not one described in subparagraph (A), the Secretary may—
(i) allow such institution to transfer its interest in such loan to the Secretary, for collection, and the Secretary may use any collections thereon (less an amount not to exceed 30 percent of any such sums collected to cover the Secretary's collection costs) to make allocations to institutions of additional capital contributions in accordance with section 462; or
(ii) allow such institution to refer such note or agreement to the Secretary, without recompense, except that any sums collected on such a loan (less an amount not to exceed 30 percent of any such sums collected to cover the Secretary's collection costs) shall be repaid to such institution no later than 180 days after collection by the Secretary and treated as an additional capital contribution;
(5) provide that, if an institution of higher education determines not to service and collect student loans made available from funds under this part, the institution will assign, at the beginning of the repayment period, notes or evidence of obligations of student loans made from such funds to the Secretary and the Secretary shall apportion any sums collected on such notes or obligations (less an amount not to exceed 30 percent of any such sums collected to cover that Secretary's collection costs) among other institutions in accordance with section 462;
(6) provide that, notwithstanding any other provision of law, the Secretary will provide to the institution any information with respect to the names and addresses of borrowers or other relevant information which is available to the Secretary, from whatever source such information may be derived;
(7) provide assurances that the institution will comply with the provisions of section 463A;
(8) provide that the institution of higher education will make loans first to students with exceptional need; and
(9) include such other reasonable provisions as may be necessary to protect the United States from unreasonable risk of loss and as are agreed to by the Secretary and the institution.

(b) ADMINISTRATIVE EXPENSES.—An institution which has entered into an agreement under subsection (a) shall be entitled, for each fiscal year during which it makes student loans from a student loan fund established under such agreement, to a payment in lieu of reimbursement for its expenses in administering its student loan program under this part during such year. Such payment shall be made in accordance with section 489.

(c) COOPERATIVE AGREEMENTS WITH CREDIT BUREAU ORGANIZATIONS.—(1) For the purpose of promoting responsible repayment of loans made pursuant to this part, the Secretary and each institution of higher education participating in the program under this part shall enter into cooperative agreements with credit bureau organizations to provide for the exchange of information concerning student borrowers concerning whom the Secretary has received a referral pursuant to section 467 and regarding loans held by the Secretary or an institution.

(2) Each cooperative agreement made pursuant to paragraph (1) shall be made in accordance with the requirements of section 430A except that such agreement shall provide for the disclosure by the Secretary or an institution, as the case may be, to such organizations, with respect to any loan held by the Secretary or the institution, respectively, of—

(A) the date of disbursement and the amount of such loans made to any borrower under this part at the time of disbursement of the loan;
(B) information concerning the repayment and collection of any such loan, including information concerning the repayment and the status of such loan; and
(C) the date of cancellation of the note upon completion of repayment by the borrower of any such loan, or upon cancellation or discharge of the borrower's obligation on the loan for any reason.

(3) Notwithstanding paragraphs (4) and (6) of subsection (a) of section 605 of the Fair Credit Reporting Act (15 U.S.C. 1681c (a)(4), (a)(6)), a consumer reporting agency may make a report containing information received from the Secretary or an institution regarding the status of a borrower's account on a loan made under this part until the loan is paid in full.

(4)(A) Except as provided in subparagraph (B), an institution of higher education, after consultation with the Secretary and pursuant to the agreements entered into under paragraph (1), shall disclose at least annually to any credit bureau organization with

2 Section 463A(b)(2)(C)(i) of the Higher Education Amendments of 1998 (P.L. 105–244) amended this subparagraph by inserting "the repayment and" after "concerning". The amendatory instructions did not state which occurrence of "concerning" and therefore was executed both places it appears.
which the Secretary has such an agreement the information set forth in paragraph (2), and shall disclose promptly to such credit bureau organization any changes to the information previously disclosed.

(B) The Secretary may promulgate regulations establishing criteria under which an institution of higher education may cease reporting the information described in paragraph (2) before a loan is paid in full.

(5) Each institution of higher education shall notify the appropriate credit bureau organizations whenever a borrower of a loan that is made and held by the institution and that is in default makes 6 consecutive monthly payments on such loan, for the purpose of encouraging such organizations to update the status of information maintained with respect to that borrower.

(d) LIMITATION ON USE OF INTEREST BEARING ACCOUNTS.—In carrying out the provisions of subsection (a)(9), the Secretary may not require that any collection agency, collection attorney, or loan servicer collecting loans made under this part deposit amounts collected on such loans in interest bearing accounts, unless such agency, attorney, or servicer holds such amounts for more than 45 days.

(e) SPECIAL DUE DILIGENCE RULE.—In carrying out the provisions of subsection (a)(5) relating to due diligence, the Secretary shall make every effort to ensure that institutions of higher education may use Internal Revenue Service skip-tracing collection procedures on loans made under this part.

SEC. 463A. [20 U.S.C. 1087cc–1] STUDENT LOAN INFORMATION BY ELIGIBLE INSTITUTIONS.

(a) DISCLOSURE REQUIRED PRIOR TO DISBURSEMENT.—Each institution of higher education, in order to carry out the provisions of section 463(a)(8), shall, at or prior to the time such institution makes a loan to a student borrower which is made under this part, provide thorough and adequate loan information on such loan to the student borrower. Any disclosure required by this subsection may be made by an institution of higher education as part of the written application material provided to the borrower, or as part of the promissory note evidencing the loan, or on a separate written form provided to the borrower. The disclosures shall include—

1. the name of the institution of higher education, and the address to which communications and payments should be sent;
2. the principal amount of the loan;
3. the amount of any charges collected by the institution at or prior to the disbursement of the loan and whether such charges are deducted from the proceeds of the loan or paid separately by the borrower;
4. the stated interest rate on the loan;
5. the yearly and cumulative maximum amounts that may be borrowed;
6. an explanation of when repayment of the loan will be required and when the borrower will be obligated to pay interest that accrues on the loan;
(7) a statement as to the minimum and maximum repayment term which the institution may impose, and the minimum monthly payment required by law and a description of any penalty imposed as a consequence of default, such as liability for expenses reasonably incurred in attempts by the Secretary or institutions to collect on a loan;

(8) a statement of the total cumulative balance, including the loan applied for, owed by the student to that lender, and an estimate of the projected monthly payment, given such cumulative balance;

(9) an explanation of any special options the borrower may have for loan consolidation or other refinancing of the loan;

(10) a statement that the borrower has the right to prepay all or part of the loan, at any time, without penalty, a statement summarizing circumstances in which repayment of the loan or interest that accrues on the loan may be deferred, and a brief notice of the program for repayment of loans, on the basis of military service, pursuant to the Department of Defense educational loan repayment program (10 U.S.C. 16302);

(11) a definition of default and the consequences to the borrower if the borrower defaults, together with a statement that the disbursement of, and the default on, a loan under this part, shall be reported to a credit bureau or credit reporting agency;

(12) to the extent practicable, the effect of accepting the loan on the eligibility of the borrower for other forms of student assistance; and

(13) an explanation of any cost the borrower may incur in the making or collection of the loan.

(b) DISCLOSURE REQUIRED PRIOR TO REPAYMENT.—Each institution of higher education shall enter into an agreement with the Secretary under which the institution will, prior to the start of the repayment period of the student borrower on loans made under this part, disclose to the student borrower the information required under this subsection. Any disclosure required by this subsection may be made by an institution of higher education either in a promissory note evidencing the loan or loans or in a written statement provided to the borrower. The disclosures shall include—

(1) the name of the institution of higher education, and the address to which communications and payments should be sent;

(2) the scheduled date upon which the repayment period is to begin;

(3) the estimated balance owed by the borrower on the loan or loans covered by the disclosure as of the scheduled date on which the repayment period is to begin (including, if applicable, the estimated amount of interest to be capitalized);

(4) the stated interest rate on the loan or loans, or the combined interest rate of loans with different stated interest rates;

(5) the nature of any fees which may accrue or be charged to the borrower during the repayment period;
(6) the repayment schedule for all loans covered by the disclosure including the date the first installment is due, and the number, amount, and frequency of required payments;
(7) an explanation of any special options the borrower may have for loan consolidation or other refinancing of the loan;
(8) the projected total of interest charges which the borrower will pay on the loan or loans, assuming that the borrower makes payments exactly in accordance with the repayment schedule; and
(9) a statement that the borrower has the right to prepay all or part of the loan or loans covered by the disclosure at any time without penalty.

c) COSTS AND EFFECTS OF DISCLOSURES.—Such information shall be available without cost to the borrower. The failure of an eligible institution to provide information as required by this section shall not (1) relieve a borrower of the obligation to repay a loan in accordance with its terms, (2) provide a basis for a claim for civil damages, or (3) be deemed to abrogate the obligation of the Secretary to make payments with respect to such loan.

(a) TERMS AND CONDITIONS.—(1) Loans from any student loan fund established pursuant to an agreement under section 463 to any student by any institution shall, subject to such conditions, limitations, and requirements as the Secretary shall prescribe by regulation, be made on such terms and conditions as the institution may determine.

(2)(A) Except as provided in paragraph (4), the total of loans made to a student in any academic year or its equivalent by an institution of higher education from a loan fund established pursuant to an agreement under this part shall not exceed—
(i) $4,000, in the case of a student who has not successfully completed a program of undergraduate education; or
(ii) $6,000, in the case of a graduate or professional student (as defined in regulations issued by the Secretary).

(B) Except as provided in paragraph (4), the aggregate unpaid principal amount for all loans made to a student by institutions of higher education from loan funds established pursuant to agreements under this part may not exceed—
(i) $40,000, in the case of any graduate or professional student (as defined by regulations issued by the Secretary, and including any loans from such funds made to such person before such person became a graduate or professional student); (ii) $20,000, in the case of a student who has successfully completed 2 years of a program of education leading to a bachelor’s degree but who has not completed the work necessary for such a degree (determined under regulations issued by the Secretary), and including any loans from such funds made to such person before such person became such a student; and
(iii) $8,000, in the case of any other student.

(3) Regulations of the Secretary under paragraph (1) shall be designed to prevent the impairment of the capital student loan funds to the maximum extent practicable and with a view toward
the objective of enabling the student to complete his course of study.

(4) In the case of a program of study abroad that is approved for credit by the home institution at which a student is enrolled and that has reasonable costs in excess of the home institution’s budget, the annual and aggregate loan limits for the student may exceed the amounts described in paragraphs (2)(A) and (2)(B) by 20 percent.

