Dora Ann Verde named vice chair for TG board of directors

ROUND ROCK, TEXAS – Dora Ann Verde, partner with the public accounting firm of Garza/Gonzalez & Associates in San Antonio, has been named vice chair of the board of directors for TG.

“Dora’s expertise in working with the financial affairs of educational and governmental entities, along with her years of service to the greater community, has been a great benefit to TG and to the board,” said Sue McMillin, TG president and CEO. “We look forward to working with her in this leadership role on the board to ensure educational opportunities for the families and students of Texas.”

As vice chair of the board, Verde will provide leadership for one of the nation’s largest guarantors, helping to ensure access to higher education for more than 350,000 students and families each year. TG currently guarantees more than \$3 billion annually for student and parent borrowers through the Federal Family Education Loan Program. The company also assists students by providing information and guidance throughout the student’s educational journey – from planning for college to successfully managing repayment of his or her student loans.

Verde was appointed to the TG Board in 2005 by Governor Rick Perry.

Verde is a member of the American Institute of Certified Public Accountants, the Texas Society of Certified Public Accountants, the San Antonio Chapter of Certified Public Accountants, and the Government Finance Officers Association. She is also a member of the Mission City Business and Professional Women’s Club, of which she is a past president. In addition to her professional associations, Verde is a board member of the Free Trade Alliance, a board member and treasurer for Texas Public Radio and ACCION Texas, and a member and past treasurer for San Antonio 100 and the San Antonio Hispanic Chamber of Commerce.
