Dora Ann Verde appointed to TG board of directors

ROUND ROCK, TEXAS – Dora Ann Verde, partner with the public accounting firm of Garza/Gonzalez & Associates, has been appointed to the TG board of directors by Governor Rick Perry.

“Dora’s expertise in accounting and auditing will certainly enhance the strengths of the board of directors,” said Sue McMillin, TG president and CEO. “Her experience working with the financial affairs of educational and governmental entities, along with her years of service to the greater community, will benefit TG. We look forward to working with her to ensure educational opportunities for the families and students of Texas.”

As a member of the board, Verde will provide leadership for one of the nation’s largest student loan guarantors, promoting access to higher education for more than 350,000 students and families each year. TG currently guarantees more than \$3 billion annually for student and parent borrowers through the Federal Family Education Loan Program. The company also assists students by providing information and guidance throughout the student’s educational journey – from planning for college to successfully managing repayment of his or her student loans.

Verde is a member of the American Institute of Certified Public Accountants, the Texas Society of Certified Public Accountants, the San Antonio Chapter of Certified Public Accountants, and the Government Finance Officers Association. She is also a member of the Mission City Business and Professional Women’s Club, of which she is a past president. In addition to her professional associations, Verde is a board member of the Free Trade Alliance, a board member and treasurer for Texas Public Radio and ACCION Texas, a member and past treasurer for San Antonio 100, and the San Antonio Hispanic Chamber of Commerce.