(b) Demonstration of Need and Eligibility Required.—(1) A loan from a student loan fund assisted under this part may be made only to a student who demonstrates financial need in accordance with part F of this title, who meets the requirements of section 484, and who provides the institution with the student’s driver’s license number, if any, at the time of application for the loan. A student who is in default on a loan under this part shall not be eligible for an additional loan under this part unless such loan meets one of the conditions for exclusion under section 462(g)(1)(E).

(2) If the institution’s capital contribution under section 462 is directly or indirectly based in part on the financial need demonstrated by students who are (A) attending the institution less than full time, or (B) independent students, then a reasonable portion of the loans made from the institution’s student loan fund containing the contribution shall be made available to such students.

(c) Contents of Loan Agreement.—(1) Any agreement between an institution and a student for a loan from a student loan fund assisted under this part—

(A) shall be evidenced by note or other written instrument which, except as provided in paragraph (2), provides for repayment of the principal amount of the loan, together with interest thereon, in equal installments (or, if the borrower so requests, in graduated periodic installments determined in accordance with such schedules as may be approved by the Secretary) payable quarterly, bimonthly, or monthly, at the option of the institution, over a period beginning nine months after the date on which the student ceases to carry, at an institution of higher education or a comparable institution outside the United States approved for this purpose by the Secretary, at least one-half the normal full-time academic workload, and ending 10 years and 9 months after such date except that such period may begin earlier than 9 months after such date upon the request of the borrower;

(B) shall include provision for acceleration of repayment of the whole, or any part, of such loan, at the option of the borrower;

(C)(i) may provide, at the option of the institution, in accordance with regulations of the Secretary, that during the repayment period of the loan, payments of principal and interest by the borrower with respect to all outstanding loans made to the student from a student loan fund assisted under this part shall be at a rate equal to not less than $40 per month, except that the institution may, subject to such regulations, permit a borrower to pay less than $40 per month for a period of not more than one year where necessary to avoid hardship to the borrower, but without extending the 10-year maximum
Sec. 464  HIGHER EDUCATION ACT OF 1965  44

repayment period provided for in subparagraph (A) of this paragraph; and

(ii) may provide that the total payments by a borrower for a monthly or similar payment period with respect to the aggregate of all loans held by the institution may, when the amount of a monthly or other similar payment is not a multiple of $5, be rounded to the next highest whole dollar amount that is a multiple of $5;

(D) shall provide that the loan shall bear interest, on the unpaid balance of the loan, at the rate of 5 percent per year in the case of any loan made on or after October 1, 1981, except that no interest shall accrue (I) prior to the beginning date of repayment determined under paragraph (2)(A)(i), or (II) during any period in which repayment is suspended by reason of paragraph (2);

(E) shall provide that the loan shall be made without security and without endorsement;

(F) shall provide that the liability to repay the loan shall be canceled upon the death of the borrower, or if he becomes permanently and totally disabled as determined in accordance with regulations of the Secretary;

(G) shall provide that no note or evidence of obligation may be assigned by the lender, except upon the transfer of the borrower to another institution participating under this part (or, if not so participating, is eligible to do so and is approved by the Secretary for such purpose), to such institution, and except as necessary to carry out section 463(a)(6);

(H) pursuant to regulations of the Secretary, shall provide for an assessment of a charge with respect to the loan for failure of the borrower to pay all or part of an installment when due, which shall include the expenses reasonably incurred in attempting collection of the loan, to the extent permitted by the Secretary, except that no charge imposed under this subparagraph shall exceed 20 percent of the amount of the monthly payment of the borrower; and

(I) shall contain a notice of the system of disclosure of information concerning default on such loan to credit bureau organizations under section 463(c).

(2)(A) No repayment of principal or, or interest on, any loan from a student loan fund assisted under this part shall be required during any period—

(i) during which the borrower—

(I) is pursuing at least a half-time course of study as determined by an eligible institution; or

(II) is pursuing a course of study pursuant to a graduate fellowship program approved by the Secretary, or pursuant to a rehabilitation training program for disabled individuals approved by the Secretary,

except that no borrower shall be eligible for a deferment under this clause, or loan made under this part while serving in a medical internship or residency program;

1So in law (112 Stat. 1726). Probably should be redesignated as clauses (i) and (ii).
(ii) not in excess of 3 years during which the borrower is seeking and unable to find full-time employment;

(iii) not in excess of 3 years for any reason which the lender determines, in accordance with regulations prescribed by the Secretary under section 435(o), has caused or will cause the borrower to have an economic hardship; or

(iv) during which the borrower is engaged in service described in section 465(a)(2);

and provides that any such period shall not be included in determining the 10-year period described in subparagraph (A) of paragraph (1).

(B) No repayment of principal of, or interest on, any loan for any period described in subparagraph (A) shall begin until 6 months after the completion of such period.

(C) An individual with an outstanding loan balance who meets the eligibility criteria for a deferment described in subparagraph (A) as in effect on the date of enactment of this subparagraph shall be eligible for deferment under this paragraph notwithstanding any contrary provision of the promissory note under which the loan or loans were made, and notwithstanding any amendment (or effective date provision relating to any amendment) to this section made prior to the date of such deferment.

(3)(A) The Secretary is authorized, when good cause is shown, to extend, in accordance with regulations, the 10-year maximum repayment period provided for in subparagraph (A) of paragraph (1) with respect to individual loans.

(B) Pursuant to uniform criteria established by the Secretary, the repayment period for any student borrower who during the repayment period is a low-income individual may be extended for a period not to exceed 10 years and the repayment schedule may be adjusted to reflect the income of that individual.

(4) The repayment period for a loan made under this part shall begin on the day immediately following the expiration of the period, specified in paragraph (1)(A), after the student ceases to carry the required academic workload, unless the borrower requests and is granted a repayment schedule that provides for repayment to commence at an earlier point in time, and shall exclude any period of authorized deferment, forbearance, or cancellation.

(5) The institution may elect—

(A) to add the amount of any charge imposed under paragraph (1)(H) to the principal amount of the loan as of the first day after the day on which the installment was due and to notify the borrower of the assessment of the charge; or

(B) to make the amount of the charge payable to the institution not later than the due date of the next installment.

(6) Requests for deferment of repayment of loans under this part by students engaged in graduate or post-graduate fellowship-supported study (such as pursuant to a Fulbright grant) outside the United States shall be approved until completion of the period of the fellowship.

(7) There shall be excluded from the 9-month period that begins on the date on which a student ceases to carry at least one-half the normal full-time academic workload (as described in paragraph (1)(A)) any period not to exceed 3 years during which a bor-
rower who is a member of a reserve component of the Armed Forces named in section 10101 of title 10, United States Code, is called or ordered to active duty for a period of more than 30 days (as defined in section 101(d)(2) of such title). Such period of exclusion shall include the period necessary to resume enrollment at the borrower's next available regular enrollment period.

(d) AVAILABILITY OF LOAN FUND TO ALL ELIGIBLE STUDENTS.—An agreement under this part for payment of Federal capital contributions shall include provisions designed to make loans from the student loan fund established pursuant to such agreement reasonably available (to the extent of the available funds in such fund) to all eligible students in such institutions in need thereof.

(e) FORBEARANCE.—The Secretary shall ensure that, upon written request, an institution of higher education shall grant a borrower forbearance of principal and interest or principal only, renewable at 12-month intervals for a period not to exceed 3 years, on such terms as are otherwise consistent with the regulations issued by the Secretary and agreed upon in writing by the parties to the loan, if—

(1) the borrower's debt burden equals or exceeds 20 percent of such borrower's gross income; or

(2) the institution determines that the borrower should qualify for forbearance for other reasons.

(f) SPECIAL REPAYMENT RULE AUTHORITY.—(1) Subject to such restrictions as the Secretary may prescribe to protect the interest of the United States, in order to encourage repayment of loans made under this part which are in default, the Secretary may, in the agreement entered into under this part, authorize an institution of higher education to compromise on the repayment of such defaulted loans in accordance with paragraph (2). The Federal share of the compromise repayment shall bear the same relation to the institution's share of such compromise repayment as the Federal capital contribution to the institution's loan fund under this part bears to the institution's capital contribution to such fund.

(2) No compromise repayment of a defaulted loan as authorized by paragraph (1) may be made unless the student borrower pays—

(A) 90 percent of the loan under this part;

(B) the interest due on such loan; and

(C) any collection fees due on such loan;

in a lump sum payment.

(g) DISCHARGE.—

(1) IN GENERAL.—If a student borrower who received a loan made under this part on or after January 1, 1986, is unable to complete the program in which such student is enrolled due to the closure of the institution, then the Secretary shall discharge the borrower's liability on the loan (including the interest and collection fees) and shall subsequently pursue any claim available to such borrower against the institution and the institution's affiliates and principals, or settle the loan obligation pursuant to the financial responsibility standards described in section 498(c).

(2) ASSIGNMENT.—A borrower whose loan has been discharged pursuant to this subsection shall be deemed to have assigned to the United States the right to a loan refund in an
amount that does not exceed the amount discharged against the institution and the institution's affiliates and principals.

(3) ELIGIBILITY FOR ADDITIONAL ASSISTANCE.—The period during which a student was unable to complete a course of study due to the closing of the institution shall not be considered for purposes of calculating the student's period of eligibility for additional assistance under this title.

(4) SPECIAL RULE.—A borrower whose loan has been discharged pursuant to this subsection shall not be precluded, because of that discharge, from receiving additional grant, loan, or work assistance under this title for which the borrower would be otherwise eligible (but for the default on the discharged loan). The amount discharged under this subsection shall be treated as an amount canceled under section 465(a).

(5) REPORTING.—The Secretary or institution, as the case may be, shall report to credit bureaus with respect to loans that have been discharged pursuant to this subsection.

(h) REHABILITATION OF LOANS.—

(1) REHABILITATION.—

(A) IN GENERAL.—If the borrower of a loan made under this part who has defaulted on the loan makes 12 ontime, consecutive, monthly payments of amounts owed on the loan, as determined by the institution, or by the Secretary in the case of a loan held by the Secretary, the loan shall be considered rehabilitated, and the institution that made that loan (or the Secretary, in the case of a loan held by the Secretary) shall request that any credit bureau organization or credit reporting agency to which the default was reported remove the default from the borrower’s credit history.

(B) COMPARABLE CONDITIONS.—As long as the borrower continues to make scheduled repayments on a loan rehabilitated under this paragraph, the rehabilitated loan shall be subject to the same terms and conditions, and qualify for the same benefits and privileges, as other loans made under this part.

