

Dear Customer,

On May 26, 2006, Texas Guaranteed Student Loan Corporation (TG) was notified by Hummingbird, a company TG contracted with to implement a document management system, that a Hummingbird employee had lost a piece of equipment containing the names and Social Security numbers of a portion of TG's borrowers. TG announced this loss publicly on May 30 and has identified your information as included on the lost equipment.

While TG has mailed letters notifying affected borrowers, and you may already have received that notification (sent to your last known address), several states also require notification by e-mail if TG has an e-mail address on file. This e-mail is being sent to you in addition to our mailed notice. Please access TG's web site, www.tgslc.org/resources/customerdata.cfm, where you may view the borrower notification letter and see the recommended steps to take to protect your personal information. If you have questions, please visit the Frequently Asked Questions section of the web site or contact our toll-free Privacy Information Hotline and speak with a representative. TG staff is currently available by calling (800) 530-0626, Monday through Friday 7:00 a.m. to 7:00 p.m. (CDT) or Saturday 8:00 a.m. to 1:00 p.m. (CDT).

TG remains committed to the security of any personal information we receive from our customers, and we regret any concern and frustration caused by this incident.
