

Recently Completed Dissertations on Enrollment Management

Jacob H. Johnson

Southern Utah University

The following list includes dissertations completed between January 1, 2006 and June 23, 2008 that are included in the database of Proquest Dissertations and Theses. With over 2 million entries, the Proquest database is considered the most comprehensive collection of dissertations and theses. The terms enrollment management, student access, finance, success, and higher education, as well as combinations of these terms, were used to search the database.

2006