(C) ADDITIONAL ASSISTANCE.—The borrower of a rehabilitated loan shall not be precluded by section 484 from receiving additional grant, loan, or work assistance under this title (for which the borrower is otherwise eligible) on the basis of defaulting on the loan prior to such rehabilitation.

(D) LIMITATIONS.—A borrower only once may obtain the benefit of this paragraph with respect to rehabilitating a loan under this part.

(2) RESTORATION OF ELIGIBILITY.—If the borrower of a loan made under this part who has defaulted on that loan makes 6 ontime, consecutive, monthly payments of amounts owed on such loan, the borrower’s eligibility for grant, loan, or work assistance under this title shall be restored to the extent that the borrower is otherwise eligible. A borrower only once may obtain the benefit of this paragraph with respect to restored eligibility.

(i) INCENTIVE REPAYMENT PROGRAM.—
(1) IN GENERAL.—Each institution of higher education may establish, with the approval of the Secretary, an incentive repayment program designed to reduce default and to replenish student loan funds established under this part. Each such incentive repayment program may—

(A) offer a reduction of the interest rate on a loan on which the borrower has made 48 consecutive, monthly repayments, but in no event may the rate be reduced by more than 1 percent;

(B) provide for a discount on the balance owed on a loan on which the borrower pays the principal and interest in full prior to the end of the applicable repayment period, but in no event may the discount exceed 5 percent of the unpaid principal balance due on the loan at the time the early repayment is made; and

(C) include such other incentive repayment options as the institution determines will carry out the objectives of this subsection.

(2) LIMITATION.—No incentive repayment option under an incentive repayment program authorized by this subsection may be paid for with Federal funds, including any Federal funds from the student loan fund, or with institutional funds from the student loan fund.

(a) CANCELLATION OF PERCENTAGE OF DEBT BASED ON YEARS OF QUALIFYING SERVICE.—(1) The percent specified in paragraph (3) of this subsection of the total amount of any loan made after June 30, 1972, from a student loan fund assisted under this part shall be canceled for each complete year of service after such date by the borrower under circumstances described in paragraph (2).

(2) Loans shall be canceled under paragraph (1) for service—

(A) as a full-time teacher for service in an academic year in a public or other nonprofit private elementary or secondary school which is in the school district of a local educational agency which is eligible in such year for assistance pursuant to title I of the Elementary and Secondary Education Act of 1965, and which for the purpose of this paragraph and for that year has been determined by the Secretary (pursuant to regulations and after consultation with the State educational agency of the State in which the school is located) to be a school in which the enrollment of children counted under section 111(c) of the Elementary and Secondary Education Act of 1965 exceeds 30 percent of the total enrollment of that school;

(B) as a full-time staff member in a preschool program carried on under the Head Start Act which is operated for a period which is comparable to a full school year in the locality if the salary of such staff member is not more than the salary of a comparable employee of the local educational agency;

(C) as a full-time special education teacher, including teachers of infants, toddlers, children, or youth with disabilities in a public or other nonprofit elementary or secondary school system, or as a full-time qualified professional provider of early intervention services in a public or other nonprofit pro-
gram under public supervision by the lead agency as authorized in section 635(a)(10) of the Individuals With Disabilities Education Act;  

(D) as a member of the Armed Forces of the United States, for service that qualifies for special pay under section 310 of title 37, United States Code, as an area of hostilities;  

(E) as a volunteer under the Peace Corps Act or a volunteer under the Domestic Volunteer Service Act of 1973;  

(F) as a full-time law enforcement officer or corrections officer for service to local, State, or Federal law enforcement or corrections agencies;  

(G) as a full-time teacher of mathematics, science, foreign languages, bilingual education, or any other field of expertise where the State educational agency determines there is a shortage of qualified teachers;  

(H) as a full-time nurse or medical technician providing health care services; or  

(I) as a full-time employee of a public or private nonprofit child or family service agency who is providing, or supervising the provision of, services to high-risk children who are from low-income communities and the families of such children.

For the purpose of this paragraph, the term “children with disabilities” has the meaning set forth in section 602 of the Individuals with Disabilities Education Act.

(3)(A) The percent of a loan which shall be canceled under paragraph (1) of this subsection is—  

(i) in the case of service described in subparagraph (A), (C), (F), (G), (H), or (I) of paragraph (2), at the rate of 15 percent for the first or second year of such service, 20 percent for the third or fourth year of such service, and 30 percent for the fifth year of such service;  

(ii) in the case of service described in subparagraph (B) of paragraph (2), at the rate of 15 percent for each year of such service;  

(iii) in the case of service described in subparagraph (D) of paragraph (2), not to exceed a total of 50 percent of such loan at the rate of 12 1/2 percent for each year of qualifying service; or  

(iv) in the case of service described in subparagraph (E) of paragraph (2) at the rate of 15 percent for the first or second year of such service and 20 percent for the third or fourth year of such service.  

(B) If a portion of a loan is canceled under this subsection for any year, the entire amount of interest on such loan which accrues for such year shall be canceled.  

(C) Nothing in this subsection shall be construed to authorize refunding of any repayment of a loan.  

(4) For the purpose of this subsection, the term “year” where applied to service as a teacher means academic year as defined by the Secretary.

(5) The amount of a loan, and interest on a loan, which is canceled under this section shall not be considered income for purposes of the Internal Revenue Code of 1986.

(6) No borrower may, for the same volunteer service, receive a benefit under both this section and subtitle D of title I of the National and Community Service Act of 1990 (42 U.S.C. 12571 et seq.).

(7) An individual with an outstanding loan obligation under this part who performs service of any type that is described in paragraph (2) as in effect on the date of enactment of this paragraph shall be eligible for cancellation under this section for such service notwithstanding any contrary provision of the promissory note under which the loan or loans were made, and notwithstanding any amendment (or effective date provision relating to any amendment) to this section made prior to the date of such service.

(b) Reimbursement for Cancellation.—The Secretary shall pay to each institution for each fiscal year an amount equal to the aggregate of the amounts of loans from its student loan fund which are canceled pursuant to this section for such year, minus an amount equal to the aggregate of the amounts of any such loans so canceled which were made from Federal capital contributions to its student loan fund provided by the Secretary under section 468. None of the funds appropriated pursuant to section 461(b) shall be available for payments pursuant to this subsection. To the extent feasible, the Secretary shall pay the amounts for which any institution qualifies under this subsection not later than 3 months after the institution files an institutional application for campus-based funds.

(c) Special Rules.—

(1) List.—If the list of schools in which a teacher may perform service pursuant to subsection (a)(2)(A) is not available before May 1 of any year, the Secretary may use the list for the year preceding the year for which the determination is made to make such service determination.

(2) Continuing Eligibility.—Any teacher who performs service in a school which—

(A) meets the requirements of subsection (a)(2)(A) in any year; and

(B) in a subsequent year fails to meet the requirements of such subsection,

may continue to teach in such school and shall be eligible for loan cancellation pursuant to subsection (a)(1) such subsequent years.

(a) In General.—After September 30, 2003, and not later than March 31, 2004, there shall be a capital distribution of the balance of the student loan fund established under this part by each institution of higher education as follows:

(1) The Secretary shall first be paid an amount which bears the same ratio to the balance in such fund at the close of September 30, 2003, as the total amount of the Federal cap-

(d) **Computations in Case of Separation, Divorce, or Death.**—In the case of a student who is divorced or separated, or whose spouse has died, the spouse's income and assets shall not be
considered in determining the family’s contribution from income or assets.

(a) Computation of Expected Family Contribution.—For each independent student with dependents other than a spouse, the expected family contribution is equal to the amount determined by—

(1) computing adjusted available income by adding—
   (A) the family’s available income (determined in accordance with subsection (b)); and
   (B) the family’s contribution from assets (determined in accordance with subsection (c));
(2) assessing such adjusted available income in accordance with an assessment schedule set forth in subsection (d);
(3) dividing the assessment resulting under paragraph (2) by the number of family members who are enrolled or accepted for enrollment, on at least a half-time basis, in a degree, certificate, or other program leading to a recognized educational credential at an institution of higher education that is an eligible institution in accordance with the provisions of section 487 during the award period for which assistance under this title is requested; and
(4) for periods of enrollment of less than 9 months, for purposes other than subpart 2 of part A—
   (A) dividing the quotient resulting under paragraph (3) by 9; and
   (B) multiplying the result by the number of months in the period of enrollment;

except that the amount determined under this subsection shall not be less than zero.

(b) Family’s Available Income.—

(1) In General.—The family’s available income is determined by deducting from total income (as defined in section 480)—

   (B) an allowance for State and other taxes, determined in accordance with paragraph (2);
   (C) an allowance for social security taxes, determined in accordance with paragraph (3);
   (D) an income protection allowance, determined in accordance with paragraph (4);
   (E) an employment expense allowance, determined in accordance with paragraph (5); and
   (F) the amount of any tax credit taken under section 25A of the Internal Revenue Code of 1986.

(2) Allowance for State and Other Taxes.—The allowance for State and other taxes is equal to an amount determined by multiplying total income (as defined in section 480) by a percentage determined according to the following table (or a successor table prescribed by the Secretary under section 478):

(e) Computations in Case of Separation, Divorce, or Death.—In the case of a student who is divorced or separated, or whose spouse has died, the spouse’s income and assets shall not be considered in determining the family’s available income or assets.

(a) Authority to Prescribe Regulations Restricted.—(1) Notwithstanding any other provision of law, the Secretary shall not have the authority to prescribe regulations to carry out this part except—
   (A) to prescribe updated tables in accordance with subsections (b) through (h) of this section; or
   (B) to propose modifications in the need analysis methodology required by this part.

   (2) Any regulation proposed by the Secretary that (A) updates tables in a manner that does not comply with subsections (b) through (h) of this section, or (B) that proposes modifications under paragraph (1)(B) of this subsection, shall not be effective unless approved by joint resolution of the Congress by May 1 following the date such regulations are published in the Federal Register in accordance with section 482. If the Congress fails to approve such regulations by such May 1, the Secretary shall publish in the Federal Register in accordance with section 482 updated tables for the applicable award year that are prescribed in accordance with subsections (b) through (h) of this section.

(b) Income Protection Allowance.—

(1) Revised Tables.—For each academic year after academic year 1993–1994, the Secretary shall publish in the Federal Register a revised table of income protection allowances for the purpose of sections 475(c)(4) and 477(b)(4). Such revised table shall be developed by increasing each of the dollar amounts contained in the table in each such section by a percentage equal to the estimated percentage increase in the Consumer Price Index (as determined by the Secretary) between December 1992 and the December next preceding the beginning of such academic year, and rounding the result to the nearest $10.

(2) Revised Amounts.—For each academic year after academic year 2000–2001, the Secretary shall publish in the Federal Register revised income protection allowances for the purpose of sections 475(g)(2)(D) and 476(b)(1)(A)(iv). Such revised allowances shall be developed by increasing each of the dollar amounts contained in such section by a percentage equal to the estimated percentage increase in the Consumer Price Index (as...
determined by the Secretary) between December 1999 and the December next preceding the beginning of such academic year, and rounding the result to the nearest $10.

(c) ADJUSTED NET WORTH OF A FARM OR BUSINESS.—For each award year after award year 1993–1994, the Secretary shall publish in the Federal Register a revised table of adjusted net worth of a farm or business for purposes of sections 475(d)(2)(C), 476(c)(2)(C), and 477(c)(2)(C). Such revised table shall be developed—

(1) by increasing each dollar amount that refers to net worth of a farm or business by a percentage equal to the estimated percentage increase in the Consumer Price Index (as determined by the Secretary) between December 1992 and the December next preceding the beginning of such award year, and rounding the result to the nearest $5,000; and

(2) by adjusting the dollar amounts "$30,000", "$105,000", and "$195,000" to reflect the changes made pursuant to paragraph (1).

(d) EDUCATION SAVINGS AND ASSET PROTECTION ALLOWANCE.—For each award year after award year 1993–1994, the Secretary shall publish in the Federal Register a revised table of allowances for the purpose of sections 475(d)(3), 476(c)(3), and 477(c)(3). Such revised table shall be developed by determining the present value cost, rounded to the nearest $100, of an annuity that would provide, for each age cohort of 40 and above, a supplemental income at age 65 (adjusted for inflation) equal to the difference between the moderate family income (as most recently determined by the Bureau of Labor Statistics), and the current average social security retirement benefits. For each age cohort below 40, the allowance shall be computed by decreasing the allowance for age 40, as updated, by one-fifteenth for each year of age below age 40 and rounding the result to the nearest $100. In making such determinations—

(1) inflation shall be presumed to be 6 percent per year;
(2) the rate of return of an annuity shall be presumed to be 8 percent; and
(3) the sales commission on an annuity shall be presumed to be 6 percent.

(e) ASSESSMENT SCHEDULES AND RATES.—For each award year after award year 1993–1994, the Secretary shall publish in the Federal Register a revised table of assessments from adjusted available income for the purpose of sections 475(e) and 477(d). Such revised table shall be developed—

(1) by increasing each dollar amount that refers to adjusted available income by a percentage equal to the estimated percentage increase in the Consumer Price Index (as determined by the Secretary) between December 1992 and the December next preceding the beginning of such academic year, rounded to the nearest $100; and

(2) by adjusting the other dollar amounts to reflect the changes made pursuant to paragraph (1).

(f) DEFINITION OF CONSUMER PRICE INDEX.—As used in this section, the term “Consumer Price Index” means the Consumer Price Index for All Urban Consumers published by the Department

(1) if the institution has provided such eligibility based on a verification of satisfactory immigration status by the Immigration and Naturalization Service,

(2) because the institution, under subsection (h)(4)(A)(i), was required to provide a reasonable opportunity to submit documentation, or

(2) Restriction or reductions of financial aid.—A student’s eligibility to receive grants, loans, or work assistance under this title shall be reduced if a financial aid officer determines under the discretionary authority provided in section 479A that telecommunications instruction results in a substantially reduced cost of attendance to such student.
(3) SPECIAL RULE.—For award years prior to the date of enactment of this subsection, the Secretary shall not take any compliance, disallowance, penalty, or other action against a student or an eligible institution when such action arises out of such institution's prior award of student assistance under this title if the institution demonstrates to the satisfaction of the Secretary that its course of instruction would have been in conformance with the requirements of this subsection.

(4) DEFINITION.—For the purposes of this subsection, the term “telecommunications” means the use of television, audio, or computer transmission, including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, computer conferencing, or video cassettes or discs, except that such term does not include a course that is delivered using video cassette or disc recordings at such institution and that is not delivered in person to other students of that institution.

In the absence of a confirmation from such data matches, an institution may also use data or documents that support either the student’s registration, or the absence of a registration requirement for the student, to fulfill the requirement to file a separate statement of compliance. The mechanism for reporting the resolution of nonconfirmed matches shall be prescribed by the Secretary in regulations.

   (2) If there is a determination by the Secretary that the social security number provided to an eligible institution by a student is incorrect, the institution shall deny or terminate the
student’s eligibility for any grant, loan, or work assistance under this title until such time as the student provides documented evidence of a social security number that is determined by the institution to be correct.

(3) If there is a determination by the Secretary that the social security number provided to an eligible institution by a student is incorrect, and a correct social security number cannot be provided by such student, and a loan has been guaranteed for such student under part B of this title, the institution shall notify and instruct the lender and guaranty agency making and guaranteeing the loan, respectively, to cease further disbursements of the loan, but such guaranty shall not be voided or otherwise nullified with respect to such disbursements made before the date that the lender and the guaranty agency receives such notice.

(2) LEAVE OF ABSENCE.—

(A) LEAVE NOT TREATED AS WITHDRAWAL.—In the case of a student who takes a leave of absence from an institution for not more than a total of 180 days in any 12-month period, the institution may consider the student as not having withdrawn from the institution during the leave of absence, and not calculate the amount of grant and loan assistance provided under this title that is to be returned in accordance with this section if—

(3) CALCULATION OF AMOUNT OF TITLE IV ASSISTANCE EARNED.—

(A) IN GENERAL.—The amount of grant or loan assistance under this title that is earned by the recipient for purposes of this section is calculated by—

(ii) applying such percentage to the total amount of such grant and loan assistance that was disbursed (and that could have been disbursed) to the student, or on the student’s behalf, for the payment period or period of enrollment for which the assistance was awarded, as of the day the student withdrew.

(B) PERCENTAGE EARNED.—For purposes of subparagraph (A)(i), the percentage of grant or loan assistance under this title that has been earned by the student is—

(i) equal to the percentage of the payment period or period of enrollment for which assistance was awarded that was completed (as determined in accordance with subsection (d)) as of the day the student withdrew, provided that such date occurs on or before the completion of 60 percent of the payment period or period of enrollment; or

(ii) 100 percent, if the day the student withdrew occurs after the student has completed 60 percent of the payment period or period of enrollment.

(C) PERCENTAGE AND AMOUNT NOT EARNED.—For purposes of subsection (b), the amount of grant and loan assistance awarded under this title that has not been earned by the student shall be calculated by—

(i) determining the complement of the percentage of grant or loan assistance under this title that has been earned by the student described in subparagraph (B); and

(ii) applying the percentage determined under clause (i) to the total amount of such grant and loan assistance that was disbursed (and that could have been disbursed) to the student, or on the student’s behalf, for the payment period or period of enrollment, as of the day the student withdrew.

(4) DIFFERENCES BETWEEN AMOUNTS EARNED AND AMOUNTS RECEIVED.—

(A) IN GENERAL.—If the student has received less grant or loan assistance than the amount earned as calculated under subparagraph (A) of paragraph (3), the institution of higher education shall comply with the procedures for late disbursement specified by the Secretary in regulations.

(B) RETURN.—If the student has received more grant or loan assistance than the amount earned as calculated under paragraph (3)(A), the unearned funds shall be returned by the institution or the student, or both, as may be required under paragraphs (1) and (2) of subsection (b),
to the programs under this title in the order specified in subsection (b)(3).

(b) RETURN OF TITLE IV PROGRAM FUNDS.—

(1) RESPONSIBILITY OF THE INSTITUTION.—The institution shall return, in the order specified in paragraph (3), the lesser of—

(i) the total institutional charges incurred by the student for the payment period or period of enrollment for which such assistance was awarded; multiplied by

(ii) the percentage of grant and loan assistance awarded under this title that has not been earned by the student, as described in subsection (a)(3)(C)(i).

(2) RESPONSIBILITY OF THE STUDENT.—

(A) IN GENERAL.—The student shall return assistance that has not been earned by the student as described in subsection (a)(3)(C)(ii) in the order specified in paragraph (3) minus the amount the institution is required to return under paragraph (1).

(i) a loan program under this title in accordance with the terms of the loan; and

(ii) a grant program under this title, as an overpayment of such grant and shall be subject to—

(c) Financial Assistance Information Personnel.—Each eligible institution shall designate an employee or group of employees who shall be available on a full-time basis to assist students or potential students in obtaining information as specified in subsection (a). The Secretary may, by regulation, waive the requirement that an employee or employees be available on a full-time basis for carrying out responsibilities required under this section whenever an institution in which the total enrollment, or the portion of the enrollment participating in programs under this title at that institution, is too small to necessitate such employee or employees being available on a full-time basis. No such waiver may include permission to exempt any such institution from designating a specific individual or a group of individuals to carry out the provisions of this section.

(d) Departmental Publication of Descriptions of Assistance Programs.—(1) The Secretary shall make available to eligible institutions, eligible lenders, and secondary schools descriptions of Federal student assistance programs including the rights and responsibilities of student and institutional participants, in order to (A) assist students in gaining information through institutional sources, and (B) assist institutions in carrying out the provisions of this section, so that individual and institutional participants will be fully aware of their rights and responsibilities under such programs. In particular, such information shall include information to enable students and prospective students to assess the debt burden and monthly and total repayment obligations that will be incurred as a result of receiving loans of varying amounts under this title.
In addition, such information shall include information to enable borrowers to assess the practical consequences of loan consolidation, including differences in deferment eligibility, interest rates, monthly payments, and finance charges, and samples of loan consolidation profiles to illustrate such consequences. (2) When an institution described in paragraph (1) of this subsection offers a potential student athlete athletically related student aid, such institution shall provide to the student and the student's parents, guidance counselor, and coach the information contained in the report submitted by such institution pursuant to paragraph (1). If the institution is a member of a national collegiate athletic association that compiles graduation rate data on behalf of the association’s member institutions that the Secretary determines is substantially comparable to the information described in paragraph (1), the distribution of the compilation of such data to all secondary schools in the United States shall fulfill the responsibility of the institution to provide information to a prospective student athlete's guidance counselor and coach.

(i) summarize the information and identify trends in the information;

(ii) aggregate the information by divisions of the National Collegiate Athletic Association; and

(iii) contain information on each individual institution of higher education.

(C) The Secretary shall ensure that the reports described in subparagraph (A) and the report to Congress described in
subparagraph (B) are made available to the public within a reasonable period of time.

(D) Not later than 180 days after the date of enactment of the Higher Education Amendments of 1998, the Secretary shall notify all secondary schools in all States regarding the availability of the information reported under subparagraph (B) and the information made available under paragraph (1), and how such information may be accessed.

(5) DEFINITION.—For the purposes of this subsection, the term “operating expenses” means expenditures on lodging and meals, transportation, officials, uniforms and equipment.

(a) ELIGIBILITY FOR PLAN.—Upon the request of the borrower, a lender described in subparagraph (A), (B), or (C) of section 428C(a)(1) of this Act, or defined in subpart I of part C of title VII of the Public Health Service Act may, with respect to a consolidation loan made under section 428C of this Act (and section 439(o) of this Act as in effect prior to the enactment of section 428C) and loans guaranteed under subpart I of part C of title VII of the Public Health Service Act (known as Health Education Assistance Loans), offer a combined payment plan under which the lender shall submit one bill to the borrower for the repayment of all such loans for the monthly or other similar period of repayment.

(b) APPLICABILITY OF OTHER REQUIREMENTS.—A lender offering a combined payment plan shall comply with all provisions of section 428C applicable to loans consolidated or to be consolidated and shall comply with all provisions of subpart I of part C of title VII of the Public Health Service Act applicable to loans under that subpart which are made part of the combined payment plan, except that a lender offering a combined payment plan under this section may offer consolidation loans pursuant to section 428C(b)(1)(A) if such lender holds any outstanding loan of a borrower which is selected for inclusion in a combined payment plan.

(c) LENDER ELIGIBILITY.—Such lender may offer a combined payment plan only if—

(1) the lender holds an outstanding loan of that borrower which is selected by the borrower for incorporation into a combined payment plan pursuant to this section (including loans which are selected by the borrower for consolidation under this section); or

(2) the borrower certifies that the borrower has sought and has been unable to obtain a combined payment plan from the holders of the outstanding loans of that borrower.

(d) BORROWER SELECTION OF COMPETING OFFERS.—In the case of multiple offers by lenders to administer a combined payment plan for a borrower, the borrower shall select from among them the lender to administer the combined payment plan including its loan consolidation component.

(e) EFFECT OF PLAN.—Upon selection of a lender to administer the combined payment plan, the lender may reissue any Health Education Assistance Loan selected by the borrower for incorporation in the combined payment plan which is not held by such lender and the proceeds of such reissued loan shall be paid by the
lender to the holder or holders of the loans so selected to discharge the liability on such loans, if—

(1) the lender selected to administer the combined payment plan has determined to its satisfaction, in accordance with reasonable and prudent business practices, for each loan being reissued (A) that the loan is a legal, valid, and binding obligation of the borrower; (B) that each such loan was made and serviced in compliance with applicable laws and regulations; and (C) the insurance on such loan is in full force and effect; and

(2) the loan being reissued was not in default (as defined in section 733(e)(3) of the Public Health Service Act) at the time the request for a combined payment plan is made.

(f) NOTES AND INSURANCE CERTIFICATES.—(1) Each loan reissued under subsection (e) shall be evidenced by a note executed by the borrower. The Secretary of Health and Human Services shall insure such loan under a certificate of comprehensive insurance with no insurance limit, but any such certificate shall only be issued to an authorized holder of loans insured under subpart I of part C of title VII of the Public Health Service Act (including the Student Loan Marketing Association). Such certificates shall provide that all loans reissued under this section shall be fully insured against loss of principal and interest. Any insurance issued with respect to loans reissued under this section shall be excluded from the limitation on maximum insurance authority set forth in section 728(a) of the Public Health Service Act. Notwithstanding the provisions of section 729(a) of the Public Health Service Act, the reissued loan shall be made in an amount, including outstanding principal, capitalized interest, accrued unpaid interest not yet capitalized, and authorized late charges. The proceeds of each such loan will be paid by the lender to the holder of the original loan being reissued and the borrower's obligation to that holder on that loan shall be discharged.

(2) Except as otherwise specifically provided for under the provisions of this section, the terms of any reissued loan shall be the same as the terms of the original loan. The maximum repayment period for a loan reissued under this section shall not exceed the remainder of the period which would have been permitted on the original loan. If the lender holds more than one loan insured under subpart I of part C of title VII of the Public Health Service Act, the maximum repayment period for all such loans may extend to the latest date permitted for any individual loan. Any reissued loan may be consolidated with any other Health Education Assistance Loan as provided in the Public Health Service Act, and, with the concurrence of the borrower, repayment of any such loans during any period may be made in amounts that are less than the interest that accrues on such loans during that period.

(g) TERMINATION OF BORROWER ELIGIBILITY.—The status of an individual as an eligible combined payment plan borrower terminates upon receipt of a combined payment plan.

(h) FEES AND PREMIUMS.—No origination fee or insurance premium shall be charged to the borrower on any combined payment plan, and no origination fee or insurance premium shall be payable by the lender to the Secretary of Health and Human Services.
(i) Commencement of Repayment.—Repayment of a combined payment plan shall commence within 60 days after the later of the date of acceptance of the lender’s offer to administer a combined payment plan, the making of the consolidation loan or the reissuance of any Health Education Assistance Loans pursuant to subsection (e).

(a) Development of the System.—The Secretary shall consult with a representative group of guaranty agencies, eligible lenders, and eligible institutions to develop a mutually agreeable proposal for the establishment of a National Student Loan Data System containing information regarding loans made, insured, or guaranteed under part B and loans made under parts D and E, and for allowing the electronic exchange of data between program participants and the system. In establishing such data system, the Secretary shall place a priority on providing for the monitoring of enrollment, student status, information about current loan holders and servicers, and internship and residency information. Such data system shall also permit borrowers to use the system to identify the current loan holders and servicers of such borrower’s loan not later than one year after the date of enactment of the Higher Education Amendments of 1998. The information in the data system shall include (but is not limited to)—

1. the amount and type of each such loan made;

7. the total amount of loans made to any borrower and the remaining balance of the loans;
8. the lender, holder, and servicer of such loans;
9. information concerning the date of any default on the loan and the collection of the loan, including any information concerning the repayment status of any defaulted loan on which the Secretary has made a payment pursuant to section 430(a) or the guaranty agency has made a payment to the previous holder of the loan;

Such data shall include—

(1) information concerning the income level of the borrower and his family and the extent of the borrower’s need for student financial assistance, including loans;

Any deferments on one such loan will be considered a deferment on the total amount of all such loans.
(b) ONE LENDER, ONE GUARANTY AGENCY.—To the extent practicable, and with the cooperation of the borrower, the guaranty agency shall ensure that a borrower only have one lender, one holder, one guaranty agency, and one servicer with which to maintain contact.

retary, the Secretary may use such determination, suspension, or
debarment as the basis for imposing an emergency action on, or
limiting, suspending, or terminating, in a single proceeding, the
participation of any or all institutions under the substantial control
of that individual or entity.

(3)(A) Upon determination, after reasonable notice and oppor-

the Secretary may suspend or terminate the eligibility status for
any or all programs under this title of any otherwise eligible institu-

nature of its educational program, its financial charges, and
the employability of its graduates,
the Secretary may impose a civil penalty upon such institution of
not to exceed $25,000 for each violation or misrepresentation.

(ii) Any civil penalty may be compromised by the Secretary. In
determining the amount of such penalty, or the amount agreed

of the institution of higher education subject to the determination,
and the gravity of the violation, failure, or misrepresentation shall
be considered. The amount of such penalty, when finally deter-

The Secretary shall allow the institution to use any reasonable means, including stenographers, of recording the hearing.

(a) Quality Assurance Program.—

(1) In general.—The Secretary is authorized to select institutions for voluntary participation in a Quality Assurance Program that provides participating institutions with an alternative management approach through which individual schools develop and implement their own comprehensive systems, related to processing and disbursement of student financial aid, verification of student financial aid application data, and entrance and exit interviews, thereby enhancing program integrity within the student aid delivery system.

(2) Criteria and consideration.—The Quality Assurance Program authorized by this section shall be based on criteria that include demonstrated institutional performance, as determined by the Secretary, and shall take into consideration current quality assurance goals, as determined by the Secretary. The selection criteria shall ensure the participation of a diverse group of institutions of higher education with respect to size, mission, and geographical distribution.

(3) Waiver.—The Secretary is authorized to waive for any institution participating in the Quality Assurance Program any regulations dealing with reporting or verification requirements in this title that are addressed by the institution's alternative management system, and may substitute such quality assurance reporting as the Secretary determines necessary to ensure accountability and compliance with the purposes of the programs under this title. The Secretary shall not modify or waive any statutory requirements pursuant to this paragraph.

(4) Determination.—The Secretary is authorized to determine—

(A) when an institution that is unable to administer the Quality Assurance Program shall be removed from such program; and
(B) when institutions desiring to cease participation in
such program will be required to complete the current
award year under the requirements of the Quality Assur-
ance Program.

(5) REVIEW AND EVALUATION.—The Secretary shall review
and evaluate the Quality Assurance Program conducted by
each participating institution and, on the basis of that evalua-

submit a report based on this review and evaluation to the
Committee on Labor and Human Resources of the Senate and
the Committee on Education and the Workforce of the House
of Representatives not later than 6 months after the enactment

experimental sites, the Secretary shall consult with the
Committee on Labor and Human Resources of the Senate
and the Committee on Education and the Workforce of the
House of Representatives and shall provide to such

Sec. 488A. [20 U.S.C. 1095a] WAGE GARNISHMENT REQUIREMENT.

(a) GARNISHMENT REQUIREMENTS.—Notwithstanding any provision of State law, a guaranty agency, or the Secretary in the case of loans made, insured or guaranteed under this title that are held by the Secretary, may garnish the disposable pay of an individual to collect the amount owed by the individual, if he or she is not currently making required repayment under a repayment agreement with the Secretary, or, in the case of a loan guaranteed under part B on which the guaranty agency received reimbursement from the Secretary under section 428(c), with the guaranty agency holding the loan, as appropriate, provided that—

(1) the amount deducted for any pay period may not exceed 10 percent of disposable pay, except that a greater per-
percentage may be deducted with the written consent of the individual involved;

(2) the individual shall be provided written notice, sent by mail to the individual's last known address, a minimum of 30 days prior to the initiation of proceedings, from the guaranty agency or the Secretary, as appropriate, informing such individual of the nature and amount of the loan obligation to be collected, the intention of the guaranty agency or the Secretary, as appropriate, to initiate proceedings to collect the debt through deductions from pay, and an explanation of the rights of the individual under this section;

(3) the individual shall be provided an opportunity to inspect and copy records relating to the debt;

(4) the individual shall be provided an opportunity to enter into a written agreement with the guaranty agency or the Secretary, under terms agreeable to the Secretary, or the head of the guaranty agency or his designee, as appropriate, to establish a schedule for the repayment of the debt;

(6) the employer shall pay to the Secretary or the guaranty agency as directed in the withholding order issued in this action, and shall be liable for, and the Secretary or the guaranty agency, as appropriate, may sue the employer in a State or Federal court of competent jurisdiction to recover, any amount that such employer fails to withhold from wages due an employee following receipt of such employer of notice of the withholding order, plus attorneys' fees, costs, and, in the court's discretion, punitive damages, but such employer shall not be required to vary the normal pay and disbursement cycles in order to comply with this paragraph;

(7) if an individual has been reemployed within 12 months after having been involuntarily separated from employment, no amount may be deducted from the disposable pay of such individual until such individual has been reemployed continuously for at least 12 months; and

(8) an employer may not discharge from employment, refuse to employ, or take disciplinary action against an individual subject to wage withholding in accordance with this section by reason of the fact that the individual's wages have been subject to garnishment under this section, and such individual may sue in a State or Federal court of competent jurisdiction any employer who takes such action. The court shall award attorneys' fees to a prevailing employee and, in its discretion, may order reinstatement of the individual, award punitive damages and back pay to the employee, or order such other remedy as may be reasonably necessary.

(d) No Attachment of Student Assistance.—Except as authorized in this section, notwithstanding any other provision of Federal or State law, no grant, loan, or work assistance awarded under this title, or property traceable to such assistance, shall be subject to garnishment or attachment in order to satisfy any debt owed by the student awarded such assistance, other than a debt owed to the Secretary and arising under this title.

(e) Definition.—For the purpose of this section, the term "disposable pay" means that part of the compensation of any individual from an employer remaining after the deduction of any amounts required by law to be withheld.

(2) If the institution enrolls a significant number of students who are (A) attending the institution less than full time, or (B) independent students, the institution shall use a reasonable proportion of the funds available under this section for financial aid services during times and in places that will most effectively accommodate the needs of such students.

(c) APPLICABILITY OF FEDERAL ADVISORY COMMITTEE ACT.—The Federal Advisory Committee Act shall not apply to activities carried out under this section.

(d) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated in any fiscal year or made available from funds appropriated to carry out this part in any fiscal year such sums as may be necessary to carry out the provisions of this section, except that if no funds are appropriated pursuant to this subsection, the Secretary shall make funds available to carry out this section from amounts appropriated for the operations and expenses of the Department of Education.

SEC. 493. [20 U.S.C. 1098b] AUTHORIZATION OF APPROPRIATIONS FOR ADMINISTRATIVE EXPENSES.

There are authorized to be appropriated such sums as may be necessary for fiscal year 1993 and for each succeeding fiscal year thereafter for administrative expenses necessary for carrying out this title, including expenses for staff personnel, program reviews, and compliance activities.

(a) PREPARATIONS FOR YEAR 2000.—In order to ensure that the processing, delivery, and administration of grant, loan, and work assistance provided under this title is not interrupted due to operational problems related to the inability of computer systems to indicate accurately dates after December 31, 1999, the Secretary of Education shall—

(1) take such actions as are necessary to ensure that all internal and external systems, hardware, and data exchange infrastructure administered by the Department that are necessary for the processing, delivery, and administration of the grant, loan, and work assistance are Year 2000 compliant by March 31, 1999, such that there will be no business interruption after December 31, 1999;

(2) ensure that the Robert T. Stafford Federal Student Loan Program and the William D. Ford Federal Direct Loan Program are equal in level of priority with respect to addressing, and that resources are managed to equally provide for successful resolution of, the Year 2000 computer problem in both programs by December 31, 1999;

(3) work with the Department's various data exchange partners under this title to fully test all data exchange routes for Year 2000 compliance via end-to-end testing, and submit a
report describing the parameters and results of such tests to the Comptroller General not later than March 31, 1999;

(4) ensure that the Inspector General of the Department (or an external, independent entity selected by the Inspector General) performs and publishes a risk assessment of the systems and hardware under the Department's management, that has been reviewed by an independent entity, and make such assessment publicly available not later than 60 days after the date of enactment of the Higher Education Amendments of 1998;

(5) not later than June 30, 1999, ensure that the Inspector General (or an external, independent entity selected by the Inspector General) conducts a review of the Department's Year 2000 compliance for the processing, delivery, and administration of grant, loan, and work assistance, and submits a report reflecting the results of that review to the Chairperson of the Committee on Labor and Human Resources of the Senate and the Chairperson of the Committee on Education and the Workforce of the House of Representatives;

(6) develop a contingency plan to ensure the programs under this title will continue to run uninterrupted in the event of widespread disruptions in the flow of accurate computerized data, which contingency plan shall include a prioritization of mission critical systems and strategies to allow data partners to transfer data through alternate means; and

(7) alert Congress at the earliest possible time if mission critical deadlines will not be met.

(b) POSTPONEMENT AUTHORITY FOR THE YEAR 2000.—

(1) PURPOSE.—It is the purpose of this subsection to provide the Secretary with the flexibility necessary to—

(A) ensure that the resources and capabilities of institutions, lenders, and guaranty agencies are not overburdened by the combination of student aid processing and delivery requirements added or modified by the amendments made by the Higher Education Amendments of 1998 and by the changes required to ensure that the systems of the institutions, lenders and guaranty agencies are Year 2000 compliant; and

(B) avoid the disruption of grant, loan, or work assistance funds awarded to students because of Year 2000 compliance problems at a substantial number of institutions, lenders, and guaranty agencies.

(2) AUTHORITY TO POSTPONE.—The Secretary may postpone, for a period of time described in paragraph (3), the implementation of any requirements under part B, D, E, or G that are added or modified by the amendments made by the Higher Education Amendments of 1998 related to the processing or delivery of grant, loan, and work assistance (which shall not include the determination of need for such assistance) provided under this title, if the Secretary—

(A) determines that—

(i) implementation of such requirements would require extensive changes to the existing systems of institutions, lenders, or guaranty agencies; and
(ii) postponement is necessary to avoid jeopardizing the ability of a substantial number of institutions, lenders, or guaranty agencies to ensure that all of the systems of the institutions, lenders, or guaranty agencies related to the processing or delivery of such assistance function successfully after December 31, 1999; and
(B) promptly publishes in the Federal Register a list of, and notifies Congress of, any provisions, the implementation of which the Secretary intends to postpone, with the reasons for such postponement.

(3) EXCEPTIONS TO AUTHORITY.—The Secretary may not postpone the implementation of one or more provisions described in this subsection longer than the earlier of—
(A) the period of time that the Secretary determines necessary to ensure that the processing and delivery systems of the institutions, lenders, and guaranty agencies referred to in paragraph (1)(A)(ii) are capable of functioning successfully after December 31, 1999; or
(B) one award year after the effective date applicable to such provision under the Higher Education Amendments of 1998.

The Secretary, in consultation with the Secretary of Veterans Affairs, shall develop and implement a procedure to permit Department of Veterans Affairs physicians to provide the certifications and affidavits needed to enable disabled veterans enrolled in the Department of Veterans Affairs health care system to document such veterans’ eligibility for deferments or cancellations of student loans made, insured, or guaranteed under this title. Not later than 6 months after the date of enactment of the Higher Education Amendments of 1998, the Secretary and the Secretary of Veterans Affairs jointly shall report to Congress on the progress made in developing and implementing the procedure.

PART H—PROGRAM INTEGRITY

Subpart 1—State Role

SEC. 495. [20 U.S.C. 1099a] STATE RESPONSIBILITIES.

(a) STATE RESPONSIBILITIES.—As part of the integrity program authorized by this part, each State, through one State agency or several State agencies selected by the State, shall—
(1) furnish the Secretary, upon request, information with respect to the process for licensing or other authorization for institutions of higher education to operate within the State;
(2) notify the Secretary promptly whenever the State revokes a license or other authority to operate an institution of higher education; and
(3) notify the Secretary promptly whenever the State has credible evidence that an institution of higher education within the State—
(A) has committed fraud in the administration of the student assistance programs authorized by this title; or
(B) has substantially violated a provision of this title.

(b) INSTITUTIONAL RESPONSIBILITY.—Each institution of higher education shall provide evidence to the Secretary that the institution has authority to operate within a State at the time the institution is certified under subpart 3.

Subpart 2—Accrediting Agency Recognition

SEC. 496. [20 U.S.C. 1099b] RECOGNITION OF ACCREDITING AGENCY OR ASSOCIATION.

(a) CRITERIA REQUIRED.—No accrediting agency or association may be determined by the Secretary to be a reliable authority as to the quality of education or training offered for the purposes of this Act or for other Federal purposes, unless the agency or association meets criteria established by the Secretary pursuant to this section. The Secretary shall, after notice and opportunity for a hearing, establish criteria for such determinations. Such criteria shall include an appropriate measure or measures of student achievement. Such criteria shall require that—

(1) the accrediting agency or association shall be a State, regional, or national agency or association and shall demonstrate the ability and the experience to operate as an accrediting agency or association within the State, region, or nationally, as appropriate;

(2) such agency or association—

(A)(i) for the purpose of participation in programs under this Act, has a voluntary membership of institutions of higher education and has as a principal purpose the accrediting of institutions of higher education; or

(ii) for the purpose of participation in other programs administered by the Department of Education or other Federal agencies, has a voluntary membership and has as its principal purpose the accrediting of institutions of higher education or programs;

(B) is a State agency approved by the Secretary for the purpose described in subparagraph (A); or

(C) is an agency or association that, for the purpose of determining eligibility for student assistance under this title, conducts accreditation through (i) a voluntary membership organization of individuals participating in a profession, or (ii) an agency or association which has as its principal purpose the accreditation of programs within institutions, which institutions are accredited by another agency or association recognized by the Secretary;

(3) if such agency or association is an agency or association described in—

(A) subparagraph (A)(i) of paragraph (2), then such agency or association is separate and independent, both administratively and financially of any related, associated, or affiliated trade association or membership organization;
(B) subparagraph (B) of paragraph (2), then such agency or association has been recognized by the Secretary on or before October 1, 1991; or

(C) subparagraph (C) of paragraph (2) and such agency or association has been recognized by the Secretary on or before October 1, 1991, then the Secretary may waive the requirement that such agency or association is separate and independent, both administratively and financially of any related, associated, or affiliated trade association or membership organization upon a demonstration that the existing relationship has not served to compromise the independence of its accreditation process;

(4) such agency or association consistently applies and enforces standards that ensure that the courses or programs of instruction, training, or study offered by the institution of higher education, including distance education courses or programs, are of sufficient quality to achieve, for the duration of the accreditation period, the stated objective for which the courses or the programs are offered;

(5) the standards for accreditation of the agency or association assess the institution's

(A) success with respect to student achievement in relation to the institution's mission, including, as appropriate, consideration of course completion, State licensing examinations, and job placement rates;

(B) curricula;

(C) faculty;

(D) facilities, equipment, and supplies;

(E) fiscal and administrative capacity as appropriate to the specified scale of operations;

(F) student support services;

(G) recruiting and admissions practices, academic calendars, catalogs, publications, grading and advertising;

(H) measures of program length and the objectives of the degrees or credentials offered;

(I) record of student complaints received by, or available to, the agency or association; and

(J) record of compliance with its program responsibilities under title IV of this Act based on the most recent student loan default rate data provided by the Secretary, the results of financial or compliance audits, program reviews, and any such other information as the Secretary may provide to the agency or association;

except that subparagraphs (A), (H), and (J) shall not apply to agencies or associations described in paragraph (2)(A)(ii) of this subsection;

(6) such agency or association shall apply procedures throughout the accrediting process, including evaluation and withdrawal proceedings, that comply with due process, including—

(A) adequate specification of requirements and deficiencies at the institution of higher education or program being examined;
(B) notice of an opportunity for a hearing by any such institution;
(C) the right to appeal any adverse action against any such institution; and
(D) the right to representation by counsel for any such institution;
(7) such agency or association shall notify the Secretary and the appropriate State licensing or authorizing agency within 30 days of the accreditation of an institution or any final denial, withdrawal, suspension, or termination of accreditation or placement on probation of an institution, together with any other adverse action taken with respect to an institution; and
(8) such agency or association shall make available to the public, upon request, and to the Secretary, and the State licensing or authorizing agency a summary of any review resulting in a final accrediting decision involving denial, termination, or suspension of accreditation, together with the comments of the affected institution.

(b) SEPARATE AND INDEPENDENT DEFINED.—For the purpose of subsection (a)(3), the term “separate and independent” means that—
(1) the members of the postsecondary education governing body of the accrediting agency or association are not elected or selected by the board or chief executive officer of any related, associated, or affiliated trade association or membership organization;
(2) among the membership of the board of the accrediting agency or association there shall be one public member (who is not a member of any related trade or membership organization) for each six members of the board, with a minimum of one such public member, and guidelines are established for such members to avoid conflicts of interest;
(3) dues to the accrediting agency or association are paid separately from any dues paid to any related, associated, or affiliated trade association or membership organization; and
(4) the budget of the accrediting agency or association is developed and determined by the accrediting agency or association without review or resort to consultation with any other entity or organization.

(c) OPERATING PROCEDURES REQUIRED.—No accrediting agency or association may be recognized by the Secretary as a reliable authority as to the quality of education or training offered by an institution seeking to participate in the programs authorized under this title, unless the agency or association—
(1) performs, at regularly established intervals, on-site inspections and reviews of institutions of higher education (which may include unannounced site visits) with particular focus on educational quality and program effectiveness, and ensures that accreditation team members are well-trained and knowledgeable with respect to their responsibilities;
(2) requires that any institution of higher education subject to its jurisdiction which plans to establish a branch cam-
pus submit a business plan, including projected revenues and expenditures, prior to opening the branch campus;

(3) agrees to conduct, as soon as practicable, but within a period of not more than 6 months of the establishment of a new branch campus or a change of ownership of an institution of higher education, an on-site visit of that branch campus or of the institution after a change of ownership;

(4) requires that teach-out agreements among institutions are subject to approval by the accrediting agency or association consistent with standards promulgated by such agency or association;

(5) maintains and makes publicly available written materials regarding standards and procedures for accreditation, appeal procedures, and the accreditation status of each institution subject to its jurisdiction; and

(6) discloses publicly whenever an institution of higher education subject to its jurisdiction is being considered for accreditation or reaccreditation.

(d) LENGTH OF RECOGNITION.—No accrediting agency or association may be recognized by the Secretary for the purpose of this Act for a period of more than 5 years.

(e) INITIAL ARBITRATION RULE.—The Secretary may not recognize the accreditation of any institution of higher education unless the institution of higher education agrees to submit any dispute involving the final denial, withdrawal, or termination of accreditation to initial arbitration prior to any other legal action.

(f) JURISDICTION.—Notwithstanding any other provision of law, any civil action brought by an institution of higher education seeking accreditation from, or accredited by, an accrediting agency or association recognized by the Secretary for the purpose of this title and involving the denial, withdrawal, or termination of accreditation of the institution of higher education, shall be brought in the appropriate United States district court.

(g) LIMITATION ON SCOPE OF CRITERIA.—Nothing in this Act shall be construed to permit the Secretary to establish criteria for accrediting agencies or associations that are not required by this section. Nothing in this Act shall be construed to prohibit or limit any accrediting agency or association from adopting additional standards not provided for in this section.

(h) CHANGE OF ACCREDITING AGENCY.—The Secretary shall not recognize the accreditation of any otherwise eligible institution of higher education if the institution of higher education is in the process of changing its accrediting agency or association, unless the eligible institution submits to the Secretary all materials relating to the prior accreditation, including materials demonstrating reasonable cause for changing the accrediting agency or association.

(i) DUAL ACCREDITATION RULE.—The Secretary shall not recognize the accreditation of any otherwise eligible institution of higher education if the institution of higher education is accredited, as an institution, by more than one accrediting agency or association, unless the institution submits to each such agency and association and to the Secretary the reasons for accreditation by more than one such agency or association and demonstrates to the Secretary reasonable cause for its accreditation by more than one agency or
association. If the institution is accredited, as an institution, by more than one accrediting agency or association, the institution shall designate which agency’s accreditation shall be utilized in determining the institution’s eligibility for programs under this Act.

(j) IMPACT OF LOSS OF ACCREDITATION.—An institution may not be certified or recertified as an institution of higher education under section 102 and subpart 3 of this part or participate in any of the other programs authorized by this Act if such institution—

(1) is not currently accredited by any agency or association recognized by the Secretary; 
(2) has had its accreditation withdrawn, revoked, or otherwise terminated for cause during the preceding 24 months, unless such withdrawal, revocation, or termination has been rescinded by the same accrediting agency; or 
(3) has withdrawn from accreditation voluntarily under a show cause or suspension order during the preceding 24 months, unless such order has been rescinded by the same accrediting agency.

(k) RELIGIOUS INSTITUTION RULE.—Notwithstanding subsection (j), the Secretary shall allow an institution that has had its accreditation withdrawn, revoked, or otherwise terminated, or has voluntarily withdrawn from an accreditation agency, to remain certified as an institution of higher education under section 102 and subpart 3 of this part for a period sufficient to allow such institution to obtain alternative accreditation, if the Secretary determines that the reason for the withdrawal, revocation, or termination—

(1) is related to the religious mission or affiliation of the institution; and
(2) is not related to the accreditation criteria provided for in this section.

(l) LIMITATION, SUSPENSION, OR TERMINATION OF RECOGNITION.—(1) If the Secretary determines that an accrediting agency or association has failed to apply effectively the criteria in this section, or is otherwise not in compliance with the requirements of this section, the Secretary shall—

(A) after notice and opportunity for a hearing, limit, suspend, or terminate the recognition of the agency or association; or

(B) require the agency or association to take appropriate action to bring the agency or association into compliance with such requirements within a timeframe specified by the Secretary, except that—

(i) such timeframe shall not exceed 12 months unless the Secretary extends such period for good cause; and

(ii) if the agency or association fails to bring the agency or association into compliance within such timeframe, the Secretary shall, after notice and opportunity for a hearing, limit, suspend, or terminate the recognition of the agency or association.

(2) The Secretary may determine that an accrediting agency or association has failed to apply effectively the standards provided in this section if an institution of higher education seeks and receives accreditation from the accrediting agency or association during any
period in which the institution is the subject of any interim action by another accrediting agency or association, described in paragraph (2)(A)(i), (2)(B), or (2)(C) of subsection (a) of this section, leading to the suspension, revocation, or termination of accreditation or the institution has been notified of the threatened loss of accreditation, and the due process procedures required by such suspension, revocation, termination, or threatened loss have not been completed.

(m) LIMITATION ON THE SECRETARY’S AUTHORITY.—The Secretary may only recognize accrediting agencies or associations which accredit institutions of higher education for the purpose of enabling such institutions to establish eligibility to participate in the programs under this Act or which accredit institutions of higher education or higher education programs for the purpose of enabling them to establish eligibility to participate in other programs administered by the Department of Education or other Federal agencies.

(n) INDEPENDENT EVALUATION.—(1) The Secretary shall conduct a comprehensive review and evaluation of the performance of all accrediting agencies or associations which seek recognition by the Secretary in order to determine whether such accrediting agencies or associations meet the criteria established by this section. The Secretary shall conduct an independent evaluation of the information provided by such agency or association. Such evaluation shall include—

(A) the solicitation of third-party information concerning the performance of the accrediting agency or association; and
(B) site visits, including unannounced site visits as appropriate, at accrediting agencies and associations, and, at the Secretary’s discretion, at representative member institutions.

(2) The Secretary shall place a priority for review of accrediting agencies or associations on those agencies or associations that accredit institutions of higher education that participate most extensively in the programs authorized by this title and on those agencies or associations which have been the subject of the most complaints or legal actions.

(3) The Secretary shall consider all available relevant information concerning the compliance of the accrediting agency or association with the criteria provided for in this section, including any complaints or legal actions against such agency or association. In cases where deficiencies in the performance of an accreditation agency or association with respect to the requirements of this section are noted, the Secretary shall take these deficiencies into account in the recognition process. The Secretary shall not, under any circumstances, base decisions on the recognition or denial of recognition of accreditation agencies or associations on criteria other than those contained in this section. When the Secretary decides to recognize an accrediting agency or association, the Secretary shall determine the agency or association’s scope of recognition. If the agency or association reviews institutions offering distance education courses or programs and the Secretary determines that the agency or association meets the requirements of this section, then the agency shall be recognized and the scope of recogni-
tion shall include accreditation of institutions offering distance education courses or programs.

(4) The Secretary shall maintain sufficient documentation to support the conclusions reached in the recognition process, and, if the Secretary does not recognize any accreditation agency or association, shall make publicly available the reason for denying recognition, including reference to the specific criteria under this section which have not been fulfilled.

(o) REGULATIONS.—The Secretary shall by regulation provide procedures for the recognition of accrediting agencies or associations and for the appeal of the Secretary’s decisions.

Subpart 3—Eligibility and Certification Procedures

(a) General Requirement.—For purposes of qualifying institutions of higher education for participation in programs under this title, the Secretary shall determine the legal authority to operate within a State, the accreditation status, and the administrative capability and financial responsibility of an institution of higher education in accordance with the requirements of this section.

(b) Single Application Form.—The Secretary shall prepare and prescribe a single application form which—

(1) requires sufficient information and documentation to determine that the requirements of eligibility, accreditation, financial responsibility, and administrative capability of the institution of higher education are met;

(2) requires a specific description of the relationship between a main campus of an institution of higher education and all of its branches, including a description of the student aid processing that is performed by the main campus and that which is performed at its branches;

(3) requires—

(A) a description of the third party servicers of an institution of higher education; and

(B) the institution to maintain a copy of any contract with a financial aid service provider or loan servicer, and provide a copy of any such contract to the Secretary upon request;

(4) requires such other information as the Secretary determines will ensure compliance with the requirements of this title with respect to eligibility, accreditation, administrative capability and financial responsibility; and

(5) provides, at the option of the institution, for participation in one or more of the programs under part B or D.

(c) Financial Responsibility Standards.—(1) The Secretary shall determine whether an institution has the financial responsibility required by this title on the basis of whether the institution is able—

(A) to provide the services described in its official publications and statements;
(B) to provide the administrative resources necessary to comply with the requirements of this title; and
(C) to meet all of its financial obligations, including (but not limited to) refunds of institutional charges and repayments to the Secretary for liabilities and debts incurred in programs administered by the Secretary.
(2) Notwithstanding paragraph (1), if an institution fails to meet criteria prescribed by the Secretary regarding ratios that demonstrate financial responsibility, then the institution shall provide the Secretary with satisfactory evidence of its financial responsibility in accordance with paragraph (3). Such criteria shall take into account any differences in generally accepted accounting principles, and the financial statements required thereunder, that are applicable to for-profit, public, and nonprofit institutions. The Secretary shall take into account an institution’s total financial circumstances in making a determination of its ability to meet the standards herein required.
(3) The Secretary shall determine an institution to be financially responsible, notwithstanding the institution’s failure to meet the criteria under paragraphs (1) and (2), if—
(A) such institution submits to the Secretary third-party financial guarantees that the Secretary determines are reasonable, such as performance bonds or letters of credit payable to the Secretary, which third-party financial guarantees shall equal not less than one-half of the annual potential liabilities of such institution to the Secretary for funds under this title, including loan obligations discharged pursuant to section 437, and to students for refunds of institutional charges, including funds under this title;
(B) such institution has its liabilities backed by the full faith and credit of a State, or its equivalent;
(C) such institution establishes to the satisfaction of the Secretary, with the support of a financial statement audited by an independent certified public accountant in accordance with generally accepted auditing standards, that the institution has sufficient resources to ensure against the precipitous closure of the institution, including the ability to meet all of its financial obligations (including refunds of institutional charges and repayments to the Secretary for liabilities and debts incurred in programs administered by the Secretary); or
(D) such institution has met standards of financial responsibility, prescribed by the Secretary by regulation, that indicate a level of financial strength not less than those required in paragraph (2).
(4) If an institution of higher education that provides a 2-year or 4-year program of instruction for which the institution awards an associate or baccalaureate degree fails to meet the criteria imposed by the Secretary pursuant to paragraph (2), the Secretary shall waive that particular requirement for that institution if the institution demonstrates to the satisfaction of the Secretary that—
(A) there is no reasonable doubt as to its continued solvency and ability to deliver quality educational services;

1So in law. Probably should be “for-profit”.
(B) it is current in its payment of all current liabilities, including student refunds, repayments to the Secretary, payroll, and payment of trade creditors and withholding taxes; and
(C) it has substantial equity in school-occupied facilities, the acquisition of which was the direct cause of its failure to meet the criteria.

(5) The determination as to whether an institution has met the standards of financial responsibility provided for in paragraphs (2) and (3)(C) shall be based on an audited and certified financial statement of the institution. Such audit shall be conducted by a qualified independent organization or person in accordance with standards established by the American Institute of Certified Public Accountants. Such statement shall be submitted to the Secretary at the time such institution is considered for certification or recertification under this section. If the institution is permitted to be certified (provisionally or otherwise) and such audit does not establish compliance with paragraph (2), the Secretary may require that additional audits be submitted.

(6)(A) The Secretary shall establish requirements for the maintenance by an institution of higher education of sufficient cash reserves to ensure repayment of any required refunds.
(B) The Secretary shall provide for a process under which the Secretary shall exempt an institution of higher education from the requirements described in subparagraph (A) if the Secretary determines that the institution—
(i) is located in a State that has a tuition recovery fund that ensures that the institution meets the requirements of subparagraph (A);
(ii) contributes to the fund; and
(iii) otherwise has legal authority to operate within the State.

d) ADMINISTRATIVE CAPACITY STANDARD.—The Secretary is authorized—

(1) to establish procedures and requirements relating to the administrative capacities of institutions of higher education, including—
(A) consideration of past performance of institutions or persons in control of such institutions with respect to student aid programs; and
(B) maintenance of records; ¹
(2) to establish such other reasonable procedures as the Secretary determines will contribute to ensuring that the institution of higher education will comply with administrative capability required by this title.

e) FINANCIAL GUARANTEES FROM OWNERS.—(1) Notwithstanding any other provision of law, the Secretary may, to the extent necessary to protect the financial interest of the United States, require—
(A) financial guarantees from an institution participating, or seeking to participate, in a program under this title, or from one or more individuals who the Secretary determines, in accordance with paragraph (2), exercise substantial control

over such institution, or both, in an amount determined by the Secretary to be sufficient to satisfy the institution's potential liability to the Federal Government, student assistance recipients, and other program participants for funds under this title; and

(B) the assumption of personal liability, by one or more individuals who exercise substantial control over such institution, as determined by the Secretary in accordance with paragraph (2), for financial losses to the Federal Government, student assistance recipients, and other program participants for funds under this title, and civil and criminal monetary penalties authorized under this title.

(2)(A) The Secretary may determine that an individual exercises substantial control over one or more institutions participating in a program under this title if the Secretary determines that—

(i) the individual directly or indirectly controls a substantial ownership interest in the institution;

(ii) the individual, either alone or together with other individuals, represents, under a voting trust, power of attorney, proxy, or similar agreement, one or more persons who have, individually or in combination with the other persons represented or the individual representing them, a substantial ownership interest in the institution; or

(iii) the individual is a member of the board of directors, the chief executive officer, or other executive officer of the institution or of an entity that holds a substantial ownership interest in the institution.

(B) The Secretary may determine that an entity exercises substantial control over one or more institutions participating in a program under this title if the Secretary determines that the entity directly or indirectly holds a substantial ownership interest in the institution.

(3) For purposes of this subsection, an ownership interest is defined as a share of the legal or beneficial ownership or control of, or a right to share in the proceeds of the operation of, an institution or institution's parent corporation. An ownership interest may include, but is not limited to—

(A) a sole proprietorship;

(B) an interest as a tenant-in-common, joint tenant, or tenant by the entireties;

(C) a partnership; or

(D) an interest in a trust.

(4) The Secretary shall not impose the requirements described in subparagraphs (A) and (B) of paragraph (1) on an institution that—

(A) has not been subjected to a limitation, suspension, or termination action by the Secretary or a guaranty agency within the preceding 5 years;

(B) has not had, during its 2 most recent audits of the institutions conduct of programs under this title, an audit finding that resulted in the institution being required to repay an amount greater than 5 percent of the funds the institution received from programs under this title for any year;
(C) meets and has met, for the preceding 5 years, the financial responsibility standards under subsection (c); and
(D) has not been cited during the preceding 5 years for failure to submit audits required under this title in a timely fashion.

(5) For purposes of section 487(c)(1)(G), this section shall also apply to individuals or organizations that contract with an institution to administer any aspect of an institution's student assistance program under this title.

(6) Notwithstanding any other provision of law, any individual who—
   (A) the Secretary determines, in accordance with paragraph (2), exercises substantial control over an institution participating in, or seeking to participate in, a program under this title;
   (B) is required to pay, on behalf of a student or borrower, a refund of unearned institutional charges to a lender, or to the Secretary; and
   (C) willfully fails to pay such refund or willfully attempts in any manner to evade payment of such refund,
shall, in addition to other penalties provided by law, be liable to the Secretary for the amount of the refund not paid, to the same extent with respect to such refund that such an individual would be liable as a responsible person for a penalty under section 6672(a) of Internal Revenue Code of 1986 with respect to the non-payment of taxes.¹

(f) ACTIONS ON APPLICATIONS AND SITE VISITS.—The Secretary shall ensure that prompt action is taken by the Department on any application required under subsection (b). The personnel of the Department of Education may conduct a site visit at each institution before certifying or recertifying its eligibility for purposes of any program under this title. The Secretary shall establish priorities by which institutions are to receive site visits, and shall, to the extent practicable, coordinate such visits with site visits by States, guaranty agencies, and accrediting bodies in order to eliminate duplication, and reduce administrative burden.

(g) TIME LIMITATIONS ON, AND RENEWAL OF, ELIGIBILITY.—
   (1) GENERAL RULE.—After the expiration of the certification of any institution under the schedule prescribed under this section (as this section was in effect prior to the enactment of the Higher Education Act Amendments of 1998), or upon request for initial certification from an institution not previously certified, the Secretary may certify the eligibility for the purposes of any program authorized under this title of each such institution for a period not to exceed 6 years.
   (2) NOTIFICATION.—The Secretary shall notify each institution of higher education not later than 6 months prior to the date of the expiration of the institution's certification.
   (3) INSTITUTIONS OUTSIDE THE UNITED STATES.—The Secretary shall promulgate regulations regarding the recerti-
cation requirements applicable to an institution of higher education outside of the United States that meets the requirements of section 102(a)(1)(C) and received less than $500,000 in funds under part B for the most recent year for which data are available.

(h) Provisional Certification of Institutional Eligibility.—(1) Notwithstanding subsections (d) and (g), the Secretary may provisionally certify an institution’s eligibility to participate in programs under this title—

(A) for not more than one complete award year in the case of an institution of higher education seeking an initial certification; and

(B) for not more than 3 complete award years if—

(i) the institution’s administrative capability and financial responsibility is being determined for the first time;
